MG Police file charges in convenience store thefts

Morton Grove Police are charging a suspect wanted in thefts at several Morton Grove convenience stores with three counts of robbery. Acting on a tip, Chicago Police arrested a 29-year-old Chicago man who is be-

ing held in Cook County jail.

The man was wanted in connection with the Nov. 1 robbery at the Convenience Food Mart, 7630 Dempster St., and the Nov. 2 and 28 thefts at the Morton

Grove Food Mart, 5900 Lincoln Ave. His alleged method of operation was to approach the cashier as if to pay for a single item and then to grab cash from the drawer when the register was opened.

NORTRAN board approves agreement with PACE

The NORTRAN Board of Trustees unanimously approved the new Pace contract at a Special Meeting of the Board on Thursday, February 22. NORTRAN and PACE came to an agreement on many key issues in the contract during negotiating sessions held between the two boards over

the past month. "NORTRAN is very pleased that the discussions resulted in an agreement that both agencies can sign," said Timothy J. Doron, NORTRAN Executive Director. "NORTRAN has worked effectively with PACE in the past, and

Special bag costs established for yard waste pick-up

Niles OK's recycling program

by Sheilya Hackett

Niles will beat the State deadline for recycling of yard waste by one month as a result of Village Board action Feb. 27. State law requires a program for yard waste disposal be in place by July 1 and area landfills will no longer accept yard wastes at that point. But starting June 1, Niles residents must deposit yard wastes, including grass clipping, shrubs and twigs, into special bags and put them out for their regular garbage pick-up. After June 1, the Village garbage trucks will no longer pick up regular garbage containers holding yard wastes. The special bags will cost \$1.30 each and it is esti-

mated the average household will use 2-3 a week. They may be purchased at the Village hall or at other sites to be named later. The scavenger will use separate trucks for the regular garbage and yard waste pick ups.

Trustee Andrew Przybylo outlined other facets of the Village recycling program, which he said put Niles in the forefront of future recycling. The Civic Center Plaza (formerly Lawrencewood) will be the site of a Village recycling center for the deposit of plastic, cans, clear and colored glasses and newspapers. The site will be monitored by the North Shore

Last week we reported Sav Mor Drugs was closing its doors after almost 30 years in business and Birchway Drugs would be closing soon after being in business in Niles for more than 35 years.

When we first published The Bugle in 1957, there weren't too many businesses in town. At Oakton and Waukegan, Alert TV was on the corner and Rainbow Foods, Conti Meats, Giovannelli Bakery and Pankau Drugs were neighbors on Waukegan Road.

At Oakton and Milwaukee Avenues, was the new corner National Food Store, Meier's Bakery, Al Green's Niles Drugs and around the corner was Lamm's Shoes. Down the street at Harlem and Milwaukee the ten-store shopping center on the east side of Milwaukee Avenue was also in place.

Harczak's Sausage was doing a big business in the 8100 block of Milwaukee and where Booby's now stands was one of several restaurants which went in and out before Booby Friedman created his great restaurant.

Golf Mill Shopping Center was not even on the drawing board in '57 and Lawrencewood was built after Golf Mill in the mid-sixties. Riggio's restaurant was doing a big business on Oakton Street but a little chain hamburger stand on the northwest corner of

First test of Niles drug ordinance scheduled

by Nancy Keraminas

A controversial Niles law making it illegal to drive with certain controlled substances in the body system will receive its first court test March 6.

Niles has had an ordinance on its books since summer, mandating urine tests for a driver who apparently is under the influence of drugs or alcohol but who passes a breath test measuring blood alcohol level. Suspected offenders are ordered to take a urine test at the police station.

Cumberland Ave. to be closed till fall

Cumberland Avenue between Dempster and Oakton Streets will remain closed to all but local traffic until next fall, according to construction officials.

The construction on the one mile stretch of Cumberland Avenue includes new pavement, water mains, sidewalks, and curbs.

Also, a new traffic signal is being installed at the intersection of Cumberland Ave. and Oakton Street.

Residents of Cumberland Ave. and surrounding streets will be the only traffic allowed during the construction.

For 18 years, area resident produces Easter Seal Telethon

By the time the TV screen lights up and the music carries you into the excitement and glamour of the annual Easter Seal telethon...by the time the stars take center stage in the annual quest for funds March 3 and 4, Ron Gunther has been working for months. volvement in rehabilitation for the handicapped. They back three Chicagoland centers providing care for stroke victims and the elderly, and jobs for the handicapped. Homemade handicrafts are sold through the Society's Briar Patch shops on the North Shore.

In his pre-broadcast preparation, about a week before the show he meets with WGN-TV director Al Hall and Easter Seal people to lay out the show. Hall calls Gunther "A nice guy; capable; meticulous in preparation for technicalities and facilities...it makes my job as director easier."

The day before broadcast, set construction begins and Gunther calls in trusted workmen, professionals who've helped before and know the time schedule. They

hammer and saw for twelve hours and Gunther puts in about three hours more. He's back on the set at 10 a.m. Saturday; the Easter Seal people filter in and, according to Gunther, about "a million it fires" have to be put out.

About 3 p.m., Al Hall arrives and they go over last minute changes. An hour before broadcast, Hall rehearses the talent—this year Joel Daly, Merri Dee, Diann Burns and Harry Blackstone, the magician, will host.

At 10 p.m.: they go on the air and Gunther breathes a sigh of relief. The hectic atmosphere abates after an opening segment from Los Angeles and the Chicago insert comes on strong. From then on, according to Gunther, "basically, you wing it."

During the telethon's final hours on Sunday, there's still the drive to raise funds, but by 6 p.m., the electronic board recording donations has shown its last figures and the phone volunteers have tired of smiling. The last credits fade from the TV screen and the grand ballroom is a clutter of weary workers.

But clean-up begins almost at once and equipment goes back into crates for pick-up the next day. By noon, Monday, the ballroom is clear. "It's kind of sad," reflects Gunther, "You've worked so hard for two months and it goes so rapidly, like it was never there."

Maine East gymnasts take top honors

Freshmen Mariana Naegele and Samantha Zimmer recently captured 2nd and 3rd places respectively at the CSL So. Division JV Meet. Naegele tied for 2nd on vault with an 8.7 as well as on beam with a 7.6 and Zimmer took 6th on vault with an 8.2 and 5th on FX with a 7.7, along with a 4th on bars with a 7.6. Coach Betty Axelson was extremely pleased with Naegele and Zimmer, since it is the highest any gymnast from Maine East has ever placed in the all-around in this CSL Meet. Also scoring well for the Demons was Jr. Charron Willis, who tied for 9th in vault with an 8.0, Kristen Chun with a 7.0 on FX, Cheryl Martino on beam with a 6.5, and on bars, Tobey Silverman chalked up a 6.6

Weaver named to fill Library Board seat

by Eileen Hirschfeld

Richard Weaver, veterinarian at the Niles Animal Hospital, will fill the vacancy of Niles Public Library trustee Walter Chmielowski after being sworn in at a board meeting last Wednesday, February 21.

Also, board members approved expenditures of \$37,695 of per capita funding toward computers for the computer lab and circulation department, a backup system to the main computer framework in the area, a

movie projector, a scanner, a laser printer, a CD ROM package and a data base system.

In other business, a representative of the Vietnam Veterans of America, northwest suburban chapter 311, was on hand to explain the chapter's willingness to donate six benches to be installed along "The Veterans' Walkway" when the courtyard is renovated.

Again board member Ted Przybylo said members of the

Grennan Heights roof repairs to cost \$35,000

by Nancy Keramins

Niles Park District staffers have been getting some heat during the cold snap, chiefly from Grennan Heights gym users. Patrons of that facility, including after-school programs, have been re-routed to other gyms since mid-January, due to leaks in the fieldhouse roof.

"It's been a long time," acknowledged Director Tom Lippert. "I'm very disappointed and upset (at the delay)." The direc-

tor indicated that weather and supplier problems in combination have kept the gym closed for nearly a month past the originally projected repair completion estimate. Two weeks ago as a good will gesture, the district sent \$5 discounts applicable on spring programs to exercise program participants and others inconvenienced by the Grennan closing.

College scholarship deadline

High School students who are interested in applying for \$1,000 college scholarships should request applications by March 16, from Educational Communication Scholarship Foundation, 721 N. McKinley Road, Lake Forest, Illinois 60045. To receive an application, students should send a note stating their name, address, city, zip code, approximate grade point average and year of graduation. Sixty-five winners will be selected on the basis of academic performance, involvement in extracurricular activities and need for financial aid.

The closing of Birchway Drugs, 7503 Milwaukee Ave., March 31 will mark the passing of the last independent drug store in Niles. The shuttering follows close upon the demise of SAV-MOR Drugs, 7215 Dempster St., which locked its doors Feb. 25 and Village officials see no way to stop the trend.

Lawrence Belgrade, Birchway owner, blames a combination of causes for the closing. He cited the advent of deep discounters in

the drug field; the popularity of mail order prescriptions as advocated by some senior citizen groups; the increase of physician dispensing of prescriptions and the growing use of third party billing through insurance companies.

This billing method allows the customer to pay a small deductible, then the balance of the bill is sent to the insurance company. Belgrade said it involves a lot of

Drug programs at Maine Highs

Recruitment is now underway for students to attend Maine Township High School District 207's sixth Operation Snowball. Operation Snowball is a statewide program for high school students and adults that encourages them to adopt a drug and alcohol free lifestyle by learning relationship skills to deal with problems rather than turning to drugs. Not a treatment program, it is a program designed to equip teenagers with the interpersonal skills to "say no to drugs."

Scheduled this year for Friday, March 9, from 8 a.m. to 10:30

p.m., the program provides a full day to educate teens on the various aspects of alcohol and other drug abuse, enhance self-esteem, build self-confidence, and teach sound decision making skills. It is founded on the belief that through adequate information and self-understanding, every person has the capacity to make sound decisions and to exert a positive influence on others. Operation Snowball takes its name from the idea that positive thinking and behavior can spread from person to person, growing as a snowball grows.

Seniors honor volunteers

Norman Ross, who reports on issues of importance to senior citizens on WLS-TV Eyewitness News, will be the guest speaker at a dinner honoring more than 100 senior citizen volunteers at the Sovereign Hotel, 1040 W. Granville Ave. on Tuesday, March 6, beginning at 6 p.m.

"These seniors have consistently offered their time and efforts to help others in various capacities," says Margaret Gergen, General Manager of the two buildings for IRMCO Properties and Management Company. "They plan social action programs, organize entertainment and see to the comfort of our new residents," she added. Gergen pointed out that these volunteers oversee the day-to-day operations by participating in such committees as Hospitality, Dining Room, Newspaper and House and Grounds. They also help residents with tax and insurance forms.

Special awards will be presented to the man and woman from each hotel who made outstanding contributions in providing volunteer services during 1989. The North Shore Retirement Hotel's honorees are Dan Zimber and Mildred Sherman. Honorees from the Lawrence House are Carl Smith and Sandy Davis.

Callero and Catino work with seniors

ERA Callero & Catino Realtors, 7800 Milwaukee, Niles, recently introduced its Senior Citizen home sale and relocation program at the Golf Mill Retirement Planning Show. The program is designed to meet the special needs of senior adults who are thinking of relocating.

Callero & Catino associates have been trained to help senior adults analyze their needs and formulate an individual moving plan. First, the agent meets with the home owner to discuss their specific plans and explain various housing options, such as smaller homes, condominiums, rental properties, and congregate living facilities. Once the seller defines an appealing lifestyle, the agent helps investigate specific properties and areas to meet their needs. They can even help in getting relocation information to other parts of the country. Associates will also recommend strategies to take care of the details,

such as timing the move, preparing the seller an idea of how much money he has to work with, and what his relocation expenses will be.

The agent will then do a financial evaluation of the home to give the seller an idea of how much money he has to work with, and what his relocation expenses will be. In addition, ERA Callero & Catino has developed five bonus coupons for senior adult movers, which include: a discount on the real estate commission; a free, professional housecleaning to prepare the home for sale and help get the highest selling price; a discount ranging from 20% to 40% with United Van Lines for those moving out of state; a free copy of "Seniors' Choice" senior relocation magazine; and a copy of the "ERAMOVE - Saving Book", which contains additional discounts.

For a set of Bonus Coupons, or additional information, call (708) 967-6800 or (312) 774-1900.

Shenanigans at North Shore Retirement Hotel

The Leprechauns have conferred with the residents of the North Shore Retirement Hotel and the result is Shenanigans - A St. Patrick's Day celebration at the hotel, 1611 Chicago Ave, Evanston, from 2 to 4 p.m., Friday, March 16.

You don't have to be Irish to join in the fun. The public is welcome at no charge.

The party will be held at Mulligan's Pub (the residents created their own look-alike Irish Pub right in the ballroom). Darts, sweepstakes and other games will take place, while an authentically clad Irish lass serves up mugs of Irish ale (non-alcoholic, of course). The entertainment will be provided by the renowned Mullane Dancers - fifteen youngsters between the ages of four and seventeen - who will perform Irish step dancing. These young people are students at Mullane's School, where they learn competitive Irish step dancing to the tunes of reels, jigs and hornpipes.

Brother-and-sister teaching team Michael and Mary Alice Mullane are North American Irish step dancing champions and have competed in world competitions held in Dublin. The Mullanes started to dance at age four.

Classes for mature motorists

Whether we want to face it or not it is true, as the number of candles on our birthday cake increase, our ability to see, hear and react quickly diminish.

The medications we take may further dull our senses. Our memory of safety rules learned long ago inevitably fades. These factors lead drivers over 55 to have more accidents per mile driven than their younger counterparts.

Older drivers across the country are not letting these facts assign them to the passenger seat. Through a course for mature citizens offered by the American Association of Retired Persons (AARP), they are looking their limitations in the eye and learning how to compensate for these problems.

Many of these folks are getting discounts on their auto insurance in the process.

This program is titled '55 Alive/Mature Driving', the one defensive driving course designed for the mature driver.

Anyone age 50 and over can attend the eight hour class (taught in two, four hour sessions) and emerge with a card from AARP and a certificate from the office of the Secretary of State. The certificate from the state entitles you to a discount on liability insurance premium. Pre-registration is required.

Classes scheduled as follows: March 3 and 10, Public Library, 6960 Oakton, Niles, IL, 12:30 to 4:30 p.m.; March 5 and 12, Oakton Pk. Sr. Center, 4701 W. Oakton, Skokie, 9:30 a.m. to 1:30 p.m.; March 19 and 20, Community Center, 1040 Thacker, Des Plaines, 6:30 to 10:30 p.m.; and March 20 and 22, Senior Center, 100 S. Western, Park Ridge, 9 a.m. to 1 p.m.

Other locations and dates are scheduled in neighboring communities. To register and/or for information call: Vel Durham, 344-4172 or write Vel, P.O. Box 272, Melrose Park, IL 60160-0272.

Mareva's celebrates Polish tradition

A historical Polish tradition has been added to the calendar of Mareva's Polish restaurant which now offers a spectrum of Polish dining at 1250 N. Milwaukee Ave. The beautiful first floor dining room continues to offer the elegant ambience and fine dining of Poland's great cuisine while the upstairs hall celebrates the hearty foods and friendly atmosphere of the best country inns.

Monday, March 5 is Pulaski Day honoring the great hero of the American Revolutionary War. Mareva's will celebrate with a very special evening in its Polonaise Room upstairs; a five course meal, a performance by the Wesoly-Lud Folk Dance Troupe and complementary polka lessons for all. Dinner at 7:00 includes Mareva's Polish specialties, borscht with pate puffs, pierogi, stuffed cabbage, Polish sausage and sauerkraut, potato dumplings, salads and an assortment of traditional pastries for dessert. Cost for the evening is \$25. For reservations phone (312) 227-4000.

This program is free and anyone interested in attending should contact Carolyn-Budde at (708) 470-7297 as soon as possible to reserve a space.

ACTING UP!

Oakton Community College's Acting Up! performing troupe composed of volunteers over the age of sixty, is a highly successful program with its musical, humorous look at the myths of aging. In response to the increasing requests for performances, Oakton is offering a training workshop for those interested in being members. People with singing, acting, musical and/or writing talents are encouraged to apply. Auditions will be by appointment from 2 to 4 p.m. on Wednesday, March 7. An application fee of \$15 must be sent to Oakton/East, 7701 Lincoln Ave., Skokie before Feb. 22.

PRIME TIMERS

The North Shore Prime Timers Club will hold a series of activities for local seniors in the coming weeks. At the regular monthly meeting at 7 p.m. on Thursday, March 15, Prime Timer, Jutta Mitt will highlight her homeland of Estonia with slides, dress, and a descriptive lecture. This program will be held at the Morton Grove Public Library. On St. Patrick's Day, March 17, the Prime Timers will travel to the Irish American Heritage Center at 5 p.m. for festive entertainment and food. Then a tour of Replogle Globes, Inc., the largest manufacturer of geographical globes in the world, will be conducted at 9:30 a.m. on Wednesday, March 21.

CIRCUIT BREAKER GRANTS

To be eligible for a Circuit Breaker grant a person must be 65 years of age or older or totally disabled, and have a total household income of less than \$14,000 per year. The Circuit Breaker provides general tax relief and is available to homeowners and renters. The general tax relief is a rebate of general taxes, which everyone pays and is a flat \$80. Those eligible for Circuit Breaker are also eligible for the Pharmaceutical Assistance Program. A plastic Pharmaceutical Assistance card enables people to obtain medication for arthritis, high blood pressure, heart medication and diabetic insulin and syringes at no cost. By signing the Pharmaceutical Assistance line on the Circuit Breaker form you will receive this card in lieu of your \$80. Those eligible for the Circuit Breaker also qualify for reduced cost state license plates. This break cuts by 50% the cost of plates. People can apply for the Circuit Breaker grant anytime during the year, however, most people file early. Generally, by filing in January a response at the end of April to mid-May can be expected. Applications can be ordered by calling the Department of Revenue, 1 (800) 732-8866.

For more information about these and other senior services and recreation programs, call the Morton Grove Senior Hot Line at 470-5223, or the Prairie View Community Center at 965-7447. To receive the "Seniors in Morton Grove" newsletter, send \$2.50 to the Morton Grove Park District, 6834 Dempster St., Morton Grove 60053.

Monthly Bingo for seniors

The Maine Township Seniors will hold their monthly bingo games at noon Tuesday, March 6, at Oakton Arms, 1665 Oakton Place, Des Plaines, and noon Thursday, March 8, at the Maine Township Town Hall, 1700 Ballard Road, Park Ridge. A 50-cent fee for coffee and sweet rolls will be collected at the door.

Nearly 3,000 residents are enrolled in the Maine Township Seniors. Activities include monthly bingo, luncheons, workshops, and theater, sightseeing

and vacation trips. Most activities are limited to members. Membership is free and new members are always welcome. Applicants must be 65 or older and provide proof of residency. To receive a membership application, call the Maine Township Seniors Department at 297-2510.

Passages lecture planned

Older adults over age 50 can find out about spring non-credit courses and other activities in the next Passages Through Life lecture, "Taste of Emeritus-Non-Credit Courses," from 1 to 2:30 p.m. Tuesday, March 6, in room 112 at Oakton Community College East, 7701 N. Lincoln Ave., Skokie.

The spring program, beginning in April, offers a variety of courses, workshops, tours and other services. Tuition for courses is half-price for residents over 60 who live in Oakton's district. Teachers will be available to answer questions about courses. Donation is \$1. For information, call 635-1414.

AARP meeting

The American Association of Retired Persons, Skokie Chapter #3470, will hold its first meeting of 1990, on Tuesday, March 6 at 1 p.m. in the Petty Auditorium of the Skokie Public Library, 5215 W. Oakton St.

An Internal Revenue Service representative will present a program relating to the "New Tax Laws Affecting Seniors". Refreshments and social hour will follow.

Prime Timers to meet

The North Shore Prime Timers Club will hold their general meeting March 15 at the Morton Grove Library, 6140 Lincoln Ave. at 7 p.m. One of our members, Jutta Mitt, will give a slide presentation on her native land, Estonia. She has promised to prepare some treats made from Estonia recipes. Guests Welcome.

MG Art Guild plans People's Choice Awards

The Morton Grove Art Guild will feature members' paintings in an all media art exhibit at the Morton Grove Public Library, 6140 Lincoln Ave., Morton Grove from March 4 through April 7.

We welcome the community to help choose "The People's Choice Award," best painting of the show. Ballots will be available for visitors as you enter the exhibit.

The awards ceremony and presentation will take place on April 7, the closing of the exhibit.

The Guild has been in existence since 1965 (25 years). The object of the Guild is to encourage, stimulate and promote the appreciation of art in our community.

Meetings are held the second Wednesday of each month, September through May at the Mansfield-Park Fieldhouse, 5820 Church St., Morton Grove. Members range from professionals, amateurs to non-artists. We welcome all who are interested in the visual arts. Refreshments are served - non-members are asked for \$1 donation.

Professional and well known artists are invited each month to demonstrate their style and medium from oils to watercolors, to painting on silk, and from sculpture to woodcarving.

Judith Feirstein and Helen Van Tempera, both of Morton Grove, offered their expertise and knowledge on all phases of fine art at our Annual Critique of members' paintings in January.

The evening proved to be very informative. Both Feirstein and Van Tempera have been long standing members of the Guild.

Feirstein's paintings can be seen in the upcoming feature film "Victimless Crimes" Framed Productions, Inc. 1990 Feirstein will also be featured in a one-woman exhibit at the Lincolnwood Library, April into May during the Literary Festival May 6.

Van Tempera is a professional painter known for brilliant color and design in her paintings. Her exciting action paintings of horses have been accepted in art shows and galleries in Kentucky. Her equine work has been purchased by the museum for their permanent collection.

The Morton Grove Art Guild's 24th Annual Art Fair will be held on Sunday, June 3, from 10 a.m. to 6 p.m. at Harrier Park, 6250 Dempster St., Morton Grove.

The fair will feature fine art and designer crafts. Applications for exhibition space are available and may be secured from Opal Schrader, chairman, 966-4264. Purchase awards will be presented. Free parking and free admission.

The following donations from the Morton Grove Art Guild presented to the Morton Grove Library consist of art books, art videos and paintings. These donations are available and can be loaned out at different time periods. The earning fund from our annual art fair makes it possible for the Guild to make these donations to the library.

Local channel wins awards

TCI of Illinois' Local Organization staff received two Women in Cable (WIC) awards during their annual awards ceremony January 25, at the Park West, Chicago. The WIC awards are designed to recognize excellence in cable television programs which are produced by area systems and aired on Local Origination channels. Skokie's Local Origination programs air on TCI channel 17.

"Sports Reviews and Previews" received first place in the Sports category. Hosted by Greg Bliss and Joe Marella the program takes a weekly comprehensive look at Skokie's high school sports action. "Sports Reviews and Previews" is produced by TCI's Amy Smith and airs Tuesdays following the Village Board Meeting, Wednesdays at noon and 7 p.m. and again on Thursdays immediately following the "Sports of the Week."

Also picking up a first place in the Entertainment category was "Contemporary Cuisine" produced by Sandy Drizner and hosted by Cindy Stern and Barbara Zissman. "Contemporary Cuisine" visits area restaurants as chefs prepare signature dishes. Viewers are also given ideas for easy make-it-at-home dishes.

"Contemporary Cuisine" can be seen Mondays at 10:30 a.m. and 6:30 p.m., Tuesdays at 10:30 a.m. and Wednesdays at 11 a.m.

To round out the evening Public Access user Mila Fair received second place honors for her series "On the Spot" which airs on TCI channel 18.

The Smith Activities Center will offer twelve classes in beginning square dancing lessons starting Fridays, March 9 to May 25. Come enjoy the fun, relaxation in Western Style Square Dancing. Instructor Jack Gilmour is easy to understand and brings 35 plus years experience to his teaching.

Earthday 1990 at Botanic Gardens

Earthday 1990 has announced the selection of the Chicago Botanic Gardens, Glencoe, as the site of local Earthday events for April 22.

The 20th anniversary of the first Earthday will be celebrated in over 90 countries throughout the world with an expected 100 million people joining in the demonstration of support for environmental change.

Some 20 million people in the U.S. made Earthday 1970 the largest organized demonstration in history. The positive results were credited with the formation of the Environmental Protection Agency and passage of both the Clean Air Act and the Clean Water Act in 1971.

Gov. James Thompson, a member of the board of directors of Earthday 1990, is expected to proclaim April as "Earth Month" in his state-of-the-state address.

An Earthday 1990 chapter has been formed to facilitate the participation of the North Suburban areas of Cook County in the international celebration of this event. Over 100 northern Illinois groups and organizations have already joined in planning community activities for Earthday.

Persons wishing to serve on various event committees are needed and urged to contact Earthday 1990 at (708) 259-5723.

A month-long series of events is being planned for April, with the focus on April 22 activities in Lincoln Park in Chicago and the Botanic Gardens in Glencoe.

Events planned for the two locations will include a demonstration on "how to recycle leaves and landscape trimmings" and a "science fair" which will show creative approaches to environmental challenges.

A program to distribute 25,000 seedling trees will include hands-on demonstrations on how to plant and care for them.

Local area school programs will involve students in home environmental audits, which are designed to help the family understand their total effect on the environment and what they can do to live more environmentally sound lives.

MG church hosts Day of Prayer

World Day of Prayer, hosted by the Morton Grove Community Church, 8944 Austin Ave., Morton Grove, will begin its celebration on Friday, Mar. 2 at 1 p.m.

Officially sponsored by Church Women United, this 103rd observance, "A Better Tomorrow - Justice for All," was written by the Christian women of Czechoslovakia. Guest speaker will be Rev. Phyllis Kochline, Evanshine United Presbyterian Church, Skokie.

Chairman of this year's event, Mrs. Jon Conrad, invites all men and women of all area churches to attend. She explained that "World Day of Prayer is a worldwide expression of mutual prayer and Christian unity. What began as a prayer for mission has now expanded to a common day of prayer by thousands of Christians in 170 countries and regions of the world." Other members of the planning committee: Mrs. Philip Johnson, Mrs. Robert Norris, and Mrs. Donald Quinn.

There is no charge to attend. Refreshments will be served following the service at a fellowship hour. Nursery care is available. For further information call 965-2982.

Purim program planned

"Purim: The Influence of Women for the Future Generation" is quest speaker Rabbi Mendel Moscovitz's topic for the Lubavitch Chabad of Niles and FREE of Niles Women's Organization on Wednesday evening, March 7 at 7:30 p.m. at the home of Mrs. Nina OrNSTein, 9304 Home Court, Des Plaines. The program will also include a cooking demonstration, "The Art of Making Hamantashen."

Purim, this year Sunday, March 11, is a joyous festival. Through the courage and leadership of Queen Esther, the entire Jewish nation was delivered from annihilation by the Persian government. Together with Mordecai, the leader of the Jewish people, she strengthened Jewish unity and commitment to Torah life. Yochanan Nathan will elucidate further the ramifications of Queen Esther's heroism for today's Jewish woman.

St. John's Lutheran Lenten Services

The congregation of St. John's Lutheran Church, 4707 Pratt Ave., Lincolnwood, will experience a new approach to midweek Lenten services this year beginning at 7:30 p.m., Wednesday, March 7.

Pastor Bruce D. Johnson, along with pastors from Niles Community Church, Carter-Westminster United Presbyterian Church, St. Timothy's Lutheran Church, and Immanuel Lutheran Church, will be involved in a "round-robin" preaching circuit. During the five-week series, under the theme of "Questions We Ask Jesus," all of the pastors will preach in each of the community churches.

In the first of the series, each pastor will deliver the sermon at his home church. This is to be followed by participation in services at each host congregation the remaining four weeks.

St. John's Lutheran Church invites residents of the community to the opening of the Lenten season on March 7 when Pastor Bruce D. Johnson will speak on "What Is the Sign of Your Coming?"

For further information, call Beverly Kamps, 673-0672, or Rev. Bruce Johnson, 673-3378.

Local congregation offers hope to nation

Pick up any newspaper or popular magazine these days, and you're sure to find an article on domestic violence, political dishonesty or the needs of the growing underclass. Even the "beautiful" people, the rich and the powerful, talk about their problems and unhappiness. It's no wonder that so many people in our nation today display a sense of complacency - even despondency - about the future of our land.

The members of St. John Lutheran Church, 7429 Milwaukee Ave., Niles, hope to help change that pattern during the 50 days that begin on Sunday, Feb. 25. That's when they'll begin a Spiritual Adventure called "50 Days to Bring Christ's Hope to Our Nation." The Adventure is sponsored by the national radio broadcast "The Chapel of the Air" and is designed to help participants recognize the reality of Christ's presence in their lives, and His

great care and concern for the people of this nation. In addition to the group at St. John Lutheran Church, over 2,000 other congregations from across the country will be joining the Chapel's Adventure beginning on Feb. 25. Hundreds of thousands of individuals in North America will participate, using the Adventure materials in conjunction with daily "Chapel of the Air" radio broadcasts.

Last year over 160,000 adults and 70,000 young people received Adventure journals through The Chapel of the Air, whose broadcast is heard locally each Monday through Friday at 10:15 a.m. over WMBI-FM 90.1. If you're interested in learning more about the group of adventurers from St. John Lutheran Church, please contact the church office at (708) 697-9867. Or write to The Chapel of the Air directly at Box 30, Wheaton, IL 60189-0030; (708) 690-2800.

High return on cash investments

Commissioner Gloria Majewski, who is the Chairman of the Finance Committee for the Metropolitan Water Reclamation District of Greater Chicago has announced an all time high rate of interest on cash investments by the District.

Comm. Majewski stated that the income received by the District is invested until the funds are needed to meet expenditures. Last year's investments earned 28,775,000 for the District, representing an average annual yield of 8.5 percent. Comm. Majewski stated that in effect, this investment income reduces the amount of money needed from taxes by more than \$28 million. Treasurer Downs is a resident of Morton Grove.

New study to broaden Jewish knowledge

On March 6, Haskalah Institute for Adult Jewish Study will begin its second semester. Haskalah Institute for Adult Jewish Study, under the auspices of the Board of Jewish Education of Metropolitan Chicago, is an exciting intercongregational two-year program utilizing the Florence Melton Program of Jewish Learning created at the Hebrew University. It is an integrated sequential course of study that encompasses a broad spectrum of Jewish knowledge.

Each Tuesday morning students will go in search of their own Jewish legacy through the study of history and culture, language and ideas, values and practices. Dr. Henry Schreibman, consultant for the Board of Jewish Education, will continue teaching the course "The Dilemmas of Jewish Living", focusing on the varied and problematic situations in which Jews perennially find themselves, both collective and individual, including, assimilation, varieties of heroism, religious pluralism and others. Frances Pearlman, Director

Misericordia Candy Days

Over the past three years, thousands of volunteers have covered the streets of Chicago and its suburbs collecting donations and distributing Fannie May caramel pops to the tune of \$750,000 a year and they are at it again. The 1990 Misericordia Fannie May Candy Days will take place on Friday and Saturday, March 30 and 31.

Misericordia is a not-for-profit organization whose sole purpose is to provide more than 350 mentally and physically disabled children and young adults with a home in which to live and grow. To do this, they depend very heavily on major fundraisers such as Candy Days.

Misericordia has installed a special phone line to handle the calls from people who would like to volunteer. 508-KIDS. So remember, the 1990 Misericordia Fannie May Candy Days will take place on March 30 and 31.

Car seats save children

by Secretary of State Jim Edgar

In 1988, 124 children were killed in Illinois motor vehicle accidents. Many lives could be saved if all children and their parents knew about proper use of safety restraints.

February is National Child Passenger Safety Month. Illinois law requires parents and legal guardians to secure each child under age four in a child safety seat when traveling in the family car. The law also requires that children four and five years old be secured in a safety seat or safety belt.

Studies indicate that 70 percent of children under age five are placed in child safety seats. However, about one-third of the seats are used incorrectly. Following are tips for the correct use of safety seats and safety belts:

- All safety seats for infants under 20 pounds must be installed facing the rear of the vehicle. This will ensure that the baby's back is fully supported and will absorb the force of an accident, instead of his vulnerable chest and abdomen.
- Many child restraint systems require the use of a tether that is attached to the vehicle by drilling a hole in the rear deck. Do not use a child safety seat that requires a tether unless you are willing to drill a hole in your vehicle. All child safety seats should be properly restrained by the vehicle's safety belt.
- Children over 40 pounds should wear safety belts. If the shoulder strap crosses the child's body at or near the neck or face, the shoulder strap should be placed behind the child's body.

Welcome!

MG driver arrested with drugs

Niles officer Robert Stan-kowicz attempted to stop a speeding Camaro on February 21 as he was patrolling the 9300 block of Milwaukee Ave., but the south-bound driver attempted to elude the policeman.

Stan-kowicz clocked the Chevy at 48 mph and pursued the car east on Courtland Avenue to Davis St. to Washington St. and back to Davis St., finally curbing the car at Merrill and Park Avenues at 9:22 p.m.

Stan-kowicz noted the car's tinted windows and asked the driver what was inside. When the driver told him that there were books and a six pack of beer in the car, the officer radioed for back-up units.

Officer James Zimmerman was one of several units who ar-

rived on the scene and searched the Camaro. The officers found marijuana-like seeds and leaves scattered on the front and back mats of the car, along with credit card receipts from purchases made under various names.

The driver was charged accordingly when it was found that the credit cards used in the transactions were reported lost or stolen. Items "purchased" included a cam corder, TV and car alarm.

The driver, who had recently received three traffic tickets and had altered the birthdate on one ticket, was charged with speeding, possession of alcohol by a minor, possession of cannabis, altering a driver's license, having a car with tinted windows and unlawful use of credit cards. He will appear in court April 6.

Gas leak results from vandalism

Niles fire department personnel and police were summoned to stop a gas leak at 7303 Dempster St., Niles. Management at National Pride Car Wash reported \$1,000 worth of damage to their facility, apparently the work of vandals.

Person(s) unknown attempted to open the company's change machine during the night of Feb. 25 and caused a two inch leak to a gas line leading to a meter on the premises. In addition, a towel machine was also damaged.

NI gas workers were notified to finish the emergency repairs.

Battery/DUI

While awaiting processing for a charge of driving under the influence at the Morton Grove Police station, a Chicago man, 47, struck the cinder block wall with his fist, resulting in cuts and bruises to the fist. Police restrained him with handcuffs, but removed them to allow Fire department paramedics to examine the injury.

When paramedics applied a cold pack to his hand, the prisoner threw the pack against the wall. Police again tried to handcuff him, but in the struggle, the prisoner kicked an officer in the left leg. The charge of battery was added to that of driving under the influence and the man was transported to Rush North Shore Medical Center. His court date is March 22.

Footprints tested in Niles burglary

Niles evidence technicians are examining footprints left after a Feb. 19 burglary in the 8100 block of Merrill St. Police suspect that person(s) unknown used bodily force and a pry bar to smash a front door off its jam in order to enter the residence.

The burglar(s) then ransacked the bedrooms, den, and dining room, stealing a \$250 VCR, \$200 watch, \$200 pearl necklace and three antique watches of undisclosed worth.

Injuries

The afternoon of Feb. 19, a worker in a factory in the 6100 block of Madison Court, Morton Grove walked down a wooden staircase from the second level, a lower step broke, causing the worker to fall onto the concrete floor. Fire department paramedics transported the man, 49, of Chicago to Lutheran General Hospital.

A 19-year-old Chicago man, a worker in the baking company in the 8500 block of Oakton St., Morton Grove, was taken to Lutheran General Hospital, Park Ridge the evening of Feb. 19 with an injured hand. He then reportedly began urinating on a snowbank

Lonely pre-teen takes aspirin overdose

A 12 year old girl who told Niles police she "has no friends" is recovering from an apparent suicide attempt last week. According to reports, the girl swallowed 11 Anacin caplets Feb. 19 at 11:45 a.m. and phoned Niles

paramedics nearly six hours later when she experienced stomach pains.

The girl was treated at Lutheran General Hospital. Responding officers also referred her for social services.

"Big mouth" gets man DUI rap

A 32 year old Niles man made a "bad day" even worse because he didn't know when to keep quiet. The man will face DUI charges in addition to a variety of traffic charges when he appears in court March 13.

When the Niles man, driving a red Honda, was stopped for speeding in the 6600 block of Milwaukee, he initially seemed sober to Officer Victor Gramza of the Niles Police Department.

As Gramza sat in his squad car and ticketed the driver for driving without a seatbelt and driving at 64 mph in a 35 mph zone, the driver went up to the squad car and began yelling at the officer and pointing his finger at him. He then reportedly began urinating on a snowbank

near the parked squad. According to reports, the driver nearly fell down after answering the call of nature, and Gramza immediately asked him to perform field sobriety tests, which he failed. As the driver sat in the squad car awaiting transport to the police station, he spat on the mobile data computer terminal in the squad.

The driver answered Gramza's query by explaining, "I had a bad day, sorry," but refused the officer's request to clean up the spittle on the in-squad computer. The arrestee was cited for DUI, disorderly conduct, damage to property, speeding and failure to wear a seatbelt and has a March 13 court appearance.

Theft

A waitress for a restaurant in the 5900 block of Dempster St., Morton Grove reported to her job Feb. 18 and left her purse and clothes in a tote bag in the usual location. After her shift, the waitress, a Chicago woman, 20, discovered her purse secure, but her tote bag missing. Items she listed as stolen were designer jeans valued at \$140; a sweater and two shirts valued at \$95; white leather boots valued at \$200 and miscellaneous custom make up valued at \$500.

An unknown offender forced open a padlock securing a locker in the park district fitness club in the 6800 block of Dempster St., Morton Grove the afternoon of Feb. 19. The locker owner, an Arlington Heights resident, 40, said he lost an set skin wallet, credit and identification cards and \$14 in cash.

A 20-year-old Chicago man left his unlocked locker to get a towel in the men's section of a facility in the 6800 block of Dempster St., Morton Grove the afternoon of Feb. 24. When he returned, he found his wallet, valued at \$20, a check, credit and identification cards and \$120 in cash missing.

Burglary attempts

Two incidents of attempted burglary at the same Niles apartment building were reported Feb. 19. Two occupants of the building, located in the 8400 block of Oak Ave., experienced problems by person(s) unknown using a pry tool. Entry to a storage locker and an apartment was not successful.

Auto burglary

A 1990 Mercedes Benz was broken into Feb. 25 and its \$500 radar detector stolen. The car, which was parked in a rear lot in the 8800 block of Golf Road, had a smashed passenger window.

Auto theft

The owner of a 1979 Cadillac reported the theft of the car Feb. 25. The vehicle was parked near 7237 Dempster St., Niles.

Three-dimensional art works at library

Three-dimensional artworks of meticulous bird portraits by Peg Kartinos are on exhibit at the Lincolnwood Public Library, 4000 W. Pratt Ave., through March 15. The stunning works are the result of the artist's experiments with oriental papers which she tears and paints to create semi-abstract "feather" designs. The portraits reflect her love of nature, its colors and patterns.

Year of the Eagle Scout

The U.S. Congress has declared 1990 The Year Of The Eagle Scout. There have been 1.2 million Scouts who have earned this rank since the first badge was awarded in 1912. That is only 2 out of every 100 boys who join.

In our efforts to celebrate the Eagle Scouts' achievements in 1990, the Northwest Suburban Council is asking for your help. If you are an Eagle Scout, or know of other adult Eagles, please send names, addresses, home and business phone numbers to "A Gathering of Eagles," 600 N. Wheeling Rd., Mt. Prospect, IL 60056.

As you know, Scouting's commitment to building character, instilling values, and promoting loyalty to God, country and family continues to ensure outstanding future employees and citizens.

Our council staff anxiously awaits your responses. Plans for a Gathering of Eagles luncheon or dinner is slated for late fall. Contact Pete Biltz at 824-6877 with any questions or names of Eagle Scouts.

Mite House League

It was a defensive battle that could easily have gone either way but it was the Blues who skated to a 1 to 0 victory over the Hawks in Mite House League action.

Hawk goalie Chris Koziol was the star for his team making many fine saves including stopping two Blues breakaways. The lone goal Koziol allowed came on a rebound shot on which he never had a chance. Other Hawk players who played extremely well again were Kurt Fleishman, Gino Ori, Naasha Duszak, Joey Martin and John Desmond.

The Blues victory was due in part to the outstanding goal tending of Thad Mrowiec who

notched his first shutout. Mrowiec also was faced with two breakaways which he handled flawlessly. Tedd Markos who has done a great job all year fired home the lone goal of the game at 7:30 of the second period just twenty-three seconds after killing off the Blues second penalty of the game. John Lubinski, Alan Grubbe, Jason Henriksen and Sean Flanagan were just some of the players who turned in strong performances for a Blue team that played great hockey.

The shut out victory was the first of its kind in the five year history of the Mite House League.

Move to the beat at Kohl Children's Museum

Old-fashioned physical play has been replaced by television and video games. Dancing is a joyful way for children to practice fundamental motor skills. The Kohl Children's Museum will re-introduce children to practicing rhythm, beat and movement activities with folk dancer Sanna Longden.

Sing popular "play party songs" like "Ring, Around the Roses." Dance to American folk music as well as folk music from Europe and the Middle East. Learn Irish dance steps and other ethnic dance movements.

Sanna Longden has been teaching folk dancing for two

decades. She has been a board member of Chicago Folk Dance Council since 1975. Longden is also a freelance editor and writer. She has published several articles on folk dance.

Move to the Beat is part of the Kohl Children's Museum Winter Programs 1990. Classes take place Tuesday, March 6, from 1-2:30 p.m. for 4-5 year olds, Saturday, March 10, at 10-11:30 a.m. for 4-5 year olds and 1-2:30 p.m. for 6-8 year olds. Fees are \$6 for members and \$8 for nonmembers.

For more information and to register, contact Jane Klapproth or Sue Blum at 708/256-6056.

Reynolds recycles 100-billionth can

Reynolds Metals Company reported that it recycled 450 million pounds of consumer-generated aluminum in 1989, and paid recyclers more than \$180 million for their efforts. The consumer aluminum recycling pioneer said the record results included the 100-billionth aluminum can recycled by Reynolds since it began buying aluminum from the public in 1968.

The consumer-generated pounds comprised more than half of the 865 million pounds of reclaimed aluminum processed by Reynolds last year.

"Our aluminum recovery from all sources last year accounted for nearly one-third of Reynolds metal production," said Richard N. Bolling, vice president of the company's Recycling and Reclamation Division. "As the public's awareness of solid waste disposal and other environmental problems increases, we are confident that this source of supply will continue to grow."

"During the past decade, Reynolds has recycled more than 100 percent of the cans it produced."

Information for Insomniacs

Skokie Public Library now has two methods for getting information after the library closes.

Night Owl Reference Service is available till midnight every night of the week. Simply dial (708) 673-7775 after 5 p.m. on Saturdays and Sundays and after 9 p.m. on weekdays to reach the Night Owl Desk.

Microcomputer users with communications software and a modem now can dial in to Skokie Public Library's catalog from 9 a.m. to midnight every day. Patrons using this Dial-In Access can browse the shelves without ever leaving home. The specifications are: 675,0750, 1200 Baud, 7 bit, 1 stop, Odd parity. There is no special charge for either of these services. For further information, patrons may call 673-7774.

Tax relief renewals sent to seniors

Over 200,000 senior citizens in Cook County will soon receive renewal forms in the mail for the 1989 Senior Citizen Exemption, County Assessor Thomas C. Hynes announced recently.

With the exemption, a senior homeowner can save as much as \$200 on property taxes that will be due this summer.

Renewal applications, which must be filed each year, are mailed to those seniors who were registered for the exemption for the previous year.

"This is an important tax saving available to all homeowners 65 years of age or older," Hynes said. "I urge all eligible senior citizens to promptly return their applications."

The applications are letter size with a detachable form at the bottom. Senior homeowners can verify the information and complete the renewal process simply by signing and returning the lower portion of the form to Hynes' office.

Those who turned 65 in 1989 are eligible to receive the Senior Citizen Exemption for the first time. "If a senior homeowner already registered for 1989, they will not receive any notice in the mail at this time," Hynes said. "However, if a person turned 65 in 1989 or earlier and has never registered, I urge them to contact my office immediately. We want to make sure that those who qualify for the exemption will receive it."

Homeowners receiving the Senior Citizen Exemption automatically qualify for the general Homeowner Exemption and will not have to apply for it when those forms are mailed at a later date.

For more information, contact Hynes' office in the County Building, 118 N. Clark, Chicago, (312) 443-6151; in Bridgeview, 10200 S. 76th Ave., (708) 974-6451; in Markham, 16501 S. Kedzie, (708) 210-4100; in Maywood, 1500 Maybrook Sq., (708) 865-6032; in Rolling Meadows, 2121 Euclid Ave., (708) 818-2444; or in Skokie, 5600 Old Orchard Rd., (708) 470-7237.

Assistance is also available in the suburbs at the offices of local township assessors.

Mosinski honored at luncheon

The YWCA recently honored Marie Mosinski at their annual Leader Luncheon, held at the Chicago Hilton and Towers, Chicago. This event gives area businesses a chance to recognize the women in their organizations who have demonstrated outstanding achievements throughout the year.

Mosinski, who currently serves as senior secretary of Loan Review at First Colonial Bankshares Corporation, was chosen by President Robert F. Sherman for her significant accomplishments during 1989. "Marie has been a great asset to the company. This recognition was our opportunity to show our appreciation for her efforts," said Sherman.

Wearable Art at Park District

The Niles Park District introduces "Wearable Art" to its list of Spring programs for those 16 and over. "Wearable Art" is a form of painting and decorating to create a unique garment.

Hilary Elsing, of Niles, will be instructing this new art form which can transform shirts, blouses, even some slacks into a beautiful and unique garment. Hilary has taught classes throughout the Northwest suburbs and will emphasize techniques, pattern usage, garment and much more in this upbeat, fun, new program.

Two beginning level classes are offered at the Ballard Leisure Center, 8320 Ballard Rd. in Niles, Monday, Mar. 5 from 9:30 a.m.-11:30 a.m. for adults 18 and over and Tuesday, Mar. 6 from 6:30 p.m.-8:30 p.m. for those 16 and over. A supply list will be made available when registering. The fee is \$15/resident and \$22.50/non-resident.

Registration can be done at either the Ballard Leisure Center, 8320 Ballard Rd. or the Administrative Office, 7877 N. Milwaukee Ave. For more information, please call Janet at 824-8860.

"New You" contest at Harlem Irving

Harlem Irving Plaza is calling for entries for their spring "Beautiful New You" contest which will give winners a total new look with fashion makeovers. The center is located at Harlem Avenue, Irving Park Road and Forest Preserve Drive.

Ten winners will be chosen by random drawing to win a complete hair, make-up, and fashion make-over compliments of Harlem Irving Plaza stores! They will show off their new look on Saturday, March 31 during the center's "Beautiful New You" fashion presentation. During this event, Ava Anthony, Fashion Consultant, will introduce the latest in spring fashions, and experts in the field will be on hand to answer any questions. Hair and make-up demonstrations will be featured by Glemby's, Carson Pire Scott, Madigans; Beauty Break, Kohl's; Merle Norman, and HIP Hair.

"The response to this show is overwhelming!", remarked Ava Anthony, Fashion Coordinator.

Entries are available at Harlem Irving Plaza stores and must be returned by March 10 to the mail service booth near Plaza Bank, or mailed to Plaza Promotions, 4104 N. Harlem, Suite 220, Chicago, IL 60634. Those wishing more information can contact Harlem Irving Plaza at (312) 625-3036 or (708) 453-7800.

Computer catalog classes

During March the Niles Public Library will be offering its monthly computer catalog classes on Friday, March 2 and Saturday, March 3 at 10:30 a.m. and on Tuesday, March 6 at 7 p.m.

The classes introduce library users to the computer catalog and demonstrate how it works. A reference librarian will show you how to search the catalog for materials you are interested in finding. Searching can be done by selecting title, author or subject headings. Class participants will also be able to practice what they have learned under the guidance of the class instructor.

There is no longer a "card catalog" at the library. All materials can only be found in the computer catalog.

Classes usually last 1 to 1 1/2 hours and are offered free of charge to interested users. Any-

District 207 gets more insurance coverage for less money

District 207 will save more than \$60,000 and gain more than 50 percent better coverage when it withdraws its insurance liability coverage from the Excess Liability Fund (ELF) and begins taking advantage of the liability coverage provided through the Secondary School Cooperative Risk Management Pool (SSCRMP) according to board action taken at the February meeting.

The premium for coverage through SSCRMP will be \$26,500 per year for \$9 million in excess liability coverage over base coverage of \$2 million. The premium for coverage through ELF was \$89,500 per year for \$5 million in excess liability coverage over a base of \$2 million. The new coverage, which will in-

crease District 207's total liability coverage from \$7 million to \$11 million, will take effect July 1.

District 207 became a member of the ELF pool in 1987 along with 44 other districts who were members of the collective Liability Insurance Cooperative (CLIC). CLIC members established ELF to provide \$5 million excess liability coverage over and above the underlying coverage of \$2 million provided for each member through CLIC. The pool was developed because CLIC was unable to purchase excess liability coverage in the commercial marketplace in 1987.

In 1989, District 207 withdrew from CLIC to become a member of SSCRMP. SSCRMP provides coverage for buildings, contents, and general liability coverage of

\$11 million for its members. However, since District 207 was already a member of ELF, it could not take advantage of SSCRMP's liability coverage.

The ELF agreement required that all charter members complete 36 months of consecutive membership before being allowed to withdraw.

Since there has never been a claim made against the ELF Cooperative, District 207 will receive a refund for the premiums it paid for coverage between July 1, 1987, and June 30, 1990, with only operating expenses deducted. To allow the statute of limitations for possible liability lawsuits to expire, however, the district will not receive the money until at least 1993.

ND reorganizes academic areas

Reorganized academic departments have been instituted at Notre Dame High School in Niles this year. The change is rooted in current research from the Association for Supervision and Curriculum Development as they address the needs of today's high school environment.

The goal of the restructuring is to facilitate greater sharing and encourage cooperative interdependence between the school's vari-

ous academic fields.

The 'cluster approach', which Notre Dame has adopted, is based on the assumption that the fields included within the cluster share a common ground. The five clusters in operation at the school are: 1) Communications, 2) Health/Safety/Physical Education, 3) Historical/Global/Cultural, and 4) Math/Science/Technology, and 5) Religious Studies.

Golf Mill hosts 'Spring Home Show'

Golf Mill will be hosting a Spring Home Show the weekend of March 1-4. Exhibits will be displayed in the north and south courts during mall hours.

The show will feature the latest trends and products to update and modernize your home. The show features national exhibitors, some Golf Mill tenants and also some local exhibitors.

Shop Golf Mill this weekend and get some new ideas for your home.

Girl Scouts celebrate at Harlem Irving

Harlem Irving Plaza proudly hosts the 8th "Salmagundi", a celebration of Girl Scout Week, from 11 a.m. to 5 p.m., Sunday, March 11. Girl Scout troops from 20 surrounding sponsorships are joining together at the center located at Harlem Avenue, Irving Park Road, and Forest Preserve Drive, to share some of their scouting ideas, skills, and projects.

"Salmagundi", meaning any mixture or medley, represents the potpourri of scouting displays that the troops will present.

YWCA honors Godfrey

The YWCA recently honored Valerie A. Godfrey at their annual Leader Luncheon, held at the Chicago Hilton and Towers, Chicago. This event gives area businesses a chance to recognize the women in their organizations who have demonstrated outstanding achievements throughout the year.

Godfrey, who currently serves as assistant vice president of commercial loans at First Colonial Bank Northwest, Niles, was chosen by bank president John A. Benson for her significant accomplishments at the bank during 1989. "Valerie has been a great asset to the bank. This recognition was our opportunity to show out appreciation for her efforts," Benson said.

"Scouting is a great experience for these girls!! We have gotten into more contemporary issues in girl scouting. Issues like drug awareness, and safety in the home are concerns that are addressed. We are celebrating our 70th year of scouting, and it has come a long way", commented Pat Walenga, Girl Scout service unit-40 coordinator. "Salmagundi at Harlem Irving Plaza gives the girls an opportunity to proudly display various projects, skills, and crafts with which they are involved", concluded Walenga.

Center offers health screenings

Undetected high blood pressure can cause serious health problems eventually. The Center of Concern is offering free blood pressure testing every month on the last Saturday from 1 to 3 p.m. to those who want to take advantage of this service.

Another area of undetected illness is diabetes. In order to allay anxiety or to confirm a previous diagnosis, blood sugar screening is offered from 1 to 3 p.m. on the last Saturday of each month also.

To make an appointment, please call Mary at The Center, (708) 823-0453, or stop in Suite 223, 1580 N. Northwest Highway, Park Ridge.

Lake Park Festival planning underway

The Des Plaines Chamber of Commerce & Industry will hold its annual poster contest for the 1990 Lake Park Festival. The festival, held at Lake Park in Des Plaines, is scheduled for Friday, June 15, 4 to 9 p.m., Saturday, June 16, and Sunday, June 17, noon to 9 p.m. There will be continuous, live musical entertainment, food, carnival games, waterki shows, Barefoot Hawaiian shows, clowns, a children's petting zoo, arts & crafts booths, etc.

Poster entries must be submitted to the Des Plaines Chamber office, 1401 Oakton St., Des

Plaines 60018 by April 6. Entries must be 11" x 17" in color and should include dates, hours, location, events, etc.

The winner of the poster contest, judged by the Chamber's Board of Directors, will receive \$100 at the opening ceremonies on Saturday, June 16 at Lake Park. Posters are distributed throughout the Des Plaines area. The poster theme is used as the logo on festival t-shirts, etc.

Further information on the 1990 Lake Park Festival poster contest is available at the Chamber office or by calling 824-4200.

Presenting one of the largest banks in the Midwest.

There are basically two kinds of bank customers.

This advertisement is for the one who prefers a bank with large resources, financial clout and expertise in all sorts of money management.

A bank, say, that in two short decades has grown to be one of the Midwest's biggest banks.

A bank that is one of the region's largest lenders (and a bank with a loan portfolio that has consistently outperformed most other banks, big or small).

A bank, in fact, that has been highly

praised in *Forbes* magazine for its responsibility to shareholders and recognized as one of America's very best-run banks by *U.S. Banker*.

So, if you're the kind of bank customer who likes the power and deep pockets of a bank like ours, come see us soon.

If, on the other hand, you'd like a smaller bank with friendly local service, take a look at the advertisement to the right.

Presenting one of the smallest banks in the Midwest.

This advertisement is for those bank customers who like the idea of dealing with a familiar face.

The kinds of customers who place big stock in seeing the bank president at a Little League game or PTA meeting.

Who like knowing that the money they deposit with their bank stays in their community, helping finance a neighbor's business expansion or home mortgage. Or even a major civic improvement.

Who only feel comfortable asking for a personal loan from someone they know

personally. And on a first-name basis. Who just want a bank that can—and will—make their banking as convenient and as hassle-free as possible.

District 207 gets more insurance coverage for less money

District 207 will save more than \$60,000 and gain more than 50 percent better coverage when it withdraws its insurance liability coverage from the Excess Liability Fund (ELF) and begins taking advantage of the liability coverage provided through the Secondary School Cooperative Risk Management Pool (SSCRMP) according to board action taken at the February meeting.

The premium for coverage through SSCRMP will be \$26,500 per year for \$9 million in excess liability coverage over base coverage of \$2 million. The premium for coverage through ELF was \$89,500 per year for \$5 million in excess liability coverage over a base of \$2 million. The new coverage, which will in-

crease District 207's total liability coverage from \$7 million to \$11 million, will take effect July 1.

District 207 became a member of the ELF pool in 1987 along with 44 other districts who were members of the collective Liability Insurance Cooperative (CLIC). CLIC members established ELF to provide \$5 million excess liability coverage over and above the underlying coverage of \$2 million provided for each member through CLIC. The pool was unable to purchase excess liability coverage in the commercial marketplace in 1987.

In 1989, District 207 withdrew from CLIC to become a member of SSCRMP. SSCRMP provides coverage for buildings, contents, and general liability coverage of

\$11 million for its members. However, since District 207 was already a member of ELF, it could not take advantage of SSCRMP's liability coverage.

The ELF agreement required that all charter members complete 36 months of consecutive membership before being allowed to withdraw.

Since there has never been a claim made against the ELF Cooperative, District 207 will receive a refund for the premiums it paid for coverage between July 1, 1987, and June 30, 1990, with only operating expenses deducted. To allow the statute of limitations for possible liability lawsuits to expire, however, the district will not receive the money until at least 1993.

ND reorganizes academic areas

Reorganized academic departments have been instituted at Notre Dame High School in Niles this year. The change is rooted in current research from the Association for Supervision and Curriculum Development as they address the needs of today's high school environment.

The goal of the restructuring is to facilitate greater sharing and encourage cooperative interdependence between the school's vari-

ous academic fields.

The 'cluster approach', which Notre Dame has adopted, is based on the assumption that the fields included within the cluster share a common ground. The five clusters in operation at the school are: 1) Communications, 2) Health/Safety/Physical Education, 3) Historical/Global/Cultural, 4) Math/Science/Technology, and 5) Religious Studies.

Golf Mill hosts 'Spring Home Show'

The show will feature the latest trends and products to update and modernize your home. The show features national exhibitors, some Golf Mill tenants and also some local exhibitors.

Shop Golf Mill this weekend and get some new ideas for your home.

Girl Scouts celebrate at Harlem Irving

Harlem Irving Plaza proudly hosts the 8th "Salmagundi", a celebration of Girl Scout Week, from 11 a.m. to 5 p.m., Sunday, March 11. Girl Scout troops from 20 surrounding sponsorships are joining together at the center located at Harlem Avenue, Irving Park Road, and Forest Preserve Drive, to share some of their scouting ideas, skills, and projects.

"Salmagundi", meaning any mixture or medley, represents the potpourri of scouting displays that the troops will present.

YWCA honors Godfrey

The YWCA recently honored Valerie A. Godfrey at their annual Leader Luncheon, held at the Chicago Hilton and Towers, Chicago. This event gives area businesses a chance to recognize the women in their organizations who have demonstrated outstanding achievements throughout the year.

Godfrey, who currently serves as assistant vice president of commercial loans at First Colonial Bank Northwest, Niles, was chosen by bank president John A. Benson for her significant accomplishments at the bank during 1989. "Valerie has been a great asset to the bank. This recognition was our opportunity to show our appreciation for her efforts," Benson said.

"Scouting is a great experience for these girls!! We have gotten into more contemporary issues in girl scouting. Issues like drug awareness, and safety in the home are concerns that are addressed. We are celebrating our 70th year of scouting, and it has come a long way", commented Pat Walenga, Girl Scout service unit-40 coordinator. "Salmagundi at Harlem Irving Plaza gives the girls an opportunity to proudly display various projects, skills, and crafts with which they are involved", concluded Walenga.

Presenting one of the largest banks in the Midwest.

There are basically two kinds of bank customers.

This advertisement is for the one who prefers a bank with large resources, financial clout and expertise in all sorts of money management.

A bank, say, that in two short decades has grown to be one of the Midwest's biggest banks.

A bank that is one of the region's largest lenders (and a bank with a loan portfolio that has consistently outperformed most other banks, big or small).

A bank, in fact, that has been highly

"Diagnostic Cardiac Advances" lecture

The topic of the next Swedish Covenant Hospital Free 1990 Spring Lecture will be "Diagnostic Cardiac Advances" on Tuesday, March 6, at 7:30 p.m. in the Anderson Pavilion Auditorium, 2751 W. Winona.

Dr. Peter Stacy, cardiologist and medical director of SCH's new cardiac catheterization lab scheduled to open this spring, and Dr. Jerrold Shapiro, also a cardiologist on the SCH medical staff, will discuss the latest methods of diagnosing cardiac/vascular problems. Cardiac catheterization, the most comprehensive diagnostic procedure for the heart; and the Color Flow Doppler, the latest addition to the echocardiogram, will be two of the major areas covered in the lecture.

Registration is not necessary.

Free parking will be available in the hospital garage. For more information or a free brochure on the remaining programs call 989-3812.

Activity therapy director at Forest Hospital

Paula Becker, CTRS, has been appointed Director of Activity Therapy (AT) for Forest Hospital, Des Plaines. Becker joined the hospital three years ago, and was named assistant director of the department in July 1988.

The eight-member AT staff designs and implements music, art, dance/movement and therapeutic recreation therapy for all hospital patients—children, adolescents and adults.

A certified therapeutic recreation specialist, Becker is a member of the Therapeutic Recreation Association of Clinical Settings and the National Association of Activity Therapy and Rehabilitation.

Loyola offers free seminar for cancer patients

A series of free classes to help cancer patients learn more about their illness and offer them an opportunity to share their concerns will begin March 7 at Loyola University Medical Center.

The two-and-a-half hour sessions will be held on six successive Wednesdays at 7 p.m. in room 1371 of Loyola's Foster G. McGaw Hospital, 2160 S. First Ave., Maywood, Ill., as part of the "I Can Cope" Program. The program was developed by the American Cancer Society.

Patients who have survived cancer, are receiving follow-up evaluations or are in active treatment are encouraged to participate, said Loyola social worker, Marilyn Myles, M.S.W., a facilitator for the program.

Family members or friends are also invited to the classes to provide support to the patients.

To register, patients should call the Loyola Medical Center social work department at 708-216-4044.

Home Hospice program on terminally ill

Home Hospice of the Visiting Nurse Association North provides medical, emotional, spiritual, bereavement and volunteer support to terminally ill patients and their families.

Home Hospice volunteers are trained through an educational course, of twelve hours, on specifics of Hospice philosophy, communication/listening skills, patient's and family's medical, psychosocial and spiritual concerns, as well as guidelines on volunteer responsibilities.

The next educational program on working with terminally ill patients in a Home Hospice setting will be offered Monday, March 12 from 6 to 9 at the Visiting Nurse Association North office, 2008 Dempster in Evanston. This course will run for four consecutive Mondays and is free of charge open to the public. Each participant will be certified to act as a Hospice volunteer and will receive a training handbook.

Interested persons are advised to call Carolyn Saxton or Linda Sticklin at the Home Hospice office 708/328-1900 by March 8 since space is limited.

YMCA water exercise classes

The Leaning Tower YMCA has begun a new session of water exercise classes, including Water Works Wonders, Aquanastics, Aqua-robics, and a whole lot more. Exercising in the water has a uniqueness all its own that almost everyone can participate.

The Water Works Wonders class is designed for those individuals with joint mobility problems, for example those related to Arthritis, strokes, or surgery rehabilitation. Just being submerged in 84 deg. water and experiencing weightlessness on aching joints can help decrease pain or stiffness and improve or maintain joint flexibility.

In contrast, the Aquanastic classes are designed for "all" individuals wishing to use the resistance of water for muscle strengthening and toning. The ability to swim is now a necessity for this class.

School's out program at Leaning Tower

The Leaning Tower YMCA, 6300 West Touhy Ave., Niles, is holding some great events for the whole family. We will be running a School's Out Program on March 5th for youth ages 6-12 years. The regular program runs from 9 a.m. to 3:30 p.m. with extended care hours from 7-9 p.m. and 3:30-6 p.m. for working parents. Fees are \$6 for AM and PM care.

YMCA trained and qualified staff will lead children thru a day filled with fun activities. Swimming, games, sports, crafts and movies are just some of the exciting activities we will be doing.

Family Fun Nights are held twice a month at Leaning Tower Y. Bring your family for a night of swimming, movies, pre-school gym, open gym and more. This program is free to members and \$5 per family for non-members.

On Feb. 6, these Eagle Scouts attended a "Career Day". They met with career counselors in their chosen vocation or avocation field in 29 different subjects from Aerospace Design and Engineering to Air Force Academy, Bio-Genetics, Computer Science, Robotics Engineering, Medicine, Meteorology History, Physics, and Writing.

On Saturday, Feb. 10, the Eagle Scout Recognition dinner was held at Mr. Peters Banquets in Mt. Prospect to review their accomplishments.

The buoyancy effect that the water has on the body allows for movement that many cannot achieve on land. This class enlists endurance strengthening, aerobic exercise, stretching, warm-up and cooling down.

The Aqua-Robics class is designed for those individuals who are fit - wishing to get more fit. The ability to swim in deep water is a necessity. This is a high level cardiovascular class that incorporates a full range of shallow and deep water exercises. The muscular tension and speed at which you perform each movement will have a greater effect on the body.

All classes are scheduled throughout the day to better accommodate your time needs. For more information contact Laurie Guth or Marlena Botes at Leaning Tower YMCA, (708) 647-8222.

"Oooogy Green and Other Fables"

"Oooogy Green," similar to the "Ugly Duckling" story, dramatizes about the challenges of growing up. The play transports viewers to a world where butterflies talk, bees tease, owls are doctors and where one can overcome the problem of being different. The performance will take place on Sunday, March 4, from 1-2 p.m., at Benjamin Franklin School, 2401 Manor Lane, Park Ridge. Tickets are \$1/person/show and are available at Maine Park Leisure Center. Tickets may also be purchased at the door for \$1/person/show, however seating is not guaranteed.

Our next Family Fun Night dates are March 9th and 23rd from 7-9 p.m. So bring your family for a night of Family Fun!

Family trip to Globetrotters

Those fabulous magicians of basketball are back and the Niles Park District is planning a trip to the Rosemont Horizon on Saturday, Mar. 3, to see the Harlem Globetrotters in action.

The bus will leave the Ballard Leisure Center, 8320 Ballard Rd. in Niles at 6:30 p.m. (game time is 7:30 p.m.) and return approximately 1 hour after game time.

The trip is open to all ages; however, children under the age of 13 must be accompanied by an adult.

The fee is \$12/resident and \$18/non-resident. The fee includes transportation and ticket to game. Registration is being taken at either the Ballard Leisure Center, 8320 Ballard Rd. or the Administrative Office, 7877 N. Milwaukee Ave. For additional information, please contact John Jekot at 967-6975.

YWCA honors Sutera

The YWCA recently honored Linda Sutera at their annual Leader Luncheon, held at the Chicago Hilton and Towers, Chicago. This event gives area business a chance to recognize the women in their organizations who have demonstrated outstanding achievements throughout the year.

Sutera, who currently serves as assistant vice president of customer services at BankersTech, Inc., a member of First Colonial Bankshares Corporation (NASDAQ/FCOLA), was chosen by company president Jon Knutsen for her significant accomplishments during 1989. Linda has been a great asset to the company. This recognition was our opportunity to show our appreciation for her efforts," said Knutsen.

Justice Rakowski to address Kiwanis

Justice Thomas Rakowski, of the Illinois Appellate Court, will be the guest speaker for the Mont Clare/Elmwood Park Kiwanis on Tuesday, March 6. Ross Pontarelli, coordinator announced the meeting will begin with lunch at noon at Biancalana's Restaurant, 7372 W. Grand, Elmwood Park. At 1:00 p.m., Rakowski will speak on, "What is your Appellate Court?"

Justice Rakowski has been a judge for some 13 years before being appointed Justice of the Illinois Appellate Court, and will be a candidate for this position in the upcoming primary, Tuesday, March 20. Prior to being appointed a Justice, Rakowski was serving in the Chancery Division of the Circuit Court of Cook County. When he was up for retention as a Circuit Judge in 1988, he had the highest vote total of any Judge running. Over the years, he has received the highest ratings from Bar Associations and newspaper endorsements and is considered one of the outstand-

ing Jurists in Cook County. Justice Rakowski, a resident of Skokie is a graduate of DePaul U., and the John Marshall Law School.

Kirie pledges to complete Deep Tunnel

James Charles Kirie, Democratic candidate for commissioner of the Metropolitan Water Reclamation District, has stated "I'm running in the March primary to get the federal dollars to keep flood waters out of basements and into the deep tunnel."

Named by one Chicago daily newspaper as a "key player" in obtaining one billion dollars in federal grants for TARP (Tunnel and Reservoirs Plan), Jim Kirie, a former state representative, has a track record of working with legislators in Springfield and Wash-

ington. "We have to finish TARP with its deep tunnel with federal funding," Kirie said. "We cannot increase property taxes in Cook County."

"We must purchase two old stone quarries in McCook and Thornton, as reservoirs for the storm water. We cannot use the basements of Cook County taxpayers as reservoirs for storm water," Kirie said.

"We started deep tunnel. If I'm elected, we'll get the money to finish it."

Veterans meet with Annunzio

Congressman Frank Annunzio (center) (11th Dist.-Ill.) meets with officers of the National Jewish War Veterans who were in Washington to express their views on issues of special concern to America's veterans. From left to right, the officers are Mike M. Singer, Commander, Department of Illinois, NJWV; David H. Hynes, past Department Commander, NJWV, who is a constituent from Lincolnwood; Herman H. Moses, Chariman,

National Executive Committee, NJWV; and Ralph Stillman, National Sergeant at Arms, NJWV, who is a constituent from Chicago. A longtime supporter of Veterans' causes, Annunzio was a co-sponsor of recently enacted legislation which elevated the Veterans Administration to Cabinet-level status by changing it to the Department of Veterans Affairs.

Gardner describes plans for flood relief

Frank Edward Gardner, Democratic Candidate for Commissioner of the Metropolitan Water Reclamation District, has described his plans to provide flood relief to suburban Cook County.

Gardner, an 11 year employee of the District, is committed to completion of the Tunnel and Reservoir Plan (TARP) including construction of tunnel under the Des Plaines River which will capture all of the combined sewer

discharge which now overflows into the river during storms. Gardner would also implement stop gap measures to provide immediate relief. Emergency flood teams would educate municipalities and civic groups in the proper use of sandbags and other flood control techniques. The banks of the Des Plaines River could be cut back to widen the flood plain safely and economically. Finally, Gardner would seek

legislation to require Lake County to assume responsibility for detention of excess flood waters which it presently allows to flow downstream and flood Cook County.

Chicago Federation of Labor endorses Grogan for Judgeship

Cook County Democratic judicial candidate John Brennan Grogan has been endorsed by the Chicago Federation of Labor for the March 20 primary, according to union officials.

The CFL, which represents more than 500,000 members in over 300 union locals throughout metropolitan Chicago, cited Grogan's concern for the interests of working people in making the endorsement.

Two other major unions, the Chicago Fraternal Order of Police and Chicago Firefighters Union Local 2, have already endorsed Grogan in the primary.

A top attorney with nearly 30 years of trial experience, Grogan said he was gratified by the strong labor support his candidacy has received.

O'Grady demands tougher alcohol, drug law

Calling alcohol, "the gateway to drug abuse among our young people," and citing drugs as "the true cancer on our society," Cook County Sheriff James E. O'Grady today announced the filing of legislation in Springfield aimed to deter the illegal use of alcohol and drugs among young people, between the ages of 15 and 21, by severely restricting their driving privileges.

According to O'Grady, these new measures he is seeking "would force our young people to think hard before jeopardizing their health, other's lives, and their own car keys! It is time everyone throughout the state addresses these problems boldly, vocally, and effectively!"

House Bill 2860, filed in Springfield recently, has been sponsored in the Illinois General Assembly by 14th District State Representative Roger P. McAuliffe. The bill calls for an automatic two-year revocation of a person's driver license following an alcohol-, drug-, or controlled-substance-related conviction. If the person does not possess a driver's license at the time of con-

vicition, he would be forced to wait two additional years before being allowed to begin the license-application process.

The legislation also calls for a mandatory "problem-evaluation" of the person by trained personnel, as well as proof of successful completion of appropriate alcohol or drug counseling before the two-year revocation is lifted.

The Sheriff stated that he had been working with McAuliffe and his legislative staff since early this year to have the new law passed. A similar O'Grady-McAuliffe measure-HB 492-was filed this past March, but was stalled in committee. The new proposal, following research and agreement between the respective staffs, the Secretary of State's office, and the Legislative Reference Bureau, would have an immediate effective date if passed by the legislature and signed by the Governor.

Marti Page, Executive Director of Mothers Against Drunk Driving (MADD) here in Illinois, stated, "In the United States, drunk driving is the leading cause of death for young people be-

Marcus endorses Edgar for governor

Sheldon Marcus, Republican committeeman of Niles Township, today reaffirmed his support for gubernatorial candidate Jim Edgar.

"Jim has been unanimously endorsed by the Illinois Republican State Central Committee and the Illinois Republican County Chairman's Association," Committeeman Marcus said.

"I know that the people of Illinois have appreciated Jim's straight talk during his years as Secretary of State and his campaign for governor," Marcus added.

"Jim's record speaks for itself. He has been a great Secretary of State. He has cracked down on drunk driving, led the fight to require all motorists to be insured, and spearheaded efforts to address the problem of adult illiteracy."

"Jim has also made sure the taxpayers get their money's worth

through his businesslike management of the second largest office in state government."

Marcus added, "Jim also has stressed that he favors holding the line on state taxes. His approach of keeping the income tax at its current level will assure adequate funding for the school children of our state and guard against even higher property taxes."

"Others are trying to deceive Illinoisans by suggesting that we can roll back the income tax, adequately fund our schools, and keep the lid on property taxes. I don't think folks in this area are going to be fooled by politicians who promise those things just to get elected."

"We are going to respond to Jim Edgar's sound approach. We know him as a public official who has done the right things for the taxpayers of our state. Jim will make an outstanding governor."

Judge Bronstein honored

Judge Philip Bronstein was recently honored for his contributions to City Government as a member of the Corporation Counsel's office, and also for his appointment to Judge by the Illinois Supreme Court.

Judge Bronstein and his wife Jody are residents of the northern suburbs.

Judge Bronstein is a candidate in the upcoming primary election on Tuesday March 20th.

Pullen supporters plan brunch

Supporters of State Rep. Penny Pullen's re-election bid are planning to celebrate the Park Ridge lawmaker's birthday with a Sunday Brunch, March 4, from 11:30 a.m. to 2 p.m. at Chateau Rand, 900 Rand Rd., Des Plaines.

Tickets at \$50 or \$75 per couple may be reserved by tele-

phoning 692-5511. Proceeds of the brunch will assist Rep. Pullen's campaign for re-election. She is being challenged in the March 20 Republican Primary and is seeking her eight term in Springfield, where she serves as Assistant Republican Leader.

Dentist donates talent for Earnest

A Park Ridge dentist has contributed a mouthful to the Body Politic Theatre's current production of "The Importance of Being Earnest."

In constructing a dental appliance for Park Ridge actress neighbor and client Joan Spatafora, Dr. Raymond Henneman has added a new dimension to Spatafora's character. Miss Prism -- a lispng, English governess. At Spatafora's request, Henneman was able to construct a dental piece that changes her facial expression and the tone of her voice.

Known as a dental veneer, the mouthpiece is a cosmetic appliance constructed specifically to create a desired effect. Worn over

her upper front teeth, the plastic and wax appliance makes it easier for her to speak with an English accent because of the changes it makes when she speaks.

A Park Ridge resident for 29 years, Henneman is a member of the city's Chamber of Commerce. Practicing dentistry for almost 36 years, he is also a faculty member at the Loyola University School of Dentistry. He and his wife Betty, Park Ridge City Clerk, are politically active in the community.

The Importance of Being Earnest will continue at the Body Politic Theatre, 2261 N. Lincoln from now until March 4. For ticket information, call (312) 871-3000.

Loyola Academy Pops Concert

The Loyola Academy Band celebrates 25 years of their instrumental music program with a Winter Pops Concert on Sunday, March 4, at 3 p.m. in the school gym. The academy's first band program flourished under three

directors from 1938 to 1950 and was reinstated by Dr. Ken Bartosz in 1965.

As part of the anniversary celebration, a second LA Band Reunion is scheduled for Saturday, March 3 at 7:30 p.m. It includes a liturgy and a social hour at 8:15, followed by a rehearsal for the next day's performance of Anton Dvorak's "Finale to the Symphony 'From the New World.'" at the pops concert. Forty Loyola Band alumni, representing twenty years of LA band activity from 1968 to 1988, have already signed up for the return engagement.

Oil demo at Niles Art Guild

The Niles Art Guild will present Jo Parenti, giving a demonstration in oils, at their next monthly meeting on Wednesday, March 7, 7:30 p.m. at the Niles Recreation Center, 7877 Milwaukee Ave., Niles.

Jo Parenti For this evening's program, she plans on using fresh flowers for

her subject and in her demonstration, she will share her thought process in creating a painting and carry it step by step to the finish.

Parenti is a graduate of The Chicago Academy of Art and also attended the Art Institute and Evanston Art Center. Her two most memorable teachers were Soojai Lee Yoo and the late Paul Weighart.

Her most recent exhibits were at the Kraft Corporate Headquarters, The Walgreen Co., Resurrection Hospital and in March will be exhibiting at the Lutheran General Hospital.

She enjoys giving painting demonstrations and seminars which she has done in Chicago and suburban art leagues and schools.

Anyone interested in art work or being a patron of art, is most welcome at our meetings. No guest fee. Refreshments will be served.

Maine East Orchestis dance concert

When Maine East Orchestis takes center stage at this year's dance concert, the girls' performance will have a polished, professional look through the efforts of Mrs. Juli Campbell, this year's Orchestis assistant sponsor working with sponsor Betty Fisher.

Juli Campbell is a professional dancer with Jan Erkert and Dancers, a well known modern dance troupe based in Chicago. She has toured throughout the United States with the company the last five years, and this past summer she participated in a six week trip to Taiwan, where she took modern technique classes and also performed.

The Taiwan trip for Campbell and Jan Erkert was funded by a foundation called Chicago Artists Abroad.

A typical day for Campbell in Taiwan was to wake up at 7 a.m., eat breakfast, and take a crowded rush hour bus for 40 minutes to the city of Taipei, Taiwan's capital. "I became very skilled at fitting into small spaces." At the Crown Dance Studio she took modern technique class and then rehearsed three to four hours with Pearl, Wendy, and Jo, three Chinese dancers who spoke English.

At the end of six weeks, Campbell and the three Chinese dancers performed five concerts at the National Theater of Taiwan. "By that time we had all become great friends, which made performing together enjoyable." Tickets were \$15 each, and the five concerts were sold out two months in advance.

How did Campbell get started as a dancer? She became involved in Orchestis at Prospect High School. From there she went to the University of Illinois/Champaign, where she received a bachelor of fine arts degree. While there she met Jan Erkert, who at the time was an artist in residence planning to start her own dance troupe. She asked Campbell and seven other dancers to be part of her touring dance company. After a few years, it became too expensive to pay eight dancers so Erkert let four of the dancers go, keeping Campbell and three others. "I feel very fortunate to have met Jan. Her movement is very exciting to perform."

Campbell and Jan Erkert and Dancers are now working on their next performance, which will take place at two colleges in Wisconsin and Michigan mid-March. After that the modern dance group will return to Chicago, where they will finish their tour at the Mo Ming Dance Center in late March.

Maine East Orchestis sponsor Betty Fisher and assistant Juli Campbell, along with members of Senior and Junior Orchestis, present "A Moving Experience" on Friday and Saturday, March 2-3, at 8 p.m. in the Maine East auditorium. Tickets are \$3.50 per person and will be sold during the lunch periods or at the door.

Traditional music at Centre East

The centuries-old tradition of THE VIENNA CHOIR BOYS and the Irish good-time melodies of THE CHIEFTAINS highlight the weekend of March 10-11 at CENTRE EAST in Skokie.

THE VIENNA CHOIR BOYS return to CENTRE EAST Saturday, Mar. 10 at 8 p.m. The two dozen boys, ages 10-13, present a program of costumed operettas, sacred songs, secular and folk music that will delight the entire family.

Created by Imperial Decree in 1498, THE VIENNA CHOIR BOYS are approaching their 500th anniversary of performing. The collapse of the Austrian Hapsburg Empire in World War I temporarily shut down the institution, but in 1924 it was resurrected by Joseph Schmitt. The Choir first performed in America in 1932 and has returned many times since.

The coming of St. Patrick's Day is most appropriate time for the CENTRE EAST debut of THE CHIEFTAINS, the world's foremost purveyors of traditional

Irish folk music. For more than 25 years, this six-man group has performed a wealth of traditional music, making it their own with a style that is as exhilarating as it is definitive.

THE CHIEFTAINS, playing at CENTRE EAST on Sunday, Mar. 11 at 3 p.m., have nearly 20 albums to their credit. They take Irish folk sounds to the world at large by playing ancient music with timeless joy.

Tickets for both THE VIENNA CHOIR BOYS and THE CHIEFTAINS are \$18 and \$16 and are available at the CENTRE EAST Box Office, 7701 N. Lincoln Ave. in Skokie, or at any TicketMaster outlet. Group rates are available and Visa, MasterCard, American Express and Discover are accepted. To order tickets by phone, call the box office at (708) 673-6300 or TicketMaster at (312) 902-1500.

Also please remember the rescheduled date for THE LETTERMEN at CENTRE EAST: Saturday, March 24 at 8 p.m.

Kim Sisters perform in concert

Sister violinists Elizabeth and Angela Kim will perform on March 4 at 3 p.m. in the Skokie Public Library's Young Steinway Concert presented in association with Savings of America.

Thirteen-year-old Elizabeth and her eleven-year-old sister Angela have nineteen years of violin studies between them. Both began their musical studies as preschoolers with Betty Haag's Suzuki Academy of Performing Arts. They have since toured Europe, played at Carnegie Hall and appeared on several television programs.

Recently Elizabeth received Honorable Mention in the Illinois Young Performers Competition. Angela is a winner in the Barrington Music Competition. The Kims attend Maple Junior High in Northbrook.

Free tickets will be distributed one-half hour before the performance on a first-come, first-served basis.

The Library is located at 5215 Oakton St. in Skokie.

Lectures at Botanic Garden

Greater Chicago's meeting, Don Beadle of Corpus Christi, Texas, chairman of the Hybrid Registration Committee of the Bromeliad Society, Inc., will give a presentation at 2 p.m. on Billbergia hybrids at the Botanic Garden.

The Chicago Botanic Garden is located on Lake-Cook Road in Glencoe, one-half mile east of the Edens Expressway. The Botanic Garden is open every day except Christmas from 7 a.m. until sunset. Admission is free; parking is \$3 per car. The 300-acre facility is owned by the Forest Preserve District of Cook County and managed by the Chicago Horticultural Society. Children to celebrate telephone anniversary

The Kohl Children's Museum will celebrate the famous words, "Mr. Watson come here, I want you." Alexander Graham Bell's first telephone message in 1876 at Cambridge, Mass. Marking this historic moment's 114th anniversary Saturday and Sunday, March 10-11, the Kohl Children's Museum will have Telephone Days. Activities will take place at 10:30 a.m. and 2:30 p.m. on Saturday and 1:30 p.m. on Sunday.

Make a telephone with paper cups and string. Answer a telephone quiz: How many buttons on a phone? How many numbers on a phone? What is your phone number?

Children's programs at Botanic Garden

The Chicago Botanic Garden is offering a variety of spring programs for children of all ages.

For toddlers, ages three and four, two story times are scheduled. On March 9 and 10, "On Safari" will be the theme for the program which includes a story and crafts project for children to take home. It is scheduled at 9:30 a.m. on Friday, March 9 and at 9:30 and 10:45 a.m. on Saturday, March 10. "New Beginnings" is the topic for story times at 9:30 a.m. on Friday, April 13 and at 9:30 and 10:45 a.m. on Saturday, April 14. Each session is \$4.

Also planned for three and four year olds is the Nature for Tots program. "In the Rain Forest" is scheduled for 9:30 to 10:30 a.m. and from 11 a.m. to noon on Wednesday, Feb. 28. On March 28, the program will be "Rainbow's End" and is scheduled from 9:30 to 10:30 a.m. and again from 11 a.m. to noon. "Spring's Here!" scheduled from 9:30 to 10:30 a.m. and 11 a.m. to noon on Wednesday, April 25. Cost for each program is \$4.

Indoor driving range

The Niles Park District's Ballard Leisure Center, 8320 Ballard Rd. in Niles, expands the use of the Indoor Golf Room to include an Indoor Driving Range. The room may be rented by those 16 years and over. Rental rates for the driving range are: 1/2 hour-\$3.50 and 1 hour-\$5. Please call Bruce at 824-8860 to reserve time.

St. Patricks Day at Kohl Museum

Children will celebrate St. Patrick's Day in traditional green garb and not so traditional green sunglasses at the Kohl Children's Museum, Saturday, March 17.

All day long there will be green dress-up clothes in the Be A Star! exhibit area. Children can don green hats, green pants, green ties, green shirts and even green wigs and watch themselves being monitored on the TV. At the make-up tables, use our special green make-up and really feel like a leprechaun.

Children will also use plastic six-pack holders, pipe cleaners and green cellophane to make sunglasses at 10:30 a.m. and 2:30 p.m.

Even learn about the "Emerald Isle" Ireland through a map and other fun facts.

The Kohl Children's Museum is located at 165 Green Bay Road, Wilmette. Hours are Tuesday-Saturday, 10 a.m. - 4 p.m.; Sunday, noon-4 p.m. Admission \$2.50; children under two years are free. For more information, call 708/256-6056.

Make use of our new Tele-Kid exhibit donated in part by General Communications Telephone Inc. Five phones are spaced throughout the Museum floor. Dial 22 and reach our Jewel/Osco exhibit. Call Jerusalem on 21 and the International Village on 25. Numbers 23 and 22 take you to other exhibits in the Museum.

The Kohl Children's Museum is located at 165 Green Bay Road, Wilmette. Hours are Tuesday-Saturday, 10 a.m. - 4 p.m.; Sunday, noon-4 p.m. Admission is \$2.50; children under two are free. For more information, call 708/256-6056.

For five to seven year olds, the Botanic Garden is offering "Rain Forest Adventures" from 10 a.m. to noon and 1 to 3 p.m. on Saturday, March 24. This program will introduce children to the wonders of tropical rain forests. Cost is \$13 per child.

"It's Spring!" will introduce children five to seven years old to the many flowers and birds at the Garden during spring. This program is scheduled from 10 a.m. to noon and 1 p.m. to 3 p.m. on Saturday, April 28. Cost is \$13 per child. Pre-registration is required.

For additional information about these courses, call the registrar at (708) 835-8261. The Chicago Botanic Garden is located on Lake-Cook Road in Glencoe, one-half mile east of the Edens Expressway. The 300-acre facility is owned by the Forest Preserve District of Cook County and managed by the Chicago Horticultural Society.

Park's recycling workshop

Teachers, group leaders and concerned citizens, alike, can participate in the Park District's recycling workshop. The program will address issues such as consumer habits and environmental awareness. The workshop will take place on Monday, March 12, 7-9 p.m., at the Wildwood Nature Center. The fee is \$1.

Camp coordinator position open

The Morton Grove Park District is currently accepting applications for a Camp Coordinator for the 1990 Summer Day Camps. This individual would be responsible for supervising a staff of approximately 25 counselors and overseeing day-to-day operations of 5 day camps. A 4 year college degree is required in addition to relevant work experience. Work hours are Monday through Friday from 9 a.m. to 5 p.m. beginning early June. For more information call Sue Burton or Diane Stanke at 965-7447.

Childcare supervisor wanted

The Morton Grove Park district is seeking an Afterschool Childcare Supervisor to begin in late February. This individual must be 20 years of age, have previous experience working with children, and be able to work Monday thru Friday from 3 to 6 p.m. The pay range is \$5 to \$6 per hour, depending on experience. For more information call Sue Burton or Diane Stanke at 965-7447.

St. John Brebeuf third grade patriots

One of the activities during Catholic Schools Week by the Third Graders at St. John Brebeuf School was to put on a patriotic program for their parents. As each letter of the alphabet was displayed, an important event in the United States' history was explained or dramatized. Appropriate patriotic songs were interspersed as the three rooms of third graders recounted the history of our country.

Keith Gibbons chosen merit finalist

Keith Gibbons, a Senior at Notre Dame High School for Boys in Niles, has been chosen as a National Merit Finalist. Keith is the son of Robert and Sharon Gibbons of Chicago (60630). Keith, who has been on the school's First Honor Roll the last three years, was chosen for his outstanding academic record.
Keith has also been an outstanding student in other ways. He has been a member of the golf team for the last four years and was twice honored as its scholar-athlete. This year Keith was named the team's Most Valuable Golfer. Keith is the editor of the school newspaper Focus and is the Senior Class Vice-President.
Keith is one of less than half of one percent of American seniors now considered for National Merit Scholarships. Nationwide, 14,000 students qualify as National Merit Finalists and only some 6,100 will be selected as National Merit Scholars. Scholarships will be announced in April and May.

OLR Honor Roll

At Our Lady of Ransom School, 8300 N. Greenwood, Niles, Sr. Geraldyn Mroczkowski, principal, announced the second quarter Honor Roll for grades 7 and 8. The following 8th grade students received first honors: Mary Peter (Des Plaines); Marlene Galicia, Paul Kotz, Raffaella Mazzeo, Beata Ostrega, Antonino Miceli (all of Niles); and Stephen Kopec (Park Ridge).
The following 7th grade students received first honors: Heather Anichini, Jennifer Bode, Bernadette Gil, Jennifer Sasse, Melissa Walters (all of Park Ridge); Patricia Dzialanski (Niles); and Kessar Nashar (Des Plaines).

Geography bee at Washington School

The sixth grade students at Washington School participated in the 1990 National Geography Bee sponsored by the National Geographic Society. The students answered a wide variety of oral questions covering physical, regional, political, cultural and economic geography. The ten finalists were: Angie Bello, Jason Brzozowski, Lisa Choi, Jenny Cohen, Ron Joseph, Scot Levine, Boris Maslovsky, Hiromitsu Miyajiri, Ryan Moorad and Amy Tanaka.
From this round, Jason Brzozowski and Boris Maslovsky, competed for the championship of Washington School. Brzozowski won this final round, and has taken a written test to qualify for the state competition March 30. The winner of each state-level competition will travel to Washington, D.C. in May, where Alex Trebek, host of Jeopardy, will moderate the national finals.
Washington School is located at 2710 Golf Road in Glenview and is in East Maine #63 school district.

Edison continues light bulb service

Dollar-a-pound steak, bread for 19 cents a loaf, and 35-cents-a-gallon gasoline may be distant memories, but you still can take advantage of a consumer bargain that sounds almost too good to be true in 1990. Commonwealth Edison's popular light bulb service enables Edison customers to purchase bulbs at prices not seen for years in retail outlets.

For no more than 92 cents a month, customers can obtain four bulbs each monthly billing period. The incandescent bulbs range in wattage from 25-300 and even include 40-watt lights for your oven or refrigerator. Commonwealth Edison is the only remaining electric utility in the United States that offers light bulb service.

Edison's light bulbs also have a longer life, on average, than other bulbs. For example, the company's 100-watt bulb has an average life of 1,750 hours, while a similar retail bulb averages 750 hours.

If you are not among the Edison customers now receiving this service, just call your local Edison office, listed in the white pages of the telephone directory, or stop by any Edison office. Once you have requested this service, just present your bill stub each month to obtain the bulbs from any of the Edison offices or light bulb agents, which are conveniently located throughout the company's northern Illinois service territory.

Cragin Grand Opening in Morton Grove

Cragin Federal Bank kicks off the grand opening of its new Morton Grove office on Friday, March 9. The theme will be the Great Savor Grand Opening, a special promotion with two McDonald's restaurants in Morton Grove and Glenview.

Customers who visit McDonald's at 6309 Dempster Street in Morton Grove or 530 Waukegan Road in Glenview anytime between Friday, March 9 and Friday, April 20 can pick up a free instant Win Game Card. Every card is a guaranteed winner. To find out what you've won, just stop in Cragin's Morton Grove office, 9330 Waukegan Road, and Cragin employees will reveal your prize. One grand prize, a trip for two to Disney World, including airfare, accommodations and \$200 spending money, will be given away. Other prizes include TVs, clock radios, pocket calculators, dictionaries and thousands of McDonald's food items.

The first 500 people through Cragin's doors on Friday, March 9 and Saturday, March 10 will receive a free door prize. Customers can also win up to \$100 cash when they open a passbook or statement savings account. By popping a grand opening balloon, they'll discover whether they get \$1, \$2, \$5, \$25, or \$100 added to their account. Cragin will also add 1/4 % bonus to any new Cragin CD of six months or longer.

Plus, Cragin will waive monthly fees for six months on all new checking accounts and customers will get their choice of two handy totes.

Later in April, Cragin will sponsor cholesterol screening on Friday, April 6 from 9:30 a.m. to 5:30 p.m. No appointment or fasting is necessary; results are ready in just three minutes. To learn how to make your money work harder, area residents can attend Cragin's free Earn-More-Keep-More seminars and take home a free copy of "Retiring Your Way: the Cragin Guide to Financial Independence." The seminars are scheduled for Tuesday, April 3 at 10 a.m. and Thursday, April 12 at 6:30 p.m. To reserve your place, call 312/889-5812.

The full-service office features six teller windows, four savings counselor desks, a walk-up window and an indoor, 24-hour Cash Station machine which is linked to the nationwide CIRRUS ATM network. The addition of the Morton Grove office brings the total number of Cragin branches to 25.

Cragin Federal Bank, Illinois' fourth largest savings institution with assets of \$2.4 billion, operates Family Financial Centers in Chicago and the northwest and western suburbs.

Skokian has role in "Fiddler" production

David Fovsner, a former Skokian and graduate of Niles East High School, has returned to the area in the role of Mendel in "Fiddler on the Roof" at the Civic Opera House in Chicago.

David spent the last year and a half as the Professor in the National Tour of "South Pacific" and has performed off-Broadway in "Bang Bang Uber Alles," (The Ku Klux Klan musical) at American Place Theatre.

He has worked extensively in regional theatre, his favorite role being Charlie in "Tintypes" and his TV work including "As The World Turns" and "Saturday Night Live."

"Fiddler" opened at the Civic Opera House yesterday and runs through Sunday, March 11. The internationally acclaimed actor, Topol is recreating his renowned stage and film role as the outrageous and lovable Tevye.

Lawrence House salutes the Irish

Practice your Irish brogue and find something fabulous green to wear. The public is invited free of charge to The Lawrence House, 1020 W. Lawrence, for a St. Patrick's Day Salute to the Irish, from 3 to 5 p.m. on Friday, March 16.

Irish ale (non-alcoholic, of course) will be served with other refreshments and there will be prizes for the best Irish brogue and the most original wearing of the green.

The entertainment will be provided by the renowned Mullane Dancers - fifteen youngsters between the ages of four and seventeen - who will perform Irish step dancing. These young people are students at Mullane's School, where they learn competitive Irish step dancing to the tunes of reels, jigs and hornpipes.

Brother-and-sister teaching team Michael and Mary Alice Mullane are North American Irish step dancing champions and have competed in world competitions held in Dublin. The Mullanes started to dance at age four.

For reservations for this gala afternoon, call 561-2100.

Older adult offered Humanities course

Many older persons have formally retired from jobs and careers yet find that their rich fund of experiences are illuminated and clarified in literature, philosophy and history. And in turn, their recollections and critical, creative vision can contribute to understanding in these fields. Exploring the humanities can help make the later years a time of expansion of interest as well as one for reflection and synthesis.

Older Adult Services located at 9375 Church St. in Des Plaines is offering its clients an opportunity to participate in humanities courses. "Self-discovery through the Humanities" is a program based on the assumption that the humanities offer mature Americans unlimited opportunities for self-discovery and personal growth.

This program explores many elements of the work experience and the meaning of work in our lives and in the development of the country. Through literature, biography, art and music, the program reflects the changing conditions and attitudes that have affected the labors of all Americans. The revolutionary changes which older Americans have personally witnessed provide them with a background to understand and appreciate the economics and history of recent decades.

Humanities courses run for eight weeks at the Des Plaines site and the clients look forward to each session.

For more information about the humanities course being offered call (708) 824-5183.

Older Adult Services is a division of Parkside Senior Services, a member of Lutheran General Health Care System.

Historical preservation workshop

Over 40 area historical societies and museums have registered some 150 delegates for the workshop on "Putting History Back Into Historical exhibition," to be held on Saturday, March 24, from 8:30 a.m. to 4 p.m. at Oakton Community College in Des Plaines. This workshop has been awarded a grant by the Illinois Humanities Council and is also being funded by the North Eastern Illinois Historical Council, which is responsible for putting it on.

Dr. Ellsworth Brown, President and Director of the Chicago Historical Society, will be the keynote speaker. His topic, "What Is History and How Can You Tell?" is at the core of the historian's profession.

The sponsors and consultants for the N.E.I.L. workshop, by their professional and financial support, have underscored the importance of the historical process. Miss Mary Janzen, Assistant to Dr. Ellsworth Brown at the Chicago Historical Society, has been a consultant to the N.E.I.L. Workshop Committee since its inception. Miss Ruth Truett, representing the Congress of Illinois Historical Societies and Museums (CIHSM), has also helped in developing the N.E.I.L. workshop. Oakton Community College has generous offered its facilities for the workshop.

This workshop is open to everyone with an interest in historic preservation. Registration for the workshop, including luncheon, is \$25. Checks should be made out to N.E.I.L. Workshop and sent to the North Eastern Illinois Historical Council, P.O. Box 48073, Niles, IL 60648-0073.

Oakton and Milwaukee turned over several times.

There were no banks in Niles. In Morton Grove the First National of M.G. was the closest bank in the area.

Today, the big boys have come in. The discount drug stores are the only game in Niles. Morton Grove has one independent drug store at Menard and Dempster.

No doubt many will say this is progress. But is it really?

The families who owned these businesses became deeply involved in their community. Niles Woman's Club and Niles Library were hatched in the druggist's home-Pankau. The ladies meeting on Ozama Avenue started a house-to-house drive to gather books. They got a corner of the Grennan Heights fieldhouse for their library. Trustee John Foeschl and several of his cohorts built the shelves which housed the books.

When it was time to pass a school referendum, it was the same people who banged on doors and asked their neighbors to raise their taxes so they could have more schools, better sewers and more parks.

During those early days every baseball team and bowl-

ing team in town seemed to be seeking donations from Pankau and Hartzak and Alert TV to sponsor them and they were seldom turned down. When the churches in town needed donations, who did they first go to? Of course, the small independent business person in town.

One time Ron Pankau went back to his store at 2 a.m. to get a coagulant for my wife who had a problem after the birth of one of our kids. At the cub scout and boy scout meetings, several of the volunteers were the local businessmen in town. They contributed and they gave and they gave. And when the big guys came into town and people could save a couple of bucks, the little guys had to close their doors.

We wonder how many church people who benefited from the never-ending giving, still paid a few more cents to support the local independent who gave to their church, their scout group, baseball team and sponsored their bowling team? And how many people who use the library saved a few pennies with the big guys, passing by the store-owner who helped create the library?

The little business people created the Bank of Niles. And their loan payments through

the years created a highly profitable business which is now owned by one of the big people.

We're sure the people who settled in the community before World War II had similar feelings. In Niles, the Bachers and in Morton Grove, the Dilgs literally built their towns with their own hands. The first village-hall fire station in Niles, where the circuit court offices were on Milwaukee and Touhy Avenues, was built hand by hand by the Bachers and the Hoebels and the old timers in town. They held picnics to raise money for the lumber and bricks which created the first village hall. We know people who came here in the fifties had little appreciation for these prior efforts. The old timers, too, gave and gave and gave to the community, making it a better place to raise a family.

Perhaps, we'll save a few pennies when we support the discounters. The stores will have more of. The merchandising will prove more attractive. But when closing time comes, they take their money and run. The big guys don't live here. And the money they acquire in the community is likely to go elsewhere.

Are we really better off?

will continue to do so in the future.

The provisions of the new contract include: PACE will not participate directly in NORTRAN's collective bargaining with its unions, but will be kept informed of all proceedings.

PACE will fund NORTRAN's "reasonable" expenditures that go beyond NORTRAN's line item budget if funds are available.

NORTRAN's farebox revenues which totals 37% of its total operating costs will be turned over directly to PACE.

The contract term is for one year, unlike past agreements

which were for three years. The only decision NORTRAN is still waiting for is the renewal of its Intergovernmental Agreement, which was drafted by elected officials and the Northwest Municipal Conference. The agreement establishes policies and guidelines for long-range planning and solidifies the working relationship between the two agencies. The PACE Board will vote on the renewal of this agreement at its March 7 Board meeting.

NORTRAN, founded in 1972, is the second largest single bus operator in Illinois serving 28 North and Northwest suburbs and

approximately nine million passengers yearly. Its Board of Trustees consists of representatives from the communities NORTRAN serves.

the sequence of lane closures is "all staged-out" through various stages but he would make "no realistic assessments" of the actual timetable while weather is unpredictable. The state engineer anticipated "fairly serious" lane closings would begin the week of March 5.

"This is not a repair project; this is a complete reconstruction," said Giovanni, adding "Everything is coming down - the bridge, the walls, the overhead, the sewers, etcetera. We're putting in new drainage...everything." However, Giovanni anticipated that there would be at least one lane of traffic in each direction.

using computerized machinery to measure the presence of cocaine, marijuana, heroin, barbiturates, amphetamines, hallucinogens, morphine and methadone.

The 20 year old Chicagoan who was first charged under Ordinance 21-63 faces a \$1,000 fine and/or a six month prison sentence if convicted. He also will appear in Dist. 2 Court the following day, charged with driving under the influence of alcohol, having an excessive blood alcohol level, fleeing and eluding an officer, driving 52 mph in a 35 mph zone, and driving an uninsured vehicle. In addition, he was cited for several other traffic violations.

The Chicago driver was speeding past Niles Officer Thomas Cierniak, who was on routine patrol in the 6800 block of Harlem Ave. Feb. 19. According to reports, Cierniak pursued the offending red Monte Carlo as it sped up and down side streets. The car lost control on Onarga Street, east of Oconto Avenue in Chicago.

Two passengers reportedly

"It's going to be an inconvenience to a lot of people, no question about that," the state engineer said, vowing that businesses along the route would be kept open "at all costs." In the event a side street along the route might have to be temporarily closed, the engineer indicated residents would not be deprived of the use of that street for more than "a day or two at a time."

"According to the original contract awarded to Kinney Construction, repairs must be completed by Sept. 30, 1991, or daily fines of \$1500 will be assessed.

Centel bill payment centers

Beginning March 1, Central Telephone Company will establish new bill payment centers in Rosemont, Park Ridge and Des Plaines, replacing a drive-up window at the company's Miner Street building in Des Plaines.

"We want to make telephone bill payment as convenient as possible," said Barbara Seelig, business office manager for Centel. "The new payment locations will make paying phone bills in person easier for more of our customers."

Seelig noted that the business

office at 2004 Miner St. will continue to be open during regular business hours. In addition, a 24-hour bill payment outdoor deposit box at Miner St. also will continue to be available for both drive-up and walk-up deposits.

The new payment centers are: Brook's Pharmacy, 9511 Higgins Rd., Rosemont (hours: Monday-Saturday, 9 a.m.-10 p.m. and Sunday, 9 a.m.-6 p.m.)

Reick's Ace Hardware, 700 N. NW Highway, Park Ridge (hours: Monday-Friday, 8 a.m.-9 p.m., Saturday, 8 a.m.-6 p.m. and Sunday, 8 a.m.-5 p.m.)

Madison National Bank, 9190 Golf Rd., Des Plaines (hours Mon. Tues. and Thurs. 9 a.m.-3 p.m., Friday, 9 a.m.-7 p.m. and Saturday, 9 a.m.-1 p.m.) Bill payment not available at drive-through.

Seelig added that two other 24-hour outdoor deposit boxes, which are situated in walk-up locations, are in Park Ridge in the Centel building at 36 S. Fairview Ave., and in downtown Des Plaines in the Centel office at 767 Pearson St.

For more information on bill payment locations, call Centel's business office at (708) 699-2455.

Grennan Heights... Continued from Page 3

As of Jan. 16, the park district board gave emergency authorization to Mundelco contractor E.W. White to repair the roof, budgeting \$35,000 for the project. Repairs were to begin the following week and Grennan was expected to re-open the first week of February.

But the New Jersey-based manufacturer of the roofing materials did not ship product as early as promised and repairs could not commence until early February.

During the week of Feb. 10 basketball leagues and fitness classes were allowed back in the gym. At the time, only the flashing remained to be repaired. Due to inclement snow and rain conditions, White workers still had not finished the flashing Feb. 21. On that day, water from the roof again began coming through the ceiling onto the gym floor, sending staffers to the phones to inform registrants.

"There was quite a bit of water on it (the wood floor) but any damage is minimal," Park Superintendent Mike Rea said, adding, "Every time we start it, either it rains or it rains." The superintendent felt that the actual repair costs would be less than anticipated. "We're going to come in under \$35,000."

Lippert praised the prompt efforts of Rea and Athletic Program Supervisor John Jekot and their staffs. Referring to Jekot's frustration over the delays and shuffling of programs, Lippert said, "Grennan means a lot to him. He's done an outstanding job."

Jekot says less than 10 of the

130 or so fitness class members have complained about the gym shutting. He is also one of those optimistic that any water damage to the wood floor is minimal and that Grennan will soon re-open.

"People see the plastic and equipment on the floor and they assume the worst," Jekot said as he lifted sections of the clear vinyl to reveal apparently undamaged flooring beneath where the worst leaks occurred. The supervisor noted that if any warranty occurred, it would not show up immediately, however.

According to Lippert, the repair agreement contains a penalty clause and the contractor is responsible for damage and delays. In addition, the district will withhold full payment until problems, if any, are ascertained.

"There's no way we'll make payment 'til we feel comfortable about that floor," Lippert asserted, noting that E.W. White owner has been on-site including on the roof during the project. Lippert complained that the supplier and contractor should have been "more upfront" about the delay in shipping the Tro-Cal roofing needed for the project, however, saying park attorney Gabriel Berrafo was involved in the matter.

Jekot indicated the district's used foresight by having the Ballard School gym and having on-going arrangements with Culver School and other schools to cover such occurrences. "They (patrons) don't realize how lucky we are that we have other gyms for them to go to and we don't have to stop programs."

Niles pharmacy... Continued from Page 3

paper work and time delays. His wholesalers want to be paid every two weeks, yet it takes him six to eight weeks to get his remittance from the insurers. In addition, any discrepancies must be put in writing and can result in a 90 day delay. The closings of the small entrepreneurs is "the direction of pharmacy in general," said Belgrade.

The Niles Chamber of Commerce is doing what it can to promote small entrepreneurs. President Bob Wordel speaks of plans to highlight the various small shopping areas on separate weeks, using contests and other means to attract patrons to see what is available in their neighborhoods. Wordel said he was "amazed" when SAV-MOR closed, remembering he knew the farmer who tilled the land that became Topp's Super City and then SAV-MOR moved in. He credits SAV-MOR for their generosity in contributing candy and gifts for the Village's Fourth of July celebration and their payment. Wordel said the Birchway Drugs enjoyed an excellent reputation and views their closing as the "end of an era and a pa store."

Ralph Bast, Niles Business and Industrial Coordinator, sees the closings as having only an emotional effect on the Village. He emphasized "It's disappointing the little guys can't compete, they're a dying breed, but there's nothing the Village can do. They have to have a fair profit, but don't have as many units to sell, as opposed to the chains."

The last remaining independent in Morton Grove, the Menard-Dempster Pharmacy, 5744 Dempster St., has been in operation over 30 years. Though doing well, the owner, Arnold Katz echoes Birchway's owner when he points to mail order prescriptions as a cause of customer drop-off and blames the uncaring attitude of insurance companies.

Ecology Center, a non-profit organization, which will police the center and haul away products. Niles will supply the recycling bins at a cost of about \$8,000, a price Trustee Przybylo described as "quite nominal in relation to the benefits and ecology." The Village must also insure the site.

The Reynolds Aluminum company, which currently buys aluminum products at the location, will relocate adjacent to the recycling center. The company's truck hours will be Tuesday through Saturday, from 9 a.m. to 4 p.m., with no remuneration for aluminum brought after hours. Niles will provide a separate trailer for newspapers.

Village Manager Abe Selman said non-residents may also deposit there. He emphasized the Village would embark on an education program to acquaint villagers with the need for recycling and its advantages in relation to landfills. He revealed the Village looked at curbside recycling, but found it would add \$200,000 a year to the scavenger bill. He admitted the Village would have to turn to a more formal program in the future, but hoped this program would achieve 25% of the Village mandate by 1994.

Earl Day, April 27 is the target date for the recycling center dedication and the Morton Grove/Niles League of Women Voters was praised for its contributions to the recycling plan. Judith Barys, National Resources Chair for the local League, came forward to thank the Board for its action and offered Board members green silk leaves as a sign of their commitment to recycling.

The Board approved a two year contract renewal with Village scavenger, Haulaway, to allow it to gear up for recycling. In all, Trustee Przybylo led discussion on five agenda items dealing with Niles' recycling efforts.

In his role as President, pro tem, of the Board, Trustee Bart Murphy called a separate garbage topic to the fore and Board members voted to rebate the property tax assessment for village scavenger service to condominium

President; Edward Malochled, Assistant Vice President; Walter Bialka, Secretary; Val Engelman, Treasurer and Erwin Schleicher, Membership chairman. The officers will serve a two year term, effective immediately.

President Kokinis said a goal of his office will be to seek better communication between the board of officers and the club's 346 members. Since good fellowship is one basis for the organization, Kokinis hopes for more feedback from members so officers can better plan the club's monthly outings and meetings and foster camaraderie.

The club's agenda for the coming months includes a March 16 St. Patrick's-St. Joseph's day party; a March 30 trip to the Aquarium, the Omnimax theater of the Museum of Science and Industry and the Benihana of Tokyo restaurant, and an April 30 tour of Marriott's Lincolnshire resort for dinner and a play.

Members meet the third Monday of each month at 10:30 a.m. at the Trident Center and scheduled speakers address topics of interest to seniors such as income taxes and health. Kokinis emphasized membership is open to Niles men 62 or older and no fees are required, but would-be members must join the Trident Center. Monthly outings are open to all Trident members, male and female, with the only limitation being the capacity of the buses available for the trips.

owners since the owners must pay for a private scavenger. Trustee Przybylo indicated \$4.23 per month, per unit would be rebated and the amount should be more than adequate compensation.

President Murphy then called for a report on PACE negotiations. Trustee Jim Mahoney confirmed the Niles free bus system will continue its service to residents due to a purchase of service agreement recently signed with PACE.

The Trustee also addressed the Board regarding the Village and DiPaolo Construction company dispute over an illegal water connection, but called upon Finance Director Gary Karshna to elaborate. Karshna capulated the disagreement in November, '89, the Village found an unpermitted tap on the property at 7400 Waukegan Rd. and brought it to the attention of the DiPaolo Construction company. A hearing was held and Niles Attorney Richard Troy provided a formal charge, saying in the Village's opinion, the tap was illegal. In response, the DiPaolo company agreed to pay \$25,764 in payment for water consumed and to disconnect the unpermitted tap. For its part, the Village agreed to dismissal of litigation and release of all charges against the company. No penalties were charged.

In other action, the Village authorized for sale at public auction personal property owned by the Village, but no longer necessary or useful. Trustee Tom Bondi listed nine passenger cars and two yard tractors as sale items.

Turning to personnel issues, Trustee Louella Preston asked for and received confirmation of purchasing agent Lois Leyh as an alternate to the Intergovernmental Risk Management Agency delegate Gary Karshna. The trustee also noted Mary Kay Morrissey, department head of Human Services and the Family Services and Senior Citizens Board would meet as a task force for the reorganization of Human Services.

Two Board members asked for Board approval to waive bids in two instances. Trustee Mahoney asked for approval for a Menominee Falls firm to aid in the Village's annual program to eliminate problems in sewer lines because it is the only licensed contractor available.

Likening the current Village Wang computer to a Model T, Trustee Jeffrey Arnold asked for waiver bids to purchase a new Wang computer. He said the Village's present computer software is compatible with the new machine but with no other. Permission was granted in both waiver of bid requests.

Continuing with the waiver of bid theme, Arnold introduced a resolution mandating a change in the Village bid opening procedures. Instead of opening them at

monthly Board meetings, then referring them to staff for specification approval and having to wait for the next Board meeting for action, he suggested a faster mode of action. After discussion, the Board set future bid openings for 3 p.m. the third Tuesday of every month at a public ceremony in the conference room of the administration building. The Village Purchasing Agent and another administrative person would witness the proceedings. Manager Selman applauded the action, saying it saved the Village a month in time.

Trustee Mahoney introduced two requests for rezoning for referral to the Zoning Board. One involved property at 9200 N. Courtland Dr.; the other, property at 8810 Grace Ave. Later, in his financial report, the Trustee announced Niles accounts payable for January at \$1,261,893.33 and the Village's ending cash balance at \$6,546,732.67.

President Murphy opened bids-for the last time at a Board meeting-for sanitary sewer rehabilitation and for the Village's 1990 50/50 sidewalks and curbs project. Also bids on several Niles properties for sale were read. Zagan Business Service, Inc. offered \$160,000 for 7169 Milwaukee Ave. Toyota offered \$550,000 for 7201 Milwaukee Ave. and Midas offered \$118,000 for 7369 Milwaukee Ave. All the bids were referred to committee, but with authority to act in the case of the sanitary sewer rehabilitation.

Earlier in the evening, the board recognized retiring Fire Department Lieutenant Gerald Cameron for his nearly 30 years of service to Niles. Cameron's wife Louise and nine members of their family witnessed the plaque award ceremony.

Fifteen year old Nina Bavaro, granddaughter of Niles Housing Director Tom Bavaro, was also recognized for being in the top three and second runner up in the Miss Teen Illinois contest of 413 participants. Her many achievements include membership in her high school student council, the pom-pom squad, the optimist club and the dance club at Niles West high school. Ms. Bavaro also served as co-host for a camp for children with cancer.

President Murphy named March American Red Cross month and 1990 Census Participation year and urged residents to support both projects.
