

Two banks approved, another pool hall denied

by Kathleen Quirsfeld

By unanimous vote, the Niles Village Board approved the zoning petitions of two banks, but a divided board denied a business man a variance to open a billiard hall.

Avondale Bank, through its attorney, Paul Kolpak, 6767 N. Milwaukee, Niles, had petitioned the Zoning Board for a variance to add four lanes of drive-thru banking to its facility, reduce a six car stacking rule to four cars and for a variation of 15% parking requirement.

In a previous ruling, the Zoning Board had agreed to the variance, subject to the Village Board's approval, but conditioned upon three following provisions.

The bank had to agree that no

additional out buildings would be constructed at the corner of Milwaukee and Oakton, that the northeast corner parking lot would be paved and striped in a 12-month period commencing at the time the drive-thru was completed, and that the drive-thru facility would be moved as far west as possible.

Prior to its vote, Trustee Louella Preston further required that the bank provide landscaping or "beautification" on the corner of Oakton and Milwaukee.

Foster Bank, primarily servicing Korean-Americans, was granted zoning to open a facility at 8526-N. Golf Road.

No plans to provide drive-thru banking or ATM facilities are in

Niles to test upgraded warning sirens

The Village of Niles has recently upgraded its Emergency Warning Siren System. In an effort to familiarize residents of the community with the sounds that the sirens emit and what they mean, the Village has scheduled tests of the system during the month of March and April. These sirens are designed to be heard while you are outside. Though you may be able to hear them inside some locations they are not designed to be heard in all structures.

The sirens are strategically placed around the village in five (5) locations:

7300 N. Lehigh Ave., just north of Touhy Ave.;

Niles Twp. Neighborhood Watch

The Maine Township Neighborhood Watch will be holding its monthly meeting on Wednesday, April 3 at 7:30 p.m. The guest speaker scheduled is Art Jackson from the Cook County 9-1-1 Committee. Mr. Jackson will be sharing the County's plans for its 9-1-1 Communication Center and the progress being made in implementing the 9-1-1 Emergency System throughout Unincorporated Cook County and some suburban areas included in the plan.

Also expected is the Recreation Director from the Golf Maine Park District, Tom Bauer.

Worried residents jam Village Hall to express opinions

Board provides public hearing on TIF project

by Kathleen Quirsfeld

At a pre-Board meeting of the Village Board, a public hearing was conducted to discuss the TIF (Tax Incremental Financing) project development for the now infamous Milwaukee-Harlem-Touhy Avenue area.

This area is the property that the board had previously approved for rezoning for the construction of 420 residential condominium units by Pontarelli Development. Such rezoning has been a hotly contested matter for many Niles residents who vehemently oppose this development, which also includes the demolition of Jozwiak Park.

So many Niles residents converged on the Village Hall to air their grievances about the proposed TIF plans that a closed-circuit television camera was made available to televise the hearing for the thirty or so people gathered in the lobby of the Village Hall who were unable to find seating in the meeting room.

As in previous public meetings involving this issue (such as the Zoning Board and the Park District Board), the Village Board

individual homeowner to retire the bonds," Selman stated. "It is a very useful tool, an expedient tool," he said.

Selman believed that his personal opinion was that the residents primary concern was that property surrounding the TIF area would be condemned by the

Village of Niles. He stated, however, that in the 35 years he has lived in the suburb, the Village of Niles has condemned only one piece of property - the Lawrencewood Shopping Center.

Selman stated again that "the TIF has nothing to do with the area would be condemned by the

Early morning blaze closes Booby's

by Rosemary Tirlo

Andrew Vineratos, 46, was awakened around 5:30 a.m. Monday by a phone call from Niles police informing him that smoke was billowing from the rear of Booby's, 8161 Milwaukee Ave., the restaurant he has owned with partner, Ted Protodanousis, for the past 17 years.

Five engines, two trucks, three ambulances, four command vehicles and a squad or utility vehicle responded to the alarm, according to District Commander Barry Mueller.

Bureau of Fire Prevention Inspector Ed Sosnowski reported that the fire may have been started in the men's washroom where smoking materials probably smoldered in a garbage can from the restaurant's closing around 9:30 p.m. until the fire broke out about 5:30 a.m.

Chief Mueller said the large number of vehicles responding to the call were to provide additional manpower rather than additional equipment.

Liponi Foundation Dinner Dance a success

The 5th annual Liponi Foundation Dinner/Dance was held at Przybylo's White Eagle Restaurant in Niles on March 2. Over 200 people came together to raise money for individuals with physical and mental challenges. The elegant evening was filled with gourmet food, exquisite desserts, dancing, and a silent auction which contained over 65 items.

Money raised by the Liponi Foundation for Special Recreation will be donated to the Maine-Niles Association of Special Recreation (M-NASR) for the purchase of a transportation vehicle. The Liponi Foundation for Special Recreation is a not-for-profit, tax exempt Foundation, which facilitates participation in recreational activities for individuals with physical, mental and emotional disabilities. The Foundation's major benefactor is M-NASR.

Since 1972, M-NASR has supplied recreation and leisure programming for individuals who have physical and mental chal-

Senior citizens offered low-cost wills

Eligible senior citizens are offered low-cost will preparation services through the Senior Citizens Will Program, Wednesday, April 3, at the Center of Concern in Park Ridge. Advance appointments are required and will be scheduled from 9 a.m. to 12 p.m.

An attorney from The Chicago Bar Association Lawyer Referral Service will provide free consultations about wills to seniors who register for the service. At a client's request, the attorney will also prepare a simple will for a reduced fee. The cost for drawing up a will is not more than \$50 for an individual (\$75 for a couple).

Durable Power of Attorney and Living Will forms are available free of charge. A Durable Power of Attorney allows a senior to designate another person to make property or health care decisions in the event the senior becomes physically or mentally unable to do so. A Living Will allows an individual with a terminal health condition to express his or her desire to have death-delaying procedures withheld or withdrawn.

Seniors may complete the Durable Power of Attorney or Living Will forms themselves, or they may hire the attorney to help fill them out and explain the various options available on the forms. The fee for the attorney to provide legal advice about a Durable Power of Attorney is \$75 maximum for an individual (\$125 for a couple). The charge for a Living will is no more than \$50 for an individual (\$75 for a couple).

To be eligible for the Senior Citizens Will Program, a client must be age 60 or over. Annual income must not exceed \$15,000 (\$20,000 for a couple); and assets, excluding a home and personal car, should be worth no more than \$30,000.

The Senior Citizens Will Program is sponsored by The Chicago Bar Association, the Suburban Area Agency on Aging, the Chicago Department on Aging, and the Cook County Legal Assistance Foundation.

Appointments for the Senior Citizens Will Program must be scheduled in advance. To register and be screened for eligibility, call the Center of Concern at (847) 823-0423. The program is usually held the first Wednesday of each month.

S.I.J. 55 Plus Club

Cold, cold, cold, but the S.I.J. members are thinking spring. We are looking forward to exciting things and although our meetings for February were cancelled, our March meeting was very well attended. At the March 28 meeting we had our St. Patrick, St. Joseph Party.

Many things are going to be planned for the coming months. It's that time of year when we mention dues for '96 and they are now being accepted. Please pay as soon as possible.

Congratulations to our anniversary couples and our birthday people who celebrated birthdays in February and those celebrating in March.

Please remember our sick and deceased members in your prayers. The Club extends its sympathies to the families of Rudy Prozek, Lucille Koller, George Homeyer and Christin Michelini on the loss of their loved ones. May they rest in peace.

CHOLESTEROL SCREENING

Cholesterol is a soft, fat-like substance found in every cell in the body. Most of the body's cholesterol is made in the liver; the rest comes from animal fat in foods. Egg yolks, meat, poultry and dairy products all contain cholesterol. Everyone needs some cholesterol, but not too much. Eating foods low in animal fat is one of the best ways to lower cholesterol. A clinic for cholesterol screening will be held from 9 to 11 a.m. on Tuesday, April 2 in the Flickinger Senior Center. The quick and simple test will give an accurate total blood cholesterol measurement in just three minutes. For Morton Grove seniors (age 65+) there is a charge of \$3. For those under 65 or for non-residents the charge is \$4.

LUNCH BUNCH MOVIES

Following the regular Senior Nutrition Site lunch on Wednesday, April 3, the movie, "Sleepless in Seattle," a sentimental comedy with Tom Hanks and Meg Ryan will be shown in the Flickinger Senior Center at 1 p.m. Lunch is provided for those who make a reservation. Even seniors who don't wish to come in for lunch can take in the show. For more information about the lunch program, call the Morton Grove Senior Hot Line at 470-5223. Other upcoming films will be: May 1, "An American Tail," Steven Spielberg's first animated film; and June 5, "Sabrina," a classy comedy with Humphrey Bogart and Audrey Hepburn.

A WET AND ELECTRIFYING EXPERIENCE

On Thursday, April 11 seniors will set out for a wet and electrifying experience. First, visit the Motorola Museum of Electronics. The exhibits chronicle the closely intertwined evolution of Motorola and the electronics industry. Next, it's the Rain Forest Cafe in Woodfield Mall for lunch in the center of a tropical rain forest complete with live and animated wildlife and special effects. After lunch, take time for a little shopping with the complimentary coupons provided by the Woodfield Mall. To end the day there will be a tour and taste at the Lynfred Winery in Roselle. The bus leaves Prairie View at 8:45 a.m. and returns at approximately 5:30 p.m. The cost is \$37.50 for residents, and \$39 for non-residents. Call Catherine Dean at the Morton Grove Park District, 965-1200 to register.

GOLF CLINIC

This program is designed to give seniors a basic introduction to golf through non-vigorous exercise while learning the basic fundamentals of grip, stance, alignment and swing techniques. New golfers are welcome. Clubs are available if needed and participants must buy their own bucket of balls and meet at the driving range. Clinic times are from 2 to 3 p.m. on Saturday, April 20; Saturday, May 18; and Saturday, June 22. The instructor is PGA professional Greg Genz and the cost is \$10 per clinic, plus \$4 for balls. To register, call the Morton Grove Park District at 965-1200.

RALLY AGAINST AGEISM

What is ageism? Who does it affect? What can be done about it? Join other seniors in "Celebrating Older Adults: Rally Against Ageism" from 1 to 3 p.m. on Wednesday, May 1 at the Spertus Institute, Michigan Ave. at Harrison in downtown Chicago. A panel of distinguished speakers will raise awareness of the effects of ageism, at any age, in the areas of health care, employment, media, politics and law. Special guest will be Robert Blancato, Executive Director, White House Conference on Aging. The rally is held in observance of Older American Month and dedicated to the memory of Maggie Kuhn (1905-1995), Founder of the Gray Panthers. Call Age-Wise at (708) 660-2000 to register by April 15, seating is limited.

FREE INCOME TAX RETURN ASSISTANCE
Morton Grove residents age 60 and over can have their income tax forms prepared for them any Monday, Wednesday or Friday through April 15 in the Flickinger Senior Center. Morton Grove Tax-Aide volunteers will prepare income tax returns at no charge or gratuity. Call the Morton Grove Senior Hot Line at 470-5223 for a personal appointment. Appointment times are 9 and 10:30 a.m.

For more information about these senior services and recreation programs, call the Morton Grove Senior Hot Line at 470-5223, or the Prairie View Community Center at 965-7447. To receive the "Seniors in Morton Grove" newsletter, send \$2.50 to the Morton Grove Park District, 6834 Dempster Street, Morton Grove, IL 60053.

Services at St. John Lutheran Church

Special Worship Services have been planned at St. John Lutheran Church (Missouri Synod) for Maundy Thursday, April 4. Holy Communion will be celebrated at both services which are scheduled for 8:45 a.m. and 7:30 p.m. The Rite of First Communion will be celebrated in the 7:30 p.m. service. The Rev. Marvin Mueller, Pastor of St. John, will preach on the theme: "Not Our

Feet Only," based on the text, John 13:1-15, at both services. Special times have been chosen for the Easter Services on Sunday, April 7. The Easter Sunrise Service will begin at 6:30 a.m. and the Easter Festival Service will begin at 9:30 a.m. Holy Communion will be celebrated at both services. The Easter Message will be entitled, "Beyond Amazement," based upon the Easter account recorded in Mark 16:1-8. There will be special music at both services provided by the Adult Choir and the Handbell Choir under the direction of Mrs. Christine Engebrecht.

An Easter Breakfast will be served following the 6:30 a.m. Service with an Easter Egg Hunt for the children beginning at 8:30 a.m. We invite all members of our community to come and join us as we celebrate the Resurrection of our Lord Jesus Christ. St. John Lutheran Church is located at 7429 Milwaukee Avenue (One block south of Harlem) in Niles. For more information, call the church office at (847) 647-9867.

On Good Friday, April 5, at 7:30 St. Luke's UCC located at 9233 Shermer Rd., will host the Filipino-American Festival Choir as they present their 25 voice choir performing the cantata "The Seven Last Words" written by Theodore DuBois. This outstanding choir has performed

this cantata on several occasions over the last few years and they just keep getting better and better. Richard M. Wright, pastor of St. Luke's said, "Several years ago I read an article written by a doctor detailing what the body of Jesus endured during the six hours on the cross and developed a message out of it. With the "Seven Last Words cantata and this message, this will be a Good Friday Service that will help people reflect upon what really happened at Calvary." Members of the community are invited to be a part of this very special evening.

COLONIAL & WOJCIECHOWSKI FUNERAL HOMES

With over 85 years of service in the Chicagoland area, we have come to know what most families expect when selecting a funeral home: Service, Location, Price, Quality, Comfortable Surroundings and an Understanding staff. We invite all families to visit our facilities and see first hand what a full service family owned funeral home can offer that corporate owned funeral homes can't.

Center of Concern helps with care assistance

Home Health Care is one of the services offered by The Center of Concern, 1580 N. Northwest Hwy., Park Ridge.

The best solution to a sudden illness or gradual disability is to maintain the patient's home and lifestyle. Home Health Care can do both. The Center of Concern screens qualified potential caregivers at no cost to those seek-

ing employment or those needing long or short-term care. The careseeker and caregiver then negotiate a mutual agreement.

Grandma had always been an active, independent lady who enjoyed her extended family and participated in community events. She was able to maintain her home and drive her car. Then one day she fell and hurt her back. Too healthy to even consider a nursing home, but unable to care for herself and her home as before, she was reluctant to ask her children or friends for the intensive, short-term help she needed. The answer: Home Health Care.

Whether you are a caring person seeking employment, or whether you are one needing long or short-term assistance, you may want to talk to Mary Maroney at The Center of Concern, (847) 823-0453.

Blood Drive at American Legion Post

To benefit the veterans at the Hines VA Hospital, a blood drive will be sponsored by and held at the Morton Grove American Legion Post #134, 6140 Dempster.

Blood will be drawn from 4:30 to 7:30 p.m., Monday, April 1.

Walk-ins are welcomed and advance reservations may be made to blood donor co-chairmen, Don Huber (847) 965-0580 or Dick Kapelanski (847) 965-1192.

The legion conducts blood drives to aid former service personnel. The original blood program for the village through the American Legion was instituted many years ago by past commander Tad Kimura, who continues to be active in the blood program as well as other legion activities. Legion affiliation is not necessary to donate.

Plant Your Savings Here And Get A FREE Silk Plant.

Take your pick of one these lovely silk plants—FREE—when you add \$1,000 or more to any new or existing Northwestern savings account between March 13 and April 27, 1996.*

Choose from four unique room-brightening silk plants. Like hard-to-grow African violets. Not so difficult here with four potted silk plants in a wooden grapevine-type window basket.

And look—tulips. A sure sign of spring. But with this silk plant the charm of tulips can last all spring and for many years to come.

Want a little different color in your home? Then go for the potted azalea. Or the Silver Queen foliage plant—the largest of our four gift choices. And you don't even need a green thumb. Just add a little green to your account at Northwestern and enjoy the loveliness of your silk plant without any fuss or bother.

It's just part of the beauty of saving at Northwestern.

*One gift per account. Funds must be kept on deposit 90 days or cost of gift will be charged. Supplies of colors and types of plants are limited.

Hadassah makes it happen

Six months ago, the Main-Niles Association of Special Recreation (M-NASR) was in dire need of board games for children and adult special recreation programming. After contacting major board game manufacturers for new board games and after placing ads for used board games in local newspapers, M-NASR still found themselves empty handed.

Then Hadassah, the largest women's Zionist organization in the world, with over 385,000 members in the United States, came to M-NASR's rescue. The Young Women/Young Leaders

of the Chicago Chapter of Hadassah decided to highlight the month of February in their "Hadassah Shares" project. For M-NASR and Children's Place to collect board games. Although all the games have yet to be collected, as of this point, M-NASR has already received over 75 board games, books and stuffed animals.

For additional information on donating needed items to the local community, contact Amy at Hadassah (312) 263-7473. For information on M-NASR call (847) 966-5522.

Help bring the world closer together

You can extend the hand of friendship around the world as an American host family for a summer foreign exchange student. These homestays are always interesting and are often the beginning of lasting friendships. Most students come for short summer homestays beginning in early July. A few may come for the school year. Students range in age from 14 to 19. All will speak English although some are more fluent than others in the language.

They live as fully participating members of the family, not as guests in the home. It is an opportunity for American families to share their home and life with someone from a different country and culture and learn something of the language and customs of the homeland of their new family member.

Illinois women veterans honored

Robert E. Foster, Director for the Illinois Department of Veterans Affairs, is urging Illinois residents to participate in a unique tribute to honor the state's nearly 40,000 women veterans.

Illinois Department of Revenue individual income tax returns (IL Form 1040 and 1040EZ) include a line for a voluntary contribution to the Women In Military Service For America Memorial, being built at the entrance to Arlington National Cemetery in the nation's capital.

Illinois tax payers can use the form to designate a portion of their refund (or tax owed) to the Memorial, to recognize the contributions of Illinois women to the national defense. Legislation authorizing the voluntary contribution to the nation's first national

The students are sponsored in this country by Bendall International Cultural Exchange, which works exclusively with friendship, cultural and educational exchanges.

You can help to make a dream come true for a teenager from another part of the world while you enjoy an unforgettable intercultural adventure. It is a growing, learning and sharing experience for everyone involved.

For more information about hosting a student for the summer, or the school year, contact the local program representative. She is Mrs. Roseann Catalano. Phone: (312) 774-7299. The students will always remember their American host families and their summer in Illinois.

You can help bring the world closer together, one friendship at a time.

Breast Cancer program

The Niles Public Library District will host a program on Breast Cancer on May 6 at 7 p.m. Dr. Jacob Bitran, division head of Hematology and Oncology at Lutheran General, will discuss early signs, symptoms, and treatment procedures as they relate to breast cancer.

The session is free and open to the public. Registration is required. For mobility or communication access assistance call 967-8554 voice and TDD. We recommend that you arrive a bit early, since parking is often limited.

Multi-Instrumental Concert with Riku

Enjoy a relaxing Sunday afternoon concert at the Niles Public Library District and hear a talented musician play as many as 10 different instruments such as the organ, banjo, harp, fife, classical guitar, recorder, shepherd's flute, synthesizer, midi wind controller, and midi mallet.

Classically trained in piano and flute, Riku went on to master a wide variety of instruments. He spent most of his adolescence studying and performing in Europe, America, and Asia. Riku's mastery of the instruments have brought him to the level of a music improviser and a composer. Riku tailoring his performance

to his specific audience, encourages audience members to request a time or composition so that he can improvise it on an instrument of their choice. Riku measures the ages and tastes of his particular audience and attempts to reflect the consciousness of the listeners in his improvisations. Don't miss this performance by a versatile and very talented musician.

Famous soprano performs at Rosary College

Internationally acclaimed mezzo-soprano Florence Quivar takes the stage at Rosary College for the 16th annual Trustee Benefit Concert Sunday, April 14, at 3 p.m.

Tickets start at \$15 for the concert which has become known as one of the finest spring music events of the near-west suburbs, featuring in the past such acclaimed artists as Marilyn Horne, Andre Watts, Samuel Ramey and Kathleen Battle.

Seats are also available for \$25. Special \$250 benefit tickets include a post-concert reception with Florence Quivar and dinner. The concert takes place in Rosary College's Lund Auditorium, 7900 W. Division St., River Forest. For more information, or to make reservations, call (708) 524-6454.

Chicago Bar Association Show

The community is cordially invited to the Chicago Bar Association Show Saturday, April 27, at Deerfield High School, 1959 N. Waukegan Rd., Deerfield. The show, "How to Succeed in The Law Business Without Really Trying Cases," consists of humorous parodies commenting on the political scene and current events. This performance will benefit Temple Beth-El of Northbrook which is celebrating its 125th Anniversary.

All seats are reserved. For best seats available, make your reservations early. Reserved general seating is \$25 and center circle seating is \$50. For ticket information, call Temple Beth-El (847) 205-9982.

Bunnyrific Extravaganza at Lambs Farm

March came in like a lion but will go out like a lamb at Lambs Farm. Toys-R-Us and Lambs Farm present a Bunnyrific Extravaganza, Sunday, April 6, from 12:30 to 4 p.m. This spectacular Easter celebration will include Easter Egg Hunts for terrific prizes, a giant moonwalk, magic shows, photos with the Easter Bunny, make your own crafts and more. Tickets, which are good for all activities, are \$5 per child when purchased the day of the event or \$4 per child when purchased in advance at any Lambs Farm shop.

Lambs Farm's Easter Egg Hunt offers great prizes in every egg -- one lucky person from each age group will win a bicycle, compliments of Toys-R-Us. Times and age groups for the Easter Egg Hunt are ages 2-4 at 1:30 p.m., ages 5-7 at 2 p.m., ages 8-9 at 2:30 p.m., and ages 10-11 at 3 p.m.

Auxiliary offers hams

In their usual pre-Easter give away, the Morton Grove American Legion Auxiliary will once again offer hams as prizes during the weekly Post fish fry on Good Friday, April 5.

During the 5 - 8 p.m. meal at the Post, 6140 Dempster, auxiliary members will circulate with tickets for the drawing. Winner need not be present. Advance ticket sales are available. President Dodee Connelly may be reached at (847) 966-8350 for tickets and/or further information.

The cost is nominal and there is plenty of free parking. The regular fish fry meals are served with cole slaw, potato, rolls and butter and beverage. Cocktails are also available at a small charge.

Magic shows with Lambs Farm's favorite clowns, JoJo and Kiwi, and Bunny Bingo games will be held at various times throughout the afternoon. A giant moonwalk, a make your own crafts area, and a spring petting zoo featuring Lambs Farm's newborn baby farmyard animals add to the fun. Don't forget to visit our extraordinary Bunnyland where children can have their photo taken with the Easter Bunny.

This year Lambs Farm is celebrating 35 years of service to adults with mental disabilities. Over 250 people annually are provided with vocational, residential, recreation and social service programs to help them become as independent as possible.

Lambs Farm is located at the intersection of I-94 and Route 176, two miles east of downtown Libertyville. For more information, call Lambs Farm at (847) 362-4636.

The Aging of a President

Louise and Barry Taper Collection Illinois State Historical Library

Louise and Barry Taper Collection The Huntington Library

The aging of Abraham Lincoln during his presidency is apparent in this series of photos on exhibition with more than 200 rare pieces at the Chicago Historical Society special exhibition *The Last Best Hope of Earth: Abraham Lincoln and the Promise of America*. The special exhibition, which opened on Monday, February 12, will be on view through Thursday, February 13, 1997. Lincoln, the man and the statesman, is presented in the largest and most comprehensive exhibition of Lincoln materials ever assembled for public display. This exhibition reflects a previous collaboration among the Illinois State Historical Library, The Huntington Library and the Louise and Barry Taper Collection based upon an original concept of Louise Taper. It premiered at The Huntington Library on October 12, 1993. The Chicago Historical Society is the only other venue for this exhibition. Photos © Copyright The Huntington Library

Eighth annual MS Super Cities Walk

As the National Multiple Sclerosis Society observes its 50th year of service (1946-1996), the non-profit organization is marking the occasion with many fund-raising educational and outstanding activities. Among major fund raisers will be the MS Super Cities Walk held by NMSS chapters nationally on Sunday, April 14.

The Chicago-Greater Illinois Chapter, NMSS has set a goal of 7,500 walkers at 13 northern Illinois routes and a fund-raising target of more than \$900,000. Proceeds benefit MS research and client services for 10,000 people with MS in 73 northern and central Illinois counties.

Multiple sclerosis is a chronic, often disabling disease that attacks a person's central nervous system. The progress, severity and specific symptoms of the disease cannot be predicted and may vary from numbness to paralysis and blindness. Most people with MS are diagnosed between the ages of 20 and 40, but the unpredictable physical and emotional effects can occur for the rest of

their lives. Each of the Walk routes will be staffed by volunteers who will provide snacks and beverages at rest stops and a lunch at the finish line.

All participants who raise at least \$100 receive a 1996 Walk T-shirt; at \$200 they earn a Walk sweatshirt. A choice of Lettuce Entertain You or Sears certificates in increasing value are awarded at levels from \$300 to \$5,000 raised.

The top MS Super Cities Walk fund raiser and a companion will be whisked to the tropical splendor of Hawaii where they will enjoy a week's vacation sponsored by the Hilton Hawaiian Village Hotel.

Walk registration forms, information about individual routes, participation as a team and details of volunteer opportunities are available by calling the Chicago-Greater Illinois Chapter, NMSS at (312) 922-8000 or 1 (800) 922-0484.

School Guide

Good Counsel High School

Good Counsel High School is a comprehensive four year school dedicated to the education of young women for the 21st century. Good Counsel offers advanced placement classes in English, Biology and Calculus. The Theater Dept. is gearing up for its spring production entitled "The Innocent One." The Music Department recently garnered many first place awards at the Northshore Concert Band and Northwestern University Festival of Music for the solo vocalists and instrumentalists and

group vocals and instrumentals. They are also preparing for the spring concert in May. Soccer and track have been added to the sports program. The Science Department works closely with the Argonne National Laboratories which proposes activities and provides the school with the equipment necessary to complete the activities. The current focus is on forensic science. For further information call Slavka Fager, Director of Recruitment at (312) 478-3655, ext. 31.

'The Sound of Music' at Resurrection High School

"How do you solve a problem like Maria?" sing the Nonnberg Abbey nuns. Twenty students at Resurrection High School rehearse for their spring production of "The Sound of Music." The show runs March 29-31 with performances at 7:30 p.m. on Friday and Saturday and shows at 2 p.m. on Saturday and Sunday. Call (312) 775-6616 for ticket reservations. Ticket cost is \$5 in advance and \$6 at the door.

Varsity Cheerleaders take coed state title

Dreams came true on March 9 for the Maine East High School varsity cheerleaders. With a score of 373.5 out of 400, the varsity co-ed squad gave Maine East its first state championship in any sport since 1983 by beating perennial favorite Stevenson by seven points.

Maine East overcame a lot of obstacles to win this title. The sixteen high schools students not only had to deal with everyday tasks like their studies, jobs, and injuries, but the squad also lost seven members for one week to a chorus trip to Disney World. The seven members returned only three days before the state competition. The cheerleaders then had to deal with the start of

spring sports and snow which caused very limited indoor practice space. After being kicked out of every gym and hallway at Maine East High School, Assistant Principal Doug Harrison came to the rescue and made sure that the Demons had practice space no matter what.

The State Champion Maine East Varsity Cheerleaders are: Shani Austin, junior; Kristin Jeffers, junior; Michelle Oh, sophomore; Kinjal Patel, junior; Jimmy Beltran, sophomore; Tiffany Rome, sophomore; Jason Shapiro, junior; Art Cacayuran, junior; Reggie Odjimer, junior; Rich Wojcik, junior; Charizza Bernabe, senior; Kristie Betcher, senior; Barry Jacobs, junior;

Gendalyne Roma, senior; Mary Timones, junior; and Kristy Nydan, senior.

Niles North Cheerleaders worth cheering about

The Niles North High School Cheerleading Squad recently participated in the Twelfth Annual State of Illinois Cheerleading Championship Finals held at Illinois State University in Normal. Over 95 teams competed in five areas, and the Niles North Squad placed seventh in the Small Varsity Division.

This state championship is sponsored by the Illinois Cheerleading Coaches Association (I.C.C.A.), a non-profit organization dedicated to better quality cheerleading in the state of Illinois.

The Niles North Cheerleading Team is coached by mathematics teacher Deborah Dicker.

Top comments of area residents surface

On January 29, Community Consolidated School District 64, Park Ridge/Niles, held the first in a series of public meetings to address the significant enrollment increases and accompanying facility needs.

At the Town Meeting, which attracted more than 360 area residents, questionnaires were distributed, asking the individuals what their major concerns were concerning the space needs/enrollment issue. The overwhelming major concern was the financial issue. Among those questions raised, eight items consistently surfaced on the comment sheets:

1. What will be the cost attached to each of the various alternatives presented?

2. How/when will new boundary lines be drawn?

3. Provide more information on the middle school concept.

4. What will happen to our (very large) current fourth grade class (as it approaches jr. high)?

5. What about year-round schooling?

6. What are current class size levels, and what would they be increased to?

7. What is the basis of enrollment projections, and have they been broken down by age and location?

8. Why build when we currently own a building?

"The cost per alternative was particularly recurring theme throughout most of the questionnaires we received," said Robert Ryan, Board of Education Secretary and Chairman of the Long-Term Needs Committee. "It is obvious it is of prime concern to area residents, as it should be, and we will be devoting our next public meeting to that issue specifically."

The next public Town Meeting will be held Monday, April 29 in the gymnasium of Futabakal Japanese School (formerly Emerson Jr. High), 8101 Cumberland Ave., Niles. Exhibits will be able to be reviewed beginning at 7 p.m., followed by a formal presentation at 7:30 p.m. and a question and answer session.

"Between now and April 29, however," said Ryan, "we will be consistently making presentations to church groups, clubs and other community gatherings throughout the Park Ridge/Niles area in an effort to collect additional community input and suggestions and respond to the other concerns which have been raised. If you would like someone to address your club or organization, call Maureen Buckley Jones at (847) 318-4462."

According to Ryan, weekly community presentations to various civic and church organizations have already started and will continue into early summer. In addition, beginning in mid-

March the District 64 Board of Education will begin forming a larger community-based Long-Term Needs Committee to further involve community members in this ongoing process.

By mid-June the Board will begin refining the available alternatives and once again present its findings to the community for further input and discussion. Finally, based on continued input and alternative refinements, the Board hopes to select a plan by December of this year which will best address the enrollment/facilities issue.

"By listening to each other and working together we hope to eventually arrive at the best decision for our children and the community as a whole," said Ryan.

Niles North JETS team places first in region

The Niles North High School JETS (Junior Engineering Technical Society) team placed first in a recent regional TEAMS (Test of Engineering Aptitude, Mathematics and Science) competition. This event pitted the Niles North group against competitors from similar high schools throughout the area, including Evanston, New Trier and Loyola Academy. The TEAMS contest is a team-oriented collaborative event in which students use math, science, technology and liberal arts concepts to solve real-life engineering problems.

The winning Niles North team included Skokie residents Aleksandra Markina, Ajit Paintal, Aseet Patel, Maksim Raginski and Scott Walshon. The JETS team is coached by Niles North science teacher Jacklyn Naughton.

Morton Grove's Mystery Shop

Children love a good mystery. That's why the Morton Grove Park District and THE MYSTERY SHOP are working together to sponsor a participatory mystery to be held at Prairie View Community Center, 6834 Dempster in Morton Grove on Saturday evening, April 13.

THE MYSTERY SHOP provides an interactive, participatory mystery that gets children (grades 3 through 6) involved and thinking. This is a mother/son event and each mother/son team will work together to solve riddles, puzzles, and coded messages to solve the case. They can also "buy" clues with official MYSTERY SHOP Bucks.

As much fun as THE MYSTERY SHOP's production is, it offers the children so much more: teamwork, friendly competition, observation and recall, decision-

making, and deductive reasoning. The price for this adventure is \$24 per couple (another child is \$10 extra) and includes pizza, beverages, the mystery and awards.

On hand to join in the fun are MYSTERY SHOP staff members: Mary Jo Carlson (Villa Park), Janet Gilleland (West Chicago), Mary Heitert (Carol Stream) and Linda Metz (LaGrange Park).

Call the Morton Grove Park District, Registration Desk at (847) 965-1200 for reservations. Don't let your child miss the opportunity to be an Ace Detective!

THE MYSTERY SHOP offers a full range of adult and children's mysteries and programs. Call them at (708) 690-1105 for more information - they'll be happy to "clue" you in!

219 Prep offers youth gymnastics

A gymnastics program for residents of District 219 ages 4 through junior high school will be offered by 219 PREP (Program for Recreational Education Participants) from the week of April 15 through the week of May 27 at Niles West High School, 5701 Oakton St., Skokie.

Six classes will be offered to cater to differing gymnastic abilities. Teachers are gymnastics coaches from Niles West. Due to limits in class sizes, parents are urged to register as soon as possible. The registration deadline is Wednesday, April 10, 1996.

The classes and their times are: FOR GIRLS: Beginners, ages six and up, from 6 to 7 p.m. Tuesdays; Intermediate, ages seven

and up, from 7 to 8:30 p.m., Mondays and Wednesdays; Intermediate Advanced, ages nine and up, from 7 to 8:30 p.m. Mondays and Wednesdays; Advanced, ages nine and up, from 7 to 8:30 p.m. Tuesdays and Thursdays; and Tumbling Tots, ages four and five, from 6 to 7 p.m. Thursdays. FOR BOYS: Thursdays from 6 to 7 p.m. for ages seven through thirteen. Prices range from \$23.50 to \$48 per class. The cost includes a \$6 non-refundable registration fee.

Registration forms have been mailed to all previous participants. New students interested in information should call Kim McDermott at (847) 965-9371.

Bowling Club activities

If Maine East students have free time after school on Thursdays, they're invited to join up with Bowling Club. The group meets every Thursday at 3:45 p.m. at Golf Mill Lanes.

Sophomore Laura Stone of Morton Grove serves as president/secretary; she also has the club's high game, a 207, and high series, a 521, for the season. Junior Amanda Achneider of Des Plaines serves as vice-president/treasurer.

Bowling Club regulars include freshman Barak Berman of Morton Grove, junior Eric Smulson of Des Plaines, freshman Chris Wilke of Des Plaines, freshman Steve Williams of Des Plaines, and freshman Jon Decker of Niles.

Additional information can be obtained from math teacher/Bowling Club sponsor Roger Leys by stopping by Rm. 112 periods third, fourth or fifth or call Maine East at 825-4484.

Daddy and Me

Dads, you don't have to be "Mr. Moms" to get involved! Daddy and Me, offered by the Niles Park District, is a great way for you to share new experiences with your child, such as all the latest children's songs, games, crafts, and stories. The class is available for children ages 3 to 5

and is held at the Ballard Leisure Center, 8320 Ballard Rd. Classes are held on Thursday nights, from 7 to 8 p.m., and run from April 11 through May 16. The fee is \$23.10, \$21 with the resident discount. For further information, please call (847) 824-8860.

New Girls' Softball Leagues in Niles

Flying into the Niles Park District this Spring is our new girls softball program which is sure to be a great hit. There are a variety of teams to accommodate girls ages 7-17. House leagues will be formed by the NPD staff, so there is no need to have a full team to register. All coaches are certified ASEP professionals who will ensure an exciting and skillful approach to softball. The leagues range in levels that begin with the introduction of the basics of the game and team play to the competitive All-Star travelling league. The various leagues are as follows: An Instructional Division (7 & 8 year old's), Little League Division (9 & 10 year old's), Junior Varsity Division (11 & 12 year old's), Varsity Division (13 & 14 year old's), and a Travelling Team (15, 16, & 17 year old's).

This can be a great experience for your daughter to play the exciting game of softball. Learn the importance and meaning of "team," and it is also a great way to meet new friends. An organizational day will be held to learn more about the program on April 13 for 7-14 year old's and one on May 18 for 15-17 year old girls.

For further information, call (847) 967-6975.

Wildflowers sprout at M.G. Public Library

Wildflowers will be blooming all spring at the Morton Grove Public Library during sessions sponsored by the North Branch Prairie Project, a group of volunteers whose aim is to restore prairie ecosystems. Summer Wildflowers will be held Wednesday, April 10 at 7 p.m. and Fall Wildflowers on Wednesday, April 17 at 7 p.m. Gladys Bryer, a volunteer who manages part of the project in the Morton Grove area, will lead these free classes. Call the library to register.

A copy of Peterson's A Field Guide to Wildflowers would be helpful. Copies will be available for sale at each session.

The Morton Grove Public Library is located at 6140 Lincoln Ave. For more information, or for mobility and communication access assistance, call (847) 965-4220.

Niles Park District Safety First

The Niles Park District is proud to announce that on Friday, March 15, it received Park District Risk Management Agency's (PDRMA) highest award for Loss Control. Safety Committee members were present at PDRMA's Risk Management Institute's award luncheon to receive this coveted award. This distinction is only given to municipalities who have received a 90% or higher on loss control audits.

In addition to winning this honor, the Niles Park District has been accredited through PDRMA. This is bestowed on parks and recreation agencies which have received this award for three consecutive years. The Niles Park District is proud of this tribute and strives to continue its success.

It is wonderful to see our Niles Ranger Hockey Pee Wee White Team

On St. Patrick's Day weekend, the Niles Rangers Pee Wee White team traveled to Kenosha, Wisconsin to play in the Kenosha Kup Invitational Tournament. Although they were the only house league team in a travel team tournament, they managed to capture third place with a 1-1-1 record.

staff's hard work recognized by PDRMA. A staff, full- and part-time, work hard all year to keep our safety record clean. The employees themselves have set an impressive standard and continue to achieve it," stated Park Board President Elaine Heinen.

The Safety Committee works year-round at monitoring the District's efforts to keep this distinction by performing self-audits on all facilities, policies and programs. By continually having safety first, the Niles Park District is able to maintain this desired reward.

PDRMA is a self-insured risk pool which is made up of 118 members across the state. PDRMA also audits the park and recreation agencies annually to verify the self-audits.

Umpires Training Clinic

The Niles Park District has put together a 2-hour training clinic for the beginner umpire as well as for those who have umpired baseball games in the past. The clinic will be held on March 31 from 1-3 p.m. at the Ballard Leisure Center. Topics covered will include working the plate, one and two man mechanic, calling balls and strikes, pitching rules, obstruction and interference, and rules interpretation. The clinic is available for those 14 and older. The fee is \$10 and registration will be taken at the Ballard Leisure Center, 8320 Ballard Rd. For further information, call (847) 824-8860.

Ten tips to increase your wealth in 1996

The New Year is the ideal time to take stock of your investment goals and accomplishments, and adjust your approach to increase the return on your investments. The Illinois CPA Society has ten easy tips for fine-tuning your wealth-building strategies for next year and beyond.

1. Look ahead. Every year at this time, the financial media spotlights the hottest performing mutual funds of the previous year. Unfortunately, past performance doesn't always translate into future success. Instead, look for investments that promise long-term growth and income.

2. Go abroad. Investing outside the U.S. can both diversify and enhance your portfolio. Bear in mind that investing globally can be tricky. Generally, one way to reduce your risk when you invest globally is to buy shares of a mutual fund that invests in international securities.

3. Average out. Dollar-cost averaging is a smart way to invest. Here's how it works. You make an investment in a stock or

mutual fund of a fixed dollar amount at regular intervals. For example, you make a \$100 investment on the 15th of every month. (Most mutual funds will gladly arrange to deduct a preset amount from your paycheck, checking account, or money-market fund.) Your \$100 automatically buys more shares when the market is low and fewer shares when prices are high. This strategy has the effect of averaging out the price you pay so you'll never pay only the highest or lowest price.

4. Buy direct. Now that more companies are willing to sell their stock shares directly to shareholders, you can avoid costly broker commissions. Exxon, Dial, and W.R. Grace are among the "name brand" companies that sell directly to shareholders. Some companies will even automate your investment program by deducting a set amount from your bank account each month. When you decide to sell, most companies will process your transaction for about \$10.

5. Reinvest dividends. Dividend reinvestment is an easy,

money-saving way to buy more stock in a company. Instead of opting for a dividend check, the company reinvests your dividends to purchase more of its stock. As a bonus, many companies also may give you a discount on the price of the stock you buy through reinvestment.

6. Stick with it. Don't let short-term market swings sway you off course. To make money in the stock market, investors need to stay involved long enough to offset the lows with periods of outstanding returns. The trick is to allocate your assets in line with your financial goals, and then stick to that allocation regardless of short-term market fluctuations.

7. Look into real estate. In addition to securities, consider investing in real estate. One way to make such an investment is through a real estate investment trust (REIT)—a type of closed-end fund that invests in diversified portfolios of residential and commercial properties. REITs, which issue shares that trade on stock exchanges, give you the opportunity to invest in real estate without the problems

of management and poor liquidity that come with buying properties directly. But be careful—rising interest rates could dampen profitability.

8. Take reasonable risks. Allocating your assets among a wide range of inflation-resistant vehicles can help you minimize the risk of loss. If you're investing for a long-term goal like retirement, time also is on your side. You should be able to ride out the intermediate ups and downs in the market and still come out ahead. Keep in mind if you try to avoid the risk altogether by putting your money only in the safest investments, you run the risk of not earning enough to beat inflation.

9. Know the costs. Market risk is a given, but there are other investment-related costs that have nothing to do with risk—commissions, markups, and management fees. Because these costs are not always obvious, it's important to ask about them before investing, and include these fees when calculating the return on your investment.

10. Don't overlook taxes. Keep in mind that many of your investment decisions will have tax ramifications. To help you make the most of your investments and minimize the tax im-

pact on any gains, it's wise to consult a CPA or another tax advisor.

The Illinois CPA Society is the professional association representing 26,000 certified public accountants throughout Illinois.

Window stickers for veterans

Men and women who served in the military during the past four major U.S. Wars can now proudly display their branch of service and the war they were involved in with VetSignia Window Stickers. The stickers are two by four inches, black on shiny silver metalized film, with an American Flag background. Twenty-six different stickers are available; for four major wars, WWII, Korea, Vietnam, Persian Gulf, and five services, Army, Navy, Marines, Air Force, Coast Guard. For example a sticker could read: WWII/U.S. Army, Korea/U.S. Air Force or Vietnam/U.S. Marines.

Veterans who served devised the unique stickers: "The idea came up during a vet's bull session," says Bob Kline, a WWII Marine who distributes the stickers. "We were brainstorming about how we could help veterans receive recognition on more than just a few special holidays. The stickers let the Veteran say: Hey, I did it when it had to be done and I'm proud that I did."

Sticker requests should include: name, address, war served in, branch of service. Cost is \$4 each or 3/\$10 (S&H Incl.). Available from Bob Kline, Distr., Box 382, Blue Bell, PA 19422. Call (610) 277-1171 or fax (610) 277-3883.

First estimated tax payment due April 15

The Internal Revenue Service reminds people who make estimated tax payments that the first installment for 1996 is due Monday, April 15.

The payment should be sent to the IRS along with the first quarter payment voucher from Form 1040ES, Estimated Tax for Individuals. To make sure the pay-

ment is properly credited to your account, the IRS asks that you write your social security number and the words 1996 Form 1040ES on the front of the check.

If you're not sure whether you should be making these quarterly payments, the IRS suggests first checking your 1995 return. If the return shows a balance due of at least \$500, and if you expect your financial situation to stay pretty much the same during 1996, then you probably should be making these payments. Moonlighters and two-wage-earner households should also consider making estimates. The same goes for people who receive significant income on which no tax is withheld, such as business profits, rental income, alimony, interest, dividends, capital gains, and unemployment benefits.

Form 1040ES has a worksheet which can help you figure out whether or not you need to make estimated tax payments and, if so, how much. To get this form, call toll-free 1-800-TAX-FORM (829-3676). You can listen to a quick overview of this subject by calling Tele-Tax, the IRS' automated system of recorded tax information. Dial 1-800-829-4477.

Poison Prevention fact sheet

If you have grandchildren or other youngsters visiting your home - be careful where you put medicines and other household products that can poison children.

You may be surprised to know that a grandparent's medicine is involved in about 20 percent of all accidental drug ingestions by children.

How does this happen? A child may open an unlatched medicine cabinet. Or, a youngster may find

a bottle of pills in grandmother's handbag.

Sometimes, adults leave off medicine bottle caps because they are hard to open. In an effort to curb this dangerous practice, the U.S. Consumer Product Safety Commission (CPSC), with the support of the American Association of Retired Persons (AARP), is working on a rule to require that "child-restraint" packing all be made "adult-friendly" - or easier for older adults to open.

Each year, more than one mil-

lion children under the age of five are exposed to potentially poisonous substances. To help prevent childhood poisonings, CPSC and AARP offer the following suggestions:

• Use products with child-resistant packaging.

• Use products with child-restraint packaging, especially medicines and household chemicals. Always securely close the container after using it. Child-resistant packaging on certain medicines, required since 1972, has saved the lives of more than 700 children based on an economic study of death trends.

• Be careful of medicine kept in "pill-minders." Though these containers may help organize your pills, most are not child-resistant.

• Keep unsafe substances away from children:

• Keep all medicines and household products out of the sight and reach of children, preferably in a locked cabinet or closet.

• Do not leave pills on tables, dressers, and countertops or in handbags.

• Keep iron-containing medicines, like vitamins, away from children. Even a few iron pills can kill a child.

• Never call medicine "candy." • Keep mouthwash containing alcohol away from children.

• Use safe practices: • Always read the label on medicine and household products before using.

• Store medicines and household products in their original containers - never in cups or soft-drink bottles.

• Turn the light on when giving children medicine to be sure you have the right medicine and the correct dosage.

• Clean out the medicine cabinet periodically. Pour old medicines down the drain or toilet and rinse out containers before throwing them away.

• Keep the number of a Poison Control Center on or near your telephone. This number can be found on the inside cover of the yellow or white pages of the telephone directory.

• If you believe a child has ingested a poisonous substance, remain calm. Immediately phone the Poison Control Center or a physician. You also can call "911" or the telephone operator.

• Keep on hand a bottle of syrup of ipecac - a substance that induces vomiting. Use only on the advice of a health professional.

For more information about poisonous substances, contact the U.S. Consumer Product Safety Commission Hotline toll-free at 1 (800) 638-2772. Or, write: Poison Prevention Week Council, P.O. Box 1543, Washington DC 20013.

Sheriff's Anti-Crime Exhibit visits Youth Center

Rafeal Calderon (left), Assistant Superintendent of Prevention Programs for the Cook County Sheriff's Police, meets with Maine Township Supervisor Mark Thompson during a recent visit to the township's Youth Drop-in Center. Sheriff's Police demonstrated canine crime-fighting techniques and gave tours of the department's mobile Crime Prevention Unit, which features displays aimed at educating young people about the dangers of drugs and gangs. The Drop-in Center, located in the Stevenson School building at 9000 Capitol Drive in Des Plaines, is open to 5th-through-12th grade youths from throughout Maine Township. For more information, call (847) 823-0650.

Students urged not to drink and drive

According to the Department of Transportation, 159 young people aged 15-24 died in alcohol-related crashes in Illinois in 1994. During this month and next, a rush of young people will leave their homes behind and drive to their hometowns or favorite vacation spots for spring break. Students are urged not to drink and drive and enjoy a safe and happy break from school.

Q. What are the penalties when convicted of drinking and driving?

A. Violators will have their driver's licenses suspended for one year on a first time offense. They also face a possible one-year imprisonment and a mandatory fine of \$500 with a maximum \$1,000 penalty.

Q. What does Illinois law say about underage drinking and driving?

A. Under the new "Use It & Lose It" zero tolerance law, drivers under age 21 caught with even a drop of alcohol in their systems will lose their driving privileges for at least three months. Penalties double to six months for minors who refuse to be tested. If minors are convicted of driving under the influence (DUI) of alco-

hol or other drugs, their driving privileges will be suspended for two years. They also face a mandatory fine of \$500 and a possible one-year prison sentence.

Illinois, 29 other states and the District of Columbia are enforcing zero tolerance for underage drinking and driving.

Q. Are there any other alcohol-related offenses to be aware of?

A. Yes! If you are caught with an opened alcoholic container in your car, everyone in the vehicle can be charged with illegal transportation of alcohol no matter who is driving. If you are the driver, your driver's license will be suspended for 12 months for the first offense. A repeat offense will result in license and registration revocation.

Q. What are other consequences of drinking and driving?

A. Besides endangering your own life and anyone who may come in contact with you, you face higher insurance costs and must attend a mandatory alcohol evaluation and treatment program if convicted of DUI. There are also negative, long-term effects on driving records and job opportunities.

Intoxicated subject

The 32-year-old manager of the supermarket in the 8700 block of Dempster Street reported that a 26-year-old Chicago woman was seen by store employees in the women's public restroom sitting on the floor of a stall and drinking beer.

Police found the woman in the restroom with a 12-pack of beer she had taken from the liquor section of the store. She had drunk about eight cans of beer.

Because of her heavily intoxicated state, she was transported to Lutheran General Hospital.

Retail theft

A 25-year-old Chicago woman was given an April 12 court date and had to pay a \$5,000 I-bond when she was charged by Niles police with wheeling \$324 worth of formula and baby wipes out of the food store in the 5600 block of Touhy Avenue without paying for the merchandise.

The 35-year-old general manager and 25-year-old operating manager of the store both observed the woman place orange dots on the merchandise. The dots are used by the store to identify items that are too large to bag but have been paid for. They detained the woman until police came.

The offender told police she had been given the dots by a store employee known to the subject as Kim.

The security agent in the retail store in the 8500 block of Golf Road observed a 39-year-old Chicago man take two VCRs valued at \$469.98 from a display, place them on a shopping cart and push the cart out of the store without paying for the merchandise. An April 17 court date was set.

Theft of property

A 22-year-old clerk in the food store in the 8200 block of Golf Road reported that the full-length black leather coat, with her house and car keys in the pocket, was taken from a hook in the employee break room sometime between 7:25 p.m. and 11:59 p.m. March 20.

The employee break room is accessible to the public who are allowed to use the washrooms in the area. No one was present at the time or observed anyone leave wearing the coat.

Stolen auto

A 68-year-old retired man looked out his seventh floor window around 11:08 p.m. March 19 and observed an arm resting on the dashboard of his 1983 Pontiac 6000 LE in the parking lot behind his building in the 9200 block of Maryland Street.

The arm was connected to a 22-year-old Round Lake Beach man, and the victim phoned police giving them a description of his vehicle and the license plate number.

The victim soon observed a second vehicle stop by his vehicle. The offender in his vehicle

spoke briefly with the occupant of the second vehicle, and both vehicles then left the parking lot westbound on Maryland, then Northwestbound on Milwaukee Avenue.

The victim relayed the information to police, and an officer in an unmarked car was soon on the trail of the two offending vehicles, with the victim's stolen vehicle in the lead.

The police officer radioed for support units while continuing to follow the vehicles. Just before reaching Central Road, police activated their emergency lights. The offender stopped briefly but then slowly moved forward, turn-

ing right into an office center parking lot in the 600 block of Milwaukee Avenue in Glenview.

Police had a spotlight trained on the offender as he slammed on the breaks and exited the vehicle.

Police gave foot pursuit after the offender following him northbound through the lot and northbound into Milwaukee Avenue. The offender then ran down the center median on Milwaukee Avenue, crossed over to the west side of the street and proceeded to jump a six-foot fence and continued westbound into a condominium complex where police lost sight of him.

Support units had stopped the

other vehicle and took a 26-year-old Round Lake Beach woman and a juvenile into custody.

While the police were questioning the suspects, the beeper of the juvenile was receiving a message from the offender who had fled

telling him to come and pick him up. The juvenile left a message for the offender at his home that the offender should come to the Niles Police Department.

Among the woman suspect's belongings police found a photograph of the escaped offender. They were able to identify him through the photo.

The man and woman were charged with stealing the auto.

The juvenile was charged with driving without a license and was released to his parents.

Suspicious activities

A 49-year-old mailman reported that unknown offender(s) placed a brown paper bag containing animal feces on the front porch of his home in the 8000 block of Church Street around 8 p.m. March 21.

The offender(s) set the bag on fire, rang the victim's doorbell and fled the scene.

The fire extinguished itself and no damage was done. The report was made as a matter of record.

County Building - Room 567
Chicago, IL 60602

The Cook County Consolidated Community Development Plan includes the Community Development Block Grant (CDBG) Program, the Emergency Shelter Grants (ESG) Program and the HOME Investment Partnership (HOME) Program. The areas covered by these programs are primarily suburban municipalities under 50,000 in population. These programs do not include the City of Chicago.

PURPOSE: The Cook County Community Development Advisory Council will hold two (2) Public Hearings for the 1996 Consolidated Community Development Program Year which begins October 1, 1996.

The amount of funds available for the 1996 Program Year is estimated at \$15,802,000 for CDBG plus program income (to be determined); \$471,870 for ESG, and \$4,847,830 for HOME.

The purpose of the first hearing 4/10/96 is to hear proposals from the non-municipal and Emergency Shelter Grant applicants regarding their applications submitted to Cook County, and to hear testimony from interested persons or groups.

The purpose of the second hearing 6/12/96 is for the Advisory Council to approve the recommended projects for the 1996 program year Annual Action Plan - Year 2 of the Consolidated Community Development Plan.

The program categories eligible for funding are:
• Housing and Residential Rehabilitation and Housing-related Activities

- Economic Development Activities
- Commercial Rehabilitation
- Capital Improvements
- Real Property Acquisition
- Planning Study/Grant
- Public Services Activities
- Emergency Shelter Grant Activities

All interested persons, groups and municipalities are invited to attend and participate. Any comments and/or objections regarding the proposed activities must be submitted in writing by June 5, 1996 to:

CONSOLIDATED PLAN SUMMARY

The Consolidated Community Development Plan of Cook County serves as a comprehensive five-year planning document for suburban Cook County. It provides the basis for the consolidation and coordination of the following federal grant programs: Community Development Block Grant (CDBG) Program, Emergency Shelter Grant (ESG) Program, and the HOME Investment Partnership Program. The 1996 Annual Action Plan of the Consolidated Plan lists and describes the activities that Cook County will undertake to address priority needs and local objectives, as identified in the Consolidated Plan, with anticipated program income and funds received during the next program year. The Consolidated Plan is being developed with the participation of County residents, local municipalities, and government agencies, and in consultation with various social service organizations.

The draft Annual Action Plan will be available on or after June 2, 1996. Cook County will accept comments on the draft Consolidated Community Development Plan from June 2 through July 2, 1996. For questions or comments regarding the draft Consolidated Plan, contact Nelson Sarmiento at (312) 443-6525. The draft Annual Action Plan of Year II of the Consolidated Plan can be viewed at the office of the Department of Planning and Development, 118 North Clark Street, Room 833, Chicago, Illinois.

be taught by American Heart Association instructors, participants will learn the proper method for screening and recognizing people with hypertension. Upon completion of written and practical exams, participants will receive a screener certificate valid for two years that will enable them to conduct blood pressure screenings as an AHA volunteer at community health fairs throughout metropolitan Chicago.

Participants must attend the entire six-hour course to be certified as a qualified blood pressure screener. Registered nurses are only required to stay for four hours.

There is no fee for the course, but pre-registration is required by April 1. To register, call Pat Kellen at (847) 967-1094 or Jorie Lutz at the American Heart Association at (312) 346-0519, voice mail box 301.

Scouts 'Do Their Best' to help

A little less than a decade ago the National Council of the Boy Scouts of America renewed the use of what is called a National Good Turn. Several things have been used for this purpose in Scouting's 86 years: from selling war bonds to collecting peach pits (for World War I gas masks) to collecting tires and tin cans during World War II. This time Scouts were to collect food from their community for those in need in an activity called "Scouting For Food." Many Councils continue the activity, and the Northwest Suburban Council is one area where it has continued, and it will be held this April.

The Council, which serves the communities of Elk Grove, Hanover Park, Hoffman Estates, Schaumburg, Arlington Heights, Buffalo Grove, Prospect Heights, Wheeling, Barrington, Lake Zurich, North Hoffman Estates, Palatine, Rolling Meadows, Des Plaines, Lincolnwood, Morton Grove, Mount Prospect, Niles, Park Ridge, Rosemont, Schiller Park, and Skokie will send Scouts and their leaders into the community on April 6 with bags for residents to put canned foods, toilet paper, soap, and other staples in. The resident just needs to put that bag back on their porch early on April 13th when the Scouts will come around again to pick up the donation and take it to a local food pantry or to a collection area for distribution. Residents who participate will provide the area food pantries with a needed boost of supplies just at the time it is often needed.

Scouts will distribute the bags with a simple instruction sheet included, and will be in uniform as they drop off bags or pick them up. Please do everything you can to help the Scouts provide service to those in your area who may be in need.

Oakton offers Midwest Day Trips

The Alliance for Lifelong Learning (ALL), the continuing education program sponsored by Oakton Community College, is offering several escorted day trips this spring to areas of interest in the Midwest. All tours leave from the north parking lot of Niles North High School, 9800 N. Lawler, Skokie, and include bus transportation, professional escort, lunch, and admission fees.

The schedule includes Ethnic Chicago III - Selected South and Southwest Side Communities (Saturday, April 13), Immigrant to Elite: the Pullman Area (Thursday, April 18), Cedarburg Folk Art Festival and West Bend, WI (Saturday, April 27), It's Tulip Time in Holland, MI (Tuesday, May 14) and Wisconsin's Natural and Historic Heritage (Saturday, May 18).

Fees vary and advance registration is required. Because advance deposits must be made with bus companies, restaurants

Leading the program will be Sally Alderman, M.D., medical director of the Sleep Disorder Center at Our Lady of the Resurrection Medical Center, Chicago.

Dr. Alderman will discuss the causes of sleep disorders and the options that are available for restoring normal sleeping patterns. Registration is required. For more information and to register, call (312) RES-INFO (737-4636).

Des Plaines teen taking 'Look of the Year' to Paris

by Joseph W. Zurawski

Mariann Molski landed her first cover for the September 1994 edition of Modern Salon magazine.

You're sure it was at the Jewel. Or was it that girl playing frisbee in the park? No, no she definitely was the girl standing in line at the Taco Bell.

You get home, anxiously turn pages, and now hold in your hand a recent copy of Brides Magazine, or Seventeen, or YM, or it might even be an older copy of Vogue or Women's Wear Daily. Maybe it's a Spiegel, or a Sears or a Montgomery Ward catalog.

Yes, you smile to yourself almost in relief. She's the same one. What attracted more than your casual glance at the Jewel, or the Taco Bell is the same girl looking back at you from the magazine you now hold in your hand.

Meet Mariann Molski of Des Plaines. She's been in town for the past few weeks and in and out of places mentioned above more than once.

Mariann, the girl with the "Look of the Year" Two years ago, a sophomore at Elk Grove High School, Mariann Molski entered the "Look of the Year" pageant sponsored by Alberto Culver USA, Inc. and presented annually by the John Casablancas Modeling School and Talent Agency. Not only did

Mariann win first place in the contest but also a \$150,000 guaranteed contract with Elite Model Management Corporation which has been sending Mariann to its worldwide offices in New York, Atlanta, Paris, London, Milan, and Tokyo.

This was all supposed to happen after Mariann graduated in June. Mariann did graduate in June but since she completed all her course work for graduation after her first semester in senior year, Mariann was able to go to New York and begin work on fulfilling her contract. She returned to Des Plaines for two weeks to attend her senior prom and participate in graduation ceremonies.

Living in New York the past five months hasn't altered Mariann's outlook. She admits to liking desserts, enjoying sports even though she has had to give up soccer - her first love - since it was kind of rough on the shins and spending lots of time meeting and making friends with people from the biggest cities in the world as well as from the smallest villages.

Mariann recalls she wanted to go to modeling school when she was 14. Her parents were not as enthusiastic about the idea as

Mariann was but after she "waited six months" she was enrolled for the six-hour Saturday classes in downtown Chicago. The classes lasted ten weeks. General concepts of personal hygiene, nutrition and grooming were presented the first few weeks.

The classes which focused on actual modeling seemed to engulf Mariann. She speaks convincingly about how they "would teach runway, how to turn, to look up, facial expressions." She explains in detail the importance of different expressions for the different clothes being modeled.

Mariann has learned a day must be carefully planned. While still attending high school, Mariann was assigned to shoot in Santa Barbara, California modeling prom dresses for Seventeen magazine. She found that each of the four days, between 8 a.m. and 6 p.m., were spent before the cameras. Meals could not be skipped. And it was in bed by ten to be up before seven.

Des Plaines to New York to Paris

On her own in New York, Mariann quickly discovered the Santa Barbara weekend experience has now proven to be a daily ritual. Last summer

Mariann was in London modeling tightly laced boots reflecting the styles of the sixties and the seventies. This summer, in July, Mariann went to Paris. Displaying uncharacteristic apprehension, Mariann says that Paris is the most difficult to land contracts since the competition is especially keen. "There are many experienced, older girls, who've been there for years," explains Mariann.

Yet, the quiet firm determination in Mariann's eyes reveal she owes it to herself to make the best effort she can to land a contract or two in Paris. Don't be surprised when she does.

After Paris, everything shuts down in France in August," says Mariann, it's on to Milan and then probably back to the US. If and when the opportunity presents itself, one gets the impression Mariann is already preparing for Africa. "They are doing a lot of interesting things there," says Mariann as much in anticipation as in trying to evaluate future prospects accurately.

Mom and Dad Molski, Gary and Nancy, are very supportive.

At 18 Mariann is well into a future that she herself describes as "pretty good." Yet, she possesses an uncommon maturity. She is, without doubt, the most severe critic of her own work. She knows why and chooses the words carefully explaining why so many leave modeling. One senses she has learned much in the past two years when she wasn't in front of the cameras: much more about how to stay than why it left.

Our congratulations and best wishes to Mariann Molski of Des Plaines. We'll be looking for and at you for years to come.

ed on the first Tuesday of each month at 10 a.m. These tests consist of a thirty (30) second blast of the ATTACK (TAKE COVER) siren (wail or wavering siren), thirty (30) seconds of silence and then a thirty (30) second blast of the ALERT siren (continuous siren blast).

A special upcoming test will take place on Saturday, March 30, Wednesday, April 3 and Saturday, April 6 at 9:30 a.m. the ATTACK-(TAKE COVER) signal will be sounded for three (3) minutes. The ATTACK signal is a continuous siren blast. The system was previously tested on March 23 and March 27.

All warning signals, except for tests, indicate an emergency situation is imminent. In this eventuality, take a portable radio or television and seek pre-designated shelter. Radio and television broadcasts are the best method to keep yourself informed of developing emergency situations. Do not call the police or fire departments when a siren has sounded to obtain information about the emergency. We recommend that residents rely on the radio and or television for information; government agencies will broadcast all available information. It also must be noted that there is no all clear siren. Your radio or television broadcast will keep you informed as to when the emergency situation has past.

In the event that an emergency arises and the Emergency Warning System is activated, it is requested that you notify any hearing impaired person that you may know of the pending emergency.

the near future because, as Paul Kolpak, attorney for Foster Bank stated, "Koreans are not responsible to these mechanics and like to see people face-to-face."

At its location on Golf Road, it would be impossible to add these conveniences later even if desired.

In another matter, the Board denied the request of a businessman, James Kandah, to open a billiard hall at 9102 Golf Rd.

This is the third such denial of a pool hall by the Village Board in the last year.

Trustee Louella Preston, who voted in favor of the zoning variance, added that although she hasn't played in a while, she thinks "pool is a good leisure activity. I would like to make it available to the patrons (of pool)."

M-NASR offers a wide range of therapeutic services to the challenged who might not otherwise have an outlet for their recreation and leisure needs. With the advent of the Americans with Disabilities Act (ADA), M-NASR has been proactive in providing programs that integrate disabled and non-disabled residents.

ditional manpower rather than additional equipment.

"We would call it a moderate fire," Mueller said. More personnel were needed because the fire had gotten into the roof of the building and firemen had to cut into the roof and remove the roofing material to get at the fire, a job Mueller termed "labor-intensive."

High winds also hampered firemen in their efforts to strike the blaze.

Vinieratos said they have had other smaller fires but never a blaze as serious as this one during the time he has owned the restaurant.

The fire, smoke and water damage have forced the owners to close the restaurant temporarily, but Vinieratos said they will reopen again as soon as possible.

condemnation of property." patiently listened to the concerned citizens but reserved his decision on the matter until its next meeting on April 23.

Voting by the Village Board is required by statute to be held no sooner than 14 days and no later than 90 days after a public hearing has been held.

Abe Selman, Village Manager, told the Bugle later, that he believed the people were so agitated about the TIF because they believed it included the condemnation of property.

"The purpose of the TIF," Selman explained, "is to enable us to reduce the bonds to take care of the cost of the removal of the buildings (at the former Niles College site)."

"TIF gives us an opportunity to use tax dollars without having to levy property taxes against each

This year, the Maine Township Neighborhood Watch membership will be sponsoring a Youth Baseball team from Golf Maine.

A sponsor's check will be presented to Mr. Bauer at the meeting. "It is the first time Maine Township Neighborhood Watch will be sponsoring a team," said Chairman Gwen Sorell. "We recognize the importance of working together as a team to support programs that benefit our community as a whole, especially when it involves the development of our youth."

Maine Township Neighborhood Watch meets the first Wednesday of every month at the Maine Township Town Hall, 1700 Ballard Rd., Park Ridge. Meetings are from 7:30 to 8:30 p.m. and are open to the public.

Electrical Workers helping children

When the Children's Advocacy Center, a center for sexually and severely physically abused children, needed help in renovating a \$100,000 building in Hoffman Estates, it turned to the Labor Management Cooperative Committee (LMCC), a partnership organization which represents IBEW Local 134 Electricians and the Chicago Electrical Contractors Association (CECA).

LMCC donated thousands of dollars in labor and equipment, and solicited thousands more in in-kind contributions of materials from electrical suppliers.

Now the Children's Advocacy Center opened a satellite office in Niles and the LMCC was there again, donating time and labor to help create a safe place for the abused children the center services. LMCC electricians from IBEW Local 134 did much of the work on Saturday, March 23 at the old Ballard School, home of the new satellite office, at 8320 W. Ballard Rd., Niles.

LMCC donated at least \$20,000 in labor and materials to the Children's Advocacy Center in Hoffman Estates, and solicited

another \$10,000 in donations of equipment from electrical suppliers. LMCC expects to donate at least \$7,000 in labor and materials to the Niles satellite office which was donated to the group by the City of Niles.

Since its founding in 1988, the Children's Advocacy Center, a not-for-profit organization, has assisted over 3,000 children and their non-abusive parents or guardians, by coordinating the investigation, intervention, and follow-up of cases involving child sexual and physical abuse. The Center works closely with the State's Attorney of Cook County, local police, and the Department of Children and Family Services.

The Center serves the North and Northwest suburbs of Cook County (Second and Third Municipal Districts) and provides its services at no charge to victims under the age of 18.

The new Children's Advocacy Center in Niles will serve Des Plaines, Evanston, Golf, Glenview, Kenilworth, Lincolnwood, Morton Grove, Northbrook, Northfield, Park Ridge, Skokie, Wilmette and Winnetka.

In a fire, seconds count

"It started out as a small fire. I was embarrassed to call the Fire Department." Each year, many fires that start out small end up causing hundreds of thousands of dollars in damage because someone was afraid or too embarrassed to call the Fire Department. During the early stages of a fire, your actions play a crucial role in the safety of your family, and the amount of damage that is done by the fire.

Upon discovering a fire, you should sound an alarm to let the other people in the area know there is a potential for danger and they need to evacuate the area. Call the Fire Department, even if

the fire is small. For every minute a fire burns, it doubles in size. Small fires can grow quickly. After you have alerted others, call the Fire Department from another location outside the building, and wait for the Fire Department to arrive.

The North Maine Fire Department is here to help you. Don't be afraid to call for help when dealing with fire...seconds count. Also, remember if you are a resident of the unincorporated area of Maine Township, the phone number to request emergency medical assistance or to report a fire is 297-2121.

Managing stress

1. Change how you see things. It isn't the stressful situation that causes the problem, it's your attitude toward the situation, your reaction to it. You don't have to have a tense reaction to life's events.

2. Try to solve the problem. Unclear objectives? Inadequate resources? Talk it out, negotiate a resolution.

3. Organize your life. Eliminate unnecessary activities. Do the most important and most difficult tasks first.

4. Assess your skills. Are you in a niche that you enjoy? Are you utilizing your strengths? Do you feel that you are applying your talents in a way that helps the world?

5. Ask yourself, "Will this matter be important five minutes from now?" If not, it isn't worth upsetting yourself.

6. Calm your sense of urgency. You are not running a

race, but living a life. You have only now to improve the quality of the present moment.

7. Escape for a while. We all need time out to renew ourselves and gain perspective.

8. Don't worry so much about income. Live within your means, clear up your debts and save a little for the unexpected.

9. Try a little cooperation. Stop being a threat to others and they might stop being a threat to you.

10. Don't try to be a superperson. You can't be perfect. Give the best of your effort and ability, but don't feel guilty if you don't achieve the impossible.

11. Consider changing your diet. Caffeine, sugar and poor nutrition can elevate your level of tension.

12. Do something physical. Exercise increases the level of endorphins in the body, calms the mind and releases tension.

NEED PAINT COME TO A PAINT STORE

Give mildew the brush off.

With Benjamin Moore's® K&B™, specially formulated for kitchens and baths. To decorate your kitchen or bath as brilliantly as the rest of your home, you need paint with the right color, quality and consistency. But you also need one that resists mildew.

Benjamin Moore's K&B does just that. Independent tests proved K&B resisted mildew significantly better than two other popular brands. And its formula gives you better adhesion, washability, durability, and resistance to stains, water and scrubbing.

Finish off mildew for good, with K&B. Available only at your local Benjamin Moore dealer.

Area News

Letters to the Editor

Reader writes, 'DO NOT SWAP JOZ'

Dear Editor:

The Niles Park District Mission Statement includes this phrase: "...seeking input and group involvement from our community on a regular basis." Why then does this Board fail to listen to the community when they come in groups of hundreds to input their ideas and concerns at Public Meetings?

How can Elaine Heinen state in the paper that "there is support for the swap of Jozwiak Park"? Residents from all over Niles have spoken before her and the Park Board as well as at Village meetings in OPPOSITION OF THE DEAL. Not once did we hear from anyone in favor of this proposal. Nor did I hear any favoritism when I canvassed the people door to door.

I have attended these meetings and have heard many residents flat out tell each Board "DO NOT SWAP JOZ" "DO NOT MOVE OUR PARK". Didn't Ms. Heinen hear them raise concerns about safety? Things Like: The dangers within this area for pedestrians and bicycle riders, as well as the hazards from additional traffic? Take a drive down Harlem Ave. and you can see the physical damages which are visual reminders of the number of auto accidents which have hit the fence and light poles. Why subject our children or ourselves to this danger? People have stated that they will not allow their children to attend this park. With less ballfields you will have less patrons, less spectators to go golfing or spend money at the concession stand; less ball players means less use of the batting cages too. The lack of access also cuts into revenues from the bike trail riders. So this facility will not be the successful revenue source that the current location is- regardless how fancy you decorate it!

The Niles Park District is entrusted with the Niles Residents Tax Dollars in order to provide recreational facilities and programs for the residents of Niles. The Niles Park District is not in the business to operate "MINI AMUSEMENT PARKS". When revenue income becomes more important than the safety and welfare of the children, then it is time to do something. We demand this board to act responsibly on behalf of the people. We feel that moving Jozwiak Park and its facilities would be an irresponsible act on their part and do not want the park to do it.

Joe Krueger

Congratulations on promotion

The Niles Fire Department has promoted Paul Lauber, a Niles resident, from part-time to a full-time inspector to work in the Fire Prevention Bureau in inspection services. Paul is single and a student at Oakton Community College where he is studying for a degree in fire science. Paul is active in the U. S. Marine Reserve assigned as an aircraft power-house mechanic working on aircraft.

Skokie seeks marshals for parade

If you would like to be part of Skokie's highly successful 4th of July Parade, the Parade Committee would like your help.

The 4th of July Parade Committee is looking for people who will volunteer to be marshals at the parade. Marshals will be asked to perform the following duties:

- Attend two training and orientation meetings.
- Help participants assemble in the parking lot staging area.
- Make sure all participating groups display their parade order number.
- Guide entries down the parade route.
- Prevent participants from throwing items out of moving vehicles.
- Help pace each entry to avoid gaps during the parade.
- Help entries find their vehicles at the parade's end and disperse.

Marshals will be invited to join the committee for breakfast before the parade and lunch afterward.

If you would like to volunteer, call Parade Chairman Marshall Massie at 966-4392.

A.A.R.P. to hold meeting

A.A.R.P. Skokie Chapter will hold its next meeting on Tuesday, April 2 at 1 p.m. in the Petty Auditorium of the Skokie Public Library, 5215 W. Oakton St. Guest speaker will be J. J. Bittenbinder, well known authority on "Safety and Street Smarts." Detective Bittenbinder is currently with the Cook County Sheriff's Department in Chicago, which sponsors his talks to local schools and organizations.

Socializing and refreshments will follow. Call President Sid Sonin, (847) 824-2321 for further information.

P.R.I.D.E. presented at Niles South School

Niles Police Officers recently visited Niles South School to present the P.R.I.D.E. (Positive Response in Drug Education) anti-drug program. Niles Police Officers presented the program to students K-through-High School, each school year and focus on life skills, resistance techniques, as well as self esteem for a positive response to the drug problems in our society.

PRIDE has been in the public and parochial schools for 8 years and is well received by the students, parents, and school faculty. The program also pinpoints local concerns regarding safety and personal awareness.
