Best Buy to open on Golf/Greenwood corner

By Tracey Labovitz

The Niles Village Board unanimously approved annexation and rezoning of the southwest corner of Golf Road and Greenwood Avenue for a Best Buy store at its March 22 meeting.

The decision ended a 20-year

battle over commercial zoning of the 3.6 acres of former unincorporated Maine Township land. The Golf Greenwood Homeowners Improvement Association successfully fought the rezoning in 1981, but did not have enough

financial support to fight the 1993 rezoning and the property was rezoned from R-1 Single Family Residence to B-1 Retail Business District by the Cook County Board in October.

Maine trustee seeks property tax abatement

Maine Township Trustee Jim Reilly said late Monday he would call for the Town Board to abate \$700,000 in property taxes that had been levied for an addition to the Town Hall at 1700 Ballard Rd., Park Ridge.

Reilly made his announcement after the Park Ridge City Council declined to reconsider the proposed addition, instead directing the township to return to the city's Planning and Zoning Commission if it wished to begin the process again.

Washington Street to close for major renovation

By Tracey Labovitz

Just as Niles and Morton Grove recover from the Dempster Street construction project, drivers must brace themselves again.

Next week, the Villages of Niles and Morton Grove will begin a four month, \$1.9 million Washington Street reconstruction project.

The project will cover Washington Street from Dempster St. to Golf Rd., a span of eight blocks. Construction was supposed to have started Monday, according to Niles Director of Code Enforcement Todd Bavaro, but did not.

"Right now they are getting all the equipment together and preparing the area," Bavaro said. "The project could possibly start this week, but will probably begin next week."

According to Bavaro, the project is designed for repaving, resurfacing, curb replacement and fixing sewer lines. The first phase of construction will stretch from Dempster St. to Park Ave. and will

Tax survey cites least-burdened towns

By Tracey Labovitz

A recent survey conducted by the City of Park Ridge revealed that Niles, Skokie and Des Plaines homeowners pay less in municipal taxes than many of the surrounding suburbs.

The annual survey regarded 1993 tax bills. Of the 18 communities listed, Oak Park marked the survey high at \$1,182, Schaumburg was the low at \$470 and \$819 was listed as the mean.

Des Plaines, ranked 15 at \$693, Skokie, ranked 16 at \$662 and Niles, ranked 17 at \$515; rounded out the bottom of the survey as the least burdened communities.

Considerations that led to overall rankings included total average municipal property tax, the cost of refuse collection and the municipal sewer charge, as well as the cost of recycling, yard waste, water, utility tax, vehicle license and dog license.

Glenview was ranked fifth on the list at \$905 and Park Ridge came in eighth at \$846.

Judge gives maximum sentence to deter gang activities in suburbs

Teen gets sixty years in gang shooting

By Tracey Labovitz

A 19-year-old self-admitted gang member convicted in the gang-related murder of a 17-year-old Maine East student in 1992 received the maximum sentence by a judge who wanted to make him an example.

Dylan Metzel, of Mount Prospect, was sentenced to 60 years in prison March 29 by Cook County Circuit Judge Margaret Frossard for his conviction in the March 25, 1992 shooting of alleged rival gang member John Anzelmo near his home in Des Plaines.

Metzel could have received a sentence of 20 years for the shooting, but Frossard told the reputed gang member that she hoped his

Center of Concern Open House

The Center of Concern is holding Open House on Thursday, April 7 from 3 to 7 p.m. The Center has moved to larger quarters in the same building. They are still at 1580 N. Northwest Hwy., Park Ridge, and the new location is Suite 310. Just take the elevator to the third floor and turn right.

This move was made possible by a grant from the Suburban Area Agency on Aging of Oak Park. Thanks to them, The Center was able to move and buy some needed additional equipment.

With this extra space, they are better able to serve their present clients and to accommodate additional ones.

Keep this date in mind: Thurs-

day, April 7 and drop in anytime between 3 and 7 p.m. There is ample parking on both sides of the building and a ramp in front of access.

Finally, weather alert radios

are available at a relatively mod-

Researchers have known for some time that women are at greater risk for Alzheimer's Disease than men. But it was assumed that was because women live longer. The recent California study of 2418 women over 11 years suggests a strong estrogen connection. Those women taking estrogen supplements in the study were less likely to contract Alzheimer's. Estrogen levels generally decline rapidly after age 49 or 50. In men, the supply of estrogen is constant throughout life because it is made in fatty tissue from testosterone, the male hormone. The California study also appeared to indicate that women who already have Alzheimer's suffer less progress of the disease if they take estrogen supplements.

City expands program for elderly

The Chicago Department on Aging (CDOA) recently announced the expansion of Gatekeeper/Chicago, the City's community watch program for vulnerable elderly residents. The six-year-old program utilizes City of Chicago employees to identify at-risk elderly residents, connecting them to services provided by the city.

The program was established in 1989 with field workers from Commonwealth Edison, and has been expanded to include field employees from the City of Chicago's Departments of Water, Sewer, Streets and Sanitation, and Buildings.

Last month, CDOA Commissioner Donald R. Smith, trained over 200 city workers on how to identify signs of elderly residents in need of assistance.

Failing health, abuse, disorientation or an unkempt living environment, are a few signs the workers were trained to recognize. Once the elderly person has been identified, they are reported to the Chicago Department on Aging, and are linked to services such as home delivered meals, transportation and chore/housekeeping.

According to Smith, there are many elderly residents who live alone, and have no friends or relatives to check on their well-being. "The success of this program is based on field workers keeping a watchful eye on our elders," explained Smith.

For more information about Gatekeeper/Chicago, call the Chicago Department on Aging at (312) 744-4016.

BLOOD PRESSURE

Periodic measurement of blood pressure is important for determining whether personal health is threatened by high blood pressure. High blood pressure is a major contributor toward strokes, heart disease, and kidney failure and directly or indirectly kills or disables more Americans than any other condition. Unfortunately, high blood pressure usually has no symptoms. A person can feel great and still have high blood pressure. A free blood pressure screening clinic is offered for Morton Grove residents from 9 to 10 a.m. on Tuesday, April 12 in the Flickinger Senior Center.

COMMISSION ON AGING

The Morton Grove Advisory Commission on Aging will hold its next monthly meeting at 1 p.m. on Tuesday, April 12 in the Flickinger Municipal Center. The commission provides an arena for discussion and planning of services and programs to benefit Morton Grove's senior citizen population. All interested residents are welcome to attend.

FINANCIAL MANAGEMENT LECTURE

The Prairie View Community Center presents a special lecture at noon on Thursday, April 14 on "Financial Management" for seniors. Retirement income preservation and investments will be discussed. The program is free and will be presented in the board room at Prairie View, 6834 Dempster Street in Morton Grove. Bring a lunch; coffee and dessert will be provided. For more details stop by or call Catherine Dean at Prairie View, 965-7447.

HO-CHUNK CASINO

The Prairie View Senior Travel Club will venture to the Ho-Chunk Casino, for exciting entertainment and winning machines. Travelers will be treated to a "mystery" side trip. Two night accommodations will be at the Kenosha Club Inn and Suites in Lake Delton, Wisconsin. The trip runs from April 18 to 20 and the cost is \$194. For more information contact Catherine Dean at the Morton Grove Park District, 965-7447.

TAXING RETURNS

The April 15th deadline is fast approaching and the Morton Grove volunteer income tax aides are available to assist senior citizens in filling out their 1993 federal and state income tax forms as well as Circuit Breaker forms. The program assists those who would like help with the language, formulas, and ever-changing tax laws. Seniors can make a reservation for Mondays and Wednesdays at the Prairie View Community Center, or Fridays at the Flickinger Senior Center. Call the Morton Grove Senior Hot Line at 470-5223 for an appointment. There is absolutely no charge for this service.

BENEFITS ELIGIBILITY CHECK-UP SERVICE

The Benefits Eligibility Check-Up (BEC) is a free and confidential service that screens older people for nearly 40 local, state and federal benefits and services that they are potentially eligible for. After completing an application and mailing to the Living-At-Home Program in Evanston, the older person will receive a list of programs to which they may be entitled, and detailed and current information about how and where to apply for them. Anyone over 60 who lives in Suburban Cook County and wants to know what programs he is entitled to receive should complete an application. The BEC service was developed because many seniors are either unaware that programs exist, or are aware but assume that they are not eligible. BEC is an easy and convenient way to provide personalized information for all seniors. Call the Living-At-Home Program at (708) 492-9400 to receive an application.

ELDERCARE LOCATOR

Family members who are trying to identify senior services in another state can call a nationwide toll-free number for assistance. The ElderCare Locator will help adult children living miles away from older parents who may need special care. The number, 1-800-677-1116 is accessible from 9 a.m. to 6 p.m. (C.D.T.), Monday through Friday. Callers should be ready to provide the name, address and zip code of the older person, along with a brief description of the type of assistance needed. Trained information and referral specialists will then link the caller to the appropriate state, city or local agency.

For more information about these senior services and recreation programs, call the Morton Grove Senior Hot Line at (708) 470-5223, or the Prairie View Community Center at (708) 965-7447. Oakton series features theater playwright

As part of the Who is Chicago? series on the arts in Chicago, Sandy Shinner, associate artistic director of Victory Gardens Theater, shares her expertise on Monday, April 11 at 1 p.m. at Oakton Community College's Ray Hartstein Campus, 7701 N. Lincoln Ave., Skokie.

Other Chicago artists participating in the Who is Chicago? spring series include: Alfred Glasser, Lyric Opera, April 18; Wes Bleed, a prominent broadcast journalist, WGN Radio, April 25; Suzanne Plurkett, theater expert, May 2; Rabbi Eliran Weiner-Kaplau, calligrapher, May 9; and Sylvia Brown, ac-

dress, May 16.

The Who is Chicago? series, which runs for six weeks, is sponsored by Oakton's Emerging Program for Older Adults. It brings Chicago artists to campus to informally speak about their experiences in the arts. Each presentation is followed by a question-and-answer session. All presentations are held at the Ray Hartstein Campus from 1 to 2:30 p.m.

The fee for individual presentations is \$5, or the complete series of six can be purchased at a reduced rate of \$25. For more information, call (708) 635-1414.

Chemical Dependency

'Rational Recovery' offers alternative addiction treatment

Successful as they are for some people, traditional 12-step addiction recovery programs don't work for everyone. In recent years, a new program, Rational Recovery® (RR), has emerged. RR calls on a participant's independent, logical decision-making process and personal choice.

"Just as there are a range of treatment options for various illnesses, RR is an alternative method of addiction treatment," notes Margot Reiner, director of chemical dependency services for Forest Health Systems, Des Plaines.

"If someone has not been successful in a traditional 12-step program - or if they are not comfortable with the 12-step concept,

MS Walk offers prizes to fund raisers

Walking 6 to 13 miles on Sunday, April 10 could take one all the way to Hawaii. Grand prize for the person who collects the most donations in the 6th annual MS Super Cities Walk on April 10 is a trip for two to Hawaii including air travel and beachfront accommodations.

That's the top prize offered by the Chicago-Greater Illinois Chapter of the National Multiple Sclerosis Society as a special inducement to raise funds for MS research and services to 10,000 persons affected by the disease in 73 Illinois counties.

In addition, all who take part in MS walks throughout the U.S. and raise \$125 or more will have their names entered in a national drawing for a trip to Paris for two.

In addition to the trips to Hawaii and Paris, both sponsored by TWA, other prizes range from a color TV and Lettuce Entertain

- then here's another way. For some people, Rational Recovery® may be a more effective solution."

Last year, Forest became the only hospital in the Midwest to implement an RR inpatient program; the hospital continues to offer patients and clinicians a choice of RR or AA.

Developed in Lotus, California, in 1986, Rational Recovery® (RR) is a lifetime abstinence program based on the Rational-Emotive Therapy (RET) developed by internationally known psychotherapist Albert Ellis, Ph.D.

Scleroderma Foundation to hold educational program

"What You Should Know About Scleroderma" and "Management of Kidney Problems and Hypertension in Scleroderma" are the focus of the educational program scheduled for Sunday, April 10, at 1:30 p.m. in Olson Auditorium at Lutheran General Hospital, 1775 Dempster St., Park Ridge.

Scleroderma, which literally means "Hard Skin," is a chronic disease which affects as many as 250,000 persons in the U.S. alone. Scleroderma is a connective-tissue disease and disorder of the blood vessels. The cause of scleroderma is still unknown and a proven cure is yet to be discovered.

As walkers strive to raise funds on April 10, they will be encouraged by hundreds of volunteers who will cheer them on and offer snacks and beverages along the way plus lunch at the individual finish lines.

Sponsor and registration forms as well as details about walking as a team or filling a spot as a volunteer are available by calling the MS chapter at (312) 922-8000 or 1-800-922-0484.

Insomnia support group meeting set

An on-going support group for people who have trouble falling asleep or staying asleep will have its meeting on Monday, April 11, 7:30 p.m. to 9 p.m., in room G954-G962 at The Evanston Hospital, 2650 Ridge Ave., Evanston.

The support group focuses on the causes of insomnia and non-drug techniques for coping with the problem. The Evanston Hospital Sleep Disorders Center sponsors the meetings on the second Monday of every month. The meeting is open to the public free of charge.

For more information, call (708) 570-2575.

Learn about diabetes at Rush

The second of a 3-part Lecture Series on Diabetes will be held at Rush North Shore Medical Center in Skokie on Tuesday, April 12, at 7 p.m. in Rush North Shore's Sharstein Academic Center.

The three lectures will be given by endocrinologist Alan Reich, M.D., who will discuss basic information on diabetes and the effects of diabetes on hypertension, vision, kidneys and the vascular system.

There is no charge to attend. For further information or to make a reservation, call the Rush North Shore Referral Line at (708) 933-6000.

The Age of Reason has come to addiction care

The solutions your clients are searching for are at Forest Hospital. Rational Recovery® is a revolutionary approach to overcoming chemical dependency. It is a simple program that helps people get sober, get better, and get on with life. Period. No lifetime meetings, labels, denial-and-disease talk. And it is a program that welcomes newly recovering and 12-step resistant people.

Counselors, therapists and physicians are excited about Rational Recovery® because it is an effective option for clients who can't "work the steps." Third party payers are enthusiastic, too. More of their insured now participate their own treatment planning, letting them invest more of themselves and less money and time in cost-effective and efficient treatment.

To learn more about Rational Recovery®, contact Forest Hospital, a licensed Rational Recovery® Hospital. (708) 635-4100, Ext. 363

Teen wellness seminar to be hosted

The dangers of alcoholism, drug abuse and AIDS among teenagers are nightmarish and difficult to approach for most parents and caring adults. But adolescents need guidance regarding health concerns ranging from life-threatening addictions to basic, effective care.

In order to help the teenagers they care for, adults need to know the answers to sensitive health questions that adolescents might be embarrassed to ask. The Evanston Hospital specialists are sponsoring a lecture, "Adolescent Health: From AIDS to Zits," on Wednesday, April 20, at 7:30 p.m. in the Frank Auditorium of The Evanston Hospital.

Psychologist Dr. Judith Iivins will suggest positive ways to view a child's energy and enthusiasm in the Multipurpose Room of Todd Hall School, 3925 W. Lunt Ave., Lincolnwood on Wednesday, April 13 at 7:30 p.m.

Those interested in participating are encouraged to register early, because space is limited. For more information or to register, call (708) 570-5020.

Researcher investigating alcohol's effects on brain

For years scientists have known that alcohol intensifies the effects of aging on mental function. Now, a researcher at Loyola University Medical Center, Maywood, is investigating whether elimination of alcohol from the diet halts or reverses the alcohol-related changes in brain chemicals.

James Woods, a former Niles resident and a graduate student in molecular cellular biochemistry at Loyola, has received a \$23,800, two-year, federal predoctoral fellowship that allows him to study one of the brain's communication systems, known as the dopaminergic system. Researchers have shown that aging and alcohol negatively affect the dopaminergic system, Woods said. "I am trying to determine if withdrawing alcohol returns the brain system to pre-drinking levels."

IT RUNS ON TWO SPEEDS, BUT YOUR GAS BILLS WILL STAY ON 'LO.'

Most gas furnaces have one speed: High.

Trane's XV 80, on the other hand, has a two-stage gas valve and a multi-speed blower. Under most conditions it runs at low speed, maintaining a delightfully even level of warmth in your home. At either speed it's remarkably quiet.

Local corporations support for Oakton

Local corporations are often the "angels" for special projects at Oakton Community College. Through the efforts of Oakton's Educational Foundation, gifts to the College from these sources are channeled to scholarship funds, specialized equipment needs and special events, such as the College's upcoming International Week.

"We are so grateful to Household International," says faculty member Linda Korbel, professor of foreign languages and co-chair of International Week (April 10 to 15). "Their generosity provided Oakton with 20,000 beautiful flyers to mail to the community."

Prospect Heights-based Household printed the flyers at no cost to the College as their contribution to the celebration of the diverse cultures found in the north and northwest suburbs.

Donna Funk, Manager of Philanthropic Services, Household International, notes that "Household International is very pleased to be able to provide support to Oakton Community College. We recognize the important role of Oakton in the community, not only as an outstanding educational resource, but also as a provider of important community support services."

Household joins other corporate donors to the Oakton Educational Foundation. During the past year, the Foundation received gifts which would like to learn more about establishing credit. The seminar will introduce The Dream Begin Credit Establishment Program from LaSalle Northwest designed to help individuals with limited or no credit histories become established borrowers.

The seminar will be presented in Polish by LaSalle Northwest National Bank personal banker Zofia Sawarka with the assistance of Consumer Lending Department assistant vice president Angel Quinonez on Sunday, April 10.

Applicants for the Dream Begin Credit Establishment Program must attend at least one free credit seminar sponsored by the Bank several times throughout the year.

Ribbon cutting ceremony Columbia National Bank, Niles

Columbia National Bank of Chicago held a ribbon cutting ceremony on February 10 for the new Niles Branch. Located at 8950 N. Greenwood, the Branch offers full service banking. Columbia's drive-in banking facility is open for business 7 days a week. Sunday hours are from 11 a.m. to 3 p.m.

Columbia National Bank is celebrating the Grand Opening of the Niles Branch Location with an eight week extravaganza of events which will run through May 14. The Niles Community is invited to join Columbia for entertainment, prizes and fun.

Pictured with local officials and community leaders are Columbia Representatives; Burton L. Gordon, Chairman of the Board/CNB (holding scissors) to his right: Donald V. Versen, President/CNB; Lester Rosenberg, Chairman of the Executive Committee/CNB; Leon Xintaris, Executive Vice-President/CNB; Vickie Lenchner, Assistant Branch Manager-Niles/CNB and Michael P. Kelly, Branch Manager-Niles/CNB.

Credit establishment seminar to be sponsored

LaSalle Northwest National Bank announces a complimentary seminar for individuals who would like to learn more about establishing credit. The seminar will introduce The Dream Begin Credit Establishment Program from LaSalle Northwest designed to help individuals with limited or no credit histories become established borrowers.

The seminar will be presented in Polish by LaSalle Northwest National Bank personal banker Zofia Sawarka with the assistance of Consumer Lending Department assistant vice president Angel Quinonez on Sunday, April 10.

First Bank completes Boulevard acquisition

First Bank System, Inc. has completed its previously announced acquisition of Boulevard Bancorp, Inc. of Chicago. The acquisition was approved by Boulevard shareholders at a

meeting in Chicago which was followed by the closing.

Boulevard Bancorp, a commercial banking company, has \$1.6 billion in assets and \$1.2 billion in deposits and banking locations in Chicago, Des Plaines and Downers Grove. FBS said that there would be no immediate changes for customers until the banks are converted to FBS systems and products, which is expected to be completed in late April. At that time, all Boulevard banks will begin using the name "First Bank" and will become branches of First Bank National Association, the new legal name for the bank in Illinois. The company said that the remote drive-up location of Citizens National Bank of Downers Grove will be consolidated with the bank's main office but that all other 10 bank locations would remain open. In addition, FBS said that it would open branches of its residential mortgage company in the Des Plaines and Downers Grove banks.

First Bank System is a regional bank holding company headquartered in Minneapolis with approximately \$26 billion in assets.

International Week features known lecturers

International Week, a week long celebration consisting of programs which highlight Oakton's connection to and understanding of other cultures, will feature well known lecturers April 10 to 15 at Oakton's Des Plaines campus, 1600 E. Golf Rd. and Ray Hartstein campus, 7701 N. Lincoln Ave., Skokie. Following is a list of a few lecturers and topics.

At the Des Plaines campus:

Domingo Blue Lachman, Jeffereson award-winning actress, discusses her play about Mexican artist Frida Kahlo on Tuesday, April 10 from 12 to 2 p.m. She talks about her trip to Mexico to research Kahlo's life, and how she, as a woman and actress, relates to Kahlo, the woman and artist.

In the evening, from 7 to 8:30 p.m., the Division of Social Science and Business will sponsor An Evening With Richard Longworth, Chicago Tribune senior writer and foreign correspondent. He will discuss the current situation in world politics and economics.

Willard Daggett, director of the International Center for Leadership in Education, speaks on Education for Jobs of the Future: A Global Perspective on Wednesday, April 13 at 7:30 p.m.

French 1 - incorporates reading and speaking practice, basic vocabulary and pronunciations. The class meets for seven Wednesdays, beginning April 12 at Niles North or Niles West High Schools.

Italian 1 - concentrates on useful vocabulary, pronunciation skills and common expressions of daily life. The class meets for seven Mondays, beginning April 11 at Niles North High School or seven Tuesdays, beginning April 12 at Maine East High School.

German 1 - focuses how to converse in German. Basic vocabulary and pronunciation will be emphasized. The class meets for seven Thursdays, beginning April 14 at Glenbrook South High School.

Other language courses offered through the MONNACEP program include Polish, Russian and Hebrew.

For more information, call the MONNACEP office at (708) 982-9888.

David E. Anderson

Marine Pfc. David E. Anderson, son of LeRoy E. Anderson of Des Plaines, recently completed the Personnel Clerk Course.

Anderson joined the Marine Corps in June 1993.

Des Plaines man volunteers as Big Brother

John Pabon, a volunteer Big Brother with Big Brothers/Big Sisters of Chicago takes a moment with his match, twelve year old Kleybeen Romero at the recent charity holiday party.

Des Plaines businessman John Pabon, of the architectural firm of Cadstation, 111 E. Touhy is making a difference in the life of 12 year old Kleybeen Romero's life by being a Big Brother volunteer with Big Brothers/Big Sisters of Chicago.

Big Brothers/Big Sisters is a nationwide program that matches an adult volunteer to help provide a positive role model for a child ages 7 to 13 from single parent families.

As part of the Boy's and Girl's program matches participate in various activities that provide special support in education, self-image and self-esteem as an extension of the Big and Little relationship.

If you are a single parent and want to get your son or daughter into the program or want to be an adult volunteer, call Big Brothers/Big Sisters of Chicago at (312) 427-0637.
