In 1900 Edith & Oscar Faust founded Oscar’s Restaurant as a roadside hamburger stand in Morton Grove. In 1991 the restaurant was moved into a frame house across the street and the tradition of ‘Home Cooking’ continued in this building until 1984 when the present building was erected. While expansion and remodeling have taken place over the years, one important formula has never changed, ‘Home Cooking’. All of Oscar’s soups, sauces, salad dressings, relishes, and recipes are prepared on the premises. All fried foods are breaded to order and your fish, meat and poultry items are cooked individually for your dining pleasure. Our family thanks you for your patronage over the years.
