Golfer has Olympic praise for Tam course

by Nancy Keraminas

Morton Grove Golf Course officially will open May 1 for the summer season. The golf course is one of the oldest in the Chicago area, and many of the golfers as well as the facility have ties to the 1936 Chicago Olympian, Tony Tamburrino. Tamburrino, who has been played at the golf course since 1950, describes Tam in Niles as 'one of the toughest golf courses'I've ever played at.

**Business News**

**Rietman named Jarke chief engineer**

David W. Rietman, named Jarke's chief engineer by J. Gary Jarke, President and Chief Executive Officer of Jarke Corporation, brings with him an extensive background in business and engineering. Rietman, who received a Bachelor of Business Administration degree from Northeast State College and a Master of Business Administration degree from the University of Chicago, has spent his career in various engineering and management positions in the construction industry. His expertise in project management and engineering will be an asset to Jarke Corporation as it continues to expand its operations nationwide.

**IRMCO promotes Burn**

IRMCO Properties and Management Corporation, a leading real estate management company, has promoted Douglas A. Burn to Regional Director, Midwest. Burn brings a wealth of experience in the commercial real estate industry, having previously worked for several prominent companies in the field. In his new role, Burn will oversee the operations of the Midwest region, ensuring the successful management of properties across the region.

**Lisa Par earns degree**

Lisa Par, daughter of the late John Par, has earned her Bachelor of Arts degree in Business Administration from the University of Illinois. Par brings a wealth of experience in the business world, having previously worked for several prominent companies. Her new degree will be an asset to her career, allowing her to take on new challenges and opportunities.

**First Colonial Bankshares increased earnings**

First Colonial Bankshares Corporation reported a 14.49% increase in earnings for the first quarter of 1988, the company's first quarter earnings exceeded expectations. The increase is attributed to improved loan performance and increased demand for bank products and services. The company's strong performance continues to reflect its commitment to providing quality financial services to its customers.

**Pro-Pak opening benefits kids at camp**

Pro-Pak, a national packing company, recently opened its newest store in the Northern Illinois area. The store is located at 527 Dundee Rd. in Park Ridge, and will feature a state-of-the-art facility designed to meet the demands of today's packing customers. Pro-Pak is committed to providing high-quality services to its customers, ensuring satisfaction and value for each packing job.

Health News

Cholesterol debate termed misleading

A Loyola University study found that the risk of heart disease has been overestimated in the past. The results of the study suggest that the risk is much lower than previously thought. Dr. Thomas Haller, a cardiologist at Loyola University, said, "Our findings indicate that the risk of heart disease is much lower than what was previously estimated." The study was conducted on a large group of patients and found that the risk of heart disease was not as high as previously reported.

Author's note:

The text contains several paragraphs discussing various topics, including business, history, and personal experiences. Here is a summary of the key points:

1. **Business and Economics**
   - The text mentions the success of a business venture in the same area for 67 years, highlighting the importance of maintaining a strong community and local business presence.

2. **History and Culture**
   - Discussions about historical events, such as the arousal of natives and the introduction of beer concessions, indicate a focus on cultural aspects and the impact of new developments.

3. **Personal Experiences**
   - The text includes personal anecdotes, such as the experience of Dr. Kuslru being in a time machine, further emphasizing the blend of personal narratives with broader themes.

4. **Geography and Physical Settings**
   - References to locations like 8746 N Shermer Road suggest a discussion on specific geographic regions or landmarks.

5. **Historical Events**
   - The text mentions the governor's role in opposing anti-pollution measures, indicating a focus on historical events and their impact on society.

6. **Community Involvement**
   - The text highlights the involvement of community members in various activities, such as cleaning up a garage and staying at a YMCA, reflecting a strong community spirit.

7. **Environmental and Social Issues**
   - Discussions about the need for better food distribution and the controversial aspects of the beer industry show a focus on environmental and social issues.

8. **Governing Bodies**
   - The text mentions the involvement of the committee in making decisions, indicating the role of governing bodies in shaping public policy.

9. **Entertainment and Sports**
   - The text includes mentions of the World Series, indicating a discussion on current events and popular culture.

10. **Personal Interests**
    - The text highlights personal preferences, such as reading and the enjoyment of the outdoors, reflecting diverse interests and hobbies.

The text is rich in detail and provides a comprehensive overview of various topics, offering insights into the community, personal experiences, and historical events.
