## Corps of Engineers rejects proposed waste disposal site

by Sheila Hackett

Local officials are unanimous in their reaction to a decision denying use of a south suburban Cook County site for a waste disposal project. Dubbed Balefill, the project planned to compact

waste material into bales and deposit them on land, including a former gravel quarry, near Bartlett.

In the denial Feb. 1, the U.S. Corps of Engineers' district engi-

neer, Lt. Col. Randall Inouye, praised the overall design of the project, but concluded it would destroy a rookery for the great blue heron and the habitat of sev-

## Niles village election board declares Panek, Marusek's petitions invalid

# Candidates for 'trustee' disqualified

by Nancy Keraminas

Two independent challengers for the post of Niles village trustee were disqualified by an election board consisting of the campaign manager for the five incumbents, the head of the dominant local party and the village clerk appointed by the current village board. Two other reportedly politically-independent challengers' petitions were ruled acceptable.

Village Clerk Kathy Harbison, Board President Nick Blase and Trustee Louella Preston, the only trustee not up for re-election announced the decision Feb. 5, after hearing arguments from attorneys representing the petitioners Feb. 4 in the village council chamber.

Petitions for Mary Marusek, a former Niles Park District commissioner and Carol Panek, who currently sits on the park board and is a former member of the village board, were challenged by a citizen, Elaine Graff represented by attorney Ken Cohen, who is also village prosecutor. The petitions did not have the word "village" in front of the word "Trustee" in the area of the petition in which the candidate specifies the office that is being sought.

Candidates Kathleen Nosalik and Betty Marie Beech were represented by Chicago attorney Paul A. Kolpak who responded to Panek's and Marusek's challenges to their petitions.

Panek and Marusek hired Glenview attorney James Provenza, who unsuccessfully contested Beech's right to be on the ballot, noting that her petitions did not specify whether she was seeking a four-year or two-year term of office.

The board ruled, using a similar case as an example, that where the person does not specify which term he or she is running for their nomination papers will be construed as that for a full term.

One of Nosalik's campaign workers was alleged to have misrepresented his residence as Niles when it was in fact Glenview.

William Pindras, whose address was listed as the Village Motel at 6871 N. Milwaukee Ave., was subpoenaed by Provenza and testified before the election board that he did not live with his wife Victoria at 1428 Blackthorn Drive in Glenview.

Provenza's other witness, a private investigator hired to investigate Pindras, did not show up as requested at the hearing. Blase allowed Provenza a recess to locate the investigator but the attorney was unsuccessful in getting his witness to the hearing.

After conferring with Kolpak

## From the Left Hand

by Bud Besser

They were saying down at Niles village hall Tuesday they can't understand how Mary and Carol used such dumb judgment in the petition controversy. The ladies, Mary Marusek and Carol Panek, had their petitions declared illegal by the Niles election board Monday afternoon. Their petitions said they were running for "trustee" rather than "village trustee".

Niles village president, Nick Blase, told The Bugle if the ladies hadn't objected to two of their opponents' petitions, these same opponents would not have contested Carol's and Mary's petitions. Carol's and Mary's protests were disallowed. Blase said he contacted village attorney Dick Troy, who quoted from the election code which read designating the position they were running for incorrectly was legal grounds for denying the petitions.

What made the wags down at the hall surprised was Mary and Carol have had many years' experience in public office. They also have been longtime members of The

## Niles zoners give nod to new 2-flats

by Nancy Keraminas

Niles Planning and Zoning Board of Appeal commissioners gave the nod to Derrig Construction to build three additional apartment buildings on land the company owns at 8825-45 N. Greenwood Ave.

The commissioners also approved a satellite dish already installed at Bakers Square, 8584 Dempster St.

"We sure don't need another strip shopping center there," commented Commissioner Angelo Troiani, following remarks by a Chester Street neighbor who said she'd rather see 2-flats on Green-

wood Avenue than stores. The builder has already constructed four three-flats facing Chester Street.

After hearing testimony from an expert concerning the traffic and tax impact of the six, three bedroom, 1,700 square foot units, commissioners stipulated that construction vehicles must not impede traffic on Chester Street.

The property will be re-zoned from B1 to R1 PUD if the village board concurs with the zoners. The \$349,000 buildings will have 2-car garages for owner-

## Seniors send messages of love to Gulf

Photo by David Miller

The senior women at The Breaker's retirement home at 8975 Golf Road, Niles, have been busy putting together Valentine greeting cards, all hand made in their craft workroom, under the supervision of instructor/artist Lois Mitok.

The idea for sending the greeting cards originated with General Manager Janet Cole and her administrative assistant, Cheryl Black. Ruth Stern and Minette Schoenfeld are pictured above working on the cards.

### Lawrence House plans Mardi Gras

Let the Lawrence House Retirement Hotel heat up your cold, midwest winter with a southern-fried Mardi Gras celebration. Thanks to new Orleans, The Lawrence House, 1020 W. Lawrence Ave., will celebrate Mardi Gras on Feb. 8 from 1-3 p.m. All seniors are invited to attend this free and open to the public carnival spectacular!

Grab all your Cajun and creole buddies and come on down to the French Quarter district the Lawrence House "krewes" have creat-

ed for this extravagant celebration. A cafe and saloon will be serving up French-style donuts and spicy punch and coffee.

Not only will you have a chance to "Shrove" off your knowledge of Gumbo, but all seniors will be able to enter in the most original mask contest. Whoop it up in grand style by makin' or buyin' a dag burn mask and you'll be eligible for a big ol' prize!

You'll be stompin' your feet and clappin' your hands to the Lester Stevens Dixie and New Orleans Jazz Band. These good ol' guys will fill your ears with party tunes like "When The Saints Go Marching In" and "Dixie One-Step."

These Chicago guys have been playin' together for 50 years (all are in their 70's). The leader, Lester Stevens, is the old guy, just turning 80. His first gig was playing at the World's Fair in Chicago and has since played at some of the best jazz and blues clubs in Chicago and New Orleans.

Don't give up anything till you've attended the Lawrence House Mardi Gras celebration. New Orleans does it, Biloxi does it, Mobile does it, and so can Chicago! Don't sacrifice a thing until you contact Nanci Bolton at (312) 561-2100.

### Regency Centre hosts 'P.J.' party

During the month of January, Regency Nursing Centre, 6631 N. Milwaukee Ave. in Niles, held its first Pajama Party.

All of the ladies donned their pajamas or nighties, and met to enjoy pizza and watch the classic film, "Casablanca." We ate the pizza and when Bogart bid a sad farewell to Bergman, there were only a few dry eyes in the room.

## When Is A Cook An Artist?

One of the delights of living is good cooking. Even more delightful is great cooking and that's what we aim for at Ballard Nursing Center. The Ballard kitchens are directed by Roberto Zara, a world-class chef who has cooked for presidents, millionaires and pop singers. Roberto has trained in three countries and attended the famous Cordon Bleu School operated by Hilton International to make sure that Hilton's 5-star restaurants maintain that rating. He has been a chef at the world famous Elbow Beach Hotel in Bermuda and the Manila Hilton International.

Eli Pick

To make Roberto's culinary talents more widely known, Ballard is planning a series of special restaurant events for relatives and residents. These events, to be held on Ballard's Terrace Dining Room, will feature the best of Roberto's appetizers, entrees and desserts, including his famous apple tart. The Terrace Dining Room - and our staff - will be decked out appropriately as befits world famous restaurants. We will keep you posted on our plans, includ-

ing a full dress rehearsal in January. Ballard already holds a six star rating from the State of Illinois for the excellence of its programs. If Nursing Centers could be rated like restaurants, we think that Roberto's kitchen would rank right up there with London's Savoy Grille or Bologna's Tre Frece.

If you would like more information about Ballard or a copy of two of Roberto's specialties, Chicken Cantonese and Lobster Thermidor, just call Lisa at (708) 827-9800 or drop me a note at Ballard Nursing Center, 9300 Ballard Road, Des Plaines, Illinois 60016.

#### SUGGESTION BOXES

The Morton Grove Advisory Commission on Aging would like to hear from local seniors who have complaints, ideas for improving Morton Grove, or other disturbing personal problems. Drop boxes are available at both the Prairie View Community Center Senior Room and the Flickinger Senior Center. The commission will pursue suggestions or problems to community-wide or personal level. You can also mail responses to: Flickinger Senior Center, 6101 Capulina Ave., Morton Grove, IL, 60053.

#### BLOOD DRIVE VOLUNTEERS

For those who have wondered how they can help others, but may not be able to get out of the house as much as they used to, the Morton Grove Blood Drive has just the solution. Each month, just prior to the day of the Blood Drive, blood donors are contacted by phone to be reminded of donating. Telephone reminders have shown a remarkable success ratio in improving donation levels. Those who would like to help their community in this very important project while being reimbursed for their calls, can contact Bud Swanson at the Flickinger Municipal Center at 965-4100, ext. 254.

#### PERSIAN GULF ISSUES IN THE NEWS

"Issues In the News" is the Prairie View Community Center's communication exchange course featuring group member's own views of current events like the Persian Gulf crisis. The course is moderated by Edward Perlman each Thursday morning starting at 9:30 a.m. For further information call Prairie View at 965-7447.

#### HYPERTENSION

Hypertension is directly related to the use of sodium in the human diet. Studies with infants have shown that the taste for salt is completely learned. The salt appetite is somewhat habit forming, people who have not been exposed to salt do not desire it, but may develop a craving for it once introduced. Salt preference, however, is reversible, the taste will diminish once the dietary salt level has been reduced. Some high sodium foods do not taste salty or are not thought of as such. For example, fast food french fries actually have less sodium (115mg) per serving than fast food cherry pie (450mg). The Flickinger Senior Center will conduct its monthly blood pressure screening clinic from 9 to 10 a.m. on Tuesday, Feb. 12.

#### VICTORIAN CRAZY QUILTS

Oakton Community College presents another program in their passages lecture series entitled, "Victorian Crazy Quilts." Diane Capitani, instructor at OCC, M.A., and past president of Illinois Quilters Guild, will talk about crazy quilts' unusual historical significance, where they came from and why. The program begins at 1 p.m. on Tuesday, Feb. 12 at the Oakton east campus, 7701 Lincoln Ave. in Skokie.

#### HIGH SCHOOLS INVITE SENIORS

Maine East, Niles North and Niles West High Schools invite township residents age 60+ to join in on free school productions to be performed this winter. At Maine East: Orchestra Dance Show at 8 p.m. on Friday and Saturday, March 1 and 2. At Niles North: Band/String Concert at 7:30 p.m. on Thursday, Feb. 21. At Niles West: "Fiddler on the Roof" at 2 p.m. on Thursday, March 7. For more information about activities open to senior citizens at the schools call 673-6822, ext. 5422 for the Niles Township schools and 825-4484, ext. 4439 for the Maine Township schools.

#### GOOD NEWS BEARS PLAY BASKETBALL

The Good News Bears will be pitted against an all-star team of Morton Grove celebrities in a spirited game of basketball to raise funds for the Morton Grove Days Committee. The game is scheduled for Saturday, Feb. 16 at 7:30 p.m. at Niles North High School, 9800 Lawlor Ave. in Skokie. The Good News Bears team includes current and past members of the Chicago Bears. The "Home" team will include representatives from local schools, government, and business. An autograph session is planned for half-time. In addition, there will be a raffle of autographed Bears' memorabilia. Ticket prices are \$5 in advance and can be purchased at the Prairie View Community Center or the Flickinger Municipal Center. For more information call Jeff Fougere at Prairie View, 965-7447.

#### NEW TAXI DISCOUNT

Morton Grove's taxi discount program has been revised slightly from the \$35 fare that was formerly charged for a ride in Morton Grove provided by the American Taxi Company. The Village will now be issuing new coupons worth \$2 off the metered fare for these rides.

Upon completion of a taxi ride, the rider must present a discount coupon (attainable at the Flickinger Municipal Center) to the driver and also pay the balance of the fare. Seniors already registered for the program do not have to reapply, they will be mailed new coupons. Anyone interested in applying for the discount can do so by registering at the Flickinger Municipal Center. Seniors must provide documentation of their proof of age (65+) and proof of residency in Morton Grove to qualify. For a ride with an American Taxi call the company at 673-1000. For more information about the new taxi discount, call the Senior Hot Line at 470-5223.

#### VILLAGE OF SKOKIE

Ellen has macular degeneration, is legally blind and has been extremely productive for many years. Coffee will be served. If you have any questions, please contact Lucille at 673-0500, Ext. 207. # Campus trees bear new color

The 20 or so trees lining the parkway in front of Loyola University's Niles College branch campus at Touhy and Harlem avenues are sporting new colors...yellow ribbons denoting the thoughts and prayers of the faculty and students at the school for the service personnel fighting in the Middle East.

## Advice on how to obtain W-2 form

If you were an employee at any time during 1990, you should receive your Form W-2, Wage and Tax Statement from your employer(s) by Jan. 31. But, what if you don't?

You can turn to the IRS for help in obtaining your W-2, but only after you have tried first to help yourself. If you have moved, or held a number of jobs during the year, it is possible one or more W-2s may not reach you. Among the suggestions from the IRS on what action you can take are:

- Write your former employer giving him or her your name, former and current address, and social security number. It would also speed up the process if you included a self-addressed stamped envelope.
- Go to your former employer and pick it up. You might want to call first to be sure it is available.
- If you are working for the same employer and have not received your W-2, check with your payroll or personnel department.

# Neighborhood shows support for troops

Efforts to show support for the men and women serving in the Persian Gulf are springing up throughout The Bugle service area. In Niles American flags appeared on the light poles along Milwaukee Avenue and the word "Peace" in 25 languages appeared across the windows at St. John Brebeuf school on Harlem Avenue.

## Computer catalog classes slated

During February the Niles Public Library will be offering its monthly computer catalog classes on Friday, Feb. 8 and Saturday, Feb. 9 at 10:30 a.m. and on Tuesday, Feb. 5 at 7 p.m.

We now have a new computer catalog system that should ease the search for titles, authors and subjects. So, even if you have been to a computer class before, you might want to come back to learn our much improved system.

The classes introduce library users to the computer catalog and demonstrate how it works. A reference librarian will show you how to search the catalog for materials you are interested in finding.

There is no longer a "card catalog" at the library. All materials can only be found in the computer catalog.

Classes usually last about an hour and are offered free of charge to interested users. Anyone interested may register by calling 967-8554 and asking for the Reference Desk, or by signing up at the Reference Desk the next time you are in the library.
