Parishioners surprise OLR founder, Fr. Ted Paluch on his 80th birthday

By Nancy Keraminas

Parishioners from Our Lady of Refuge, Church of the Resurrection in Niles, surprised Fr. Ted Paluch on his 80th birthday with a special event held on Oct. 15, 1989. The celebration took place at the parish hall where a large crowd had gathered to honor the beloved priest. The event was a special occasion for all, as Fr. Paluch had played a significant role in the development of the parish.

The day's activities began with a breakfast hosted by the parishioners, followed by a special Mass celebrated by Fr. Paluch himself. The Mass was attended by many who had come to share in the joyous occasion.

After the Mass, a lunch and program were held, featuring speeches and performances by various parishioners. The afternoon concluded with a special presentation of a scrapbook compiled by Fr. Paluch's daughter, Nancy. The scrapbook included photographs and memories from throughout Fr. Paluch's career, providing a glimpse into his life and work.

In his speech, Fr. Paluch expressed his gratitude for the love and support he had received from the parishioners. He recalled fond memories of his time in Niles and expressed his hope for the continued growth and success of the parish.

The event was a heartwarming celebration of Fr. Paluch's 80th birthday and his many years of service to the parish. It was a testament to the love and appreciation that the parishioners held for their beloved priest.

Drug testing... Continued from Page 3

Fifteen teachers were the first to be tested at the high school this week, but they are not required to participate in the drug testing program. The purpose of the tests is to prevent the use of drugs by teachers and to show the students that the school is concerned about drug abuse. The teachers were notified of the test results and are required to sign a statement acknowledging the results.

Fire... Continued from Page 3

The fire that started in the attic of the school last week was caused by a short circuit in the electrical system. The fire was contained to the attic and did not spread to other parts of the building. The cause of the fire is under investigation.

Magazine sweep... Continued from Page 3

The sweep of the magazine collection was completed last week. The sweep was conducted to ensure that all the magazines are current and to remove any that are damaged or overdue. The sweep was completed in one day and did not affect the regular operation of the library.

Census... Continued from Page 3

The census of the school population was completed last week. The census was conducted to determine the number of students enrolled in the school and to identify any changes in enrollment. The census was completed using a computerized system and took one day to complete.

Egypt... Continued from Page 3

The visit to Egypt was a success. The students were able to see many of the famous sites and learn about the culture and history of the country. The trip was an educational experience for the students and helped them to understand the world better.
