Troy: Niles will fight religious scenes suit

by Sylvia Dalrymple
 Although Niles, Skokie and Park Ridge are among Cook County communities that have been targeted for a possible lawsuit by a national atheist group for displaying Christmas Nativity scenes on government property, Niles Village Attorney Richard Troy feels the issue over the church-state doctrine is

"moot."
 "All the Christmas decorations are down now, and I doubt whether the matter will be pursued."

Morton Grove lab issues recall on cough syrup

A nationwide recall was issued last week for an over-the-counter private label cough syrup manufactured by a Morton Grove laboratory. The medicine was thought to contain a potentially lethal dose of a tranquilizer. So far there have been no returns of the product from consumers. The medicine, which is sold under a variety of names, is being recalled as a result of what the U.S. Food and Drug Administration said on Page 31

Zoners delay Ward's auto store request

by Sylvia Dalrymple
 The Niles Zoning Board at Monday's meeting continued a special use zoning request by Montgomery Ward & Co. which wants to demolish an existing building and construct a tire and battery store at 9643 Milwaukee Ave. Continuance to the Feb. 1 meeting was to allow the petitioner time to reach a

 First Rap Of The New Year:
 A Nilesite came into The Bugle office a couple of weeks ago and complained about two higher ups in the Niles Police Department. He contended during the first snowfall, while most of Niles' finest were breaking their butts working overtime (many on their own time), two officers took time off to work their own private snow clearing service.
 Police Chief Whitey Emrikson checked his records and told The Bugle the big snow was on the 15th of December and the two officers in question were accounted for. He said one of them was on vacation the two days before the snowfall and had his regular days off on the 15th and 16th. The other officer had his regular days off the 13th and 14th and worked the 15th, 16th and 17th.
 When the village of Niles created a previous policy insisting all police, fire and public works personnel live inside the village, it was because people living inside would have more interest in the community than those living outside. If there is a conflict between private jobs interfering with public work

Sub-zero weather causes water breaks

Niles Public Works crews were out in 10 below zero temperatures with a wind chill factor of 47 degrees below zero repairing three water main breaks that began at 10 p.m. Monday and ended 9 a.m. Tuesday, according to Jim Smith, superintendent of public works.
 The water main breaks were caused by the severe cold weather. "The ground shifts, causing the break," Smith explained, adding the men were working under a hardship during the repairs.
 The first water main break occurred at 10 p.m. Monday in the 8700 block of Howard St. followed by another at 1 a.m. Tuesday on the side of the old post office on Greenleaf and Harlem St. at 4 a.m., he said.
 Smith stated it was a tedious job in which utility companies

Students focus on service agencies

During a tour of a sheltered workshop operated by the Northwest Suburban Aid for the Retarded, staff member Caudace Donellan (left) shows Maine East High School seniors David Tjho of Park Ridge, Matthew Hedstrom of Glenview, and Jennifer Kelly of Morton Grove (far right) some of the assembly work being done by clients. The students visited the workshop as part of Maine Township government's day-long program for high school seniors, which focused on local social service agencies funded by the township government.

Pet shop owner surrenders to police on warrant

The owner of Animal World pet store, 8555 Harlem, who was wanted on an arrest warrant for allegedly assaulting an animal welfare inspector on Oct. 29 turned himself in last week to the Niles Police Station, according to a police spokesman.
 John J. Santoro, 59, of Park Ridge stated he was out of town and was unaware of the warrant, the police spokesman said. He was released after paying \$2,000 bond pending a February court date.
 The Oct. 29 incident began around noon when a female inspector from the Illinois Department of Animal Services

Food for the Needy

Shown pictured are members of the Northwest Italian American Society and Optimist Club of Niles.

For the seventh consecutive year, the Northwest Italian American Society of Niles packaged and delivered fifty bushels of food. Included in this year's bushel baskets were: milk, cheese, nine assorted canned foods, fresh fruits, canned ham and Christmas stockings. Throughout the year, members work to raise money for several projects such as this for the purpose of helping those less fortunate.

One of the members making deliveries also added to his chores by shoveling out a driveway and sidewalks. Greatly appreciated assistance was given this year by the Optimist Club of Niles. Members offered their services with a donation, packing and delivering of the food baskets with the Society members. With their efforts all fifty baskets were delivered in time for Christmas.

Stroke Club Bingo Night

The Survivors Stroke Club of Swedish Covenant Hospital will hold a Bingo night at its meeting on Thursday, Jan. 14, at 6:30 p.m. in the main building cafeteria, 5145 N. California.

The meetings are free and open to all appropriate persons. The Survivors Stroke Club is a support group for persons who have suffered a stroke and their families. Its purpose is to assist members through sharing information and personal experience. For more information call the social service department, 878-8200, ext. 5284.

Speaking of the Library...

by Duncan J. McKenzie, Niles Library Administrator
"Why is the Niles Public Library a Class C library?" That is a question I'm frequently asked by people in the library community. It's true—the Niles Public Library is just barely a Class C library when judged by Illinois library standards.

The Illinois State Library and the Illinois Library Association provide all libraries with categories and standards that we are all encouraged to meet. In one category the Niles Public Library is a Class C, but in two categories, we don't even qualify for a Class C rating. Here's why:

To be a Class A library, a library serving our population must have 246,062 books and we have only 182,277. At this level, we qualify as a Class C library in the book collection category.

To be a Class A library we would have to have 14,785 audio recordings and we have only 4,101. We don't even meet a Class C rating which requires 6,300 recordings.

To be a Class A library we would have to have 825 magazine subscriptions, and we have only 546. We don't even meet a Class C standard which requires 560 current titles.

What would it cost to bring us up to a Class A library? Based on average prices, we would need the following:

\$2,615,768 for book purchasing
\$113,357 for audio recordings purchasing
\$9,391 annually for periodical subscriptions

Compare the needed \$2,615,768 cost for books with our annual budget of only \$122,357, the needed \$113,357 for audio recordings with our annual budget of \$3,932, and the additional \$9,391 needed annually for periodical subscriptions to our present \$16,150.

That's a lot of money. But libraries aren't cheap and building a Class A library collection is a lengthy process. It is something which is done over a period of time. It takes commitment from the

LWV to discuss hunger in America

Poverty in America and how it directly affects 34.4 million people, 11 million of them children, and how it indirectly affects us all will be discussed at a Consensus meeting sponsored by the League of Women Voters of Morton Grove-Niles on Sat. Jan. 9 at 1:30 p.m. at the Niles Trident Center, 8060 Oakton. League members will grapple with hard questions such as: What are the roles of each level of government? What are merits or drawbacks of proposals for change as related to social welfare policy of the United States? This will complete Part II of the League's national

study of "Meeting Basic Human Needs: A Crisis of Responsibility."

Part I was held last November and dealt with the facts and statistics about Hunger in America, The Homeless, The Crisis in Health Care, and Minimum Income to meet Basic Human Needs. An animated and emotionally-charged discussion was videotaped by Maggie White and Art Meyers (thanks to Niles cablevision) and showed off League members at their most intellectual and argumentative best! Two men arrested after stabbing at McDonalds

By Sylvia Dalrymple

A 19-year old Niles man was arrested after he allegedly used a dagger to stab a youth during a fight in a parking lot of McDonald's and a girl sitting in a car. When he returned to his car and again passed the offenders' car, Wasserman got out of the car and began to argue with the victim. The offenders said the victim was giving them "looks" and that's how the argument started," Wilson said. A fight ensued and Wasserman punched the victim in the eye. Rihani then joined the fight and subsequently stabbed the victim in the rear hip with a 4-inch blade dagger, Wilson said. "For some

Christmas program on Niles cable

A 35 minute Christmas program, "Amal and the Night Visitor", will be aired Thursday, Jan. 8, at 6:54 p.m., on Niles' Cablevision Channel 21. The program was directed by Kathy Higgins and Beverly Collins, teachers at St. John Brobeuf School, Niles, and their students. Pat Peterson, a teacher, and Steve Sacco, a student, did the camera work, according to Principal Sister Rita Green.

Niles Fire Dept. calls

The Niles Fire Department answered 26 fire alarms and 37 ambulance calls from Dec. 26 to Jan. 2.

...Firemen on Dec. 26 extinguished a car fire under the drive-up canopy of Niles Federal Savings, 707 Dempster St. The fire which started in the engine compartment of the vehicle caused \$500 damage.

...Firemen responded to 7014 Church St. on a report of smoke at the rear of the residence. A check showed no fire hazard.

...Wires were reported down in front of the Regency Nursing Home, 6631 Milwaukee Ave. on Dec. 27. Firemen stood by until Commonwealth Edison arrived on the scene.

...Firefighters went to 8257 Merrill St. after receiving a report smoke was coming from the ground near a utility pole on Dec. 27. Apparent cause was notified to make repairs.

...An alarm at 5557 Howard St. was attributed to a power surge causing activation of the system in the storage area of the building. Alarm panel was reset.

...Firemen on Dec. 28 extinguished a fire in the engine compartment of a 1980 Buick at 8303 Golf Rd. Damage was estimated at \$1,000.

...Niles firefighters assisted North Maine Fire Department in extinguishing a fire in the bar-lounge area of a motel at 9655 Greenwood on Dec. 29.

...Firemen forced entry by breaking the locks of a steel door and found the fire contained under the bar area and sink, as well as behind some wood paneling. A check for possible extension of fire proved negative. There was no damage estimate.

...A fire in the engine compartment of a 1980 Buick at 8303 Golf Rd. Damage was estimated at \$1,000.

Impervious to arctic subzero temperatures, Maine High School District 207's Board of Education met Tuesday night with a full complement of trustees, administrators, and principals. The meeting commenced with Helen Dobbins, President of Maine Teachers' Association, relaying a communique from large numbers of teachers disgruntled with some proposed dates on the tentative school calendar for 1988-89. According to Mrs. Dobbins, "Membership sees the late starting date (August 29) as a waste of time and would prefer an earlier starting date."

Other points of contention were holiday vacation breaks scheduled to begin and end mid-week. Christmas break is scheduled for December 21-January 2 and placement of spring break is April 3-7. "I've never heard so many negative comments on a calendar in the 12 years I've been a member of Maine Teachers' Association," Mrs. Dobbins told the Board. Prior to the Board's approval of the school calendar was ad-

Nilesite heads fund drive for LGH donation

The Lutheran General Foundation, the fund raising arm of the Lutheran General Health Care System, received a \$1,000 donation from Personal Preference, Inc., based in Niles.

Niles resident Judy Thompson (r) spearheaded the fundraising drive and presented the check to J. Robert Christensen (l) president of LGH Foundation, on Dec. 17. Mrs. Thompson is a manager for Personal Preference, a company that sells economically priced oil paintings and other forms of art.

Each sales division of the company chose a charity to receive the company's contribution. For each painting that the division sold, \$1 was donated to the charity of their choice. Christensen accepted the check on behalf of The Lutheran General Foundation saying, "There are so many possibilities that we can use this donation for. Mrs. Thompson has specifically requested that the donation be used for our cancer floor. We could apply the donation to a piece of equipment that was not in our budget. Or, we could help fund

the We Can Weekend, a retreat weekend for cancer patients and their families. We are so appreciative of this gift."

The Lutheran General Foundation was founded to administer a comprehensive program of human ecology which includes understanding and care of human beings as whole persons in light of their relationship to God, themselves, their families and the society in which they live. Lutheran General trains physicians, nurses and other health professionals.

Each year, Personal Preference sponsors an annual charity drive. This year, the company donated over \$13,000 in a nine-week period for various charities. Mrs. Thompson said her sales group chose The Lutheran General Foundation because, "My husband Jack, recently died of cancer, and I wanted this donation to be in memory of him. Since we sold 471 paintings, Personal Preference donated \$471 but I wanted to contribute \$1,000, so I added my own check to the donation."

Auxiliary donates to Niles high school

On New Year's Eve the Morton Grove American Legion Auxiliary Unit #134 will especially be interested in viewing the Fiesta Bowl, its parade and other activities out there.

Although the Morton Grove-based residents are more interested in the Niles Township High School, others in the Unit outside the community residence-wise will also be interested in watching the day time program as the Unit has made a donation to help send the High School band there for the commemoration.

Mrs. Sandre Kapelanski, president, announced that at the Unit's last meeting it was voted to send a contribution to the high school group to further assist in their reaching their financial goal to travel to the Fiesta Bowl event.

RISK FACTORS FOR OSTEOPOROSIS

Osteoporosis, the silently developing brittle condition of bone is eight times more greater to affect women than men. Caucasian or oriental post-menopausal women have an even greater risk. Twenty-five to thirty percent of all white women will develop Osteoporosis by age 65. Other factors that increase the chances of Osteoporosis are:

1. Maintaining a sedentary lifestyle.
2. Inadequate daily intake of calcium, vitamin A or D, protein, sodium, phosphorus, fats or fiber in the diet.
3. Smoking and excessive alcohol consumption.
4. Heredity, a mother or grandmother with Osteoporosis.
5. Certain medications such as antacids that contain aluminum and sodium, thyroid drugs, and steroidal drugs such as cortisone that are used to treat arthritis.
6. Excessive mental stress.

For additional information about these and other senior services, call Ralph Birmingham at the Morton Grove Senior Hot Line, weekdays from 9 a.m. to noon at 470-5223, or Bud Swanson, Director of Senior Citizens Services at the Village Hall, 965-4100, ext. 254.

WHAT IS OSTEOPOROSIS?

Osteoporosis is commonly called "the brittle bone disease." One of its causes is a nutritional deficiency of calcium and thus too little bone mass. The chemical composition of the bone is normal, but because there is less bone mass, the bones become brittle, weak, and more susceptible to fracture. Bones are living tissues and they are in a constant state of change, a process known as remodeling. Small quantities of old bone are lost through resorption (broken down and absorbed), while at the same time new bone formation occurs. This bone loss occurs normally with aging, especially after the age of 40 and at a more rapid rate in females. When the formation of bone does not keep pace with its resorption, osteoporosis develops.

For additional information about these and other senior services, call Ralph Birmingham at the Morton Grove Senior Hot Line, weekdays from 9 a.m. to noon at 470-5223, or Bud Swanson, director of senior citizens services at the Village Hall, 965-4100, ext. 254.

I Bet You Didn't Know

By Jim Jennings

Can you guess which was the last team to win the championship of the National Football League 3 years in a row? ... Surprisingly, no team has won the NFL title 3 straight years since the Green Bay Packers did it in 1965, 1966 and 1967.

Here's an amazing sports fact... Jack Nicklaus has had such a long career in golf that he set the record for being BOTH the youngest man AND the oldest man ever to win the Masters... Nicklaus was the youngest ever to win the Masters when he won it in 1963 at age 23 and he became the oldest to win it when he finished first in the 1986 Masters at age 46.

Here are a few examples of how times have changed in college football bowl games... The attendance for the first Orange Bowl game, played in 1935, was only 5,134... The first Gator Bowl, played in 1946, drew just 7,382... And the price of a ticket to the 1920 Rose Bowl game was 65 cents!

If you mention this ad after your deal is consummated (but before delivery) Jennings Chevrolet will deduct \$50 from the purchase price of your new or used car. One deduction per customer. One deduction per transaction.

The Willows Academy for Girls is a college preparatory independent school for girls in grade six through 12. The fundamentals of a strong liberal arts education are combined with a wide variety of extracurricular activities.

Parkside registration for winter classes

The Parkside Sport and Fitness Center, part of Parkside Human Services Corporation, is now accepting registrations for all of their winter fitness and aquatic classes. Classes will be held at the Parkside Sport and Fitness Center, 1875 Dempster in Park Ridge, adjacent to Lutheran General Hospital. The following classes are appropriate for individuals who are looking for a beginner level exercise program to complement their weight loss efforts:

-Aquasize - Enjoy water exercise using the three R's - repetition, rhythm and resistance to slim down, tone up and stay physically fit - a refreshing way to exercise.

-Out of Shape and Overweight - If you are twenty five pounds or more overweight or have not exercised in at least six months, this stimulating class is for you.

-Senior Fitness - Have you lost that old spark? If you have, then a class that combines cardiovascular fitness and strengthening exercises for the legs, arms, stomach and back is just right for you.

-Yoga - Yoga exercise will develop flexibility, produce strength and add vigor to your whole being. Deep relaxation will release muscle tension and bring the mind to a more concentrated state of awareness.

A physician's approval is required. For fee information and to register, please call the fitness center at 696-6138.

Parkside Human Services Corporation is a member of Lutheran General Health Care System.

LifeCenter exercise class schedule

The LifeCenter on the Green, health and fitness center affiliated with Swedish Covenant Hospital, 5145 N. California, is offering its winter term of exercise classes from Jan. 11 thru Feb. 25.

Two sessions of Light Aerobics have been scheduled from 4:10 to 5 p.m. on Mon. and Wed. and Tues. and Thurs. beginning Jan. 11. Participants may sign-up for one or both classes. Light Aerobics is a body toning and conditioning class featuring low-impact aerobics for those seeking a good cardiovascular workout.

A Heartbeat for Life class will be given from 5:10 to 6 p.m. on Tues. and Thurs. beginning Jan. 12. This exercise class is a high energy, low-impact aerobics session geared toward improving one's level of cardiovascular fitness and overall muscle toning.

Stretch and Flex is being offered from 5:10 to 6 p.m. on Mon. and Wed. beginning Jan. 11. This is a unique class of stretching and movement to develop flexibility, relaxation and reduce muscle and mind tension.

Registration begins the week of Jan. 4. For more information or to register call Mary McGinnis at the LifeCenter, 878-8200, ext. 5661.

MG karate class

The Morton Grove Park District will be offering classes in Karate.

Youth Karate: age seven to fourteen. This program concentrates on discipline, confidence, concentration, and coordination, as well as drills which increase agility and physical fitness.

All classes are under the direction of John DiPasquale, National Junior Karate Coach, and Four Time National Champion. Youth classes will be at National Park on Wednesdays and Devonshire School on Mondays.

Classes will begin Monday, Jan. 11 and Wednesday, Jan. 20. For further information, call 359-9656 or The Morton Grove District at 965-1200.

Out-of-district residents are also welcome.

Skokie Park Karate Classes

Skokie Park District Karate Classes for kids and adults are now open for registration. These very popular classes are taught by members of the Illinois Shotokan Karate Club under the direction of John DiPasquale, four times national champ. Classes begin Monday, January 11 and go through March 21. The fee is \$36 for Skokie residents, slightly higher for non-residents. All classes meet Monday evenings but times vary according to level and age.

Register now at Devonshire Center, 4400 Grove or call 674-1500 for more information.

Booster Night '88 at Oakton

Treat yourself to an exciting evening when the Oakton Community College Alumni Association hosts Booster Night 1988 at 5 p.m. Saturday, Jan. 15, in the gymnasium at Oakton, 1600 E. Golf Road, Des Plaines. Cheer for the home team when Oakton Cagers take on their old rival, Thornton Community College, in a basketball game.

A pizza dinner will follow the game at Nick's La Cantina, 1062 Lee, Des Plaines. Tickets are \$5. To register by mail, send a personal check to Oakton Alumni Association, 1600 Golf Road, Des Plaines, IL, 60016. All tickets will be held at the door. In-person registration will be accepted in Room 1178.

Booster Night is designed to promote Oakton's athletic program. For information, call Dan Lloyd, 635-1806.

Junior High Fun Nights!

Starting January 15th, the Niles Park District will be presenting Junior High Fun Nights every Friday night at the Ballard School gymnasium. Local junior high students are welcome to participate in sports, games, contests and movie watching! When was the last time you had a really good time just hanging out? The fee is only \$1.00 per visit, payable at the door so you don't have to pre-register, just drop by - bring some old friends, meet some new ones. Ballard School is located at the corner of Ballard and Cumberland Roads in Niles. Don't forget your gym shoes! Activities begin at 7:00 and will continue until 8:30 or 9:00PM each Friday. For more information, call the Niles Park District at 967-6633 or 967-6975.

Open Gym Basketball for Men 30 & Over

The Niles Park District has reserved an open gym basketball period for all men age 30 and over. The Ballard School Gymnasium (6320 Ballard Rd. in Niles) will be open from 7:00PM to 9:00PM on Wednesday nights beginning January 6th. (Please enter from west side of school.) The fee is only \$1.00 per visit, pre-registration is not necessary and this special open gym time is available for men who are 30 years old and over. For more information on this program, contact Jay Russ at the Niles Park District, 967-6633 or 967-6975.

Maine Township Aquatic Club

The Maine Township Aquatic Club sponsored by the Niles Park District is delighted to announce that 8 and under swimmer Cathy Cibulskis has once again over-achieved, this time in the 25 Yd. Backstroke, and is therefore eligible to receive another certificate from their elite "Over-Achiever Club". This special club has set times for each stroke, and the swimmers try their hardest to beat these times. If they do, the swimmer is allowed to be an "Assistant Coach" at one of the team's practice sessions for 15 minutes. During this time, the over-achiever gets the chance to make up a workout for their fellow swimmers. At their team banquet in March, each swimmer in this club will also receive a special certificate commemorating their over-achievements.

MTAC also sponsored their second Candy Bar Swim during the month of December, in which the Backstroke was the specialty stroke for the night. Winners in each division went home with a most unique trophy, a huge candy bar. The candy bars were won that night by 8 and under swimmer, Brenda Reter, 9 & 10 year olds, Linda Chu and Steven Chisagouris, 11 & 12 year olds, Shari Martin and Bobby Garippo, 13 & 14 year olds, Kate Reynolds and Mike Cibulskis and 15 and over swimmer, Julie Hirsch.

Registrations are being taken now for the Maine Township Aquatic Club's winter session. To register your child, stop by the Niles Park District office at 7877 Milwaukee Ave., or for further information on the club, call 967-6633.

One-Day Ski Trips!

The Niles Park District is now accepting registration for its one-day, downhill ski trips to the Majestic Ski Area and Americana Ski Resort. Family members of all ages (and skiing abilities) are welcome, however those under 13 years of age must be accompanied by an adult. The registration fee includes deluxe motor-coach transportation, lift ticket, lesson and equipment rental. (The fee is somewhat lower for those bringing their own equipment.)

Majestic Ski Area - Saturday, Jan. 9th 8:00AM departure, return at 6:15PM. Fee is \$18.50 without rental, \$15.50 with rental.

Americana Ski Resort - Monday, Jan. 18th 8:30AM departure, return at 6:15PM. Fee is \$18.50 without rental, \$15.50 with rental.

Register for these trips at the Niles Park District office, 7877 Milwaukee Ave. in Niles. For more information, call the Niles Park District at 967-6633.

Mens Winter Basketball League

Registration is now being taken for Niles Park District's Mens Winter Basketball League. This highly competitive league has 9 team openings and games will be played on Thursday evenings from 6:30-9:30PM. League play and tournament will offer a 9-12 game season. Form your team now to participate in not only one of the best basketball leagues around, but also in the best equipped gymnasium of any in the area! League fee is \$375.00 per team.

For more information on the Mens Winter Basketball League, contact Jay Russ at the Grennan Heights Gymnasium, 8255 Oketo Ave., 967-6975 or at the Niles Park District Offices, 967-6633.

"Sportswriters on TV" at Centre East

Centre East announces an addition to this seasons line-up with "Sportswriters on TV" on Monday, Jan. 25, 1988 at 7:30 PM.

"Sportswriters on TV" will cover the field of sports, focusing on the outcome of the football playoff and Super Bowl analysis and predictions. A question and answer session will follow.

Making their first theater appearance, the Sportswriters are: Ben Bentley, moderator; Rick Telander; Bill Jauss and Bill Gleason. Goe Mooshill will serve as an alternate.

Ben Bentley, Public Relations Director for the Chicago Park District is nationally recognized as an authority on boxing. Bentley was the first Public Relations man and matchmaker for the International Boxing Club and Public Relations Director for the Chicago Bulls through eight seasons.

Register for these trips at the Niles Park District office, 7877 Milwaukee Ave. in Niles. For more information, call the Niles Park District at 967-6633.

Cross Country Skiing at Tam

The Niles Park District will be offering cross country skiing at scenic Tam Golf Course (6700 Howard St.) in Niles. As soon as the snow hits the ground, Tam Golf Course becomes a cross country ski touring center complete with an informative Youth Ski Program, Racing Program and Ski Instruction. The hours of the Tam Touring Center are: Mon.-Fri. 4 p.m.-10 p.m., Sat. from 9 a.m. to 10 p.m. and Sun. from 9 a.m. to 5 p.m. Rental equipment for cross country skiing is surprisingly inexpensive! Adults pay only \$4 for the first 2 hours and \$2 for each additional hour. Skiers under 12 or over 62 pay only \$3 for the first 2 hours and \$1 each additional hour and the trail fee is only \$2 per person!

The trails are maintained by snow-grooming equipment allow-

ing optimum ski conditions with a minimum amount of snow. Ski instruction offers useful tips to advanced skiers as well as beginners and because the class size is limited, quality instruction is assured!

Young skiers ages 6-12 years may be interested in the Youth Ski Program which will meet on Fri. Jan. 8th at 7 p.m. The program will equip young skiers with fundamental skiing skills while encouraging health, fun and competition through on snow instruction and ski films. The program costs \$20 per skier or \$30 per family and parental involvement is welcome.

If you'd like complete information on Tam's Cross Country Ski Center, call the Course at 965-9697 or call the Niles Park District office at 967-6633.

Interesting Facts From John Jennings

Surprisingly, in our national anthem, "The Star Spangled Banner", the words "United States" or "America" are NEVER mentioned!

The tuxedo got its name from the fact that it was first worn in the town of Tuxedo Park, N.Y., at the Tuxedo Park Country Club, in 1886. The first man ever to wear a tuxedo was Grosvenor Lorillard of Tuxedo Park.

The famous movie and book "Gone With The Wind" almost had a different name. When Margaret Mitchell wrote it, she originally was going to call it "Tomorrow is Another Day".

Strangely, on the planet Pluto in our solar system, it is NEVER daylight. The sun is too far away to throw any light on Pluto. The sun appears as just a tiny dot in the Pluto sky.

And, here's another interesting fact...

District 219 Financial Aid Night

When District 219 holds its annual Financial Aid Night on Tuesday, January 12 at Niles North High School, college-bound students and parents will test a unique format. For the first time this year parents who bring their tax information that night can be guided, step-by-step, through the FAF (Financial Aid Form). Armed with their 1099's, W's, and last year's tax return, parents of the college-bound can expect Gary Rold, Elmhurst College's Director of Finance, to review the entire FAF process.

The district's program will start at 7:15 p.m. in the Niles North auditorium with a brief ex-

planation of the financial aid process. Following this introduction, parents can select two of four workshops, one of which is the step-by-step guide through the FAF forms.

The other three sessions parents can attend will focus on particular needs. "Solving the Special Situations," given by Cathy Thomas, De Paul's Director of Financial Aid, will cover issues such as drastic financial changes, single parent or combined family situations. For those who like to plan ahead, "Junior Parent: Planning and Process," will explain procedures a year in advance. Kathy Katz from the

Financial Aid Office at Northwestern University will talk to juniors' parents.

Parents can glean a broad perspective on loans when seven representatives from local financial institutions present their materials. By displaying the various options, loan officers can show parents how to structure loans closely aligned with their specific needs.

Niles North college counselor Shirley Foss, coordinator of this program, is quite excited about this year's altered format. "This hands-on approach to the maze of financial aid forms and details should greatly help parents facing the process," Foss remarked.

Police speak to school children

On Friday, January 15, Lt. Fred Braun from the Cook County Sheriff's Police will speak at Washington School. He will be talking to the kindergarten children about "Never Say Yes to Strangers." Lt. Braun will give his presentation to the morning and afternoon groups.

North Suburban Math League Competition

At the Thursday, December 3, North Suburban Math League competition at Deerfield High School, Maine East finished in second place out of the five competing high schools. The freshman team from Maine East tied for first place with New Trier with a perfect score of 45. In addition, the sophomore team from Maine East placed second.

Eight students had perfect individual scores of 15. They were on the senior level—Jason Bang of Niles, Joe Miller of Des Plaines, and Steve Sax of Morton Grove; on the sophomore level—Tanweer Ahmed of Niles and Andy Baw of Des Plaines; and on the freshman level—Jim Bang of Park Ridge, Linda Friedlieb of Glenview, and Yushin Kim of Morton Grove.

The next North Suburban Math League competition is scheduled for Thursday, February 4.

North Central College listed as "best buy"

North Central College is still one of the best buys in American higher education today, according to Edward B. Fiske, education editor of The New York Times.

Fiske profiled North Central in his first edition of "The Best Buys in College Education" in 1985, and the College is again included among the 220 institutions he has included in the second edition of that consumer guide, which appeared in bookstores last month. In his profile of North Central, Fiske cites the College's location in the high-tech corridor of DuPage County, "a Midwestern version of California's Silicon Valley" as he calls it, as a major advantage.

"For North Central students," he writes, "the buzz of scientific activity translates into clear benefits, such as well-trained part-time faculty members and many excellent work and internship opportunities."

He lists friendly neighbors, an accessible faculty, small classes, an active extracurricular life and highly successful athletic teams as assets. He also emphasizes the "vastly improved library that through computerization gives students access to 17 million volumes at 27 college and university libraries in Illinois," the distinctive Richter Fellowship Program for juniors and seniors, "a widely praised career planning and placement center," and the College Scholars Program.

And he concludes, "Though some of the rules (e.g. restricted visitation hours between male and female residence halls) and traditions may be old-fashioned, so is the value of what students get for their money. Situated on the edge of the nation's third largest metropolitan area, as well as smack in the middle of one (of) its rising centers of technological research and development, the college offers

many paths to success for resourceful and ambitious students willing to take the first step."

Academic Team Wins

Maine East's varsity Academic team began the season with two impressive wins. At Leyden Wednesday, December 9, Maine East's varsity won 690-305. The Demons hosted Wheeling Thursday, December 10, and won 560-175.

The Demon junior varsity, however, lost to Leyden 415-120 and Wheeling 265-165.

Upcoming academic team competition will be Thursday, January 7, with Niles West and Wednesday, January 13, with Buffalo Grove. Maine East will also host an academic invitational on February 6.

Career and Life Planning at Loyola

An undergraduate course, Career and Life Planning Lab, will be offered on both Loyola University's Water Tower and Lake Shore Campuses, beginning the week of Jan. 18. Topics include choosing a career, changing careers, alternative kinds of employment, and help in developing alternatives.

This two-credit-hour course will be held on the Lake Shore Campus, 6525 N. Sheridan Rd. on Wed. evenings, 6:45 p.m.; and at the Water Tower Campus, 820 N. Michigan Ave. on Thurs. evenings, 6:45 p.m. Registration for part-time students will take place at Lake Shore on Jan. 7, and at Water Tower on Jan. 11 and 13.

EARN CRAGIN'S \$100,000 JUMBO CD RATE EVEN IF YOU'RE \$80,000 SHORT

Introducing the Cragin Instant Access CD

Now with a deposit of just \$20,000 or more, you can enjoy the same high yield of our \$100,000 Jumbo CD, plus the convenience of immediate liquidity.

With the Instant Access CD, you're guaranteed to earn equal to or greater than Cragin's 30-day Jumbo CD rate.

Jumbo Rates: Each day, your Instant Access CD will earn equal to or greater than the rate quoted that day on Cragin's 30-day Consumer Jumbo CD, normally available only for deposits of \$100,000 or more. Your account will earn this rate on a daily basis for one full year from the day your account is opened.

Your rate may vary from day to day; it may even go higher than the 30-day Jumbo CD rate, but never below—during the first year. After one year, your account will earn a top market rate. Interest is computed daily, compounded and paid quarterly.

Immediate Liquidity: The Instant Access CD has no fixed term and, therefore, no penalty for early withdrawal. In fact, you can make two withdrawals a month, whenever you want, and you can add to your account any time.

Get unlimited access with a free checking account: When you open a Cragin Regular Checking account you can transfer funds by phone between your checking and your Instant Access account (minimum \$1,000). The checking account is free from a monthly service charge for one year as long as you maintain the minimum balance in your Instant Access CD.

Insured Safety: Your Instant Access CD is fully insured up to \$100,000 by the FSLIC, an agency of the federal government.

Pension or Profit Sharing Money?: The Instant Access CD is an ideal place to deposit a payout from a qualified pension or profit sharing plan. The Instant Access account can preserve the tax-deferred status of your funds, thus saving you tax dollars.

Strength and Safety: Cragin is one of Illinois' largest as well as one of America's strongest financial institutions. Assets now total over \$2 billion; financial reserves exceed \$143 million.

So if you want to earn today's higher Jumbo CD rates along with the safety of a Cragin account and the liquidity you need to stay financially flexible, there's no better choice than the Cragin Instant Access CD. For further details, drop by or call any one of Cragin's 23 Family Financial Centers.

NOTE: This account can be opened for individual accounts only.

Study computer accounting this spring

Three sections of "Computer Accounting Applications" will be offered at Oakton Community College East, 7701 N. Lincoln Ave., Skokie, in the spring semester beginning Jan. 19.

The one-credit-hour course will meet from 11-11:50 a.m. or 5:30-6:20 p.m. on Mondays, or 5:30-6:20 on Thursdays. Students who have not completed the "Principles of Accounting I" course previously should enroll in it concurrently with this course.

"Students will learn a marketable skill in this course," said Michael Milstein, chairperson of Oakton's accounting program. "Whether their work involves inputting accounting information into the computer or supervising input functions, students will get experience that can readily be applied to the accounting programs used by most businesses."

Milstein will teach the process and idea behind the computer accounting systems. Students will receive "hands-on" lab practice on IBM personal computers using a program that consists of the most common parts of accounting programs currently in use.

"We teach students the speed, accuracy and possibilities of doing accounting functions in a more efficient way," Milstein said. For more information about accounting courses, call Milstein at 635-1778.

Although the seminar is open to the public free of charge, seating is limited. For reservations, call the Des Plaines office at 296-0900. INVEST is a service of the ISFA Corporation, member NASD/SIPC.

For Safe, Liquid Investment Look at New Breed of CDs

By Joanne Cwynar

Consumers are turning to safe and liquid investments because of today's stock market volatility, and the result is renewed interest in certificates of deposit (CDs).

The safety of federal deposit insurance accounts for much of the appeal. CDs hold in the current investment environment. CDs are insured up to \$100,000 by the FDIC or FDIC, meaning total security for the funds.

With fixed-rate CDs, consumers receive a guaranteed return, and they know from the outset what the account balance will be at maturity.

No longer are the traditional long- and short-term CDs all that's available. The variety and number have grown considerably in this decade, and offer more liquidity and higher yields.

Particularly popular are specialty CDs. The imagination of the financial institution is the only limitation to the creativity of the specialty CD.

One Chicago institution once tied its CD rate to the performance of the Chicago Bears (obviously, during a winning season).

More common are specialty CDs that offer high yields on lower-than-usual minimums, variable rates during the term of the CD, guaranteed incremental rates for long-term CDs, and big-ticket premiums in combination with earned interest. Most institutions will even customize a CD product for you if the investment is large enough—usually \$100,000.

CDs are categorized in five ways. The short-term CD is 91 days,

6 months or 1 year. A mid-term CD is 2, 3 or 4 years, while the long-term CD is 5 or 7 years. The Jumbo CD is generally a \$100,000 minimum, and the customized CD is one in which the term and interest rate are adjusted according to the individual's financial goals.

The minimum deposit on CDs is generally \$1,000 and as little as \$100 for IRAs. However, the lower the minimum and the shorter the term, often the lower the yield will be. Even the lowest paying CD will still be above the 5 1/2 percent rate that a passbook-savings account earns.

If you're just starting to save, the recommended strategy is to build a portfolio with products that range from liquid and short-term to long-term and locked-in accounts. This diversity allows you to have a certain percentage of savings that can be liquidated quickly, while the balance earns a high interest rate.

Most financial planners recommend a minimum amount in passbook savings for emergencies, and enough in short-term, liquid CDs to cover six months of your expenses. Once those goals are reached, you can diversify into higher yield, longer-term CDs.

The biggest lesson Americans have learned from the stock market crash in October is the importance of saving. Put aside a percentage of each paycheck to build your savings portfolio, so that your emergencies, retirement and other financial plans are covered.

Joanne Cwynar is Branch Manager of Cragin Federal Savings at 7201 N. Harlem Avenue in Niles.

"Adult Children of Alcoholics" program

Growing up in a chemically-dependent family can create roadblocks that continue to cause problems in adult life. Adult children of alcoholics often experience difficulties with close relationships, self-esteem, and trust. They can be overly serious and responsible, as well as rigid in response to change.

Resurrection offers home nursing certification

Homemakers in the community planning to work as home health aides, and those caring for loved ones in their homes, are invited to attend a four-part Home Nursing Skills program series Monday, Jan. 11 through Thursday, Jan. 14 at Resurrection Hospital, 7435 W. Talcott ave. Chicago.

Registered nurses and dietitians from Resurrection Hospital will instruct participants in the special American Red Cross certification program. Small group classes will meet from 9 a.m. to noon, Monday through Thursday, for lectures, demonstrations and hands-on skills training. Cost of the series is \$51 which includes textbook. Advance registration is required by calling the Hospital's Health Promotion and Wellness department at 792-6044.

Participants successfully completing the four-part program will receive the American Red Cross Home Health Aid certification. Topics to be covered during the program include tips for moving, lifting and transferring a patient, how-to instructions for taking a pulse, temperature and checking respiration, how to make an occupied bed, proper skin care techniques, simple treatments, back rubs, proper nutrition and meal planning, and other personal patient care skills.

An additional half-day certification program focusing on Child Care will be offered from 9 a.m. to noon on Friday, Jan. 15. The optional half-day course will cover normal physical and emotional child development, safety skills and emergency response, as well as a review of basic care and feeding of infants and children. Cost of the extra session is \$10.

"Both our Home Nursing Skills and Child Care certification programs are designed to help prepare participants for possible employment in the home health field, as well as provide proper training skills for those caring for someone in their own home," noted Carolla Schmid, coordinator of Resurrection's Health Promotion and Wellness department planning the program.

LifeCenter offers weight control program

Losing weight or maintaining a desired weight very often takes more than following the dictates of a diet. With this in mind, the LifeCenter on the Green, Inc., is offering the Weight Care Institute and Counseling Clinic which is a multi-faceted weight control program that also incorporates psychological components and support systems to help insure participant's achievement of their goals.

The 10-week program begins at the LifeCenter, 5145 N. California, on Tuesday, Jan. 12, under the direction of Helen Axelrod, PhD. Ms. Axelrod is a recognized expert in the field of weight control and has been instrumental in the successful resolution of many "seemingly hopeless" weight loss cases. Therapeutic group sessions, behavior modification techniques, other psychological procedures and strict attention to the amounts and kinds of food consumed all are utilized in the implementation of the program.

Two sessions have been scheduled: a Tuesday Adult Morning Series which meets for ten consecutive Tuesdays, Jan 12 to March 15 from 7 to 8 a.m., and a Wednesday Adult Evening Session which is scheduled for 10 consecutive Wednesdays, Jan. 13 to March 16, from 7 to 8 p.m. A 15-minute weigh-in period precedes each meeting.

The weight control program is open to adults and young people on a first-come, first-serve basis. Each group will be limited to no more than 15 persons. Fee for the course is \$300. Private individual weight loss therapy sessions also are available.

For more information or a registration form contact Ms. Axelrod at 492-3212 or 869-1818 of the LifeCenter on the Green, 878-8200, x5661.

Oakton lectures at Des Plaines Mall

Oakton Community College will present three free lectures at the Des Plaines Mall beginning Thursday, Jan. 14. The sessions will be held from 12:15 p.m. in the Community Room on the lower level of the mall, 700 Person St.

Dr. Sonny Rosenberg, chiropractic physician, will discuss how acupuncture is used as an effective modern treatment for various illnesses in the lecture, "Another Alternative: Acupuncture," on Jan. 14.

"What Does it Take to Like Yourself?" will be examined by Anne Kristufek, psychotherapist, in her lecture on Feb. 4. She will explain how we can love and accept ourselves and learn to accept others, and live a richer, satisfying life.

"Estate and Financial Planning for the Not So Rich and Famous" by Michele O. Williams of the Winnetka law firm, D.L. Padgett and Associates, will be held on March 3. Williams will discuss retirement planning and ways to avoid probate and disability court proceedings.

For information, call Bea Cornelissen, 635-1812.

"The Dybbuk" run of "The Interactive Image" exhibition play extended

Due to sold out performances, and a Joseph Jefferson Award nomination, National Jewish Theater (NJT) will extend the run of S. Anski's great classic "The Dybbuk" through January 17, 1988. The play was originally scheduled to close on January 10. Tickets are still available for the remaining performances on Wednesdays, Thursday, Saturdays and Sundays at NJT in the Bernard Horwich/Mayer Kaplan Jewish Community Center (JCC), 5050 W. Church St., Skokie.

The Dybbuk is a story of love and death, horror and hysteria, possession and exorcism. In the legendary masterpiece, a young bride receives a dybbuk (demon) on her wedding day instead of her

groom. The dybbuk is the spirit of her predestined husband who is denied his rightful wife because of her father's greed. The young man's distraught soul possesses the beautiful young woman from beyond the grave to prevent her wedding to another.

All NJT productions are presented in English by professional actors. Curtain times are 7:30 p.m. on Wednesdays and Thursdays, 8:15 p.m. on Saturdays and 2 and 7:30 p.m. on Sundays. Tickets range from \$14 to \$17. The NJT Box Office is open weekdays from 10 a.m. to 12 noon and 1 to 5 p.m. Visa and MasterCard are accepted. For tickets and further information call 675-5070.

"The Interactive Image" exhibition, which explores the emerging fields of computer graphics and image processing, is on display at the Museum of Science and Industry through Feb. 10. The 2,500-sq.-ft. exhibition is presented by the Electronic Visualization Laboratory and the College of Engineering at the University of Illinois at Chicago. Nine "friendly learning environments," featuring powerful software programs and sophisticated computer equipment, allow visitors

to explore 3D spaces, fractals, textures, and mathematical patterns without fear of making mistakes, breaking the equipment, or getting lost in the software.

The Museum is located at 57th St. and Lake Shore Dr. Hours are 9:30 a.m. to 4 p.m. weekdays; 9:30 a.m. to 5:30 p.m. weekends and holidays. General admission and parking are free. Open every day, the Museum is handicapped accessible.

"Seven Year Itch" cast auditions

The Park Ridge Players will hold auditions for the classic comedy, "The Seven Year Itch", at 8 p.m. on Mon. and Tues., Jan. 18 and 19. Open tryouts for this production will be held at St. Mary's Auditorium, 306 S. Prospect (at Crescent) in Park Ridge.

The production will be directed by Betty Bryant, a Park Ridge resident and founder of the Park Ridge Players fourteen years ago. Her recent productions for PRP have included "Desk Set",

"Forty Carats", "California Suite", and "Mister Roberts". Bryant, a noted dance instructor and writer of books on theater, also runs a semi-professional touring company, the Bryant Players, which performs at benefits in the northwest suburbs.

The Park Ridge Players welcomes new members for this play, remembered as one of the greatest Marilyn Monroe vehicles. Call 692-7312 or 692-3804 for information.

Brookfield Zoo displays frozen delights

Brookfield Zoo will soon be exhibiting animals suited for the Ice Age - frozen.

Creatures will be carved from 400 pound blocks of ice during Ice Giants on Saturday and Sunday, January 9 and 10, from 11 a.m. to 3 p.m.

This feat will be undertaken by members of the National Ice Carvers Association, laboring in the zoo's east mall. But the fun isn't limited to those with experience. Everyone will be encouraged to try their hand at this slippery art. No competition is involved, so amateur Michelangelos can relax and work at their own pace.

After enjoying Ice Giants, remember to visit the zoo's live animals. Winter is the perfect time to get a front row look at your favorite species.

The zoo remains open from 10 a.m. to 5 p.m. daily throughout the snowy season. Brookfield Zoo is located at First Avenue and 31st Street in Brookfield and is accessible from the Stevenson and Eisenhower expressways and the Tri-State tollway. For more information call 485-0263.

Bluegrass bands in concert

Buck's Stove and Range Company and Special Consensus, two of the Midwest's premier bluegrass bands, will perform together in concert on Friday, Jan. 8, at 8 p.m. at Friendship Concert Hall, Janice and Algonquin roads in Des Plaines.

Tickets are \$6.50 in advance, \$7.50 at the door and may be purchased at the Mount Prospect Park District offices, 411 S. Maple St. in Mount Prospect.

For more information, call the park district at 255-5380.

Band's percussion wins third place

The Niles West High School band's percussion section was awarded third place in a Marching Percussion Competition held December 12 at H.D. Jacobs High School in Algonquin. Also called the drum line, the section consists of drums, cymbals, and mallets. Seven drum lines were entered in the competition.

Winners of the award for Niles West are Bill Agoos, Mike Bartholomew, Aaron Boyles, Joel Fogelson, Jerry Gianakakos, Michelle Gonzales, Peter Hussey, Betsy Jordan, Jay LeBrun, Michelle Mackey, David Morris, Amanda Nadolski, Brian Richards, Bobby Roberts, Jon Rosenbhal, Tim Sauerman, Mike Spiropoulos, Brian Ban Merzbergen, Greg Weinberg, and Chris Wright.

William Koch directs the Niles West marching band and Mark Linsey instructs the drum line.

Travel industry positions abundant

There is an abundance of positions available in the travel industry ranging from counseling travel - leisure, corporate, and groups - to positions in sales, accounting, secretarial, and management and supervisory positions.

Most travel agencies offer part-time and full-time work, and a variety of travel benefits. According to Travel Weekly, an industry trade journal, a travel agent with three to five years experience is earning from \$19,000 to \$23,000 per year.

There is a dearth of qualified agents. In times past, agencies

preferred to train their new employees. With deregulation and computerization, the business has now become very complicated and very competitive. Now, travel agencies have to utilize every minute for sales. They don't have the time to devote to training. Travel schools are the only answer for the travel agencies.

Adams Institute of Travel, located in Schaumburg near the Woodfield Mall, is approved by the Illinois State Board of Education. Adams offers a comprehensive travel training program consisting of five weeks of classroom study and seven weeks of hands-on computer training. Computer training is essential to enter the job market and Adams is equipped with the two most widely used systems - United Airlines' Apollo and American Airlines' Sable computer systems.

Classes begin Jan. 18. Call Adams Institute of Travel at 884-8140 for more information.

The Library is located at 5215 Oakton in Skokie.

during emergencies, we expect the village fathers and mother would review the matter. It certainly doesn't enhance morale in any department when a favored few receive special treatment not accorded the rest of the troops.

While a Bugle endorsement can be a kiss of death with some public bodies, nevertheless, we hope Niles Park Board considers selecting Val Engelman to fill the park board vacancy. Val, an old tennis partner of ours, has been attending park board meetings for several years. Often, he is the only audience member in attendance. He is an avid golfer and tennis player and has been contributing much volunteer work at the Trident Center as well as at his church. The retired Mr. E. would make an excellent board member.

While nobody asked us, nevertheless

...We think it is ludicrous Illinois would extend the 65 mile per hour limit to other highways in the state. Already, the new speed limits have correlated with increased deaths on the highways all over the country. Saving 4,000 lives a year resulting from lower speed limits seems preferable to drivers being able to arrive at their destinations a few minutes earlier.

...Already, the bigots are coming out of the woodwork as the 1988 national election swings into gear. It was reported Paul Harvey, a radio per-

sonality with scant news credentials, linked a Mario Cuomo family member with a distant hoodlum connection.

As Cuomo becomes more visible, this type of innuendo will become more prominent. John Kennedy stood tall when he attacked the bigotry in the 1960 election. We expect Cuomo will similarly deflate the little people who hint his background is suspect.

...We were surprised Chief Judge of the Cook County Circuit Courts, Harry Comerford, was chosen to head the courts again. After all the judges who were indicted in the Greyford cases, it would seem the judge running the show should be held accountable. The court system needs a cathartic which cleanses the system from top to bottom.

...Absolut Vodka spent one million dollars advertising its product in one issue of New Yorker magazine, just before Christmas. The four page ad had a centerfold which played Christmas songs when you turned the pages and opened the ad to the center pages. It tinkled a Merry Christmas to all the New Yorker readers.

sued in the courts," Troy said. "However, it becomes a matter of litigation, we are prepared to fight the case."

Robert Sherman, director of the Illinois chapter of American Atheists, early in December contacted a number of municipalities in Cook and Lake Counties that display the nativity scene on government property seeking to have them removed or placed on private property. He cited such displays were in violation of church-state doctrine.

Mayor Nicholas Blase stated at the time the village would not remove its creche from in front of the administration building, 7801 Milwaukee Ave., and indicated Niles would fight for the right to have a nativity scene.

Blase also said he would consider adding other wise men to the nativity scene next year so it would no longer be a literal translation of the birth of Christ. He noted Niles has had a nativity scene for 26 years.

According to Jeff Greenspan, Skokie's assistant corporation counsel, both a nativity scene and a Jewish menorah were in place in front of the village hall, and former Mayor Albert Smith had stated he saw no reason to remove them.

Sherman, however, appeared before the Skokie Village Board Dec. 21 to again demand removal of "religious" decorations because they violated the doctrine of church and state, Greenspan said.

"Sherman was told by the board the matter would come under review," he said. "Village manager Albert Rigioni and I are currently reviewing the entire issue, including legal aspects and plan to submit guidelines to the board to determine future policy on holiday decorations," he said.

In recent action, Sherman paid a visit to the Village of Niles for an interview with Cable News Network. Reportedly, Sherman threatened to include Niles among 14 Cook and Lake County municipalities in a federal suit if ordinances are not passed to ban religious scenes on government property. Other area towns mentioned facing litigation were Skokie, Park Ridge and Northbrook.

Troy said he has not received any written complaint from Sherman. "He'll probably crop up next year to complain about the same thing."

According to Troy, the nativity scene at the administration building does not endorse religion in general or Christianity specifically, and does not violate the doctrine concerning separation of church and state. "Why hasn't there been a suit about coins bearing the words 'In God We Trust'?" he asked.

He noted courts have varied in their opinions regarding religious decorations. "If you read some of the cases, you will learn that negative ruling had to do with

Speaking of the Library...

community, the library board and the library staff.

It's frightening to realize that 43% of our present book budget comes from grant money, not tax money. Grant money can be a wonderful boon to public institutions, however, it's always possible (and given politics, even probable) that there will be a time when grant money is no longer available. What happens when we can no longer rely on grant funds to supplement our book budget? Unfortunately, at current levels, our tax revenues cannot support the book budget.

Standards of the American Library Association recommend that fifteen percent of a library's total budget should be spent on materials (books, magazines, records, etc.). The average spent by Illinois libraries is seventeen percent. We've only been able to spend between 10% and 15% of our budget on materials.

Many people reading this column will view the information I've presented as a plea for a "yes" vote in the March referendum for a library tax increase. I do wholeheartedly support the referendum. However, I think the information I've given is important whether or not a referendum is being held. Everyone deserves to know where the Niles Public Library stands right now and where it should be.

The library is first and foremost a collection of books and information. We need to insure that this library can become a quality library. The residents of the Niles Library District deserve a Class A library. All it takes is money and commitment.

Morton Grove Art Guild meeting

The Morton Grove Art Guild will hold its monthly meeting at 8 p.m., Wednesday, Jan. 13 at Mansfield Park Fieldhouse, 5830 Church St., Morton Grove.

The evening will feature Diane Rath, A Chicago artist, who received her Graphics and Fine Arts Degrees from the American Academy of Art. She is presently on the Faculty of the Academy and was at one time an Art Instructor at the Village Art in Skokie for about eight years.

Mrs. Rath will present a no-fail method in beginning a painting in oil. Her subject matter will be flowers. The method can be used for all subject matter from portraiture to landscapes.

All artists and non-artists are welcome to join us. For information call 966-3282. Non-members are asked for \$1 donation.

Morton Grove blood drive

Morton Grove residents are encouraged to join the American Legion and donate blood on Thursday, January 7, at a blood drive. The drive, from 3-8 p.m., will be held at Morton Grove Village Hall, 6101 Capulina, Morton Grove. Blood drive chairperson Kathy Mohrdeck heartily endorses community participation in the drive. To schedule an appointment call Kathy at 966-1790. Walk-in donors are also welcome. The American Legion is providing dinner for all donors.

ment of Agriculture was finishing a report on the facility and walked to the rear office to get a registration number off the facilities license.

The inspector stated Santoro yelled at her, saying she was not supposed to be in the office. After she said she could inspect any area in the store, Santoro allegedly punched her around the shoulders and chest, forcing her out of the office, police said.

The inspector said she would sign a complaint and an arrest warrant was issued for Santoro.

Over the years, the pet store has been the object of numerous complaints by residents, many who said the store's exotic pets posed a threat. Animal World is expected to pull up stakes in the near future to be replaced by proposed Taco Bell and Dunkin' Donuts facilities.

crossover easement (common driveway) agreement with neighboring Pluky's Restaurant, north of the subject property. The board also requested a copy of lease agreements made between Ward's and two former lessees of the subject property to prevent possible legal problems in the future.

Sizzler Steak House was a former occupant of the building which is now vacant, according to Robert Bordelon, real estate agent for Montgomery Ward.

Plans call for tearing down the building and constructing a 9,040 square foot building which would house a 10-bay service area, salesroom, storage area and repair shop. Bordelon also outlined plans for a 5,514 square foot addition for future expansion.

Hours of operation would be 7:30 a.m. to 9 p.m. Monday through Friday; 7:30 a.m. to 5:30 p.m. Saturdays and 11 a.m. to 5 p.m. on Sundays. There would be 62 parking spaces to comply with village code, he said.

Commissioner Angelo Troiani noted one line of cars proposed for the parking area (facing Milwaukee ave.) would be between the Ward property and Pluky's which would prevent access to the restaurant.

Bordelon recalled a crossover easement agreement could be worked out with owners of the restaurant, noting Ward's wanted to be a "good neighbor."

Jack Drexler, owner of Pluky's, said the driveway and parking area were commonly used by other businesses since 1974. "There were lease agreements to that effect, and that was the main reason for locating my business there," he said.

Drexler said he wanted time to review any easement agreement submitted by Ward's to ensure his business would remain viable. "Montgomery Ward is a giant corporation and won't be hurt if the project fails. I have a small business and want to survive."

Troiani said he would like to see the property improved. "The project is ideal for the location surrounded by commercial. At the same time, we don't want you (Pluky's) out of business," he said. "Hopefully, both parties can come to an agreement on the easement issue."

The board also continued a special use request by Michael Vito and Thomas Kelly to convert an existing structure (the former Marathon Gas Station) to a restaurant with 60 seats at 6500 Cross Point Rd.

The matter was continued to the Feb. 1 meeting to allow petitioners to submit detailed plans for the project, including a proposed dumpster area, and landscaping plans.

Property owner Cal Pearson told the board a lease with Marathon had been cancelled in 1985 and submitted documents to that effect.

According to Vito, the interior of the building would be remodeled to accommodate the proposed restaurant, that would serve hot dogs and hamburgers. Parking plans called for 33 parking spaces.

Hours of operation would be 6 a.m. (serving rolls and coffee) to 10 p.m., seven days a week. "We'll have more of a sit-down business at lunch because of the surrounding industrial area," he said.

administration called a "manufacturing mix-up" which the agency warned could prove fatal, especially to children.

According to Dr. Laimonis Steips, vice president of scientific affairs for My-K laboratories in Morton Grove which manufactures the cough syrup, the recall message was aired in the news media, television and radio. "We also sent notification to our wholesalers who, in turn, notified pharmacies handling the product."

"I think it is too early to receive a response from consumers because the medicine was sold over-the-counter. However, with the exception of the one incident, no one has submitted a complaint about the product," Steips said.

The following labels on 4-ounce bottles made by My-K and bearing lot number 15718 with a Dec. 1, 1988 expiration date, were recalled by the company: Walgreen Wal-Act Syrup, distributed by Walgreen Co., based in Deerfield.

Commissioner Tom Bondi said the location of the dumpster at the rear of the property would not be a problem. Vito added he had two other food restaurants. One on Harlem off Northwest Highway, the other in Oak Park.

Commissioner Troiani said a site plan should be submitted at the Feb. 1 meeting. "As it stands, this preliminary plan is too sketchy and we need more details before a decision is made by the board."

Steips said someone at the hospital apparently became suspicious and had the medicine analyzed. He added the child's doctor called the company Dec. 23 to tell officials about a potential problem and the company called the FDA the same day.

Steips said the company has examined samples from several thousand bottles of the medicine in stock and analysis showed there "is nothing wrong" with those tested. "We have had analysis reports from pharmacies and hospitals which also found nothing wrong with the product," he said.

"This could mean an isolated incident, or that something else affected the boy. The FDA is investigating the matter and is looking into that aspect," he said.

In other business a Student Activities Scholarship Proposal for Maine East was accepted by the Board. The scholarship funds will be established with interest accrued in the Reserve for the Future Account which has principal sums of \$35,000-45,000 per school. Last September teachers and students of Maine East met to work out the proposal. Scholarship awards will be presented according to two criteria—academic excellence and school service. Funds will be used for student enrichment courses designed to enhance the students' future.

The next regularly scheduled meeting is February 2.

tment of a car was extinguished after it was involved in a two-car collision on Howard and Waukegan Rd. on Dec. 29. No emergency treatment was needed for the occupants of the cars. Fire damage to the 1981 Buick was estimated at \$2,500.

Firemen responded to Barr Co., 6100 Howard St. to investigate a report of a possible chemical spill on Dec. 29.

Investigation showed about 1,000 pounds of dishwashing liquid accidentally spilled in the building and sump pumps were being used to pump the liquid from the internal sewer to an outside sewer causing a spill-over on the icy street. Fireman covered the slick surface with sand to prevent a possible traffic hazard.

versation and dialogue, then the LWV is for you.

The League highly encourages interested citizens to join us at the Trident Center and see for yourself how the League of Women Voters really operates and how much fun the meetings really are. The LWV takes action at all levels of government (national, state, county, local) after a careful process of research, study, discussion and member agreement (consensus). Program includes studies about Agriculture, Election Reform, Land Use, Criminal Justice, Schools, Libraries, etc. Voter Service is another aspect of the LWV which gives out nonpartisan factual voting information and also sponsors candidate meetings and debates. The League supports and opposes issues but never candidates or parties.

Membership is open to any man or woman, 18 or over, who is interested in being involved in governmental issues. The Morton Grove - Niles League has members who also live in Skokie, Lincolnwood and Des Plaines. Call Joan Goldberg, 823-5682, for more information about the League of Women Voters and/or about the Jan. 9 Consensus Meeting on Meeting Basic Human Needs: Food, Shelter, Medical Care, Income and what can we do about it.
