## Local high schools post high ACT scores

High schools in both Niles and Maine Townships stand out among metropolitan Chicago high schools, ranking high in ACT scores for the 1988-89

school year. The ACT is a testing program measuring college aptitude. The highest composite score is 35. Students nationally averaged 18.6 on the ACT; in Illi-

nois, the figure is 18.8. Niles Township District 219 pupils at Niles North averaged 21.2 on their scores; at Niles

## Challenger unseats Hara in 10% voter turnout

# Raffel wins District 63 board seat

Despite heightened taxpayer interest in school board issues, a relatively small number of voters turned out Nov. 7 at the polls. According to figures provided by the Cook County Board of Election Commissioners, only 10.3 percent of eligible voters participated. Unofficial vote totals at press time are as follows.  
**Elementary School Board Candidates**  
**District 63:** Challenger Alan Raffel succeeded in his bid for a seat on the board. Incumbents  
 Joan Futterman, Norman Padnos and Steve Rivenson were re-elected with Steven Hara being unseated. The school district faces a \$1.7 million deficit in the next fiscal year. The tally of

Buglebits.....  
 Mary Marusek sent along an excellent letter which is in this week's "letters" column. It is well thought out and deserves your attention.  
 Mary's letter reminds us Maine Township residents better brace themselves for higher taxes on their next year's real estate tax bill. The huge tax increase Chicago's northwest sides received in 1989 is a precursor to what is likely to happen to Maine Township residents in 1990.

Nick Blase's Maine Township Democrats are alerting residents about a proposed 18% tax increase for Maine High Schools. They are urging Mainites to march down to the Maine High Administration building on Monday, November 13, to protest the increase. Last year, Blase's troops successfully opposed a whopping tax increase in elementary school District 63 in the East Maine area.

If the District 63 raise had been successful and if the new proposed high school increase is successful, the total tax increase to many Maine residents would have been around \$500. If you were to add the re-assessment next year (northwest Chicagoans paid as much as a \$750 increase), Maine residents might have tax bills \$1,000 more than last year. Now is the time to protest. Get out to Maine High Administration building.

## Blase opposes O'Hare expansion

Niles Mayor Nicholas Blase is one of 20 area municipal leaders protesting a proposed O'Hare Airport expansion. The mayors, notably Marty Butler of Park Ridge and Bill Albrecht of Des Plaines, are fighting the City of Chicago's proposal to add two more runways to handle increased air traffic.

Blase says the problems of Niles are "miniscule" compared to those for Bensenville and the other two cities. He notes the suburbs must band together and not "give Chicago a free hand" relative to O'Hare planning.

"Chicago has to realize they're going to need a new airport," Blase said in a Nov. 6 announcement. "O'Hare is in the suburbs but we end up with all the problems."

Blase attributed Chicago city officials with what he termed "attitude problems - a to hell with you," policy towards the affected communities, some of whom have 30 percent or more of their land area threatened.

# Firemen introduce Fire Safe House

By Marilyn Vrbancic

There aren't many places available to "practice" fire safety.

The Children's Fire Safe House, designed and built by the seven Red Center fire departments, offers such a facility.

Intended for use by children through grade three, North Maine Fire Marshall Wayne Parthun, described the house as an "excellent fire safety education tool."

The house offers hands-on demonstrations to promote fire safety, according to Parthun. He praised the house, saying "It is a protective measure to get the fire safety message to children."

### "There's a great impact when a child sees a melted toaster..."

The house has been the pet project of the fire chiefs in the Red Center district for the past year. The Children's Fire Safe House is patterned after similar units in Lake County, Aurora, Elgin and Oak Lawn, said Parthun.

Parents are invited to tour the facility with their youngsters. About six people can be accommodated in the facility at one time.

The house contains a simulated kitchen on the first floor and a scaled down bedroom on the second floor.

The kitchen area provides a walk-through demonstration of fire hazards in the kitchen. This ranges from handles of pots on the stove being turned the wrong way to improper use of appliances and extension cords.

Also displayed are items that have been destroyed in a fire. "There's a great impact when a child sees a melted toaster, or charred utensils," Parthun said.

From the kitchen, the group moves upstairs to the miniaturized bedroom. As a fireman explains fire safety procedures, the bedroom fills with an artificial

Smoke, according to Parthun. The smoke detector activates. The children are shown "to roll off the bed and crawl to the door, keeping close to the floor." They feel along the bottom of the door for heat, Parthun described. "If they feel heat, they crawl to an alternate exit, usually the window."

When they reach the window and open it, they climb out on a regular ladder to get the feel of actually escaping a fire, according to Parthun.

Meanwhile, the groups awaiting their turn in the Fire Safe

Center offers blood tests in the afternoon and find qualified people in the office ready for anyone in the area who needs or wants either or both of these tests.

Please call 823-0453 for more information or stop in at the office in Suite 125 of the 1580 N. Northwest Highway Building in Park Ridge.

### Center offers blood tests

information or stop in at the office in Suite 125 of the 1580 N. Northwest Highway Building in Park Ridge.

House watch videos on fire safety tips. These tips range from the importance of fire evacuation drills to proper maintenance of smoke detectors.

The Children's Fire Safe House measures approximately 20 feet long, 8 feet wide and 14 feet high. The building was framed by industrial arts students at Glenbrook South High School. Firemen and Red District public education officers finished the interior. Completion of the house took about a year, Parthun said. "It required the dedicated effort of a lot of people."

The house can be transported by trailer to various sites. It was most recently on display at Stevenson School in Niles. Schools and organizations can make an appointment through their local fire department to tour the house. It will be stored at Niles Fire Station #3 over the winter. Tours will continue to be conducted during the cold months.

The house was dedicated Oct. 15 at the North Maine Fire Protection District open house.

The seven areas served by the Red Center fire departments are Morton Grove, Niles, North Maine, Glenview, Glenbrook, Northbrook and Prospect Heights.

Firefighters from North Maine and Niles prepare the Children's Fire Safe House, a mobile educational exhibit designed and built by the seven Red Center fire departments. Members from Morton Grove, Niles, North Maine, Glenview, Glenbrook, Northbrook and Prospect Heights will bring the simulator, which has a "kitchen" and "bedroom" that fill with smoke, to schools, shopping centers, fairgrounds and industrial parks. North Maine's Mike Fox (on ladder) fixes the sign while North Maine's Joseph DuShane (2nd from left) and Niles' Dave Chapp steady the ladder. ## Santa arrives at HIP

Harlem Irving Plaza's Sesame Street display is the setting for Santa's arrival Saturday, Nov. 18 at 9:30 a.m.

Santa arrives via the Norwood Park Fire Engine and will make his way to his holiday home. All will be awaiting Mr. Claus in the north court area of the center which is located at Harlem Avenue, Irving Park Road, and Forest Preserve Drive.

Harlem Irving Plaza's Sesame Street decor is a Chicago-area exclusive starring America's lovable cast of characters from Sesame Street, including Bert, Ernie, Grover, Oscar, Big Bird, and The Cookie Monster. Joining in the festivities are HIP's lovable mascot Happy Hippo, and surprise costume characters.

Also attending to celebrate Santa's arrival are musicians from Ridgewood High School. The musicians will entertain shoppers while they await Santa's arrival.

## Volunteers needed to wrap gifts

The American Cancer Society Gift Wrap Booth is scheduled to open at the Harlem Irving Plaza Saturday, Dec. 2. Volunteers are needed to help manage the booth which is located at Harlem Avenue, Irving Park Road and Forest Preserve Drive.

Gift wrapping services will be available during mall hours everyday through Christmas Eve and all proceeds will benefit The American Cancer Society. Individuals wishing to volunteer their time can contact The Harlem Irving Plaza at 625-3036.

## Bondi named Niles trustee

Tom Bondi was appointed Trustee at the October Village Board Meeting by Mayor Blase. Trustee Bondi will complete the term of office for Trustee Angelo Marcheschi. Pictured are (from left) are Village of Niles Trustees James Mahoney, Bart Murphy, Mayor Nicholas Blase, Andrew Przybylo, Louella Preston, and Tom Bondi (seated).

by Nancy Keraminas

Tom Bondi's road to a seat on the Niles Village Board is the culmination of a dream which began nearly 10 years ago, when he was asked to represent Niles on the Oakton Community College site selection committee.

At the time, Bondi was one of few citizens who sat in on Zoning Commission meetings.

His civic interest was noted by Mayor Nick Blase, who tapped him as Niles' representative on the board that ultimately determined Oakton's current location at Golf and River Roads.

Eventually Bondi was appointed to the board.

## Nursing home orderly charged with assault

Officials at the Sherwood Niles Nursing Home are cooperating with Niles police in their investigation of a possible sexual assault Oct. 31 on a severely retarded resident of that facility. Abbey J. Oladesu, 29, of Chicago, who is an orderly at the home was arrested at 6:25 a.m. the morning of the suspected assault, as he attempted to leave the facility. He was sent to Cook County Jail, pending the posting of a \$50,000 bond.

A spokesman for Sherwood would not comment on any details of the incident, other than to say it being investigated. Oladesu, of 4848 N. Winthrop, Continued on Page 42

## Traffic violators may opt for safe driving school

Area motorists with minor moving traffic violations who appear in Cook County Circuit court now have the option of attending Northwestern University Traffic Safety School instead of standing trial, unless they have taken the course before.

Choosing this option, the motorist pays a fine, which includes the cost of the school, and selects the date, time and location of the traffic school convenient to him. Courses are available in English, Spanish and Polish.

Upon completion of the four hour course, the traffic complaint will be dismissed and no conviction will be entered on the motorist's permanent driving record. Currently, a motorist with three moving violations on his record faces revocation of his driver's license.

In addition, violations noted on the permanent record can impact the driver's insurance premiums.

If the motorist pleads not guilty and choose to stand trial, the judge may still find him guilty, assess a fine and send the person to school. This conviction is entered upon the driver's record.

Persons charged with driving under the influence of alcohol or drugs, a serious moving violation, will not have the option of attending traffic school.

## Sophie Zimos funeral today

Funeral services will be held Thursday morning for former Nilesite Sophie Zimos at 10 a.m. at St. Juliana Church in Chicago. She was the wife of Bill Zimos who was an active community leader in Niles from the Kirk Lane area. He served as village president Nick Blase's first campaign manager in the 1961 village election. He subsequently served on Niles Zoning Board.

## Car converter sparks leaf fire

Morton Grove residents are required to rake their leaves into the street for Village pickup up.

When a Morton Grove resident parked his car in dry autumn leaves the night of Nov. 1, he forgot the car's catalytic converter was hot. During the night the heat ignited the leaves, causing a fire that caused \$1800 damage to the resident's 1980 Oldsmobile Cutlass.

Morton Grove firefighters responded to the car fire at 8929 Central Avenue.

## Driver facilities close for holiday

All Secretary of State offices and facilities will be closed for Veterans' Day, Secretary of State Jim Edgar announced. The holiday is observed by all state agencies.

## New area code to go into effect

Illinois Bell reminds all area phone users that Nov. 11, when Chicago suburbs get the new 708 area code, is approaching fast.

After that date customers will have to dial an area code plus the seven-digit phone number when calling between Chicago and a suburb, said Helen Shumate, director of consumer relations for

Illinois Bell. Customers in Chicago will retain the 312 area code, while Chicago suburbs currently served by 312 will receive the new 708 area code. The 708 code will serve a region roughly defined by the Wisconsin state line to the north, Hampshire and Oswego to the west, and the Illinois state line to the south. Continued on Page 42

## Retired Niles police officer dies

Funeral services for retired police sergeant Frank C. Wichlac, Jr., a Niles department veteran, were held Tuesday, Nov. 7, Wichlac died Nov. 3 at the age of 59.

"It was very sudden," said Chief Raymond Giovannelli, who chronicled highlights of Wichlac's 20-year career on the Niles force.

Wichlac became a police officer Oct. 1, 1960, and retired Oct. 1, 1980, at the age of 50 when he first became eligible. "He was an extremely effective juvenile officer in the 60's and 70's," Giovannelli recalled, describing Sgt. Wichlac as a "dedicated officer with a lot of sensitivity."

The chief cited Wichlac's talent with telecommunications, as did Commander Bill Reid, who served on the force with Wichlac. Reid remarked, "Frank's forte was technical equipment and community relations."

According to Reid, Wichlac was put in charge of setting up procedures for an alarm board between businesses and the police dispatch central, after extensively researching existing burglar alarm systems. "He was a very innovative man," Reid reminisced. "He introduced a lot of new programs that helped us progress." The commander indicated Wichlac was one of Niles' original youth officers and was "the forerunner of Officer Friendly."

According to his son, Bill, Frank Wichlac, Jr. had moon-

lighted at Sears Roebuck and Company and continued his association with that firm after his retirement from the Niles police department.

He had a three year bout with cancer and was in apparent remission when he underwent recent surgery. Reid said his former colleague "looked good, felt good and...was optimistic" about the future.

His death was attributed to a possible blood clot. Wichlac is survived by his wife Florence, a village employee, two other sons, Frank and Charles, his father Frank C. Sr. and two grandchildren, William, Jr. and Carolyn Ann.

Interment was at Ridgewood Cemetery.

### LGH seeks heart patients for study

The Cardiology Research Center at Lutheran General Hospital - Park Ridge (L.G.H.) - Park Ridge, 1775 Dempster St., is seeking volunteers with heart disease to participate in two cardiac research studies. Information gained from the research will help develop new methods of treatment for people with heart disease.

Volunteers with severe congestive heart failure, an enlarged heart which does not pump effectively, are needed for a two-year study involving the drug Milrinone. The study will help determine if the drug can make the

heart pump more effectively and increase life expectancy.

The study includes free E.K.G.s, chest X-rays, physical exams, Holter monitoring and a Muga scan which measures how much blood the heart pumps. Each participant will be seen every two months by a cardiologist and registered nurse who will provide diet and exercise instruction.

A second study will test the effectiveness of a new nitroglycerin patch in people with angina, chest pain associated with coronary artery disease. Volunteers must have definite angina and should be able to use a treadmill.

The two-week study includes free E.K.G.s; chest X-rays; physical exams; blood, urinalysis and treadmill tests; and instruction on exercise, nutrition, cholesterol and blood pressure control.

To qualify for the studies participants must have their physician's approval and no additional medical conditions such as severe kidney disease, uncontrolled diabetes, lung disease or cancer. There is no cost to participate and test results will be sent to each participant's physician. For more information on cardiac research at Lutheran General Hospital, call the Cardiology Research Center, 696-6995.

## Morton Grove Senior Citizens 470-5223

### Medicare/Medicaid Assistance

Medicare and other health insurance forms can sometimes be difficult to wade through and accurately process. Morton Grove's Medicare/Medicaid Assistance Program will help local seniors in filing their health insurance claims while clarifying billing procedures. Counseling sessions begin at 10 a.m. Monday, Nov. 13, in the Flickinger Senior Center. Call the Senior Hot Line at 470-5223 for an appointment.

### Old English Tea

The Prairie View Senior Travel Club invites all seniors to an "Old English Tea" at 1 p.m. Tuesday, Nov. 14, at the Prairie View Community Center. The Tea will serve as a preview of the London Trip scheduled for March 27, 1990. The extraordinarily reasonable price of \$739 includes hotel lodging for eight days and seven nights, non-stop round trip air fare, daily continental breakfast with juice, two plays, sightseeing and much more. Pick up a flyer with complete information at Prairie View or the Flickinger Senior Center, or call Ronee Brenner at 965-7447.

### Pressure Screening

Moderate exercise and activity can be important assets in a person reaching their blood pressure goal and staying fit. Everyone has individual differences and conditions that need to be considered when planning a healthful program of exercise. People whose health does not allow exercise can often take part in other enjoyable physical or mental activities such as hobbies, social activities, volunteer work or attending classes. A free blood pressure screening clinic is offered for Morton Grove senior citizens from 9 to 10 a.m. Tuesday, Nov. 14, in the Flickinger Senior Center.

### Commission on Aging

The Morton Grove Advisory Commission on Aging will hold its next monthly meeting at 1 p.m. Tuesday, Nov. 14, in the Flickinger Senior Center. The Commission provides an arena for discussion and planning of services and programs to benefit Morton Grove's senior citizen population. All interested residents are welcome to attend.

### When the Mind Says "Go," but the Body Says "no"

Oakton Community College presents another program in their Passages lecture series entitled, "When the Mind Says 'Go,' but the Body Says 'no'." Mary Floden, R.N., therapist and counselor, will speak about promoting balance of body, mind and spirit in an ever changing environment. Emphasizing the fact that age is an illusion and that the body can be empowered through the mind. The program begins at 1 p.m. Tuesday, Nov. 14, at the Oakton East campus, 7701 Lincoln Ave., Skokie.

### Snow Removal

Teen and young adult snow shovelers and plowers are needed to meet the snow removal needs of neighboring senior citizens this winter. Those wishing to be involved in this winter-time work should call the Village of Morton Grove, 965-4100, ext. 254.

### Holiday Candy Workshop

The Morton Grove Park District offers the Holiday Candy Workshop in two sessions, with special prices for seniors. A special preview will be conducted free of charge at 12:45 p.m., Wednesday, Nov. 15, at Prairie View. The workshop will be conducted later in December by instructor, Carol Gail. Participants will learn to melt and mold chocolate into edible gift items. Dipped pretzels and chips and chocolate roses will be a few of the items to learn about and take home. Also demonstrated will be the weaving of a basket of chocolate. All supplies will be provided and are included in the cost of the workshop which is just \$5. For more information or to register, stop by Prairie View or call 965-7447.

### Mr. Fix-It Class

Bob Goldin, accomplished local handyman and member of the Morton Grove Advisory Commission on Aging, will conduct another segment of this popular workshop for those interested in learning basic home repairs. Simple tasks can sometimes be the most frustrating but Mr. Goldin will provide helpful tips and guidance in making repairs and imparting confidence in the homeowner's own abilities. The class begins at 1 p.m. Monday, Nov. 20, in the Prairie View Community Center. Call 965-7447 to sign up.

### Holiday Bazaar

The North Shore Hotel at 1611 Chicago Ave., Evanston, will host a Holiday Bazaar from 10 a.m. to 3 p.m. Saturday, Dec. 2. Included at the bazaar will be paintings, portraits, needlework, toys, household items, plants, cosmetics, bakery goods, entertainment and refreshments. Holiday gifts are priced from 25 centers to \$25. For more information, call the North Shore Hotel at 864-6400.

For more information about these senior services and recreation programs, call the Morton Grove Senior Hot Line, 470-5223, or the Prairie View Community Center, 965-7447. To receive the "Seniors in Morton Grove" newsletter, send \$2.50 to the Morton Grove Park District, 6834 Dempster St., Morton Grove, IL 60053.

### Seek host homes for foreign students

International Student Exchange is seeking families to host students from Mexico, Japan, Colombia, Spain, Germany, Brazil, Bolivia, Thailand and Sweden.

Families as well as retired folks, singles, and parents without partners are encouraged to investigate this opportunity.

One of these teenage boys and girls will live as a member of the family while he or she attends the local high school. Students are screened, covered by medical insurance and provide their own spending money. They are outgoing, fun-loving students, eager to experience the American way.

To participate, contact International Student Exchange, P.O. Box 840, Fort Jones, California 96032 or call 1-800-233-HOST, or 1-916-468-2264 in California.

### Good Counsel sets open house

Good Counsel High School, a Catholic, all female secondary school will open its doors for open house Sunday, Nov. 12, from 1 to 4 p.m.

Located at the corner of Peterson and Palmski in the far northwest corner of Chicago, Good Counsel is adjacent to the Sauganash and Edgebrook neighborhoods and a few blocks from the suburb of Lincolnwood.

### Regina hosts two class reunions

Two classes from Regina Dominican High School will hold reunions during the coming weeks.

The Class of 1969 will hold its Twenty Year Reunion at 7 p.m. Friday, Nov. 24, at Regina. Contact Lynn Hoffman O'Brien at 724-6919.

The Class of 1964 will celebrate its silver anniversary Saturday, Nov. 25, beginning at noon in Regina's cafeteria. For further information, contact Kathy Burke at 256-7660.

### MONNACEP tour visits rich, famous

Visit the fashionable neighborhoods where Chicago's rich and famous people live in a one-day MONNACEP tour from 9 a.m. to 3 p.m. Thursday, Nov. 16.

The tour will explore such areas as the Prairie Avenue, Astor Street and Hutchinson Street, present home of Governor Thompson and the city's several celebrities.

The next stop will be the restored South Shore Country Club with its ballrooms and spacious grounds. Tour a 30-room mansion in the heart of the northside and an elegant residence built at the turn of the century on the Gold Coast.

Lunch will be served at a private party club.

Tuition is \$35, which includes transportation, escort and lunch. The bus will leave from Niles North High School parking lot, 9800 Lawler, Skokie. For information, call 982-9888.

# Your keys to the city.

# Your keys to the suburbs.

**3 1 2**      **7 0 8**

## NEW AREA CODE STARTS NOVEMBER 11.

**DIAL 1 + THE AREA CODE.**  
 Very soon, the suburbs will have their own area code, 708. That means you'll need to key in the appropriate area code every time you place a call between Chicago and suburbs.

**708 WON'T CHANGE YOUR PHONE RATES.**  
 All that changes is the area code. The new area code won't affect your telephone rates or seven-digit telephone numbers. In fact, calls between the city and suburbs will still be billed as local calls.

**USING THE NEW AREA CODE IS EASY.**  
 To call the suburbs from Chicago, dial 1 + 708 + the seven-digit number. To call Chicago from the suburbs, dial 1 + 312 + the seven-digit number.  
 And to call between suburbs within the 708 area code or to place calls within Chicago, just dial the seven-digit number. As for area code 815, that won't change at all.

So remember, 708 starts November 11. Without it, we'd run out of phone numbers. And that makes it a key part of our area's telecommunications growth.

### IN TOUCH aims to prevent substance abuse

IN TOUCH is an organization based in Illinois, but has as its parent organization -- The National Federation of Parents for Drug Free Youth. The local IN TOUCH team has received a federal grant to help pay for a three year program for community involved substance abuse prevention for adolescents.

For this year's campaign kick-off to announce the theme: "I CAN CHOOSE...NOT TO USE" -- IN TOUCH is participating in the 1989 National Red Ribbon Week Campaign. It is necessary to announce to all youth that "I CAN CHOOSE...NOT TO USE" to be a drug-free as an adult, as well as, for youth.

Alcohol and drugs are a problem here and now. The two committees in Our Lady of Ransom Parish, Niles, IN TOUCH -- which is for youth, and AWARE -- which is for everyone, are drug and substance abuse awareness, education, prevention and referral resources for our community.

The problem of substance abuse is here and

how. Consider that 22 percent of fifth graders used alcohol during the last 12 months, once or more, and 53 percent by ninth grade; 12 percent of fifth graders and 28 percent of ninth graders report being drunk during the last 12 months, once or more; 12 percent of fifth graders and 20 percent of ninth graders used marijuana during the last 12 months one or more times; and 11 percent of fifth graders and 47 percent of ninth graders attended a party or parties in the last year where their peers drank alcohol.

The percentages are from the National Catholic Education Association from the "Findings from Early Adolescents and Their Parents Study of 1984" -- which means the percentiles today could be even higher!

Our Lady of Ransom Catholic Church will have red ribbons on most of the trees around the church and school to heighten everyone's awareness that we are involved in the community by trying to make this a DRUG FREE AMERICA!

### SJB Holy Name sets turkey shoot

St. John Brebeuf Holy Name Society invites all members and men of the parish to the annual Turkey Shoot in Flanagan Hall Monday, Nov. 13 at 8 p.m.

## Police News

### Traffic offenders pay court surcharges

Beginning Nov. 1, traffic and misdemeanor offenders in Cook County will not only be paying their fines but also all court costs, fees and surcharges. This takes the burden off the municipalities and residents of Cook County, Judge Comerford, Chief Judge of the Circuit Court of Cook County, announced this policy change in a report of the Presiding Judges' Committee this week.

The policy is a significant change for the 28 Northwest Municipal Conference communities in Cook County who have seen their law enforcement dollars go toward the subsidizing of court costs and state mandated surcharges.

Under the old system, court costs which range from \$27 to \$57 were deducted from the court assessed fine. Under the new system...

Each year the municipalities' portion of the fine decreased with legislation providing for additional costs and surcharges. In some communities this has meant as much as a 59 percent reduction. As a result, municipal taxpayers were subsidizing traffic enforcement which legislators had intended to be collected from the offenders.

Municipalities were faced with tough budget decisions as their portion of court fines were continually reduced and the cost of processing offenders was shifted to the general populace and away from those who commit the offenses. The Northwest Municipal Conference began working earlier this year to correct this. Barbara Meyer, attorney for the Village of Skokie, was instrumental in representing Cook County municipalities as a member of the Presiding Judges' sub-committee on fines and court costs, chaired by Presiding Judge Ronald Crane.

Also beginning Nov. 1, the in-court assignments to Traffic Safety School will be extended to all suburban districts. When imposing an order of supervision, judges may make it contingent upon completion of a 4-hour or 8-hour traffic safety course. Fines and costs, including a \$20 fee for the Northwestern University Traffic Institute, will be assessed to the offender.

### Mom abducts daughter

The father of a 6 year old Hynes Elementary School student reported the abduction of his daughter by her mother on or before Nov. 2.

The father, an Arlington Heights resident, had been awarded legal custody of the child in a divorce action and had gone to the child's Niles home to pick her up Nov. 2. He found the mailbox stuffed with mail and found that his daughter had

not been at school for nine days. His former wife had not been at work for the same number of days and reportedly had been terminated from her job due to that absence.

According to police reports, the woman told her physician she was going to go away and never return. The search for mother and daughter includes Germany and Palatine, where the woman has other relatives.

### Miscellaneous arrests

A 19 year old Niles man was taken into custody by Niles police after they determined he was wanted by Park Ridge police for an outstanding battery warrant. The youth was involved in a dispute in the 8000 block of Oakton Street which police were investigating, when they learned of the previous warrant.

A 33 year old Chicago woman was arrested by Kohl's security staff, who caught her with \$84.48 worth of store merchandise Nov. 4. She will have a Dec. 5 court date.

### Wallet stolen

A businesswoman reported the theft of her wallet, stolen from her workplace sometime Oct. 30. The wallet, containing \$1,052, was taken from a business at 7900 Milwaukee Ave.

### Youth throws pumpkin at officer

A Niles youth was being sought after he reportedly threw a candle-lit pumpkin at a Niles police officer Oct. 31, splattering the officer's shirt and tie with hot wax. The youth fled but his parents have been notified he is wanted. The incident occurred near Madison and New England Avenues, where a caller had complained of vandals.

### Theft from motel room

An occupant of the Vegas Motel, 8988 N. Milwaukee Ave. reported the theft of his \$600 watch and two rings, valued at \$190 from his room Oct. 30. The man reportedly suspects another motel occupant, who had been in the room earlier.

### Thieves steal fax machines

Two telecopying machines were stolen in separate incidents from two different Niles Radio Shack locations last week. Identical fax machines valued at \$1099 were taken from the stores at 9515 N. Milwaukee Ave. and from 7245 W. Dempster St. Oct. 31. Store personnel reported three suspicious men in their late 20's may be responsible for at least one of the thefts.

### Restaurant burglary

A Niles restaurant was burglarized sometime during the night of Nov. 1 by person(s) unknown who removed a metal cashbox containing \$8000 from the premises. The 2 by 3 foot window of a rear metal door of Rosini's, 8808 N. Milwaukee Ave., was discovered broken and an office door of the restaurant had been pried open with a screwdriver or similar object. A terminated employee is under investigation.

### Criminal damage

A 1989 Ford brought to Champion Ford for repairs was vandalized by person(s) unknown sometime between Oct. 24 and Nov. 3. At least \$1,000 damage was visible on the car, which had dents in the driver's door and on two quarter panels.

An employee of Leaning Tower YMCA reported that all four windows of her 1986 Ford Escort were broken Nov. 3 by the son of a fellow employee, following an argument. At least \$500 damage was caused.

### Thefts from vehicles

Someone stole two fur jackets from the back seat of a Pontiac Grand Prix parked in the Golf Mill lot Nov. 2. The garments were valued at \$5,000 and \$3,000 respectively.

The \$450 AM-FM stereo unit of a 1988 Honda was stolen Oct. 31. An unknown thief broke the car's passenger side door window and removed the stereo. The car was parked in front of 5960 W. Touhy Ave.

Officials from U-Haul, 7644 Milwaukee Ave., reported the theft of two loading ramps, valued at \$600 from one of their trucks Oct. 30.

Handtools worth \$1200, contained in a \$100 toolbox, were reported stolen from a 1986 Ford Van parked at 8205 W. Golf Rd. Nov. 2.

## Police News

### Retail theft

An Arlington Heights man, 42, went to the men's department of a store in the 7200 block of Dempster St., Morton Grove, the morning of Oct. 30. He rolled up a pair of men's pants and tried to exit the store. The man was charged with retail theft for taking the pants valued at approximately \$35; his court date is Nov. 28.

That night in the same store, a security guard watched as a man put eight wallets into the front of his clothes and left the store without paying. The guard stopped the man, recovered the wallets and called the police. The man, a 49 year old Chicagoan, told police he was unemployed and thought he could sell the wallets which the store valued at \$70. The man was charged with retail theft; he has a Dec. 13 court date.

In the same store the night of Nov. 4, a Morton Grove man, 24, hid two pairs of men's socks in his jacket and attempted to leave the store without paying. The socks were worth about \$6 and the store decided not to prosecute, but advised the offender not to return.

The afternoon of Nov. 1 in the same store, a Chicago man, 36, took 19 bottles of cologne worth

about \$306 and tried to leave the store. The man, who reportedly had needle marks on both arms, was found by police to have an outstanding warrant for a Maywood drug charge. He has a court date of Nov. 28.

### Parolee batters store guard during theft

A recent Cook County Jail resident, still wearing his parolee placard, allegedly battered a J.C. Penney security guard with a screwdriver Oct. 27 as the guard attempted to arrest the man for stealing two leather jackets each valued at \$225 and a \$24.95 bathrobe.

Carlos Abel Ortiz, who has also used the surname Munoz, was observed cutting protective chains securing the jackets by using a wirecutters. Then he concealed the items under his own trench coat.

The guard followed the 45 year old offender, watched the theft of the bathrobe from a store display and stopped him as he attempted to leave the store. A search of the parolee revealed an unpaid for \$26 necktie as well.

Ortiz reportedly was released from jail three weeks ago, where he had been incarcerated for a Class three felony.

No bail was set for this recent offense but Ortiz, formerly of 4950 W. Diversey Ave., was scheduled for a Dec. 5 court appearance.

### Damage to property

A patron of a motel in the 9400 block of Waukegan Road, Morton Grove, argued over a phone bill with the desk clerk, but paid it as he checked out, Oct. 31. The patron returned to his motel room for a few minutes, then returned the room key to the desk.

A maid later discovered damage to the patron's room window, the TV cable, the wall and rugs. Two lamps were broken. Towels, pillows and pillow cases were missing. The motel valued the pillows and linen at \$350; the room damage at \$100.

### Attempted auto theft

The owner of an '87 Pontiac discovered an unknown offender used a wire to enter his car in the 9000 block of Oleaner, Morton Grove, the weekend of Oct. 28. The offender attempted to break the car's steering column, causing \$400 damage.

### Convenience store robbery

Robbers followed the same procedures in two Morton Grove convenience stores Nov. 1 and 2. Both thefts occurred about noon or 12:30 p.m. In both instances, the male robber, posing as a customer, approached the cashier to pay for a small item. When the cash register drawer opened, the man pushed the cashier back, grabbed money from the drawer and ran.

In the store in the 7600 block of Dempster Street, the thief took \$100 and ran to an auto parked outside. In the second case, the thief was chased by the cashier's husband, fled the store with \$212, entered a car driven by another man and drove off.

In this incident, at a food mart in the 5900 block of Lincoln Avenue, a bystander parked outside, was able to describe and provide a sketch of the thief and his driver to police.

The owner of a 1987 Toyota used a golf club to hit a suspected thief who was tampering with his car Oct. 28. The incident occurred shortly after midnight in the 8000 block of Milwaukee Avenue. The Toyota owner observed an older car carrying three teens suspiciously near his car.

Twenty minutes later he saw two men near his car, one with his head inside the Toyota. One man ran and the angry Toyota

owner used a golf club to strike the second, whose head was inside the broken passenger window of the vehicle.

Reportedly the cord of the auto's radar detector was missing, but no other damage was noticed. Niles police interviewed a Des Plaines man whose description matched one of the suspects, but the victim could not identify him as a robber.

### Criminal damage to property

A beauty supply shop in the 7200 block of Dempster Street, Morton Grove, sustained a \$300 loss when a riderless skateboard crashed into its entryway the night of Nov. 1. Two juvenile boys fled the scene. A salesman in a neighboring store, a skateboard fan, told police he had earlier talked about a similar skateboard with two boys in the proximity of the store.

## REMEMBER "708"

In effect Nov. 11, 1989  
Beginning November 11, 1989, a new area code, 708, will be introduced to serve the Chicago suburbs. Area Code 312 will continue to serve the City of Chicago.

- The most noticeable change will be the need to dial "1" plus the proper area code before the telephone number when calling between the suburbs and Chicago.
- Even though calls between the city and suburbs will require dialing "1" plus the area code, the addition of 708 will not cause a change in rates.
- A transition period will be in effect from November 11, 1989 until February 9, 1990, to help customers familiarize themselves with the new way of dialing. Start getting used to dialing "1" plus the area code for calls between the suburbs and city. But, if you slip up and dial the old way, the call will still go through. After February 9, 1990, calls will have to be dialed properly to reach your party.

### Notre Dame advances

Notre Dame High School, Niles, advanced in the S-A State football playoffs by defeating Buffalo Grove Saturday.

The Dons scored first on a 22 yard field goal by Anthony Grillo in the second quarter. The field goal was set up by a fumble recovery by Pat Brannigan. Buffalo Grove took a 7 to 3 lead in the third quarter with a 36

yard interception return by Genaro Cabrera.

Brannigan caught a 50 yard touchdown pass from quarterback Paul Myszka to cap an eight play, 80 yard drive with 9:40 left to play in the game.

Buffalo Grove was held to 122 total yards by a defense led by linebackers Paul Weinman, John Patouhas and Mike Brannigan and tackle Abe Dababneh.

### Oakton alums host memorial basketball game

The Alumni Association at Oakton Community College will hold its 12th annual J. Dennis Lamping Memorial Basketball Game at 7 p.m. Tuesday, Nov. 14, on the Des Plaines campus, 1600 E. Golf Rd.

Named in honor of former Oakton teacher and assistant basketball coach, J. Dennis Lamping, who died in a motorcycle accident a number of years ago, this fund-raiser will bring back the best Raiders of the past to chal-

lenge the current basketball team. A half-time free-throw contest and "guess the final score" contest will add excitement to the event. A post-game free pizza party will be held at Little Villa Restaurant, 600 Wolf Rd., Des Plaines.

Tickets to the game are \$3. Contributions are tax deductible. Proceeds will benefit the Lamping Memorial Scholarship Fund. For ticket information, call 635-1673.

## IT'S SOLID AND LIQUID AT THE SAME TIME.

Most things are pretty much black and white. Oil and water don't mix. East is East. West is West. Something can't be solid and liquid at the same time. Well, not so with The FirstRate Fund. Because it earns you a great rate, without tying up your principal.

### Earn 9 Percent For Up To 60 Days.

From October 2 until November 30, The FirstRate Fund earns interest at an annual rate of 9 percent.

After that, it's tied to the 91-day Treasury Bill, guaranteeing a highly competitive rate. All it takes is a \$10,000 deposit to start. And you can add to it, whenever you like.

Make a withdrawal and you won't have to pay a penalty.

So, by all means, open your FirstRate Fund now, and earn an annual rate of 9 percent for as long as possible.

### Solid. And Liquid, Too.

Unlike some other investments with a high return like the FirstRate Fund, you can get to your money, whenever you need to.

All you have to do is drop us a line. Seven days later, you'll have your money.

We'll even call to tell you when you can pick up your check.

### Insurance For Your Money.

Most investments like this require some risk taking. Not so with The FirstRate Fund. Your bank deposits are FDIC insured for up to \$100,000. Meaning your principal's safe to the maximum amount allowed by law.

In short, you have nothing to lose. But an awful lot to gain.

### Where's The Fine Print? You Just Read It.

If you're going to name something FirstRate, it ought to be just that.

So there are no funny restrictions or conditions. Just a straightforward investment that, unlike a lot of competitive investments, is unquestionably attractive. Which leaves us with one last question. What are you waiting for? The FirstRate Fund. Only from First of America.

Stop by any one of our First of America offices to invest in one, or call 1-800-544-6155.

Remember, this offer may not last forever, is available to individuals only, and may change without notice.

### Students collect for earthquake victims

The Holy Name Society of St. John Brebeuf Parish, Niles, offered to match up to \$500 of the donations of the students in St. John Brebeuf School for the earthquake victims in California.

The Student Council accepted this challenge, and worked it into one of their goals for the year, which is global awareness.

The students and their parents were very generous. They not only raised \$500, but an additional \$100. Some students offered to do jobs, such as raking leaves, and gave the money for the victims in California.

Class of 1991 officers who are coordinating the drive include: Jenny Smith, president; Mary Geraghy, vice president; Colleen Mickus at Glenview, secretary; Meaghan Feely of Glenview, treasurer; and Pinart Ozdeger of Glenview, social chair. Sister Joanne Evans, O.P. is class moderator.

### Student wins circus tickets

Joseph Pindelski of Park Ridge and a sixth grader at Our Lady of Ransom School, Niles, was chosen one of ten winners in the recent Ringling Readers Essay Contest sponsored by Q101 Radio Station.

Students were asked to tell in 25 words or less why reading is fun and important. Joseph's winning entry was chosen from among 500 entries.

He wrote: "Reading is fun because it gives me a chance to experience a different adventure with every story. Reading a book exercises your imagination."

Joseph Pindelski, his sixth grade classmates, and their teacher, Mrs. Bernadine Dombrowski, were all invited to attend a special school performance of the Ringling Brothers and Barnum and Bailey Circus at the Rosemont Horizon.

### East Maine Schools mark education week

Nov. 12 to 18 has been designated as American Education Week. This celebration is cosponsored by the United States Department of Education and eleven other national organizations.

Throughout the week, the East Maine Public Schools will conduct demonstration lessons, classroom visits and activity programs. This year's theme is "Learning and Liberty - Our Roots, Our Future."

The Board of Education of East Maine Public Schools will celebrate American Education Week at their regular board meeting Tuesday, Nov. 14. Washington School Grade One students, Emily Campbell, Kenneth Chen, Elaine Lahn, Michael LaMonica and Catherine Sandre under the direction of teachers, Kathy Landin, Nancy Markos and Randi Szoke, will present "The First Thanksgiving." Other schools within the district will showcase educational programs at a board meeting each month during the school year.

### District 219 observes education week

The Niles Township community is invited to sample the educational opportunities available at Niles North and Niles West High Schools during American Education Week Nov. 12 to 18. The schools will showcase various aspects of education during many activities which are free and open to the public.

Niles West, on Oakton Street at the Edens Expressway in Skokie, will open many of its classrooms to visitors throughout the week. Parents and concerned community members can follow a sample student's class schedule through all or part of a day, or can simply pick and choose classes from a master schedule. Those interested in taking advantage of this opportunity should contact Director of Administration Leonard Ackman at 966-3800 to discuss the dates, times and classes available.

Niles North, 9800 Lawler Ave., Skokie, will offer one-hour tours of the school on the hour from 8 a.m. to noon Wednesday and Thursday, Nov. 15 and 16. In addition, a sample session of the district's new Study Skills Program will be showcased at Niles North at 9:30 a.m. Nov. 15 and 16. To reserve a space at these events, or for more information, call the principal's office at 673-6900, ext. 4103.

Teachers at Niles North will also be manning a Teacher Hotline from 8:15 a.m. to 3:15 p.m. Thursday, Nov. 16. Community members are encouraged to call 673-6900 with any questions about curriculum, activities or other aspects of education.

The Board of Education will meet for its regular semimonthly meeting at 7:30 p.m. Monday, Nov. 13, in the Board Room of

Niles East High School, 7701 Lincoln Ave., Skokie. Earlier in the day, the Roosevelt University Faculty Brass Quintet will perform at Niles North and speak about the importance of music education.

Niles West will hold a Freshmen Parent meeting at 10 a.m. Tuesday, Nov. 14, in the multipurpose room to discuss the Study Skills Program. That evening at 7:30, West's girls basketball team will play its first game of the season at Maine East High School in Park Ridge.

William Hazard, a Professor of Administration in School Law from Northwestern University, will speak to students and the community at 1 p.m. Wednesday, Nov. 15, in Room D100 at Niles North. He will discuss the place education has in society and the role of schools in protecting ourselves from "dumb things and dumb situations."

A Jazz Band Concert at Niles North will ring in the sounds of cultural education at 7:30 p.m. Thursday, Nov. 16, in the auditorium. The fine arts department will offer another opportunity to see student talent at 8 p.m. Friday, Nov. 17, when the Niles North directing class presents "Images," a series of short, student-directed scenes. The free performance will be held in room D100. The week ends Saturday, Nov. 18 with the Niles North girls basketball home opener at 7:30 p.m. in the gym.

For additional information about District 219's celebration of American Education Week, call Niles West 966-3800, Niles North at 673-6900, or the district's Public Relations Office at 673-6822, ext. 5421.

### Small business group supports tax law repeal

U.S. Senate Finance Committee Chairman Lloyd Bensten (D-Texas) will support repeal of a new tax law, Section 89, the nation's largest small-business organization, the National Federation of Independent Business, announced. Bensten's decision, made after the House of Representatives voted overwhelmingly 390-36 to repeal the measure, virtually ensures the death of the law.

Section 89, slipped quietly into the massive 1986 Tax Reform Act, has been touted by supporters as an effort to prevent discrimination in employee benefit plans. In reality it was created as a tax-raising measure.

NFIB President John Sloan praised Bensten for his efforts on behalf of small business throughout the Section 89 debate. With Bensten's support, the Senate is unlikely to bring the measure up for a vote, thus allowing the House-passed versions to be included in the current Reconciliation Bill now under consideration. Once the bill is passed and signed by the president, Section 89 will be repealed.

NFIB began its push for repeal in January when the law was scheduled to go into effect. The organization has been able to turn back several proposals which, at first glance, appeared to improve the law but were never acceptable.

Section 89, if not repealed, will require business owners to "test" their benefit plans to determine if they are non-discriminatory. NFIB said the measure is too complicated and costly for small-business owners to comply with. Studies indicate that many firms will be forced to reduce or drop employee benefit plans.

The NFIB-led Repeal Section 89 Coalition, a group of 65 business and industry groups, was responsible for the grass-roots campaign which mustered strong support in Congress to kill the law.

### Cragin continues opening celebration

In celebration of Cragin Federal Bank's entry into Des Plaines, the bank will prolong its festivities until the end of November.

The second phase of the grand opening celebration, which features a Bears football theme, is slated for Nov. 9 and 10 and continues through Nov. 30.

The first 500 people through the doors Nov. 9 and 10 will receive a free Chicago Bears poster commemorating the Superbowl win in 1985. Everyone has a chance to try a key in the Cragin Treasure Chests and win gifts such as color TVs, leather footballs, Bears pennants, hardwood cutting boards, and sets of beer mugs.

Other highlights include Wellness Week, a series of health-related programs scheduled for Nov. 13 through 17 from 9 a.m. until noon. Holy Family Hospital will conduct all events, which are free to the public. The programs are: Monday, Blood Pressure

Screenings; Tuesday, Diabetes Screenings; Wednesday, Women's Health Center open house and Colorectal Cancer Screenings (\$2 charge for Hemocult screening kit); Thursday, Vision Screenings; and Friday, Body Fat Measurements and "Supermarket Savvy" film.

Bears fans can have their Polaroid picture taken with a costumed bear at no charge on Nov. 18 from 9 a.m. to 1 p.m. Visitors can meet two real Chicago Bears from 6 to 8 p.m., Nov. 21, when Keith Van Horne and John Wojciechowski autograph action photos.

The office, located at 1527 Lee St., in the Oaks Shopping Center, features ten teller stations, six new accounts desks and a walk-up Cash Station with access to the CIRRUS nationwide ATM network. The addition of the Des Plaines office brings the total number of Cragin branches to 24.

### Accountants plan tax seminar

Dennis Spencer, president of the Independent Accountants Association of Illinois, has announced that the annual Tax Seminar will be held at the Woodfield Hilton Towers, Arlington Heights. The Tax Seminar will open Friday, Nov. 17, and continue Saturday, Nov. 18. The hours are 8 a.m. until 5 p.m., with registration starting at 7 a.m.

Spencer said that some of the subjects to be discussed are, "Review of New Tax Forms for 1989", "Individual Alternative

Minimum Tax", "Consumer Interest and Qualified Residence Interest", "Meals, Travel and Entertainment", and other important information that will be of interest to all practicing accountants. For further details call (312) 593-1179.

Co-chairmen of the Seminar are Joanne LeValley, a resident of Park Ridge, and Earl Levit who resides in Skokie. Both Joanne LeValley and Earl Levit are past presidents of I.A.A.I.

### Liberty receives 'superior' rating

IDC Financial Publishing, Inc., has awarded Liberty Savings a "Superior" ranking in financial performance among all savings & loans and savings banks in the nation.

This ranking places Liberty Savings in the top 15 percent of thrifts.

The rankings, issued on a quarterly basis by IDC Financial Publishing, Inc., are used extensively by a major government-sponsored agency as well as by many states and municipalities as a guide to evaluating savings and loans and savings banks. IDC utilizes 35 key operating ratios to establish a ranking. These ratios include categories of capital risk, flexibility, interest rate spreads and risk, profitability, growth and size.

The approach that IDC has developed is considered by many as the foundation for standard ratings among thrifts in the United States.

Liberty Savings is a \$430 institution, and the second-strongest savings & loan in Illinois, according to USA Today. The main office is located at 2392 N. Milwaukee, Chicago, with branch offices at 7111 W. Foster and 6210 N. Milwaukee in Chicago, and 6677 N. Lincoln, Lincolnwood.

### Lieberman Geriatric Center maintains 6 star rating

It is not easy to earn Illinois' top rating for nursing home care, but Lieberman Geriatric Health Center has consistently won the six star QUIP rating since it opened in 1981.

Many factors are considered in awarding the rating, and Lieberman, run by Council for Jewish Elderly, has a wide range of programming, outstanding health care and high standards that keep it among Chicago's top facilities for the elderly men and women.

The state of Illinois licenses practitioners for three levels of nursing home care: skilled, intermediate and sheltered care. A resident providing all three levels is important so that, if a person's health changes, a move to another facility can be avoided. Lieberman's residential floors are set up with persons requiring the most care on the lower floors and independent residents on the top floors.

Extensive research into the needs of elderly residents was done before construction began. An emphasis on privacy makes Lieberman appealing to residents accustomed to living on their own. Each room has a private bath, and the sleeping and sitting areas of the room are separated from the entrance, to afford privacy and create a homelike atmosphere. The spacious rooms, each about 210 square feet, are completely wheelchair accessible.

The building's four wings were constructed so that each room receives direct sunlight during part of the day. Each wing of 12 rooms has a common living room with a television set and sitting area to encourage resident interaction.

Lieberman's many special programs provide opportunities for residents to pursue lifelong interests and develop new ones. A museum, library, classes and dis-

cussion groups stimulate residents' minds while exercise classes keep them fit. Craft classes, field trips, films, entertainment programs and parties provide opportunities for socializing. Inter-generational programs bring area high school students and nursery school children to visit with residents.

An important aspect of life at Lieberman is observance of Jewish holidays and customs. Kosher meats are served at the dining hall and a kosher snack bar is available. Residents are encouraged to become a member of the on-site synagogue and become involved in celebrations of Jewish holidays and to take part in Jewish cultural activities.

Recognizing that persons who value their independence and self-sufficiency might find the transition to retirement center living difficult, Lieberman provides many resources to smooth the

transition. The "Friendly Neighbors," veteran residents, provide support for new residents. Welcome Teas help residents become

acquainted with their neighbors. For information about applying to Lieberman, call Council for Jewish Elderly, 570-7000.

### Seniors eligible for tax exemption

Senior citizens are now eligible for a "Senior Citizen Exemption" during the year in which they turn 65, according to Niles Township Assessor Robert P. Hanrahan.

The "Senior Citizen Exemption" provides tax relief by reducing the equalized assessed valuation of a property by \$2,000.

Those seeking a "Senior Citizen Exemption" must be 65 years of age or older during the year for which they apply and must either own their principal residence or have a lease in which they are responsible for property taxes. Applicants must provide proof of age, ownership and recent real estate tax bill.

Married women must provide their marriage license to show transition from maiden name to married.

For more information, call the Niles Township Assessor's office at 673-9300 or visit the office at 5255 Main St., Skokie.

### Medical center offers health programs

Edgewater Medical Center is offering several health programs during November.

## Seek companions to visit homebound

The Center of Concern is seeking companions to visit lonely, isolated and homebound senior citizens in the area. Companions must be 60 years of age or older, live in the area and drive.

For more information, call Dee at 823-0453 or drop in at The Center of Concern, Suite 125, 1580 N. Northwest Hwy., Park Ridge.

Each companion will be asked to visit six to eight clients, all located within a short distance of the companion's home. Companions receive a stipend of \$44 per 20-hour week, insurance coverage, an annual physical examination, a meal allowance and travel reimbursement.

During visits, companions will join seniors in such activities as reading, letter-writing, arts and crafts, short walks, meal-planning and assistance, trips to the doctor's office, games and talks. No housework, garden work, personal care or similar work is included in the companion program.

## Holy Family hosts bazaar

Holy Family Hospital's annual holiday bazaar will be held Friday, Nov. 17, from 9 a.m. to 4 p.m. in the hospital's auditorium. The hospital is located at corner of Golf and River Roads, Des Plaines.

Sponsored by the hospital's auxiliary, the bazaar will offer holiday craft and food items, ornaments, gift wrap, jewelry and glassware for sale.

For more information, please call 297-1800, ext. 1174.

## Fairfield Court opens doors in Wilmette

Susan Jebavy (at right), director of Fairfield Court in Wilmette, presents a "bluebird of happiness" figurine to Martha Hathaway. Mrs. Hathaway and her husband George, formerly of Evanston, were among first residents to move into the new luxury lifecare retirement facility during October.

## Mardjetko appointed SLC VP/Marketing

Karen Mardjetko has been promoted to Vice President/Marketing for the properties being developed, marketed and managed by Senior Lifestyle Corporation, including The Breakers at Edgewater Beach and The Breakers at Golf Mill as well as its subsidiary SLC Properties. "Karen's superior marketing skills and leasing talents make her the ideal choice for filling this newly-created position," said Larry Allen, Executive VP/Operations for Chicago-based Senior Lifestyle Corporation.

Since joining the company in 1987, Mardjetko has served as Director of Marketing with responsibility for all aspects of marketing, staff training and motivation, advertising, on-site promotions, community relations, and publishing of industry studies. She also conceived new avenues for attracting residents to the two Breakers rental communities for active seniors.

Mardjetko has successfully leased more than 80 percent of the apartments to seniors at both Breakers properties, a response not typical in this emerging industry.

## Social Security offers direct deposit

When the idea of direct deposit of Social Security checks was first introduced in the middle 1970's, most people were not

used to the idea of having their checks deposited directly into accounts in their financial institutions. They were used to having their checks in their hands by the 3rd day of the month.

To prevent their checks from sitting in the mailbox a long time, beneficiaries had to be home when the checks were delivered. On many occasions, plans for a vacation or trip scheduled to start before the 3rd of the month, or to end many days after the beginning of the month, had to be changed out of concern for the checks. Then the idea of direct deposit began to be more attractive.

To be home on the 3rd of the month was not always enough. Sometimes the check didn't arrive on time. There was also the standing in line to cash the check.

All these concerns are solved with direct deposit. When people started discovering the advantages of this service, the number of beneficiaries with direct deposit grew. However, 50 percent of the 38.6 million of Social Security beneficiaries now have direct deposit.

Advantages of direct deposit include: freedom from worry, freedom to be far from home any date of the month, freedom from waiting in line to cash the check, and the assurance that the check is safe in the bank ready to be used at any moment from any place.

All this can be supported by more than 18 million Social Security beneficiaries who are presently enjoying the advantages of this service.

To arrange for direct deposit, just contact any Social Security office. Be sure to have your Social Security number and a copy of your deposit slip, or something that shows information about your bank account. Call 1-800-234-5544, 24 hours a day, 7 days a week.

Karen Mardjetko

The company will soon begin leasing a 155-unit market-rate apartment complex nearing completion in the Hyde Park area. In addition, construction has begun on the residential and commercial project at the former site of the Granada Theater, located on Sheridan Road just north of Devon in Chicago. Ms. Mardjetko is handling all sales and marketing activities for the residential aspects of these projects.

Prior to joining Senior Lifestyle Corporation, Mardjetko served as Marketing Coordinator for a Chicago suburban retirement community where she developed and implemented community-based programs, trained and managed retirement counselors as well as actively participated in the sales effort.

A graduate of Southern Illinois University with a Bachelor of Science, Mardjetko earned a Master of Science degree and has completed post-graduate work in business. Her previous experience as a special education consultant enabled Mardjetko to effectively work with and motivate people which, in part, allowed her to make an easy transition to the senior housing industry.

## Doctors 'prescribe' effective visits

During Family Health Month, the Illinois Academy of Family Physicians is encouraging people to form a partnership for health with their family doctors. Following is the Academy's "prescription" for an effective doctor's visit.

Be ready to ask questions. Before the appointment, make a written list of everything that needs to be discussed with the doctor. Take the list and refer to it.

Be ready to answer the doctor's questions. Depending on the problem, the physician will ask questions. Bring medication along, too.

Relax. Don't feel so rushed during the doctor's visit that important information is omitted. The physician should allow sufficient time for each appointment.

Listen to insure understanding. Sometimes just the anxiety of a visit to the doctor is enough to make a patient feel disoriented. Try to answer questions as completely as possible. And take notes on what the doctor says.

Those in need of a family doctor, call the Illinois Academy of Family Physicians at 1-800-826-7944 for a list of family doctors in your community.

## Screen blood donors for cholesterol level

LifeSource, Illinois' largest blood center, is keeping an eye on everyone's good health.

All LifeSource blood donors will receive free cholesterol screening after each donation. As often as every eight weeks Chicagoans can check up on their health by donating blood, according to LifeSource.

The new screening results, together with their iron, pulse and blood pressure readings given to each donor at the time of donation, will help blood donors keep a close eye on their general health. The donors' cholesterol results will be mailed to his or her home after the blood donation.

## Walgreens gives tips on cholesterol

Are you sick of hearing about cholesterol? There seems to be a new article on the subject every time you turn around. "They're just trying to scare people," you're probably thinking. "My diet's just fine... I'm healthy as a horse." Well, we're not out to frighten anyone -- but some of you should be more concerned about cholesterol!

Cholesterol is a waxy, fatlike substance that's used to build cell walls, make hormones and bile acids. Your body makes it, and you also get it from foods of animal origin. What happens when you get too much? Fat and cholesterol are deposited in the inner walls of your arteries -- which can lead to clogged blood vessels, high blood pressure and heart attacks. About 550,000 Americans die each year from coronary heart disease.

Many drugstores offer quick tests that provide a general "snapshot" of your blood cholesterol level. Congratulate yourself if your reading is under 200! Borderline-high levels are 200 to 239, and anything above 240 is considered high. The average middle-aged American has a level of 215.

Your physician's cholesterol test is much more sophisticated. It reads your general cholesterol level and what type of fats are in your bloodstream. Low-density lipoprotein (LDL) is called "bad" cholesterol. It may be responsible for depositing fats in your artery walls, and higher levels indicate a higher risk of heart disease. But not all lipoproteins are "bad!" Your body makes high-density lipoprotein (HDL) -- and it's good because it takes cholesterol back to your liver for reprocessing or removal from your system.

If your cholesterol level is high, your physician may recommend that you cut down on foods containing cholesterol and saturated fats. Fats should contribute no more than 30 percent of your total caloric intake, and saturated fats should provide no more than 10 percent of that total.

Food labels can be confusing. The "good" oils are unsaturated, polyunsaturated, and monounsaturated oils such as corn oil, sunflower oil and safflower oil. Vegetable oils are usually liquid at room temperature.

and cut back on all fats where you can. Your heart will be healthier for it!"

To receive information on registering for the holiday workshop, call Sue Neuschel or Helen Jung at the Maine Township Town Hall, 297-2510.

## Res offers free diabetes screening

Free diabetes screening tests will be offered Nov. 13-18 during National Diabetes Awareness Week at Resurrection Family Practice Center, 7447 W. Talcott Ave., Chicago, and at the four satellite Resurrection Immediate Care Centers.

Sponsored by Resurrection's Health Promotion and Wellness department, the screenings are open to the public and advance registration is required. For appointments and registration, call the testing sites during the specified times only.

"Diabetes screening does require participants to follow special dietary guidelines prior to the exam," explained Gloria Hudgin, R.N., of the Health Promotion and Wellness staff. "Participants must pick up dietary guidelines prior to their appointment at the screening location. This screening is not for those who already know they have diabetes."

Call the Resurrection Family

Practice Center at 792-5022 between 9 a.m. and noon Nov. 6 to 10 for appointments at the Family Practice Center. Participants also may choose to have their screenings at one of the four satellite Resurrection Immediate Care Centers.

For appointments at the Resurrection Immediate Care Center, 4900 N. Cumberland Ave., Norridge, call 456-1600 during the week of Nov. 6 to 10. Appointments will be available 10 a.m. to noon, 1 to 4 p.m., and 6 to 9 p.m. Tuesday, Nov. 7, Thursday, Nov. 9, and Saturday, Nov. 11.

For appointments at the Resurrection Immediate Care Center, 9201 Waukegan Road, Morton Grove, call 966-2100 between 8 a.m. and 10 p.m. Nov. 6 to 10, or 8 a.m. on Nov. 11. Appointments will be scheduled from 9 to 11 a.m., 1 to 2 p.m. and 6:45 to 8 p.m. Nov. 13 to 17, and from 9 to 11 a.m., 1 to 2 p.m., and 5:45 to 7 p.m. Saturday, Nov. 18.

### Theater guild presents Simon play

The Des Plaines Theatre Guild presents Neil Simon's semi-autobiographical play, "Brighton Beach Memoirs," opening Nov. 10 and running four weekends. The play details the minor crises faced by a family during the Depression with a mood that moves from deeply touching to highly hilarious.

It's Brooklyn, 1937, and Eugene Jerome, the hero-narrator is struggling through puberty. Played by Sam Sakharina of Des Plaines, Eugene has decided if he can't make the Yankees' pitching staff, he'll become a writer. His dad (Phillip Gerace of Mt. Prospect) is moonlighting as a party favor salesman to supplement his meager income. Eugene's older brother, Stanley (Martin Madden of Park Ridge) shares his experience with Jerome and copes with his increased financial and leadership responsibilities. Barbara Harris of Des Plaines, plays the all-knowing, unimproving and self-contained mother who strains to make ends meet not only for her family, but for her

widowed sister (Melissa Canning of Des Plaines) and the sister's two daughters (Mandy Pomerantz of Buffalo Grove and Anne Rosen of Mt. Prospect) who share their beachside home. Directed by Marge Uhlarik, and produced by Randy Brachmann of Des Plaines, the production staff includes: Carole Gerald, Assistant Director; Marian Skorupski, Set Designer; Andrea Townsend, Costume Designer; Renee Kujawski, Lighting Technician; Leo Langevin, Props; Rick Frendt, Set Decoration; other production staff—Kathleen Negrete, Marcus Bokowski, Linda Schumacher, Elk Grove; Pam Paulick of Park Ridge and Geoffrey Bauernfeind of Des Plaines.

The Des Plaines Theatre Guild, 620 Lee St., Des Plaines, presents "Brighton Beach Memoirs" Friday and Saturday at 8 p.m. with a Sunday matinee at 2:30 p.m. The show runs four weekends, Nov. 10 to Dec. 3. Tickets are \$7, with student and senior discounts (\$5) Friday and Sunday only. For tickets, call 296-1211.

### Children's theater stages "Beauty and Lonely Beast"

### Wright home open for holiday tours

Frank Lloyd Wright's 1889 Oak Park home, 951 Chicago Ave., will be open for free, turn-of-the-century Christmas tours between 9 and 11 a.m., Saturday, Dec. 2, 9 and 16. The 100-year-old building that Wright designed for his bride, Catherine Tobin, will be decorated with seasonal greenery, vintage ornaments, antique toys and a 10-foot Christmas tree in the home's dramatic, barrel-vaulted playroom.

Tours will emphasize turn-of-the-century holiday customs and family life and will be conducted by specially trained interpreters from Emerson Junior High School in Oak Park.

Students from the horticulture department of Triton College are contributing wreaths, garlands and table-top arrangements based on traditional Victorian designs. These decorative items will be on display throughout the building.

The tours are cosponsored by the Frank Lloyd Wright Home and Studio Foundation and Downtown Oak Park. Tickets will be available after Nov. 24 from the Oak Park Visitors Center, 158 N. Forest Ave., between 10 a.m. and 5 p.m. daily, or from the Downtown Oak Park office by calling (708) 383-4145.

The morning of the tours, a shuttle bus will transport ticket-holders from the corner of Lake Street and Marion Avenue in Downtown Oak Park to Wright's home. For more information, call (708) 848-1500.

### Concert soloist

Melissa Weiss, a senior from Morton Grove, will solo in Niles West's Orchestra Concerto Competition at 7:30 p.m. Thursday, Nov. 9 in the school's auditorium, on Oakton Street at the Edens Expressway. The free concert, directed by teacher Steven Katz, will include pieces by Mendelssohn, Holst, Warlock and Britten.

Weiss, the daughter of David and Frances Weiss, also plays the bassoon with the Chicago Youth Symphony Orchestra and is a drum major in the Niles West Marching Band.

## Letters To The Editor

### Call for change in reassessment

Dear Editor:

In Mayor Blase's letter concerning reassessments and tax increases, he directed the taxpayers attention to the districts that were increasing their taxes. He pointed out that the Village of Niles has kept its real estate tax at a relatively low level, but he failed to mention that unlike many of the other districts, the Village of Niles actually receives very little of its revenue from real estate taxes.

According to a recent Chicago Tribune article, Niles is fortunate to receive approximately \$7 million from sales taxes compared to only \$2 million from real estate taxes. We have so many shopping areas in Niles that everyone who shops here, resident or not, pays for the operation of the Village through sales taxes.

Districts that can levy only real estate taxes have to deal with an inflationary adjustment only every 4 years when the real estate is reassessed, unlike the Village which can depend on instantaneous increases to sales taxes (as prices go up), the taxes paid the Village to take pride in its low real estate taxes when the other taxes rise with inflation without taxpayers realizing it.

As part of the recent redevelopment at Lawrencewood, those real estate taxes were frozen. The eventual benefits to the community will be tremendous but for now all taxing bodies are affected by such a large property not being subject to a property tax increase such as homeowners are experiencing. The Village however is immediately reaping the benefits of the sales tax collected from the Omni Store. Of the local taxing bodies the Village alone is experiencing the least negative effect from the frozen real estate taxes.

The tax not mentioned by the Mayor or the Tribune article is the utility tax which is based on the residence's usage and paid as part of your bill to Commonwealth Edison and Northern Illinois Gas and increases with higher rates or increased use. Utility taxes are only a few dollars a month, but when added to the real

**LEGAL NOTICE**  
**NOTICE TO BIDDERS**  
The Village of Niles will be accepting sealed bids for: REPLACEMENT OF WINDOWS at the Historical Society, EXCAVATION OF CONCRETE WALL at Ballard Road and Cumberland Avenue and CUSTODIAL SERVICES at Administration Building and Police Department.

Sealed bids will be accepted until NOON on November 28, 1989, at the Village of Niles, Office of the Purchasing Agent, 7601 Milwaukee Avenue, Niles, Illinois 60648.

General Information and Specific instructions concerning this request for proposal are available at the Office of the Purchasing Agent, 7601 Milwaukee Avenue, Niles, Illinois.

Bids will be opened at the 8:00 p.m. Board of Trustees Meeting, 7200 Milwaukee Avenue, Niles, Illinois 60648 on Tuesday, November 28, 1989. OR in the event such a meeting is not held then at the next regularly scheduled or special Board Meeting.

estate taxes, the Village of Niles taxes do not seem so low. If the Village of Niles tax portion of a real estate tax bill is \$80, the utility tax added to that of \$40 (3.09 percent on approximately \$1000 in gas and electric bills) brings the Niles total to \$120.

Not only do residents pay the utility tax, but the taxing bodies that the Mayor mentioned in his letter also pay that tax to the Village. I know from my experience on the Park Board that the taxes the Park District pays amount to thousands of dollars. The cost is passed on to the participants in programs as part of their fees, or for non-fee programs, it is paid by the real estate tax payers again. Everytime Grennan Heights gym is heated for kids to play basketball, or the Rec Center for a senior citizen or community group to meet, or when lights are turned on at Joz for a Little League game, the cost is paid by the taxpayers including the taxes to the Village that are part of the utility bills.

Not all villages collect utility taxes. Niles does. We need to get changes made in the assessment procedures to make the system more workable and to change from the great dependence most districts have on real estate taxes. Taxpayers shouldn't have to manage such large increases due to reassessments every four years. We also need to openly discuss all the taxes paid by residents and their increases. Taxes are taxes whether the check is written to the Cook County Collector or Commonwealth Edison or Northern Illinois Gas.

### Judge, attorney speak to Democrats

Judge Philip Bronstein and Attorney Mary Paulsen are scheduled to be the guest speakers at the next regular meeting of the Young Democrats of Cook County Wednesday, Nov. 15. Ed McElroy will be the moderator for the evening.

Program coordinator, Ray Muldoon, announced the meeting for 7:15 p.m. at Clancy's, 1239 S. State St., Chicago. Judge Bronstein and Ms. Paulsen will be speaking on the court system and family law.

Judge Bronstein, a resident of the north side, was recently appointed by the Supreme Court of Illinois and presides in the Democratic Relations Division of the Circuit Court.

Mary Paulsen, a resident of the northern suburbs, is an attorney and concentrates her practice in family law.

Ed McElroy, of Chicago radio and TV for the past 40 years, will act as moderator for the evening.

### ALEXANDER JAMES ROTHLSBERGER

A boy, Alexander James Rothlsberger, 9 lbs. was born Oct. 9, to Jamie and Curt Rothlsberger of Park Ridge. The new baby's sisters are Elise Noelle, three years old. Grandparents are Kurt and Micheline Rothlsberger of Morton Grove and Christine Brandon and Edward Brown of Elmwood Park.

### Support Borg sale

Dear Editor:

For almost 20 years we have been proud residents of Morton Grove and felt very comfortable with the way our village was being managed. When we first heard about the Borg sale, we were outraged that District 70 and the Village Board had acted in such an irresponsible manner and were ready to take up the cause of the Save Borg Association.

After doing our homework, we feel quite differently. The sale of Borg School was made public months before the auction and was handled in a most proper fashion. Upon further investigation, we believe that District 70 acted in a fiscally responsible manner to help fund the expansion of the Park View School.

It is financially unsound to expect Dist. 70 to accept an offer for Borg School that doesn't come close to the \$1,835,000 offer made by the Muslim Management Group. Does the Save Borg Association plan to have us make up the difference between the park district's offer and the cost of the Park View expansion with increased taxes? That would be to-

tally unacceptable. If the Save Borg Association was so interested in keeping the land for public use, why didn't they launch a campaign BEFORE the auction to assure support? The answer to that question is not very pretty. It comes down to one word, PREJUDICE.

We have no problem with the sale of Borg School to the Muslim Management Group, nor would we if the school had been sold to a Jewish, Catholic, Lutheran, Baptist, or any other religious organization to open their own school. It will function as a place to educate the youth of our community and we have always been advocates for education, no matter whose. Educating the youth of today will assure a better future for ALL of our citizens.

We commend the Village Board and District 70 on their action in this matter. We are still proud to be residents of Morton Grove, but we are not proud of the actions of some of our neighbors.

Larry and Angie Adler

### Dudycz votes to restore funds to seniors programs

State Sen. Walter Dudycz (R-7th, Chicago) voted Oct. 18 to restore more than \$2 million for a program that provides meals for homebound senior citizens, and for Alzheimer's Disease research.

Dudycz said Gov. James Thompson cut \$1.5 million from the Department on Aging's budget, reducing funding for the Meals on Wheels program from \$1.838 million to \$338,000. The Senate action restored the \$1.5 million to the program, which delivers meals to homebound senior citizens.

"The Meals on Wheels program provides an important service for senior citizens who are confined to their homes because of disabilities, illness or lack of transportation."

### Capparelli bill offers tax relief

In the wake of increased property taxes in Chicago's Northwest neighborhoods, State Representative Ralph Capparelli (D-Chicago) has introduced and passed legislation giving property tax relief to all homeowners.

Capparelli's legislation, which was heard in the House Revenue Committee earlier this week, was amended onto an existing bill on the House Floor. Under this reform, the General Homestead Exemption was increased from \$3,500 to \$4,500. The Senior Citizens Homestead Exemption was also increased \$1,000 from \$2,000 to \$3,000.

"This legislation will lower property taxes for all homeowners by \$100 and save senior citizens \$200 on their annual property tax levies," Capparelli said. "This is a good start to providing long awaited property tax relief in Northwest Chicago."

Included in the legislation was a condition permitting a 10 percent income tax deduction on the total amount of an annual property tax bill. In other words, 10 percent of a homeowner's annual property tax bill can be deducted from their income tax.

Capparelli, who has worked for several years to secure property tax reform, has also worked for truth-in-taxation legislation. This reform package includes a provision requiring a public referendum on all local tax increases over ten percent.

### ND grad assumes post in Washington

Secretary of Transportation Samuel K. Skinner has appointed Frederick H. Grubbe to the position of White House Liaison/Special Assistant to the Secretary at the Department of Transportation.

From 1988 to 1989, Grubbe was in the Office of the President-Elect, Office of Presidential Personnel. In 1988, he served as Deputy Regional Political Director in the Great Lakes Region for Bush-Quayle 1988.

Grubbe was executive assistant to the Chairman of the Regional Transportation Authority of Northeastern Illinois, 1986-1988, and served as administrative assistant to the Chief Executive Officer at the College of American Pathologists from 1984 until 1986.

He is the recipient of many honors and awards and was named one of the Outstanding Young Men in America in 1986.

Grubbe received a bachelor's degree from Northern Illinois University in 1984, and was a member of the Northern Illinois University Judicial Board.

Grubbe is a 1979 graduate of Notre Dame High School in Niles. While at Notre Dame, Grubbe was involved with the MELODONS, the School's jazz band; track and cross country; baseball; Cross and Anchor, the school's service organization; and FOCUS, the school's newspaper.

### Conn criticizes Sutker

Republican State Representative candidate Eunics Conn, this week criticized incumbent Rep. Calvin Sutker (D-56th) for withholding support from a bill to criminalize public mutilation of the Flag of the United States.

"The Morton Grove Republican noted that Sutker cast a 'present' vote on SB-176 Nov. 1. 'I'd call that vote 'present but hiding,'" Mrs. Conn said. "What's his problem that he should refuse to take a stand on such a proposal?"

"The overwhelming majority of Americans - and of our area's residents' I'm sure - are opposed to mutilation of the flag," she asserted, "but regardless of which side of the issue one is on, I haven't found anyone before who is unwilling to express an opinion on the subject one way or the other."

"If Mr. Sutker objects to flag mutilation, along with most Americans, he surely would have voted 'yes'. On the other hand, if he found the bill objectionable, he should have had the courage to vote 'no' and tell us his constituents, what was wrong with the proposal."

### Norrell adds to staff

Alyce Dowey is joining the staff of Norrell Temporary Services' Skokie office as Office Automation Consultant/Trainer.

Norrell's employee development program offers training in word processing, as well as cross-training in the use of a variety of hardware and software applications, to their qualified temporaries.

Ms. Dowey will also work with client companies throughout the Northern suburbs and Chicago Northside in training and evaluation, and determining their staffing needs.

## Juvenile restitution program cited

Maine Township's innovative juvenile restitution program has been cited for excellence for the second consecutive year by the Illinois Criminal Justice Information Authority.

MaineTRAC (Maine Township Restitution for Adolescent Change) won an honorable mention as an "exemplary program" in the 1989 Governor's Awards for Outstanding Achievement in Community Crime Prevention. The program also was recognized last year.

MaineTRAC provides an opportunity for young offenders, who have been involved in non-violent, minor crimes, to make restitution through community service.

The restitution program is administered by MaineStay, Maine Township's youth services department. It serves youth between the ages of 12 and 17 who are referred by the police, courts and probation officers.

A plaque recognizing Maine Township's innovative juvenile restitution program is displayed by Supervisor Joan B. Hall (center), MaineStay Director Jan Buscher (right) and Angela Palmer, program coordinator of MaineTRAC (Maine Township Restitution for Adolescent Change). For the second consecutive year, MaineTRAC won recognition as an "exemplary program" in the Governor's Awards for Outstanding Achievement in Community Crime Prevention. The program provides an opportunity for young offenders involved in nonviolent, minor crimes to make restitution through community service.

The Saturday night bash, open to the public, ages 20 to 80, will have games, refreshments, and door prizes. Prizes for best childhood costumes will be given. Costumes are optional, so bring a toy instead. For further information, contact 965-5669.

## Lecture focuses on Holocaust impact

The Holocaust Memorial Foundation of Illinois, in conjunction with Roosevelt University, will present a lecture and discussion entitled "Symbols and Issues: The Impact of the Holocaust on recent Catholic-Jewish Relations" by Dr. Harry James Cargas, Professor of Humanities, Webster University, St. Louis, and noted author, lecturer and a

"Post-Auschwitz Catholic" authority on the Holocaust. The lecture will begin at 4 p.m. Thursday, Nov. 16, in the Sullivan Room, Room 220, at Roosevelt University, 430 S. Michigan Ave., Chicago.

The lecture is open to the public. A reception will follow. For more information, contact Eilyn S. Harris at 677-4640.

## Niles drivers to review rules

Secretary of State Jim Edgar, in cooperation with Niles Park District is offering a Rules of the Road Review Course for all citizens in the Niles area.

The purpose of the course is to help applicants pass the Illinois Drivers License renewal examination. It updates drivers on the current rules of the road, explains the vision and the driving ability examinations, and prepares appli-

cants for the general written and road sign examination. The Rules of the Road Review Course will be held at Niles Park District Recreation Center, 7877 Milwaukee, Niles Nov. 13 from 10 to noon.

The course is free to everyone, any age, who wishes to attend. For more information, please contact 967-6100 or 1-(800) 252-2904 toll free.

## Centel offers telephone assistance to needy

Central Telephone Company of Illinois, Centel, will participate in a telephone assistance program, Link Up Illinois, starting Dec. 1. This federal program, known across the United States as Link Up America, is designed to assist eligible needy families in obtaining telephone service.

The announcement was made by John F. Tharp, executive vice president of the Illinois Telephone Association (ITA), whose 56 member companies provide local telephone service in the state. The program also has been endorsed by the Consumer Federation of America and the American Association of Retired Persons.

Link Up America was established by the Federal Communications Commission (FCC) in response to comments from the American Association of Retired Persons, the Consumer Federation of America, and other parties that telephone connection charges in some areas remained a barrier to the extension of telephone service to low-income households.

Although more than 90 percent of households in Illinois currently have telephone service, the telephone companies have committed to helping locate those low-income households that may qualify for the Link Up Illinois benefits.

The program provides payments out of a federal lifeline fund, supported interstate telephone rates made throughout the nation. Funding will be provided for one-half the cost of the local telephone service connection fees, up to \$30. In addition, any eligible new subscriber will be given up to six months to pay the balance, interest free.

Eligible families would be responsible for their monthly telephone bills once service is established. Link Up Illinois does not reduce regular monthly phone bills.

Illinois joins many other states, including Iowa, Michigan, Minnesota, Missouri and Ohio, in implementing Link Up American program.

Individuals or families qualify for Link Up Illinois if they meet the following criteria: The recipient is not claimed as a dependent for federal income tax purposes, unless the applicant is more than 60 years of age; and - The individual or households qualify for at least one of the following: Aid to Families with Dependent Children (AFDC); Aid to the Aged, Blind and Disabled (AABD); General Assistance (GA, City of Chicago only); Refugee/Repatriate Program (RRA); Food Stamps (FS); or Medical Assistance (including Aid to the medically indigent, excluding medical extension cases and spend-down cases).

Only one phone line per certified household is permitted, and the service must be in the name of the eligible individual. This program is part of the B'nai B'rith Youth Organization (BBYO), whose 20,000 members make it the world's largest Jewish youth group.

## Montay offers new degree options

The open house at Montay College from 1 to 4 p.m. Sunday, Nov. 12, will display the variety of programs available to potential students. The college, formerly Felician College, has been a private two-year liberal arts school since 1953. The associate program offering a degree in either arts or science is still the main thrust of the full time day program.

Other programs are also available. The Addictions Counseling program, one of the largest in the Midwest, prepares counselors to work with those individuals and families affected with an addic-

## Deerfield Concert Band at Golf Mill

The Deerfield Community Concert Band will feature a Dixieland ensemble and a flute soloist as its concert in Golf Mill Shopping Center at 2 p.m. Sunday, Nov. 12. The concert will be in the north court. "Dixieland tunes including "Basin Street Blues", Maple Leaf Rag", "Tin Roof Blues", "When the Saints Go Marching In" and "Billy Bailey". Featured band members are Dave Wolff, clarinet, Bob Gand, trumpet, David Robbins, trombone, Tom Braener, saxophone, Dave Murphy, drums and Martin Strakusek, tuba.

Chris Johnson, Northbrook, first chair flutist will play "Con-

certino" by Cecile Chaminade, a classic flute solo with band accompaniment. Other program members include "Les Miserables", "Oliver", "Armed Forces Salute", and Rossini's overture to the "Italian In Algiers".

The Band is in its twentieth concert season and is conducted by Myron McReynolds, of Evanston and is sponsored by the Deerfield Park District. Rehearsals are held at 7:30 Tuesday evenings at Deerfield High School. For more information about the Band call Debbie McCorkle, 498-3966. This concert is provided by the Golf Mill Merchants Association.

## District Legion, auxiliary install officers

The seventh district of the American Legion and its Auxiliary recently held joint installation ceremonies for officers of the coming year. The event took place at the Morton Grove American Legion Post #134.

Several Morton Grove residents and members of the Post and its Auxiliary Unit serve the district. The Seventh District encompasses units and posts in the north suburban and Chicago area where the legionnaires and auxiliary ladies meet independently each on a monthly basis, rotating between the various groups in the locale.

Joseph Klases of the North Shore Post was inducted as commander for the ensuing year. Other district legionnaires are: Don Gassmire, Benjamin Post, senior vice commander; David Anderson, Evanston Post, junior vice commander; John Nixon, of the Skokie Post, adjutant; Wendell Tuohy, Evanston Post, finance officer; Richard Kapelanski, Morton Grove Post, sergeant-at-arms; Edward McMahon, Morton Grove American Legion, judge advocate; Roland Keppen, Morton Grove, chaplain; and William Gray, Skokie Post, service officer.

Their counterparts are: Judith Mayer, Auxiliary president, from the Morton Grove Unit; Shirley Watzke, vice president, Benjamin Unit; Dolores Phillips, recording secretary, Benjamin Unit; Sarafima Nakielny, corre-

sponding secretary, North Shore Unit; June Czaja, treasurer, Skokie Unit; Sara Klases, historian, North Shore Unit; Carmie McDonald, chaplain, Hueter-Wilmette Unit; Sandra Kapelanski, sergeant-at-arms, Morton Grove Unit; and Verma Willems and Arlene Rook, color bearers, respectively from North Shore and Morton Grove Units.

The installing color bearers for the auxiliary were two Morton Grove Unit past presidents, Nancy Morrison and Connie Mahnke. In addition Mrs. Mahnke is a past Seventh District president. Hospitality was handled by Morton Grove representatives, past president Dee Dolan and Lucy Airdo.

Pianist was past Seventh District president and director Wau-nita Farrell.

The installation was done by past district director Kay Leisure with two past district presidents assisting, Peggy De Groot as sergeant-at-arms and Lois Blair as chaplain.

The color guard of the Morton Grove Post #134 presented the honor guard and posted colors. Installing officer for the Legionnaires was Wendell Phillips, past district commander. He was assisted by George Panuce, sergeant-at-arms, former district commander; and Roland Keppen, chaplain. Ed Czaja was master of ceremonies; he is a former Department of Illinois commander.

tive building on November 13.

The natives are beginning to get restless about the snail-like pace of Niles Park Board in choosing its new park director. The post has been empty since last May. We've been told one of the key secretaries in the district has been ill which is causing an added burden in the executive offices of the park district.

According to park board president Elaine Heinen, it has been difficult to get the entire board together for executive meetings. While we don't like to throw cheap shots, we get the second-hand impression the board has had less accord since the last election. That is not necessarily a bad omen. Disagreement and controversy might be preferable to the previous years when lack of disagreement indicated many board decisions were rubber stamp actions. But on the flip side, the many months' stand-off has not aided the morale of park district workers.

\*\*\*

Several of the ladies in The Bugle office overuled our editorial judgement this week. We listed the names of several local children who were awarded prizes in a contest at the new Omni store. We normally would include the addresses of the children; in the

story. But several of the young mothers at The Bugle contend including the addresses serves no purpose and might alert some of the crazies out there. We bowed to their maternal judgment. But we shook our head in dismay and wondered what kind of an era we are living in today.

\*\*\*

One of Niles first youth officers, former police sergeant Frank Wichlac, passed away this past weekend. Frank was a soft-spoken gentle man who we Buglers knew for twenty-five years. Frank's wife, Florence, told us Monday night she and Frank talked about making it to their fiftieth wedding anniversary, but it ended after 38 years. He raised a fine family and had a loving wife which has to be deemed his greatest success. Frank's wife Florence also told us her Dad, former policeman Bill Froeschle, is in the hospital.

As Niles former police lieutenant, Frank Stankowicz said Monday night, when he entered Skaja's Funeral Home, "I hate to walk into this place". Wichlac was the sixth police officer to die in recent years. And none of them had reached sixty years old. Arnie Baltzer, John Christie, Danny Colglanese, Al Golbach, Jack Thompson and now Frank have passed away. All very nice people. It is very sad.

## School scores... Continued from Page 1

Niles Elementary District 71 ranks among the top ten schools with teachers holding master's degrees. Sixty-six percent of the teachers hold that degree. Eighth graders in the district scored 313 in reading; 317 in math. The district tops the schools surveyed, spending \$8,453 per pupil.

East Maine District 63 spends \$5,415 per pupil and its eighth graders score 288 in reading; 296 in math. Sixth graders at the East Maine schools scored 328 in their reading tests, ranking them among the top ten of 1,595 elementary, middle and junior high schools in Cook, DuPage, Kane, Will, Lake and McHenry counties.

Park Ridge District 64, which includes part of Niles, rated 308 in eighth grade reading tests and 326 in math. District 64 spends \$6,166 per pupil.

Morton Grove school district 70 eighth graders scored 318 on reading tests; 321 on math. District 70 spends \$6,208 per pupil.

Golf District 67, which includes Hynes school and Golf Junior High in Morton Grove, spends \$6,625 per pupil. Its eighth graders earned scores of 311 in reading and 314 in math.

West, 20.4. Both schools are in Skokie. Pupils at Maine South,

Park Ridge, District 207, averaged 21.3. Scores at Maine East, Park Ridge, registered 19.6; at Maine West, Des Plaines, 19.3. Tom Giles, Niles North principal, cautions against focusing too much on these particular test scores because they can vary from year to year. He credits this year's high standings to a combination of factors including "environment and motivation from parents who recommend educational experiences."

He also praises the students' initiative and a "good, strong educational program at the school." Among 200 Chicagoland public high schools in Cook, DuPage, Kane, Lake, Will and McHenry counties, Niles District 219 spends the most money per pupil and on teachers' salaries. Per pupil spending equals \$9,312 and the average teacher's salary is \$53,741, annually. Ninety two and a half percent of the district teachers hold Master's degrees. The amount spent per pupil derives from the district's average daily attendance divided into the gross operating costs for 1987-88.

Maine Township district 207 pays its teachers on the average, \$47,148 per year; the district spends \$7,964 per pupil.

## Stereo missing after burglary

A home in the 8000 block of Harlem Avenue was reportedly burglarized Oct. 26 by person's unknown who left flecks of blood on the scene as evidence. Investigators theorize a pry-type device was used to force open a

base ment door of the residence, after an attempt to punch-out a window to gain access failed. Blood traces were found on the kitchen and basement doors. A \$300 stereo was reportedly stolen.

## Election results... Continued from Page 1

votes was 1,719 for Futterman, 1,591 for Raffel, 1,464 for Rivenson and 1,335 for Padnos. Futterman has served on the board since 1978 and Padnos since 1979.

**District 64:** In an uncontested election for this district, Terry Krahl received 2,415 votes; Janice Hunsader 2,403; Robert Wilkening 2,387 and Judith Bunzol 2,384.

**District 67:** Residents in this school district have been facing the closure of Hynes Elementary School, at 9000 Belleforte Ave. in Morton Grove. Four seats on this board had 8 contenders, including three incumbents. The winners were the newcomers Donald India, Robert Kitzerow, Donald Kurasch, and Donna Motzny who want to delay Hynes closure and drew votes of 734, 707, 721 and 783 respectively while four candidates - incumbents Jeff Doering, Jeff Lyon, and Kathie Weber, along with Independent Barbara Schwartz who favor shifting Hynes students to an addition to be built at Golf Junior High lost by votes of 319, 278, 291 and 296 each. The message from the voters apparently is that Hynes' closure should be put on hold.

**District 207:** Four seats on the board of Maine Township's East, South and West high schools were decided. Incumbent Dolores Grazian retained her seat with 4,885 votes. Ralph Johnson received 4,766 votes, Robert Alexander, 4,343 and Robert Cornelissen 4,292 to be elected. Fred Flener was edged out with 4,229 votes.

**District 212:** Three incumbents, Marlene Aderman, Gail Stone and Karen Weinstock were reelected with votes of 2,803, 3,113 and 2,790 respectively while Joe Weiss lost his bid for one of three seats on the ballot. He received 2,187 votes. Weiss will probably seek to be appointed to complete the term

## Burglars steal jewelry

As many as three offenders escaped with \$8,750 worth of jewelry and other items from a residence in the 7000 block of Seward Avenue, Niles. The three men, described as being of short, heavy build and in their early to mid-twenties, were spotted by a neighbor who became suspicious upon hearing a noise from the unoccupied home, spotted the suspects and phoned police. The thieves fled the scene within six minutes, before police arrival. According to reports, the break-in occurred Oct. 25.

## Gas station burglary

The Marathon gas station at Dempster Street and Harlem Avenue experienced its third break-in in the past two weeks. The most recent robbery occurred Oct. 26 when \$85 in currency and a \$40 microphone was reportedly stolen by persons unknown who again broke in via a window in one of the bay doors of the building. Investigation of the burglaries includes surveillance of a fired employee.

Ralph Weinman for four year terms. Jim Quinn opposed board member Richard Antes for a two year term.

The school board's decision to sell Borg School last April and the subsequent selling of the school at a public auction Sept. 1 for \$1,835,000 to the Muslim Management Group of Chicago prompted the write-in candidates to campaign against the school board members.

According to Jim Quinn, the decision to sell the school caused the write-ins to have serious reservations about the commitment of the school board members and how they spend the taxpayer's money.

### Oakton Community College Board

Four candidates vied for three seats on the OCC board with Ellen Schrodt of Evanston and Chien Wu challenging incumbents Ray Hartstein and Bill Spaulding. Hartstein and Spaulding retained their seats with 21,721 and 23,515 votes respectively. Schrodt was elected to the third position with 24,358. Wu collected 18,227 votes.

### Maine Township School Trustee Board

Ralph Bast of Niles and William Darr of Park Ridge faced off, with Park Ridge resident Henry Blyth waging a write-in campaign. Voters elected Darr to the school position despite the organized support Bast received from the Maine Township Democrats.

**Local referenda pass:** Voters in Niles concurred with their village board that the village clerk should be appointed rather than elected, 1,038 voted for and 775 voted against. Park Ridge and Glenview approved 911 surtax referendums with Park Ridge approving its measure by a vote of 2,274 to 490 and Glenview voting yes 6,337 to 1,545. In addition, a measure to annex a 44-acre parcel to the village Glenview was approved 141 to 11.

**North Maine Fire Protection bond issue:** Voters in unincorporated Maine Township approved a \$1 million bond issue for the North Maine Fire Protection District, with 666 votes for and 84 against to use the 15 year property tax increase to update aging equipment.

## Hoppe...

Winners for the four 4-year terms were incumbent Robert Bianchi, 380; challenger James DiMarzio, 341; challenger Eileen M. Varisco, 328 and incumbent Richard Tomoleoni with 310 votes. Hoppe received a total of 278 votes.

Incumbent Barbara Hedrich retained the unexpired 2-year term over challenger Charles Schertzing by a vote of 247 to 143.

## DUI arrest

A 31 year old Morton Grove man was charged with driving under the influence of alcohol after a motorist driving near Oakton and Milwaukee Avenues spotted him driving erratically Oct. 26 and phoned police from a car phone. The Niles officer apprehended the offending driver near Natchez and Oakton Avenues and was told, "I'm revoked and there is beer in my car." A Nov. 20 court date was scheduled. The driver's BAC was over .10 and he was also charged with that offense.

## Welter sponsors "Fingerprint The Kids"

Diane and Dave Paul, agents for Welter Realtors, a 33 year old realty firm at 7514 N. Harlem Ave. (Harlem at Milwaukee), will be sponsoring a "Fingerprint The Kids" program on consecutive weekends, this Saturday and Sunday, Nov. 11 and 12, and Saturday and Sunday, Nov. 18 and 19, from 10 a.m. until 2 p.m.

"About the only time an individual gets fingerprinted is when they are applying for a liquor license, becoming a cab driver, or when they are arrested", says Dave Paul, Chicago policeman for the past 25 years. Dave, who's worked homicide for much of that time, says that fingerprints could be helpful in identifying

missing children, especially if found years later. "Kids will look different as adults and if kidnapped as a very young child, they may not even remember their family name or where they lived", adds Diane Paul. "Fingerprint cards should be kept with the child's birth certificate", she adds.

There will be gifts for the children who participate and refreshments for all. There will be no charge for this special service, however, we request that all children be accompanied by an adult. Further information about this program can be obtained by calling Welter Realtors at (312) 631-9600.

## New area code... Continued from Page 3

west, Lake Michigan and the Indiana state line to the east, and Peotone and Beecher to the south. Despite the new area code, however, the cost of calls and customers' seven-digit telephone numbers will not change.

"Only people's dialing patterns will change," Shumate said. "A customer calling from the suburbs to Chicago will need to dial 1 plus area code 312 plus the seven-digit phone number. For calls from Chicago to the suburbs, customers will need to dial 1 plus area code 708 plus the seven-digit number."

Despite the dialing change, calls between Chicago and the suburbs will not become long-distance calls. "No matter where you are in the 708 or 312 areas, the cost of a call between them will not change," Shumate said.

For example, a call from Rogers Park in the 312 area code to Evanston in the 708 area will remain a one-unit call and cost about a nickel, as it does today. A five-minute call from Arlington

Heights in the 708 area code to a 312-area number in Chicago's Loop still will cost about a quarter.

And customers in Chicago and the suburbs will keep the same seven-digit phone numbers they have now.

Also, for phone calls within the 708 area code or within the 312 area, customers will dial just the seven-digit phone number.

Because adapting to the new dialing patterns between Chicago and suburbs may take time, Illinois Bell has created a three-month "grace period" running from Nov. 11 until Feb. 10. During that time, calls made without the appropriate area code will continue to go through. After Feb. 10, however, customers will be required to dial "1" plus the area code for calls between the 312 and 708 areas.

But customers should begin planning for a smooth transition now, Shumate said.

Residential users can start by telling friends and family about the new procedure for dialing their numbers. Answering machines can help. Customers can leave a 708 area code reminder as part of the message on their machines. Their correspondence also should include the new area code information, perhaps as part of the closing.

Other suggestions? Area residents should teach their children the new dialing procedures and update their schools' emergency information cards. Suburban resi-

some changes and want to be heard." According to David Kula, District 67 attorney, Pellicano is a co-defendant, along with Robert Spatz of Morton Grove in a motion filed by the district for assessment of damages in a "wrongfully issued injunction" which delayed the planned auction of the school Oct. 19.

Judge Albert Green of the Cook County Circuit court issued the postponing injunction Oct. 19, then vacated it, allowing the sale to proceed Oct. 23. Judge Green called the case a political issue and admitted he had no jurisdiction. He affirmed the right of the local school board to sell the school.

Pellicano said she signed the complaint resulting in the auction delay "on behalf of 700 petitioners. It was not a frivolous suit; it was the only alternative we had. We didn't want to divide the school district; we felt it was part of our duty."

Last spring, some residents presented a 700 signature petition to the district 67 board, asking for postponement of the school sale and for a referendum.

In other legal maneuvering,

dents' personal checks and stationery also should indicate the new area code. And those with pets might consider changing the phone numbers on their identification tags.

Business customers should alert their associates, suppliers and customers about their new 708 area code and remind them about the new dialing procedures. At the same time, they should be prepared to reprogram in-house automatic dialing equipment, fax machines, beepers and mobile phones, to reflect the change.

"Business materials including advertising, promotional products, stationery and business cards also should be changed in preparation for the new area code."

Residential customers with questions about the upcoming area code change may call 1-800-234-6876 to verify if a number currently in the 312 area code will be changed. Business customers with questions may call the "Changes in Service" number listed on their telephone bills.

In recent years other fast-growing areas such as New York City, San Diego, Los Angeles and Orlando have required a new area code to accommodate the demand for new seven-digit phone numbers. The addition of the 708 area code to the Chicago area provides Illinois Bell with 6 million more phone numbers, a supply expected to meet demand well into the 21st century.

## Bondi trustee... Continued from Page 3

ed to the Planning and Zoning Commission, where virtually every member of the Niles Village Board has served, before moving to the top village governing body. Bondi was a "zoner" for 8 years, learning about the workings and buildings of the community.

"I always thought it would be nice to represent the village," Bondi told The Bugle in a Nov. 1 interview. The new trustee, who is an insurance salesman by profession, describes himself as "customer service oriented," and feels this attribute is vital for board members.

Bondi is aware of comparisons between himself and the late Angelo Marcheschi. He was appointed to Marcheschi's seat after Marcheschi passed away in September. Both share an Italian-American heritage as well as an insurance background. "Ang and I were very close. He has tough shoes to fill," Bondi said, adding Marcheschi was a "very knowledgeable" public servant as well.

Bondi said he also intends to do his homework before voting on village ordinances. When he took his seat Oct. 24, he voted "pass" on all measures but those which involved his previous zoning duties. He credits Code Enforcement Director Joe Saler-

no with much of that body's efficiency, saying, "I can't speak highly enough about Joe Salerno. He always knows what problems are where."

The new trustee sees flooding and environmental issues as priorities for the village in the coming years. He referred to the law relative to recycling leaves and grass clippings passed by Springfield, which takes effect in May of 1990.

At that time, the village will not be able to bring its green waste to landfills and must have made a decision about composting or other alternative disposal for yard waste.

He sympathizes with what he terms the "catastrophe" for owners with flooded basements and indicates floodproofing of individual homes alone is not the answer. "If I install flood control in my home, what about my neighbors?" Bondi asked. He referred to those frequent situations where next-door flooding occurs in homes that previously did not report water problems, after their neighbors install flood control devices.

Bondi is a member and past president of the Niles Optimists and Oak Avenue Homeowner's Association. He has a wife and two adult children.

## Nursing home... Continued from Page 3

waived his rights and in his statement to police and representatives of the Cook County State's Attorney's office, denied assaulting the 35 year old female resident. He agreed that certain elements of the situation appeared suspicious.

A witness who notified authorities said she attempted to enter a patient's room at 5:10 a.m. She was delayed because a wheelchair blocked the door, preventing it from being opened without difficulty. The witness, a female employee, told police she saw Oladesu standing at the side of the resident's bed with his pants unzipped, apparently bathing the unclothed resident, who was lying in a prone position perpendicular to the headboard. Oladesu told authorities the patient had urinated and soaked her bed clothes.

Niles paramedics took the patient to Lutheran General Hospital for tests. Police were unable to interview the room's two other occupants as possible witnesses because one was blind and both were severely retarded. Charges of aggravated criminal assault against Oladesu were approved by the state's attorney's office following their interview with the suspect.

According to Maureen McHale of the state's attorney's office, Oladesu has no previous arrest record. A Niles village ordinance passed in August, 1985, prohibits a nursing home from hiring anyone who has a record of patient abuse or felony conviction, according to Village Attorney Dick Troy.

In addition, care facilities are required to submit potential employee information and fingerprints to the health and police department for background checks for a criminal record.

Oladesu will appear in court Nov. 20.

## Bike thefts

Several bicycles were stolen last week in Niles. A young Morton Grove student reported the theft of a \$333.47 bicycle Oct. 29 from Golf Mill Shopping Center. Someone used a bolt cutters to sever the chain lock. On Oct. 25 a \$200 bike belonging to a 22 year old Mount Prospect student was reported stolen from Golf Mill by persons unknown. An 8-year old reported the theft of a 14 inch, \$120 bike from Jonquil Park Oct. 26. A \$285 dirt bike was reportedly stolen from the Niles Sports Complex at 8435 Ballard Rd. Oct. 27. The bike belonged to a 14 year old Glenview student.
