Citizens protest Niles library spending

Niles residents sent a petition to the Niles Library Board, singling out that agency for what one signee called "LaRuchian." Bugle reporter Ruenchie Newsus reported Niles officials "shocked" by several Bugle articles continuously running the garage out of town. Ills are attempting since 1922.

Angered by large judging the imbroglio, an anonymous writer flouted the continents reunites us from letter wasn't signed which prevented us from writing to several Geran officials which can't be vendettas aimed at Niles yoaratteelion.

The board members felt original nor. They were of u general who are attempting legal action. Their word was not uy lo kick anyone out.

Nick Blase is calling The Bugle to cover developments in the situation that has aroused the ire of neighbors and sensitized police.

Niles police prepare for new drug testing of drivers

Niles police have begun enforcing a policy about collecting urine samples from drivers suspected of being under the influence of drugs.

A recent study from the National Highway Traffic Safety Administration shows that urine samples can provide "a better, more accurate" picture of a driver's drug use than blood or saliva samples.

Niles police, summoned by a concerned neighbor, arrested a 19-year-old Glenview man after a July 30 murder attempt involving two Niles man suspected of being under the influence of drugs.

The incident, which occurred near the Illinois State Police Barracks, led the Illinois State Police to request the device be delivered by Abbott Laboratories sometime July 31.

The urine samples from drivers will be analyzed at Abbott Laboratories in North Chicago.

Six arrested in police-youth confrontation

Niles police, summoned by a concerned neighbor, arrested six young people, including two males.

When officers arrived, they found a 19-year-old Paddock Road resident had pushed a 17-year-old Niles resident and pulled a 16-year-old Niles resident's hair.

The 19-year-old was arrested for battery, and the 16-year-old was arrested for attempted suicide.

Niles teacher's piano students end competition on winning note

by Nancy Kersnowski

Susan Swaitz is a 1981 Maine East graduate who has been offering piano lessons to students in the Niles Park District. Her students have been performing in the district's annual piano competition since 1982. Swaitz's achievements and those of her students are especially notable because her students have been in the winners circle every year since their teacher began entering them in the piano portion of the competition in 1982.

The competition began with Swaitz when she was in the seventh grade, according to Swaitz. "A family friend played the piano. They were going to a concert, and her sister, who was in a family band, was going. So I thought, why not go in as well?" 300x260

Swaitz was the only one to enter as a student. "I had heard that they had a competition in 1982, and I thought, why not?" 300x260

Only one session needed!

Residents raise funds for Morton Grove parks

by Dino Jones

Two Morton Grove parents are putting their/www/ together to help make up for a lack of funds for the parks. The parents, Jody and Greg Huffman, have formed a fund-raising group to sponsor activities for the parks.

"We're really just trying to keep the kids entertained," Jody Huffman said. "We want to keep the kids off the streets and keep them active." 300x260

The Huffman's goal is to raise $1,000 in the next six months. "We're just trying to keep the kids entertained," Jody said. "We want to keep the kids off the streets and keep them active." 300x260

Neighbors fear traffic jams from Techny project

by Nancy Kersnowski

Residents of the Techny Shores neighborhood are concerned about the traffic impact of a development project on Route 53. The project, which is expected to attract thousands of commuters to the area, could result in significant traffic congestion.

"We're really just trying to keep the kids entertained," Jody Huffman said. "We want to keep the kids off the streets and keep them active." 300x260

Selman will be paid $60 to $65 thousand yearly

New manager tackles employee morale

by Nancy Kersnowski

Niles Village employees were reaction to the hiring of a new manager, according to Village Administrator Selman. "I think people are feeling a little bit more comfortable with the new manager," Selman said. "I think people are feeling a little bit more comfortable with the new manager," Selman said.

The new manager has been hired to help improve employee morale. "I think people are feeling a little bit more comfortable with the new manager," Selman said. "I think people are feeling a little bit more comfortable with the new manager," Selman said.

Selman said the new manager has been a positive addition to the Village's administration. "The new manager has been a positive addition to the Village's administration," Selman said. "The new manager has been a positive addition to the Village's administration," Selman said.

Przybylo called progressive choice for Niles board

by Nancy Kersnowski

Przybylo, who ran as an "everyman" candidate, won the race for the seat on the Niles Park District board. "I think people are feeling a little bit more comfortable with the new manager," Selman said. "I think people are feeling a little bit more comfortable with the new manager," Selman said.

Park's 1931 fire engine becomes part of history

by Nancy Kersnowski

Niles Historical Society members are proud of the new fire engine that was recently acquired. "I think people are feeling a little bit more comfortable with the new manager," Selman said. "I think people are feeling a little bit more comfortable with the new manager," Selman said.

The new fire engine has been donated to the Niles Historical Society. "I think people are feeling a little bit more comfortable with the new manager," Selman said. "I think people are feeling a little bit more comfortable with the new manager," Selman said.

Selman said the new fire engine will be used for educational purposes. "I think people are feeling a little bit more comfortable with the new manager," Selman said. "I think people are feeling a little bit more comfortable with the new manager," Selman said.

Accreditation renewal for parochial school

The accreditation renewal for the parochial school is in progress. The accreditation process ensures that schools maintain high standards of educational excellence. The school is working closely with the accrediting agency to address any areas of concern and continue providing a quality education to its students.

Regis and Marillac state scholars

Regis and Marillac state scholars have been named to honor their academic achievements. These scholarships are awarded to students who demonstrate excellence in their studies. The selection process involves reviewing students' academic transcripts, recommendations, and personal statements. The scholarships provide financial assistance to help students pursue their academic goals.

Fire science courses at Oakton

Oakton Community College offers a variety of fire science courses. These courses are designed to prepare students for careers in firefighting and emergency response. The college offers courses such as fire behavior, fire suppression, and fire investigation. Students have the opportunity to gain hands-on experience through internships and practical applications.

Northeastern Illinois University graduates

Northeastern Illinois University celebrates its graduates. The university offers a variety of degree programs in fields such as business, education, health sciences, and liberal arts. Graduates are recognized for their academic achievements and contributions to their communities. The university provides support and resources to help graduates transition into the workforce or pursue further education.

State-of-the-art living at the University of Illinois

At the University of Illinois, students can enjoy state-of-the-art living experiences. The university offers modern living accommodations, including dormitories, apartments, and townhouses. These residences provide students with a comfortable and convenient living environment, allowing them to focus on their academic pursuits.

State-of-the-art living at the University of Illinois

State-of-the-art living at the University of Illinois. A pristine co-ed residential hall. The hall offers a variety of amenities, including on-campus dining, recreational facilities, and academic resources. Students can enjoy the comfort of a modern living environment while pursuing their academic goals.

Social Security direct deposit benefits

Once you have selected direct deposit, you will have an additional benefit. Your Social Security benefits will be paid directly into your checking or savings account. This benefits you by:

1. Assurance of prompt payments, provided your bank or credit union has an agreement with the Social Security Administration.
2. Reduction of the possibility of lost or stolen checks.
3. Elimination of the need to sign your name to checks.

To take advantage of this benefit, you must:

1. Complete the application and return it to the Social Security Administration
2. Select a bank or credit union from which to receive your benefits.
3. Direct deposit of your benefits to your own account.

These benefits do not apply to benefits in foreign countries.

Free health screenings offered

The Chicago Uptown Lion's Club and Eagle Furniture are co-hosting the special free health screening event on Thursday, August 3, from 9 am to 4 pm. The event will take place at 5200 Golf Road, Des Plaines, IL 60018. This event is open to the public and is free of charge. The health screenings will include:

1. Blood pressure measurement: Blood pressure is a key indicator of heart health. High blood pressure can lead to heart disease, stroke, and other health problems.
2. Diabetes screening: Diabetes is a chronic disease that affects how the body uses sugar. It can lead to long-term health problems if not managed.
3. Vision screening: Vision screening can help detect eye problems early, including conditions like glaucoma and cataracts.

These screenings are important to help maintain good health. It is recommended to get these tests regularly, especially for people with risk factors such as age, family history, or lifestyle.

Maine East student government elections

It's an exciting time for students at Maine East High School, as they are about to participate in their first student government election. The election will be held on Thursday, August 3, and will determine the leadership for the upcoming school year. Here are some key points about the election:

1. Eligibility: Students must be enrolled at Maine East High School to be eligible to vote or run for office.
2. Nomination process: Students interested in running for office must submit their nomination forms by August 2.
3. Campaign: Students will have the opportunity to campaign for their favorite candidates.
4. Voting: The election will be held on August 3, and students can vote in the school's main lobby during lunchtime.

The student government will be responsible for organizing events, representing student interests, and working with the school administration to ensure a positive learning environment. We wish all candidates the best of luck!
