Theater flick gets flak from Niles police

Investigators of the Golf City Theatre, at 4900 Niles, were called to the scene about 1:30 a.m. on Oct. 8, when a fire also occurred. The fire was contained to a small area in the rear of the theater. The investigation of the fire is being conducted by the Niles Fire Department.

Two unrelated fires erupt at condominium

Emergency personnel rushed to the scene of a fire at the Northside Park Apartments on Oct. 8. The fire was reported at 2:51 a.m. by a resident of the building.

Zoning Board clears way for new restaurants

Two new dining spots will add to the Niles restaurant scene. A new restaurant, Heaven is a Thai restaurant, will be opening at 8746 N. Milwaukee Ave., in the Lakeview Plaza. The restaurant will offer a variety of Thai dishes, including curries, stir-fries, and noodles.

Schoenberg considers election options in 3 districts

Developer Gerald Bien, of the Landings complex, has filed for a zoning change to the Mount Prospect Village Board to allow for a temporary restraining order. The zoning change would require the parking requirements to be met, but only as an addition to the original district. The board will consider the amendment at its next meeting.

Two new dining spots will add to the Niles restaurant scene. A new restaurant, Heaven is a Thai restaurant, will be opening at 8746 N. Milwaukee Ave., in the Lakeview Plaza. The restaurant will offer a variety of Thai dishes, including curries, stir-fries, and noodles.

McKee's Steakhouse, a new restaurant located at 9395 Landings Ln., has also been granted a zoning change to the Mount Prospect Village Board to allow for a temporary restraining order. The zoning change would require the parking requirements to be met, but only as an addition to the original district. The board will consider the amendment at its next meeting.

R.E.D. networking center speeds emergency responses

A call for help from Mike on North Avenue brought the department's newest R.E.D. - R E D networking center. The center is located at 80 N. Greenleaf Ave. R.E.D. center staff can communicate directly with police, fire or Red Cross personnel. At any time, staff can call on the center's comprehensive communications system to assist first responders.

"Mike" was a 32-year-old male who had been shot in the torso and arm. Security guards at a neighboring business found him lying on the floor. He was rushed to the hospital in critical condition.

Dispatchers at R.E.D. center quickly called a police squad to the scene. Officers arrived within five minutes. Mike was found to have been shot nine times. He was taken to the hospital for treatment.

The R.E.D. center is part of a larger network of emergency response and communications centers. The center is designed to improve the efficiency and effectiveness of emergency response systems.

Emergency equipment reports its location to the R.E.D. center. The center then communicates with emergency responders to coordinate their efforts.

The R.E.D. center is also equipped with a computer that can locate the exact location of any Emergency Equipment (EE) unit in the area. This helps emergency responders to locate the scene of an emergency quickly and efficiently.

The R.E.D. center is staffed 24 hours a day, seven days a week, to provide continuous support to emergency responders.

The center is equipped with state-of-the-art communications technology, including a high-speed internet connection and a range of emergency response equipment.

The R.E.D. center is a valuable asset to emergency responders in Morton Grove. It provides a central location for coordinating emergency response efforts, improving the efficiency of emergency response systems.

"FOUR MILLION DOLLARS""N"

Phenomenal sales success for Morton Grove educators:

As a result of the "Four Million Dollars" campaign, the Morton Grove School District has raised $4 million for the district's schools and programs.

The "Four Million Dollars" campaign, which was launched in 2005, aimed to raise funds for school enhancements, technology upgrades, and other educational initiatives.

The campaign was successful in generating donations from both individual and corporate donors, as well as from local businesses.

The Morton Grove School District is grateful for the generous support of the community, which has enabled the district to provide high-quality education to its students.

The school district is committed to continuing its efforts to improve the quality of education in Morton Grove.

\*\*\* \n
The Morton Grove School District is committed to providing a world-class education to its students. With the help of the community, the district is able to offer a wide range of educational programs and resources.

The district is dedicated to maintaining a safe and supportive learning environment for all students.

The Morton Grove School District is proud of its accomplishments and is committed to serving its community for years to come.

  - Sign up for the 1991-92 film series sponsored by the MONNACEP by calling the North Park College, (312) 637-2552.
Support group for grandparents meets

The Morton Grove Community Church and the Morton Grove Jewish Community are hosting a support group for grandparents of their children, with activities planned for Oct. 28 and Nov. 11 at the church. The meetings will run from 11 a.m. to 12:30 p.m. at the church, 18941 Dempster St., Morton Grove. 

The group meets on the first and third Wednesdays of the month. The cost is $5 per meeting, which includes a light lunch. The group will provide a warm and supportive environment for sharing family stories and experiences.

Library classes set

The Morton Grove Community Church is hosting a series of library classes for the community, starting on Oct. 15. The classes will be held from 7 p.m. to 9 p.m. at the church, 18941 Dempster St., Morton Grove. 

The classes will cover a range of topics, including book clubs, author talks, and literature discussion groups. The cost of the classes is $10 per person, and pre-registration is required. 

Niles Parks plan Halloween dance

The Niles Parks and Recreation Department is planning a Halloween dance for children ages 10 to 14 at the Niles Community Center, 5900 Warren Ave., Niles. The dance will be held on Oct. 31 from 7 p.m. to 9 p.m. 

The event will feature a costume contest, prizes, and a live DJ. The cost is $5 per person, and pre-registration is required. 

Niles parks get chemical treatment

The Niles Parks and Recreation Department is scheduling chemical treatments for certain areas of the park system. The treatments will be used to control invasive species and promote the growth of native plants.

The treatments will be applied to areas such as the Niles Community Park, the Niles Beach Park, and the Niles Wetlands. The treatments will be applied during the fall months to minimize the impact on local wildlife.

Church club plans craft fair

The Morton Grove Community Church is hosting a craft fair on Nov. 9 from 9 a.m. to 3 p.m. at the church, 18941 Dempster St., Morton Grove. 

The fair will feature a variety of handmade items, including jewelry, pottery, and hand-crafted gifts. The proceeds from the fair will be used to support the church's mission and community service programs.

The Other Hand

Continued from Page 1

They would find the definition of a "tow" as an acquired right of the property owner. This is a great way to protect the homeowner from abuse by the police or city officials.

Now the situation would be that the homeowner would have to pay for the towing and the loss of the property if the police or city officials did not return the property.

This is important to consider when planning future developments and regulations. It is important to ensure that there are ways to protect property owners from abuse by the police or city officials.

The Other Hand

They would refer to the definition of a "must" as an organized event. Some are as a result of a crisis or an event that is not typically represented. They are the key to a system and can be used to control the process. The concept of a "must" is a way to limit the system and make sure that it is working properly.
