

## From the Left Hand

by Bud Besser

It was silly time or dumb time or "you made me buy your newspaper" time last Sunday when I plunked down a buck and a half for the Sun-Times. A black, bold 60 point headline lured me to buy the paper. The lure read, "How The Suburbs Rank."

It measured the "livability" of 153 Chicagoland suburbs and then ranked them in categories of crime, education, home values, property taxes, population density, and commuting. It gave what we considered very arbitrary figures in these categories which would make any social scientist wince. Loyola University's Ed Marciniak admitted he was skeptical of measuring "livability" since the wealthier suburbs are going to come out on top.

Among the 153 towns, Niles came out 93rd, Morton Grove, 63rd, and Skokie 107th. The high rent districts such as Hinsdale, Northfield, Highland Park, South Barrington, Lake Forest, Glenview, Lincolnshire, Northbrook and Deerfield were among the top 15.

Without our showing any chauvinism, Niles is better, has more and is better managed than any one of the top 15. It's free bus service, the only community which has entrances and exits to both highways 94 and 294 via its main thoroughfares, and its being next door to Chicago should have given it number

## Two men found dead in Park Ridge

By Rosemary Tirio

Park Ridge Police announced Monday that two men, one a Niles resident, were found dead inside an apartment across the street from Lutheran General Hospital at 1825 Parkside, Park Ridge, around 2 p.m. Sunday, April 14.

The two were identified as William A. Durso, 32, a resident of 1825 Parkside, and Christian

## Jozwiak and Public Works ... alternate plans

Niles Mayor Nicholas Blase issued the following statement on the village's alternative plans for a new Public Works facility following the decision of the Niles Park Board to keep Jozwiak Park.

Additionally, Blase noted that when the new Public Works facility is completed, the Village of Niles will turn over to the Park District the 1.7 acres of land adjacent to Jozwiak Park that currently houses the Public Works facility.

Blase stated, "The Village of Niles has been searching for over ten years for a site on which to build a maintenance garage for its Public Works vehicles. Approximately seven (7) acres of land are needed. We also wanted to do this in such a fashion as to avoid the assessment of any additional taxes to our residents. This facility

## District 219 raises book, bus fees

Niles Township High School District 219 approved hikes in textbook, material and transportation fees for the 1996-97 school year.

The fee for textbooks and materials will increase 5.7 percent from \$175 to \$185, a \$5,000 increase in revenue.

Board member Robert Silverman recommended offering a discount on textbook fees to parents who have more than one student attending high school, but board members chose to reduce the proposed transportation fee increase instead.

The board halved the \$50 increase originally recommended by the district's business staff. The proposed hike would have

## Unanimous rejection vote brings cheers from the audience

# Park Board turns down Joz Park swap

by Kathleen Quirstfeld

The Niles Park District Board of Commissioners finally laid to rest one of the hottest controversies in recent Niles history.

Their vote on Wednesday night, April 10, would determine the fate of Jozwiak Park.

The suspense had built throughout the several weeks prior to the special meeting and had kept residents wondering if the Board would vote to move Jozwiak Park to the Renaissance of Niles Condominium development planned for the Milwaukee, Harlem and Touhy Avenues site of the former Niles College, or keep it at Touhy and Franks Avenues.

Armed with petitions bearing the signatures of over 1,400 Niles and neighboring suburban residents, the unofficial group "citizens to save Joz," headed principally by Niles residents Mary Krueger and former Park District Board Commissioner, Marlene Baczek, were prepared to fight to the end for their beloved park.

At the start of the meeting, Krueger and Baczek took to the podium and challenged the Park Board's failure to accept their pe-

titions.

They claimed that the clerk of the board was mysteriously unavailable though numerous attempts were made to locate him.

Park Board President Elaine Heinen said that the secretary/clerk had not yet arrived for the meeting. Barry Moss, attorney for the Park District, told the

women that the petitions would be held for his receipt when he came.

After calling their special meeting to order, the Board continued to heighten the suspense when it told the assembled crowd that it was adjourning to Executive Session. This action is al-

## Niles toolbox bomber gets life, no parole

by Rosemary Tirio

Cook County Circuit Judge Joseph Romano sentenced William Lenius, 33, to life in prison without parole for the August 31, 1993 slaying of Wayne Conrad, 39, a neighbor of his ex-girlfriend, Ellen Marshall.

Lenius planted a bomb in a toolbox and left it under Marshall's car, which was parked near her townhouse in the 8000 block of Lyons Street.

Marshall ignored the toolbox, but Conrad's wife Deborah Conrad, 41, took it into their home where it exploded in Wayne Conrad's hands when he opened it, killing him. Deborah Conrad sustained burns and a broken leg in the explosion.

Prosecutors asked for the death penalty, according to a Tribune article. Assistant State's Attorney Jonathan Lerner said Lenius' bomb "could have killed any number of people." It was

## Senior Traveling League Championship

The Thunderbird Lanes team of Roger Maki, Monroe Walton, Jack Boesiger, Maynard Decker and Gene Willroth defeated Fair Haven Lanes to win the inaugural season of the Northend Senior Invitational Traveling League. They shot 772 to 697, 816 to 739 and 766 to 741 to sweep Fair Haven Lanes.

The championship match was at Brunswick Deer Park Lanes on March 14. Thunderbird Jack Boesiger shot 203-246-202 = 651 and Roger Maki had 205-199-238 = 642. There were the stars!

Jim Gochis was high average in the league with 219. High game went to Roger Maki with 299 bowled at Brunswick Niles Bowl. High series went to Jim Gochis - 756. Wooddale Bowl had Team High Series Scratch 2,557 and Team High Game 935. Congratulations to all the senior men who bowled this season. Special thanks to Beverly Lanes, Wooddale Bowl, Fair Haven Lanes, Woodfield Lanes, Brunswick Niles Bowl and Thunderbird Lanes.

## Edward Jones: What the pros consider when choosing mutual funds

Have you walked down the cereal aisle of your grocery store lately? Today, there are more brands of cereal—and more varieties of each brand than ever before. It can be difficult to make sure you get what you really want, but if you make a bad selection, you're only out a few dollars.

If you think choosing from 100 different cereals is difficult, try picking from about 6,000 different mutual funds. Not only are there more choices, but if you wind up with one you don't like, you're out much more than a few dollars.

More and more people are trying to select mutual funds on their own. Choosing from more than 2,000 stock funds, plus tax-exempt funds, government funds and money market funds, not only staggers the novice investor but overwhelms the profession-

als. And simply paying a commission and blindly going along with a salesperson's recommendation is no assurance you'll get the right fund. Ultimately, success in selecting the right fund for your needs depends on you asking the right questions.

What are those questions? Before you begin comparing funds, first decide on a specific investment objective. State in simple terms what the money is for. Then decide how long you plan to invest. Short-term money does not belong in stock mutual funds. In August 1987, for example, the stock market began a downturn that included a one-day 500-point drop in the Dow Jones Industrial Average in October that year. During that period, the average stock fund lost 29 percent. If you had bought a stock fund in August hoping to buy Christmas presents with your profits, you

would have been disappointed. Long-term investors, however, have fared much better. In the more than eight years since then, the average stock fund is up 111 percent.

After you answer these two questions, you can begin comparing the wide variety of available mutual funds. What factors should you evaluate in your search? Consider what the professionals think is important.

Mutual Funds magazine recently surveyed 100 mutual fund professionals to see what they look for when recommending stock funds for their clients. More than half said they look for "consistently good results over a long period of time." These professionals were not concerned with short-term results, but rather consistent performance over at least a 10-year period.

Another factor considered im-

portant is consistent portfolio management style. This quality, listed by 66 percent of the survey participants, is the discipline by the fund's managers to establish specific investment criteria and stick with them rather than trying out whatever is in vogue.

A long-term track record and

The survey also uncovered numerous other concerns important to mutual fund professionals:

Risk	48%
Expenses	22%
How soon client will need money	22%
Past performance vs. peers	18%
Portfolio composition	18%
Fund family affiliation	14%
Good performance in down markets	8%

The concerns should guide you in your choice of mutual funds. They require research either by you or the representative who offers the funds. The more information you have, the easier it will be to choose the right fund for you.

**Church to dedicate new piano**

On Sunday, April 21, at the 8:30 and 11 a.m. services, a new sanctuary, grand piano will be dedicated at Edison Park Lutheran Church, 6626 N. Oliphant Ave.

A piano search committee worked hard since late January to obtain the best piano possible for the church. The committee was unanimous in its decision, and the EPLC Congregation Council approved the recommendation, to purchase a Yamaha C-6 grand piano.

The instrument was paid for largely with a portion of a bequest from the Estate of Miss Mildred Lindquist; a gift from Heidi Mayer, and generous donations made to the Piano Fund by the congregation.

**NTJC Adult Education**

The Adult Education Committee of Niles Township Jewish Congregation, 4500 Dempster St., announces a free mini-course that will be presented by Rabbi Neil Brief, spiritual leader of the congregation. The course is titled "Ethics of our Fathers" and will be presented on three Monday evenings, April 29, May 6 and 13 at 7:45 p.m. Call the synagogue office at 675-4141 for further information.

Arnold Jacobs, President of Niles Township Jewish Congregation announced that Ms. Shom Klaff has joined the professional staff of the congregation as Executive Director. She comes to the congregation with a rich background in Judaic and administrative activities. She is looking forward to becoming a part of the community served by Niles Township Jewish Congregation.

On April 21, nineteen ministers of care will be celebrating ten years of service at the 11 a.m. Liturgy. All ministers of care will be called forward to recommit for another three years to the program. A breakfast will follow at Jonathan's Restaurant.

For further information regarding the Ministry of Care program, contact Jeanine Lembeck, at 966-8145.

**NSJC Services**

Northwest Suburban Jewish Congregation, 7800 W. Lyons, Morton Grove, will hold Friday Evening Services on Friday, April 19 at 6:30 p.m. Saturday Morning Services begin at 9:30 a.m. at which time Alana Caplan, daughter of Robyn and Randall Caplan, will observe her Bat Mitzvah. Rabbi Daniel M. Zucker will conduct all services. The Synagogue welcomes new members. For further information, call 965-0900.

**Jerusalem Lutheran Church organ rebuilding project**

Jerusalem Lutheran Church, located at 6218 Capulina in Morton Grove, invites the community to attend a special service to dedicate its newly rebuilt pipe organ. The service, featuring music by all three church organists, the vocal and handbell choirs, and the Sunday School and day school students, will be held at 10 a.m., Sunday, April 28. After the service, the new organ console and pipe chambers may be viewed, and a light brunch will be served in the church auditorium.

In the early 1980's, after several years of deteriorating wiring and leaking pipes, the decision was made to rebuild the organ. Since then, slow, steady progress was made. Pipes were refurbished, two new ranks were added, new pipe chests were built, complete rewiring was done, and finally, a new state of the art console was built in early 1996. Response to the "new" organ has been enthusiastic and the congregation looks forward to sharing some heavenly music with the community.

### A.C.U.C. to host Family Dance International

The Apollo Cultural Unity Committee was formed in the Spring of 1992 at Apollo School. The mission of this committee is to provide opportunities for open communication between parents of varying ethnic backgrounds and staff. In addition, the committee assists staff and parents in empowering students to be successful academically, socially, and emotionally. The committee also promotes P.R.I.D.E. (Personal Responsibility in Daily Effort) among the students.

The A.C.U.C. is made up of a team of parents and teachers who work together throughout the school year to accomplish this mission. Translation services are provided in eleven languages to facilitate communication between teachers, parents, and students. The student body is comprised of over 670 students, with over thirty different languages spoken in the homes of these children.

Each year the A.C.U.C. sponsors a Family Dance International. This year's event will be held on Friday, May 3 from 6:30-9:30 p.m. in the Apollo school gymnasium. The A.C.U.C. dance provides an opportunity for Apollo parents and students to show pride in their cultural diversity. Jeff Bizar, Disc Jockey from Bizar Entertainment, integrates music from various cultural regions with popular music of the '90s. Parents, students, and teachers perform ethnic dances and ethnic food is provided for those who attend. Participants have an opportunity to win gift certificates to ethnic restaurants in the Des Plaines area. The dance brings everyone together to feel pride in their heritage and to celebrate the unity of our school.

For further information contact Mrs. Renee Butler-Burton or Mrs. Doreen Bizar at (847) 827-6231.

### Free skin cancer screening at Rush North Shore

A free skin-screening will be held on Sunday, May 5, from 11 a.m. to 3 p.m. Appointments are required and will be accepted until Tuesday, April 30. Participants may want to wear swimming suits under their clothes. To make an appointment, call Rush North Shore's Referral Line at (847) 933-6000.

The free screening is being held in conjunction with National Melanoma Skin Cancer Detection and Prevention Week in May. Skin cancer is the most common cancer in the United States and accounts for 30 to 40

percent of all cancers, according to Alan E. Lasser, M.D., of Winnetka, medical coordinator of Rush North Shore Medical Center's skin-cancer screening.

"Melanoma skin cancer causes 5,000 deaths per year, and non-melanoma cancer causes another 2,000 deaths per year," Dr. Lasser explains. "Patients with increased risk of developing skin cancer can be identified through screening, and early treatment results in high cure rates."

### Norwood Park Historical Society

Find out how much history and treasure lurks in the soil under our feet. Loren "Kris" Kringle, the speaker for the April 24 meeting of the Norwood Park Historical Society will tell us about using a metal detector, what it does, and how it unearths history.

Kris will tell us about his avocation that yields rewards, psychological relaxation, and an understanding of history from an unusual viewpoint.

Kris's presentation will include findings from the Crippen property as well as a variety of samples from his collection, including one of historical tokens.

The meeting is Wednesday, April 24, at 7:30 p.m. at the Crippen House, 5624 N. Newark. Coffee and conversation with Kris will follow.

For meeting and membership information, call (312) 631-4633.

### District 219 offers summer driver education

District 219's summer session of Driver Education will be offered at Niles West High School from Tuesday, June 18 through Wednesday, July 31. All Niles Township students who will be 16 years old by September 1 are eligible. The total cost is \$50, which includes the summer school registration fee of \$12.

Private and parochial school students, who must show proof of residency and age, can register at the Niles Township High School district office, 7700 Gross Point Rd., from 2 to 5 p.m. Tuesday, April 23. Niles West students will register from 9 a.m. to 12 p.m. Tuesday, May 14 in the driver education classroom (Room 126) and Niles North students will register from 9 a.m. to 12 p.m. Tuesday, May 21 in the Niles North auditorium lobby.

For additional information, call Kim McDermott at (847) 965-9371 between 9 a.m. and 4 p.m. on school days.

### Joe Walsh versus Sidney Yates

Republican nominee Joe Walsh will begin his battle against 86-year old Democratic Congressman Sidney Yates with a Kickoff Rally at 2 p.m. Sunday, April 21, at the Citizens for Walsh suburban headquarters, located in the Talisman Center, 2660 W. Golf Rd., Glenview.

Walsh is counting on "pedal power" to help him gain visibility and name recognition in the race for the Illinois 9th District seat. The 34-year-old government and history teacher will ride his bicycle throughout the district, meeting voters, appearing in parades and attending local and community events.

Walsh is pro-choice, favors Second Amendment rights, supports gay rights and believes parents have a right to choose where their kids go to school. He favors "meaningful and compassionate" welfare reform and is an advocate of a "citizen legislature" composed of average citizens and not professional politicians.

Joe Walsh and his wife Laura live in Evanston with their three children. He is employed by the Heartland Institute, a non-profit organization providing research

and commentary on public policy issues to elected officials around the nation. An active writer and speaker on subjects including education and welfare reform. Walsh also teaches classes in U.S. History and American Government at Oakton Community College. He holds an M.A. in Public Policy from The University of Chicago and a B.A. in English from the University of Iowa.

A very special tea party will take place at 3 p.m. on May 12. No cookies or crumpets will be served and no one will even dress up for it. What then, makes it so special?

It's called the Mother's Day

"Make Believe Tea Party," and it's being held to raise funds for research and support efforts of the Leukemia Society of America. Friends are invited to have "a cup of tea at the hour of three" on behalf of those with leukemia.

Pre-printed "invitations", envelopes, tea bags and return envelopes for your donation, will be sent on request for you to personalize and send to friends, relatives, and others on your personal mailing list.

The Leukemia Society of America Mother's Day "Make Believe Tea Party" raises funds nationally to support Society programs of research, patient and education and community service.

If you or your club or organization are interested in learning more about how you can host your own Mother's Day Tea please call the Illinois chapter of the Leukemia Society at (312) 726-0003.

**St. Francis Breast Center rated "Outstanding"**

The St. Francis Breast Center received an "outstanding" rating recently following its first ever inspection by the U. S. Food and Drug Administration.

The inspection compared specific items in six major areas (equipment, performance, technician quality control, medical physicist survey, personnel qualifications, medical reports and outcome audits) to required standards. The results showed that the St. Francis facility, which is located in the hospital's Professional Office Center, was in compliance with all required standards issued under the Mammography Quality Standards Act (MQSA).

"We congratulate you on this outstanding accomplishment," wrote Florence Houn, M.D., M.P.H., the director of the FDA's Division of Mammography Quality and Radiation Programs, in a letter to the Breast Center's nurse manager, Sharon Lebsack, R.N.

"We commend you for the effort and attention you and your staff have put into developing exceptional operating systems," the letter continued. Lebsack commented that she and her staff were "ecstatic over the outcome," adding that the rating confirmed their confidence in the services offered at the St. Francis Breast Center.

In Illinois, only 20 percent of hospitals surveyed by the FDA achieve the outstanding rating. Nationally, 32 percent receive this highest mark.

**Moms Need A Break**

According to IOF Foresters family stress expert Dr. Richard Earle, high levels of stress can cause both health problems and family disruption for the mom with too much to do.

Don't wait for a special occasion to take a break, advises Earle. As a year-round gift to your kids, make your own health and well-being a priority. Being a mother has always been a full-time occupation, whether or not she also works outside the home. Every mom needs to take good care of herself if she's going to take the best care of her family.

Another key to better coping is letting off steam on a regular basis. Unavoidable frustrations can create pressure that mounts and explodes. It's much healthier to

find ways to release pressure a little at a time.

A free brochure offered by the IOF Foresters points out ways for moms to R-E-L-A-X.

- Recognize how you feel
- Evade upsetting issues or events, when possible
- Look ahead and plan ways to manage your stress
- Adjust to frustration with healthy stress relievers such as reading, walking or chatting with a friend
- Exhale slowly. Deep breathing is a simple and effective way to cope with a moment of stress

The IOF Foresters is a not-for-profit Fraternal Benefit Society dedicated to supporting projects that help strengthen family life.

For more free stress management and parenting tips, call 1-800-922-4-IOF.

**Bear Necessities Foundation thanks their many supporters**

Bear Necessities Pediatric Cancer Foundation would like to send out heartfelt thanks to the many supporters who made the holidays brighter for our kids with cancer.

Cub Foods, Crystal Lake, sponsored a "Giving Tree" which held the ages of children hospitalized with cancer, infant thru 18 years, for which very generous supporters purchased a suggested gift.

The overwhelming abundance of gifts were then distributed to nine local hospitals. Bear Necessities "Elf-like" volunteers, personally delivered the gifts to the Chicagoland hospitals.

Rocky Mountain Chocolate Factory, Huntley Factory Outlet Center, graciously donated a 3 foot solid chocolate Santa which was displayed at Duke O'Brien's Pub, Crystal Lake, during their holiday gathering.

Complimentary hors d'oeuvre's were served to those donating a children's toy. The toys, along with the chocolate Santa were then presented, by Bear Necessities, to children hospitalized at Lutheran General Hospital during their annual Holiday Party.

Chicagoland Apartment Association also held a Holiday Party in which toys were collected and donated to various local hospitals. The Association also graciously made a cash contribution.

The Girl Scouts Senior Gold Award Project contacted over 150 Churches and Girl Scout Troops and generously donated more toys. Streaks Leadership Program from Woodstock High School collected and donated even more. ERA Countrywood Realty, South Barrington, provided Bear Necessities with their location as a drop off for even more toys.

Pat Lancaster, with Chicagoland Mopar Connection, organized a party in which toys were collected. Chicagoland Mopar Connection also contributed funds with which Ms. Lancaster purchased toys at Toys 'R Us for our kids hospitalized with cancer. Toys 'R Us' Corporate Matching Committee matched Chicagoland Mopar Connection's cash donation, via their gifts program, which enabled Chicagoland Mopar to,

yes, you guessed it, buy even more toys.

Bear Necessities would also like to thank the corporate sponsors who's cash donations helped warm our children's holidays. Those generous sponsors included: Doral Michigan Avenue, Sunstone, Inc., and Xerox Corporation.

"The outpouring of community support was overwhelming," says Kathleen Casey, Executive Director of Bear Necessities Pediatric Cancer Foundation. "We were able to touch the lives of many hospitalized children who were fighting for their lives during the holiday season. This is what the season is really all about. Unfortunately, pediatric cancer affects the children every season. Let us not forget them. We cannot thank all of our sponsors and community of gift givers enough."

The hospitals receiving the holiday gifts included: Children's Memorial Hospital, Christ Hospital and Medical Center, Loyola Medical Center, Lutheran General Hospital, Michael Reese Hospital and Medical Center, Rush-Presbyterian-St. Lukes Medical Center, University of Chicago,

Wyler Children's Hospital, University of Illinois at Chicago, and University of Illinois at Rockford-Swedish American Hospital.

If you would like to volunteer, receive information or become a supporter of Bear Necessities Pediatric Cancer Foundation, call (847) 516-4081.

There will also be animation club members demonstrating cartooning. The main events of the day will be "Magic: The Gathering" Type I and II tournaments with a prize for

**Jazz bands to play "Just For the Fun of It"**

The Niles West High School Jazz Band will host an evening of free jazz music at their fourth annual "Just For the Fun of It" concert. Jazz bands from Niles West, Niles North and Glenbrook South will share their talents beginning at 7:30 p.m. Friday, April 19 in Café West (the school's cafeteria) at 5701 Oakton Street in Skokie. A highlight of the night will be the debut performance of the new Niles West "Pop 'n' Rock" ensemble.

The evening is devoted to the enjoyment of Big Band jazz music. It is not a contest but rather an event designed to let the participating groups simply go out and "strut their stuff." The concert takes place in the cafeteria, which will be decorated in jazz club style. Refreshments will be available throughout the evening at a nominal charge.

For more information, contact Kathy Spreitzer or Niles West Jazz Band Director Bill Koch at (847) 581-2973.

**Dinner and Raffle for Leukemia Research Foundation**

The Donald Davidson-Alan Brin Memorial Chapter of the Leukemia Research Foundation will host its annual Trip/Cash Raffle Dinner, Sunday, May 5 at 6 p.m. at Rosewood Restaurant, 9421 W. Higgins Rd., Rosemont.

Cost is \$50 per person (prepayments only) and will include cocktails, dinner and dancing. First prize is a \$5,000 trip value or \$3,500 in cash. Second prize winner receives \$2,000 and third prize is \$1,000. There will also be a mini raffle with 30 to 40 additional prizes.

This year marks the 50th Anniversary of the Leukemia Research Foundation, comprised of 1,000 volunteers in 15 local chapters, who have joined together to raise funds for leukemia research, as well as provide services to leukemia patients and their families. More than \$13 million has been raised through various fundraising activities since its inception in 1946.

Leukemia is a malignant condition in which the overproduction of white blood cells interferes with the function of vital

organs and, if uncontrolled, can be fatal. Leukemia is the second most common cause of death in young people ages 1-24, next to accidents. More than 19,000 people will die from Leukemia this year alone.

For more information and to make reservations, call Lisa Goldsand at (312) 477-6206.

### It's never too early to start thinking about college

Freshman and sophomore students and their parents are invited to attend "Anticipating the College Process" on Thursday, April 25 from 7 to 8:30 p.m. at the Niles North High School auditorium, 9800 Lawler Ave., Skokie.

This program is designed to answer the common questions asked by students and their parents as they begin to think about the college application process. Which college placement tests should a student take? When should he or she take them? How should an individual prepare for these tests? When should a family start looking at colleges? How

does one choose a college match? How can a family determine if they can afford a college? These and many other questions will be addressed at this program by the college/career counselors of District 219. A brief demonstration of the "Discover" career program will also be highlighted.

For further information, contact Niles North College/Career Counselor Donna Virkhan at (847) 933-8873 or Niles West College/Career Counselor Gloria Moore at (847) 581-3169.

### Olympic Update from Loyola

Freshman Natalie Lacuesta of Skokie placed 25th out of 75 contestants in recent international rhythmic gymnastics competition held in Greece. Natalie's ranking tied her with the current United States National Champion. She will represent the United States in competition the last week of April in Germany and the following week in Bulgaria. In June, she will compete in the US Olympic Trials in Boston against the current National Champion for the number one slot in the Olympics.

### Driver Education to be taught this summer

High school driver education will be taught this summer at Maine East, Maine South, and Maine West for students 16 and up. Students who live in the district, whether or not they attend District 207 schools, are eligible. Notre Dame high school students are also eligible, whether or not they live in the district, because the high school is located within District 207 boundaries. Eligibility is determined by birth date.

The registration fee for driver education is \$25 and does not include the cost of the textbook, workbook, or permit. Registration will be held at Maine South from April 22 to May 3; at Maine West from May 6-10; and Maine East from May 13-17. The six-week course starts June 11 and ends July 19. Students must attend every class.

To obtain a driver's permit which is necessary to take the class, students must attend three afternoon sessions which will be at Maine South and Maine West on May 21, 22, and 23 and at Maine East on May 28, 29, and 30. The sessions begin promptly at 3 p.m. and last until 5 p.m.

For further information, call Suzanne Millies, assistant superintendent for instruction, at 696-3600.

### Facets College Fair '96

Skokie resident Sharon Chelitz is coordinator of Facets College Fair '96, a college fair for Jewish high school students and their families, set to take place from 12:30 to 5 p.m. on Sunday, April 21, at Northwestern University Norris Center in Evanston. Sponsored by The Hills of Illinois, the event will feature representatives from all major Israeli universities and from more than 30 colleges and universities in America, as well as more than 20 speakers and an array of workshops geared to helping participants take Jewish considerations into account when preparing for college life. Admission to Facets is \$3 per person with advance registration or \$5 at the door. Rabbi Paul Saiger is executive director of The Hills of Illinois. For further information call Ms. Chelitz at (847) 675-4324.

### Loyola to hold reunions

Spring is reunion season at Loyola Academy. From April 20 through June 29, ten class reunions will take place at the Academy, plus the Golden Age Reunion on May 22, for alumni who graduated prior to 1946.

A new twist this year is Loyola's first coed reunion for the Class of 1971 Marillac and Loyola alums who will celebrate their 25th reunions. The decision was made after enough men and women from both schools got the ball rolling for a joint effort.

The 1996 Loyola Alumni Reunion Calendar is as follows:

- April 20, the Class of 1976 will hold their 20th Reunion;
- April 27, the Class of 1971 will hold their 25th Reunion (Marillac and Loyola);
- May 18, the Class of 1946 will hold their 50th Reunion;
- May 22, the Classes of 1944-

### Nominees sought for Senior Illinoisans Hall of Fame

Nominations are now being accepted for the 1996 Senior Illinoisans Hall of Fame, says state Sen. Walter Dudyecz (R-Chicago). "The Hall of Fame honors a variety of role models, including public servants, humanitarians and educators," said Dudyecz. "All of the current inductees have had a positive influence in their community or their profession and in the state of Illinois as well."

In 1994, the General Assembly approved the Hall of Fame program to honor exceptional seniors who have had a profound impact within Illinois. Since then, the Hall of Fame has inducted 19

members. Past inductees include inventor Horace Hume, Dr. Thomas Kim, who is known for his ground breaking tuberculosis research and Mollie West, founder of the Coalition of Labor Union Women.

Candidates must be age 65 or older and a current or former citizen of Illinois who has lived in Illinois for the majority of his or her life. Posthumous nominees will also be considered.

As many as ten new inductees will be selected for the 1996 Hall of Fame, based on the overall qualifications of the applicants. Judges will be chosen from the state's senior advocacy organiza-

tions. The induction ceremony will be held on Senior Day at the 1996 Illinois State Fair.

All entries must be postmarked or faxed to the Illinois Department on Aging by June 7. To request an official nomination form, call the Illinois Department on Aging's Senior Helpline at 1-800-252-8966.

### "Family Appreciation Day" at Regency

Residents and their family were "guests of honor" at Regency Nursing Centre's annual "Family Appreciation Day" celebration.

The event started off in the lower level of the nursing center where a delicious buffet luncheon was being served and concluded at Regency Adult Day Care Center where miniature pastries, fruit and coffee was being offered.

The guests serenaded by Boris Gorelik, violinist and Alla Gorelik, pianist at the nursing center and John Boda, singer/guitarist at the Adult Day Care Center. The center was adorned with brightly

colored balloons, flowers and long white table cloths. Every guest and resident received a carnation and a handmade floral bookmark, compliments of the residents from the Activities Department and seniors from the Adult Day Care Center. The day was a very memorable one for both residents and family members.

"We truly appreciate everything that our family members do to support Regency as well as their loved ones. We were honored to have them as our special guests," says Barbara Hecht, Administrator.

### Yarn Needed

The Senior Center is requesting any left-over yarn or scraps of material (8" x 8" or bigger). Lap robes and shawls are made for veterans at Hines Hospital. Volunteer knitters and crocheters are needed. If interested, contact Mary Vandempas at the Niles Senior Center at 967-6100.

### Reverse Mortgage Program for seniors

From the very beginning Lillie Knight, who lives in the Chicago-land area, knew that this was going to work out for her. Lillie had contacted an area agency on aging about getting in on the FHA-insured reverse mortgage program. If her Will-Power had anything to do with it, Lillie would be accepted into the FHA program in record time. After taking her application at the very beginning of the process Lillie had a difficult time giving out the necessary information without breaking down. So distraught was she about her inability to meet all of her monthly obligations, she felt an obligation to explain the reason for her difficulties.

You see, several months ago Lillie had fallen and broken her hip. Several months prior to that her husband, Paul, had passed on. When Paul passed on she had a cut in her social security benefits. Then when she took her fall she was forced into leaving her job because the employer could not allow the position to remain open for the amount of time it would take her to heal. All of Lillie's friends and the bank had been telling her for weeks that it was time she put the home up for sale. There was simply no way, in their opinion, that Lillie could remain in her home and pay the bills. Lillie resisted this with a strong will which defied her petite and fragile 73 year old body. She would stay in her home, and that was final.

When Lillie was told about the reverse mortgage, she knew it was what she needed. "After taking the application, I must say, I walked out having no doubts" said Richard Beem, the reverse mortgage specialist which helped her with her application. "Lillie's mortgage balance was quite high, given the amount of funds available to her." But Lillie said, "You put this thing through and we'll get it taken care of. I know this is what will keep me in my home. There are no 'ifs' about it." She was absolutely positive. Interest rates had been increasing lately and that would lower the amount of available funds. In the end it actually turned out that the program was \$1,000 short of the cash needed to meet all expenses and pay off Lillie's mortgage. This is where Lillie's positive thinking may have taken over. The Lender applied for a grant from the state and sought the \$1,000 needed to make up the difference on her mortgage. The monies from the grant were approved, and shortly thereafter, Lillie was accepted into the FHA-insured reverse mortgage program. Lillie was able to pay off her existing mortgage as she planned, freeing up an extra \$300 each month for living expenses and continue living in her home. "I never doubted it,"

### Jesse White to address North Shore Seniors

Jesse White, Cook County Recorder of Deeds will speak before the North Shore Seniors on Tuesday, April 23, at 1 p.m. in the North Shore Senior Center, 7 Happ Road, Northfield.

John Swenson, coordinator, announced that White will share his expertise on the workings of the Recorder of Deeds' office and explain the services and information available to each citizen of Cook County.

Jesse White was elected to the recorder of deeds office in 1992, after serving for 16 years in the Illinois General Assembly. As a state legislator, he built a solid record for fighting crime, improving education and helping senior citizens. Jesse is also the founder of the internationally known Jesse White Tumbling Team, which offers a positive alternative for today's youth. The

team provides a strong incentive to help set at risk youth on the path to success.

### Wally Phillips to speak at Senior Conference

Chicago radio legend, Wally Phillips will be the luncheon speaker, for "Learning is Ageless...the Second Spring Conference for older adults." The day-long conference, sponsored by Triton College Retired and Senior Volunteer Program (RSVP) and the Senior Citizens' Services Coordinating Council of Oak Park and River Forest (SCSCC), will be held on Tuesday, May 14 at Triton College.

The conference is geared for those 55 years of age and older, who want to continue learning. Participants will choose three sessions to attend, out of the twelve sessions offered. The sessions are titled: What's happening in Washington & Springfield, Preserving your nest egg, Crime and caution: A senior alert, The best is yet to be. Making memories matter, Reading food labels, Strength training for seniors, Legal aspects of caregiving, Managed care issues, Foot & ankle & leg health, Memory enhancement, and Positive images of aging in film and literature.

Lunch is included in the conference registration fee, \$10 before May 3, and \$15 for those postmarked after May 3 and at-the-door. Wally Phillips, spokesperson for NYL Care, will discuss issues related to aging and continuing education during the luncheon.

Each session is 45 minutes, including discussion time and questions. The speakers have donated their time for the purpose of educating older adults. The conference is presented in May, in honor of "National Older Americans Month."

SCSCC is a network organization of health and human service providers interested in

meeting the needs of older adults. SCSCC is working in partnership with Triton College RSVP, due to the ENCORE award Triton College received from the Retirement Research Foundation. The conference will enhance the lives and interests of older adults by learning new skills and contributing to ongoing education.

The conference will be held at Triton College, Robert M. Collins Center, 2000 N. Fifth Ave., River Grove. For more information and registration materials, feel free to call Kathi Deresinski at Triton College RSVP, (708) 456-0300 x3603, or Cheryl Lamm at Westlake Pavilion, (847) 451-1520.

### Israel through Chinese Eyes

### Forest Villa to host health fair

Forest Villa Nursing Center will be hosting a senior health fair on Saturday, April 27 from 10 a.m. to 12 p.m. The fair will be held at the Forest Villa, 6840 W. Touhy Ave. in Niles. The fair is open to area seniors and their families.

A wide variety of screenings will be offered including cholesterol, blood sugar, blood pressure, hearing, and vision screening. Participants interested in the cholesterol screening should fast 10 hours prior to testing. Cholesterol test results will be mailed to

the participant following the fair. Seniors interested in the blood sugar screening should fast 8 hours prior to testing. Results will be immediately available.

Seniors are also invited to bring their prescription medications for a review by a licensed pharmacist. In addition, a variety of health related organizations will be on hand to provide information and referral. Refreshments will be provided. For further information, please contact the facility at (847) 647-8994.

### Free tours at Norwood Park Home

The Norwood Park Home for seniors, located at 6016 N. Nina Ave. will hold its next Social Hour and Open House on Wednesday, April 24 from 2 to 4 p.m.

The Home will offer free personal tours and provide free information to all attendees. Free coffee and brownies will be served and Hospice of the North Shore

will also be conducting free blood pressure screenings.

Norwood Park Home, now approaching its 100th year of caring service, will hold a commemorative event each month in honor of its special anniversary. If you are interested in further information or obtaining a free calendar of 1996 highlights, call (312) 631-4856.

### Earnings limit increased for working beneficiaries

If you're age 65 or older, but not yet 70, and still working, you can earn \$12,500 for this year before your Social Security benefits are reduced \$1 for every \$3 in earnings. There is no limit for people age 70 and older.

A new law, signed March 29, increases the annual earnings limit from \$11,250 in 1996 and gradually raises it to \$30,000 in 2002. In 1997, the limit will be \$13,500; 1998, \$14,500; 1999, \$15,500; 2000, \$17,000; 2001, \$25,000; 2002, \$30,000. After 2002, the annual exempt amount will be indexed to growth in average wages.

The new law does not change the earnings limit for workers who are age 62 but under age 65. That limit is \$8,280 in 1996 and will increase in future years with increases in average wages, as under present law.

Only your earnings are affected by Social Security's earnings limits. The law does not count non-work income such as investments, interest, pensions, annuities, capital gains, and other income not resulting from current work.

### Art Bartz wins Niles Bowl Senior No-Tap Tourney

The March 26 Niles Bowl No-Tap was won by Arthur Bartz who shot 297-229-265=791. He won the first game pot and the \$80 1st place prize. He beat Mike Rolak's 770 series. Mike had 262-269-239=770 for second place. Rich Kehr came in 3rd with 202-257-290=749.

There were 23 entries. The following were high game winners: Meta Rolak - 266, Bob Harris - 309, George Smith - 281, Chester Sparks - 274 and Rich Kehr - 290. The next No-Tap Tournament will be on Tuesday, April 30 at 1 p.m. Call (847) 647-9433 for details.

### Peer Counseling

The Niles Senior Center is beginning a peer counseling program and is interested in finding volunteers who would like to serve as Peer Counselors. Peer Counselors will be trained to help people deal with loss, loneliness, illness, or family problems as an alternative to professional counseling. The Center is also seeking people who would like to meet with a peer counselor to discuss a problem. If interested in either aspect of this program, contact Bev Wessels at 967-6100.

### Many Retirees Face Financial Disaster! By Robert C. Copeland E.A.

Many retirees face a 100% chance of financial ruin. How? They must bear the cost of long-term nursing home care if they, or a loved one, require such care. The Government can, and will force you to use your CD's, house, Social Security pension checks, investments, IRA's and just about everything else of value to pay for long term care.

The greatest myth is that Medicare will pay for long term care, this is absolutely and totally WRONG. Medicare is a health insurance program, not a long term care program. The other myth is that Medicaid will pay for such care. This is true, but not until you have exhausted nearly ALL of your own assets to pay for such care. Medicaid steps in only after you are basically BROKE.

The national average cost for long term care is \$40,000 per year. How long will your assets last at that rate? Nobody wants to see their life savings evaporate before their eyes, but it is happening every day. Can you do anything to prevent this tragedy? Yes, but 99 out of every 100 people don't know what to do. (This includes many legal and financial professionals). As a result nothing is done. People start asking questions after it's too late.

You deserve the peace of mind and security that protecting your assets from Medicaid achieve. You can learn much of what you need to know by getting a FREE copy of a new report called "How To Preserve Your Assets From The Federal Government And The Medicaid Gang."

You can obtain your copy of the report by calling (312) 631-2220. This number can be called anytime as it is available 24 hours a day. Time is critical when dealing with this subject. Don't delay calling for your report.

### Real Estate Expert Warns Against Selling A Home Without Knowing The Biggest Mistakes To Avoid!

Norridge, IL - A local real estate expert has just released a Report that explains the biggest mistakes people make when they sell their homes, and how YOU can avoid them.

He cited an example of a couple who unknowingly made costly mistakes which forced them to pull their home off the market.

Another couple had to keep reducing their price because they made a common error that costs people big money when they decided to list the home for sale.

Accordingly, the real estate expert has prepared a FREE Report called, "How To Sell Your Home Quickly, At The Highest Price!"

This Report concentrates on teaching you an updated, 90's version of selling your home, and how to avoid costly mistakes that can cause you to lose thousands!

### Three decades of Medicare-- JFK would be proud

On a cold morning in late October 1960, the young Senator John F. Kennedy made one of his final campaign stops in Philadelphia. The presidential election against Richard Nixon was only seven days away, and Senator Kennedy was zeroing in on a message of hope, security, and progress for older Americans. What separated Kennedy from his opponent, JFK said, was a vision of health security for America's older citizens.

"I believe in an America where one's latest years are the good years; where medical care for the aged is provided out of Social Security," John Fitzgerald Kennedy told a cheering crowd in Philadelphia's Convention Center.

The Idea Did Not Die in Dallas

Tragically, Kennedy did not live to see his vision realized. But his idea prevailed: Medicare was passed by Congress and signed into law just 20 months after his assassination.

And, because of JFK's vision, two generations of older Americans have had the health care they deserve. For 30 years, Medicare has been a well-deserved birthday present--after a productive lifetime of hard work--on your 65th birthday.

Not every politician shared President Kennedy's firm belief in providing health care for older Americans. In fact, many politicians were dead set against creating Medicare. The opponents saw Medicare as a threat to the insurance companies--even though the insurance com-

panies have always discriminated against the elderly and often refused to insure them. Nonetheless, Medicare's opponents chose to stand up for the insurance companies while Medicare's supporters were standing up for America's seniors.

A Hollywood actor named Ronald Reagan, for instance, denounced the idea of Medicare as "socialized medicine." Senator Carl Curtis of Nebraska said that Medicare would be "a great disappointment."

He was wrong. Since Medicare was signed into law, more than 60 million older Americans have benefited from JFK's idea. They have had the peace of mind knowing that if a health crisis strikes, they will get the care they need without becoming a burden on their children.

Today, nearly all Americans 65 and over--about 33 million of them--are protected by Medicare. That's a big change from what it used to be like. Only half of our seniors had hospital insurance before Medicare; the other half lived in terror of what would happen when they got sick.

Medicare has done more than ease that fear. Nearly three years have been added to the life expectancy of 65-year-old Americans since 1965. The risk of death from heart disease and stroke has declined dramatically in the last three decades. Medicare's support for home and community based care--still not strong enough--did not exist at all 30 years ago; in the last three decades, Medicare has helped

many of our grandmothers and grandfathers get care in their homes.

They're Still Trying to Kill Medicare

But Medicare has been under constant assault from politicians during its 30 year history. Some politicians have tried to kill Medicare outright; other have sought to weaken it so that it "withers on the vine."

What is astonishing about these constant attacks is the fact that Medicare doesn't just save lives and make life better for older Americans and their families.

Medicare does all this cheaper than private health insurance. The fact is that Medicare gives 98 cents of health care for every dollar it takes in--spending only 2 cents on administration and red tape. Private insurance companies spend much more on administrative red tape--sometimes up to 40 cents of every dollar they take in.

But Medicare's survival, and our hope for strengthening its benefits, rest on the American people. If we speak up for Medicare--and make sure the politicians hear us--JFK's dream will live on.

### Regency to host Alzheimer's Support Group

Regency Nursing Centre, invites all Alzheimer's victims, caregivers, friends and family members to "The Greater Chicago Area Chapter of the Alzheimer's Association" Alzheimer's Support Group Meeting on Wednesday, April 24 at 7 p.m. in the lower level of the nursing center.

The meeting takes the form of an informal discussion. Participants are encouraged to relay their personal stories of how Alzheimer's Disease has effected their lives and relationship to their family, friends and community. The group offers an opportunity for participants to talk with others who face some of the same day to day trials and tribulations of the disease and to ease the feeling of solitude that many of them face.

Regency Nursing Centre is located at 6631 N. Milwaukee Ave. in Niles. For more information call Kathy Clyde, Support Group Coordinator, at (847) 647-7444.

### Social Security mails statements

Between February and August 1995, Social Security mailed more than 6 million Personal Earnings and Benefit Estimate Statements (PEBES) to people age 60 or older. The statements were mailed to those who have earnings posted to their Social Security record and who are not already receiving benefits. About 900,000 statements have been sent out each month.

These statements, required by law, are intended to help workers make sure their earnings have been correctly reported to Social Security. These earnings records are important because Social Security benefits are directly related to earnings that have been credited to a worker's Social Security number.

If you're age 60 or older and not receiving Social Security benefits, you should have received a statement by September 30. If you didn't get it, call Social Security's toll-free number, 1 (800) 772-1213 (anytime, including weekends and holidays), and ask for a form SSA-7004 (Request for Earnings and Benefit Estimate Statement). You should receive your statement four to six weeks after your completed request is received by Social Security. If you're under age 60 and would like a statement, call the toll-free number and ask for the request form.

As the law mandates, Social Security began mailing statements in October to persons reaching age 60 during the year. And, gradually, as the mailings continue...and additional age groups are added, by the year 2000 all workers age 25 or older will receive annual statements.

For a brochure listing this and other programs and classes offered by the Emeritus Program, call (847) 635-1414.

### Morton Grove Homecare Service

The Morton Grove Homecare Service is a program offered by the Village of Morton Grove and funded by Cook County. The service is for residents age 60 and older who may need assistance with a combination of the following: bathing, laundry, personal care, companionship, preparing meals and light housekeeping. The amazing thing about this program is that all services are provided at no charge for a duration of up to six months through the Visiting Nurse Association North. To qualify a person must be age 60+, be a Morton Grove resident, demonstrate a medical need for home care, meet income (less than \$28,150 annually) and asset (less than \$50,000) eligibility criteria. For more information, contact Morton Grove's Department of Health & Human Services at 470-5246.

### Senior homes painted free

The 9th Annual Community Paint-A-Thon is a community sponsored event which was designed to help financially-limited seniors or disabled individuals within the community. Maintain the appearance of their homes at no cost. The scheduled date is September 7 (Rain date is September 14).

Only homeowners of single-family residences who are on a limited income and physically unable to do the work themselves are eligible for the project. The houses must be owner-occupied and need only scraping and/or spot priming for preparation. All of the paint and needed supplies are donated by local corporations.

For applications and more information, call the 1996 Paint-A-Thon co-ordinators Cindy Gunderson at 253-5500 or Joanne Schultz at 259-7730.

### Interpret Your Dreams at Oakton

How to Interpret Your Dreams (PSY 596-81, Touch-Tone 5338) will meet from 9 to 10 a.m. for four Tuesdays beginning May 7. Explore the meaning of dreams and learn how their messages can provide direction and guidance in your life. The fee is \$30.

This course is offered through the Alliance for Lifelong Learning and is sponsored by the Emeritus Program for older adults at Oakton Community College's Ray Hartstein Campus, 7701 N. Lincoln Ave., Skokie. Students over the age of 60 who live in-district pay one half of the indicated fee if they present proof of age and residency at the time of registration.

Students who have registered for Oakton or ALL classes within the last five years and have a correct Social Security number on file may register using the Touch-Tone system by dialing (847) 635-1616. Registrations can also be taken via FAX at (847) 635-1448 in which case payment must be made by a major credit card (Visa, Mastercard or Discover).

For a brochure listing this and other programs and classes offered by the Emeritus Program, call (847) 635-1414.

### Chechnya's Cultural Heritage

Chechnya's Cultural Heritage will be discussed on Thursday, April 25, as part of the spring Culture's Connection to Foreign Relations series sponsored by the Emeritus Program of Oakton Community College. All lectures meet from 1 to 2:30 p.m. in Room A151 at the Ray Hartstein Campus, 7701 N. Lincoln Ave., Skokie.

Gregory Kozlowski, Ph.D., is a faculty member of De Paul University. He will show how Chechnya's cultural heritage combines the traditions of Central

Asia with those of the former Soviet Union as he describes this mix and the Chechnyans bid for independence.

The fee at the door is \$5. For a brochure detailing the complete series, call (847) 635-1414.

## In. Out.

Now a person can be in and out of Bethany Terrace Nursing Centre in no time, because short-term stays have never been more convenient. For example, someone who needs temporary nursing care after extended hospitalization can recuperate at Bethany before returning home. Short-term stays may also be arranged for rehabilitation therapy following a stroke, fracture, or hip or knee replacement surgery. Our excellent rehabilitation therapy programs (physical, occupational and speech) are provided on-site and administered by a certified rehabilitation nurse.

Respite care, which provides relief for primary caregivers at home, is another good reason to arrange a short-term stay at Bethany.

No matter what level of care is needed, or for how long, every Bethany Terrace resident receives the best professional services and personal attention, in a warm and inviting environment.

Insist on the best, check out Bethany Terrace. For more information call (847) 965-8100.

## Ameritech increases Senior Open Purse

Ameritech recently announced it has increased the purse of the Ameritech Senior Open to \$1.1 million, an increase of \$250,000 over last year, keeping the tournament among the richest on the Senior PGA Tour.

The eighth-annual Ameritech Senior Open will be played July 22-28 at a new course this year, Kemper Lakes Golf Course in Long Grove. The tournament is moving to Chicago's northern suburbs after five years at Stonebridge Country Club in Aurora.

"Ameritech has more than doubled the purse since our tournament began in 1989 and we have increased our prize money in each of the past four years," said Tournament Director Brian Fitzgerald. "By breaking the million-dollar mark for the first time, we will help make sure that Chicago golf fans will continue to have an opportunity to see the greatest names in golf."

Last year, Hale Irwin scorching the Stonebridge Country Club links in a tournament record 21 under par to beat an elite field that included Raymond Floyd, Lee Trevino, Dave Stockton and 1995 Senior Tour Player of the Year Jim Colbert.

Fitzgerald said word about Kemper Lakes is spreading fast among the Senior pros, several of whom played Kemper when it hosted the 1989 PGA Championship. "We look forward to having a strong field ready to challenge Hale Irwin," he said, noting that nobody has managed to win the Ameritech twice, let alone two years in a row.

By increasing the purse, Ameritech also guarantees that local charities will continue to see increases in contributions.

The Ameritech Foundation will continue its tradition of awarding contributions equal to the share of the champion's prize. Ameritech has contributed more than \$700,000 to charities since the tournament's inception. "It's one way Ameritech gives something back to the communities we have served for more than 100 years," Fitzgerald said.

Information about corporate hospitality, marketing opportunities or tickets for the 1996 Ameritech Senior Open can be obtained by calling 1-800-SENIOR-1 or 708-GOLFTX.

## Elder Care Seminar

## Oakton seeks volunteers for Emeritus Program

The Emeritus Program at Oakton Community College is seeking volunteers to help facilitate World News discussion groups. The World News program explores challenging perspectives about world news. See how local, national and international news changes when you help people look at the whole picture.

World News discussion groups usually meet once a week for a period of six weeks. Discussions can run from one to two hours as volunteers prefer. This program, which is free to participants, needs volunteer facilitators for the fall of 1996. With 22 off-campus locations, the Emeritus program has more requests than the present bank of volunteers can meet.

Training sessions are held several times a year to acquaint facilitators with the program and discussion techniques. For additional information about becoming a facilitator, call the Emeritus Program at (847) 635-1414.

World News facilitators will be invited to attend the World News Seminar presented by Richard Farkas of the De Paul University faculty free of charge in the fall of 1996.

## Forest Preserve volunteer programs

Cook County Forest Preserve District Board President John Stroger announced that a new trail policy and restoration program have been started at the Deer Grove Forest Preserve in Palatine. The new trail policy designates specially marked trails for bicyclists and equestrians and restricts off-trail use. Environmental studies have found that the natural plant and animal communities in Deer Grove have been severely damaged by off-trail use. The ground cover plants have been destroyed and the soil erosion is undermining the trees and shrubs, polluting the local bodies of water.

The Forest Preserve District will launch the Deer Grove Res-

toration Project with a volunteer recruitment and work day on Sunday, April 21 from 9 a.m. to noon at Deer Grove #5, Quentin Rd., just north of Dundee. Volunteers will work together with the Forest Preserve on an ongoing basis to restore the prairies and oak woodlands of the Deer Grove Preserve. The volunteers will clear and cut brush, and small trees, to enable native vegetation to flourish, and to improve the habitat for local wildlife.

## Police News

### 'Preppy-looking Peeping Tom' arrested

A 34-year-old Des Plaines man with a history of "peeping tom" arrests was charged with disorderly conduct around 12:07 a.m. April 12 after a 41-year-old Chicago Tribune worker noticed him peering into the northeast basement window of a residence in the 8500 block of Milwaukee Avenue.

The offender, who was wearing a gray pinstripe shirt, was zipping up his black pants when the witness asked him what he was doing.

The offender immediately walked through the alley toward Greenleaf, and the witness got into his car and drove through the alley to Greenleaf turning west-bound into Milwaukee Avenue where he observed the offender enter a gray Oldsmobile Cutlass Calais.

The witness flagged down a Niles Police officer and informed him of the offender's actions.

Police apprehended the suspect and, based on his arrest

record, transported him to the Niles Police Department where he was charged with disorderly conduct. Bond was set at \$1,000 and an April 26 court date was set.

In what may have been a related incident the night before, a 31-year-old saleswoman living in the 8500 block of Milwaukee Avenue spotted a "preppy" looking male wearing a brown leather jacket and light denim jeans bent over and attempting to peer into the bathroom window of a garden apartment in her building around 9:55 p.m. April 10 as she was leaving to walk her dog.

When the offender, described as looking like Rob Lowe, saw the victim, he fled the scene.

Two footprints were found in the dirt under the victim's window.

### Possession of cannabis

A 20-year-old Norridge man was stopped for speeding around 9:56 p.m. April 8. The investigating officer noticed a strong odor of burned cannabis coming from the suspect's vehicle and questioned the suspect about it. The offender produced a plastic bag of a green leafy substance that appeared to be cannabis and a small pipe. An April 26 court date was scheduled.

### Youth complaint

A resident of the 8200 block of Oconto Avenue called police around 10:11 p.m. April 4 to report two juveniles were discharging a paintball gun near his home.

A 17-year-old youth admitted owning the gun and agreed to retrieve it from the home of a 16-year-old juvenile who was also involved in the incident.

The paintball gun was inventoried and was to be picked up by the juvenile owner escorted by his parent.

An assistant principal of the school in the 3900 block of Greenwood called police around noon April 11 when a 12-year-old student was discovered in possession of a lighter. School officials found a nine-inch butcher knife in the youth's locker when they were searching it for cigarettes.

The report is a matter of record, as the incident was dealt with by school personnel according to school policy.

### Burglary

A townhouse in the 7900 block of Nordica was broken into between 6 a.m. and 7:20 p.m. while the owner was at work. Unknown offenders forced open a wooden gate leading to the victim's yard and then forced open a rear-kitchen door on the north side of the residence.

Removed from the townhouse were a cordless phone and mounting valued at \$140, a video recorder valued at \$310, a CD

player valued at \$375, a camera valued at \$110, miscellaneous jewelry and \$175 cash.

A neighborhood canvas and processing for fingerprints both proved negative.

When a 16-year-old student entered his 1979 Chevrolet Monte Carlo parked in the garage behind his home in the 8200 block of Oconto Avenue at 7:30 a.m. April 11, he discovered that a radio valued at \$280, two speakers valued at \$160, a radar detector valued at \$120, an auto amp valued at \$400 and a semi-automatic paintball gun valued at \$270 were missing.

The overhead garage door was locked, but the side door was found ajar with no sign of forced entry. The theft occurred between 9:30 p.m. April 10 and 7:30 a.m. April 11.

### Criminal damage to auto

A 70-year-old electrician reported that unknown offender(s) used a hard object to smash out the driver's side rear window of his 1982 Buick Electra while it was parked in the street near his home in the 8700 block of Park, sometime between 5 p.m. April 10 and 8:30 a.m. April 11.

Nothing was taken from the car's interior.

An automobile dealership in the 9400 block of Milwaukee Avenue reported that sometime between 9 p.m. April 6 and 7 a.m. April 8, unknown offenders removed the Mustang GT symbols from both front fenders of a green/brown 1995 two-door Mustang and the horse emblems from the front grill areas of eight 1996 Mustangs.

The cost to replace the emblems was estimated at \$740. A latent fingerprint was lifted from one of the cars.

### Theft from auto

Unknown offender(s) removed \$1,800 worth of stereo

equipment from the interior and trunk of a 1995 Pontiac Firebird sometime between 5 p.m. and 11:35 p.m. April 9 while it was left in a restaurant parking lot in the 8500 block of Dempster.

### Theft

The 59-year-old manager of a fabric store in the 9300 block of Milwaukee Avenue reported that a man between 35 and 40, 6 feet tall with brown/gray hair, a heavy build and fair complexion concealed a rotary cutter, 14 fabric cutting blades and a red zipper under his long black jacket and left the store without paying for the merchandise valued at \$600.

The offender fled in a late model black Lincoln or Cadillac with no license plates.

When the 44-year-old manager of a food store at 229 Golf Mill balanced the cash drawer of a 16-year-old cashier who left her work station and was observed outside the store, the manager discovered a \$700 shortage in the drawer and notified police.

Store officials requested a follow-up investigation and will sign a complaint.

### Fire

The 41-year-old manager reported that the front store sign was on fire around 11:06 p.m. April 14 after an unknown customer entered the store and told her that the sign was burning.

The Niles Fire Department extinguished the blaze, which caused damage to the front wall and destroyed the sign.

### Suspicious activities

A 52-year-old school principal reported that unknown subject(s) rang his doorbell around 9 p.m. April 10 and left two dolls in an obscene position on the front porch of his home.

Neither the victim nor his wife have had problems with anyone in the neighborhood recently.

## Letters To The Editor

### It's never too late!

Dear Editor:

A few of our youths have turned to criminal action and organizing gangs, either for profits, excitement or from sheer boredom. As parents we should be concerned and encourage our youngsters to keep busy as idle hands and idle minds have a way of getting into trouble if for no other reason other than escaping from sheer boredom. Sports and hobbies are a safety valve for youthful energies. Our parks can play an important part in preparing our youngsters to become better citizens by giving them the best sports that would best interest them.

Children must also respect the value of the property of their neighbors. This is the responsibility of the parents. It's a sad affair when parents are afraid of their young ones. They must be taught to respect life and their religion and from this we could

### Joz supporters thanked

I wish to publicly thank the many Niles residents who supported the efforts to keep Jozwiak Park as is. It would not have been possible for us to have accomplished as much as we did without the total support of the community. To all of those who went door to door to collect signatures, and to all the residents who signed petitions, I thank you. To those who attended meetings, I thank you. Had there not been this unity of seniors, children, young adults, neighbors and commissioners we may not have had these results, which we all agree are the best for the community. This was a true community effort. Much like the people united so did the Park Commissioners unite. Together people can get more accomplished than independently. Joint efforts, cooperative efforts and total unity are the key to success. You know who you are and the rest of us thank you. The people of Niles have been heard and counted and Niles is a better place because of it.

Mary Krueger  
Niles, IL

### Area students named to Dean's List

The students listed below from the local area have been named to the Dean's List at Valparaiso University for the Fall Semester 1995.

Kristin Eileen Desiron of Des Plaines, Joshua Jeremy Eskonen of Glenview, Lisa M. Finnern of Morton Grove, Cheryl Margaret Bratu of Park Ridge, Erica Amy Wilke of Park Ridge and Sara Katherine Williams of Skokie.

### Stankowicz family expresses gratitude

Dear Editor:

The family of Sally Stankowicz extends gratitude to the Niles Fire Dept. Paramedics for the professional and gentle manner used in the numerous transports of her during the past month. It was a comfort knowing she was cared for with TLC as well as with the medical expertise provided by the Niles Paramedics. It is an honor to live in Niles where such high standards are found in all Village Services.

We thank you.

Sincerely,  
The Family of Sally A. Stankowicz

### Joz supporters thank Park Board

Dear Editor:

On behalf of the Residents of Niles I wish to extend gratitude to the NILES PARK DIST. BOARD OF COMMISSIONERS for their unanimous decision to END NEGOTIATIONS with Pontarelli Inc. and the Village of Niles regarding Jozwiak Park. We appreciate the extra efforts and countless hours each commissioner spent in order to come to their decision. We believe this board made the right decision as this is what is best for the community.

The Park Board listened to the community and heard the mes-

sage from the people, "keep Jozwiak Park where it currently exists." We are PROUD to be represented by this courageous board. They have shown that the Niles Motto "WHERE PEOPLE COUNT" are words to live by in the Village of Niles, and that the park commissioners believe in the voice of the people.

Sincerely,  
Mary Krueger  
(on behalf of the 1,418 residents who supported the petition and all other residents whom we hadn't reached yet!)

## ComEd's IBEW Local 15 Union Members approve contract

The International Brotherhood of Electrical Workers Local 15 has approved a new contract with ComEd by a 79 percent "yes" vote. The vote tally was 6,039 "yes" and 1,475 "no."

The new 2-1/2 year collective bargaining agreement gives ComEd additional flexibility to respond quickly to the needs of its customers in northern Illinois.

"This collective bargaining agreement is the product of more than 15 months of thought-

ful negotiations," said Vice President Stan Graves. "We are pleased to have reached an accord that takes into account the needs of our employees while positioning the company as a competitive supplier of electricity."

The contract includes improved wages and benefits, revised travel and moving expense provisions and streamlined procedures for handling grievances.

The company and the union now united to take on the challenges of competition, an impor-

tant step in positioning ComEd as our customers' choice for electric service," Graves said.

## Lawnware Products receive Community Service Award

Lawnware Products, Inc. received the Community Service Award from the Morton Grove Park District in cooperation with the Illinois Park and Recreation Association and the Illinois Association of Park Districts. This award is presented to organizations and individuals in recognition of outstanding contributions and unselfish devotion for the advancement of parks, recreation and leisure in the community and the State of Illinois.

Lawnware has serviced the

Morton Grove Park District immeasurably by equipping our pool with deck furniture, all of it purchased at an extremely low rate. In addition, Lawnware Products most recently donated new furniture for the District's Kids' Center. During the Centennial-fest celebration, Lawnware was very generous in allowing use of their parking facilities to accommodate the daily Fest crowds. The Morton Grove Park District is extremely fortunate to have the cooperation of such an outstanding company as Lawnware. This award was presented on Thursday, Feb. 16 at the Morton Grove Park District Board of Commissioners meeting.

## OCC initiates Real Estate Personal Assistant Program

The Alliance for Lifelong Learning (ALL), the continuing education program sponsored by Oakton Community College, is introducing a new Real Estate Personal Assistant Certificate program that is designed for the individual who enjoys the real estate field but does not want the pressures of maintaining a real estate broker, salesperson or appraiser's license.

Requirements for the certificate include the successful completion of the following courses: Becoming a Real Estate Personal Assistant (REL A38-10, Touch-Tone 5586) meets from 9 a.m. to 4:30 p.m. for two Saturdays beginning May 11. The fee is \$50. Customer Service for the Business Professional meets from 9 a.m. to 4:30 p.m. on Saturday, May 4. The fee is \$25. Both courses met at the Ray Hartstein campus, 7701 N. Lincoln Ave., Skokie. In addition, certificate candidates must complete one data processing class offered by ALL with at least 7.5 hours of class time that will enhance their present computer skills.

Students who have registered for Oakton or ALL classes within the last five years and have a correct Social Security number on file may register using the Touch-Tone system by dialing (847) 635-1616. Registrations can also be taken via fax at (847) 635-1448 in which case payment must be made by a major credit card (Visa, Mastercard or Discover).

For a brochure detailing this program, call (847) 982-9888.

## Call IRS to check on your refund

If you have already filed your 1995 federal income tax return and haven't received your refund, you can check on its status by calling an automated service operated by the Internal Revenue Service.

This free service can be reached weekdays by calling toll-free 1-800-829-4477. The IRS says you'll need to have a copy of your tax return on hand when you call. It's also important to listen carefully to the re-

corded instructions on how to use this computerized service.

If you have a touch-tone phone, use the push buttons on your phone to enter your social security number, filing status, and the exact amount of the expected refund, the IRS says. For touch-tone phone users, the best time to call is during the evening.

If you have a conventional rotary or pulse-dial phone, an IRS operator will enter this informa-

tion for you. These lines are only open during normal business hours.

This service will tell you whether your refund check has been sent out and, if so, when. If there's a problem, it will tell you to call the regular IRS tax information phone number for assistance.

## Area News

### Volunteer Recognition Program and Reception

During National Volunteer Week, April 21-27, District 71 will be acknowledging the contributions of over 130 volunteers and community partners at a special recognition program and reception planned for Tuesday, April 23 from 3:15-4:45 p.m. at Culver Middle School, 6921 W. Oakton St., Niles. Four types of volunteers will be honored: Certified School Volunteers, PTA Volunteers, Board of Education Members, and Community Partners.

### Tech 2000: Students for the Information Age

Culver Middle School is one of 100 Illinois public schools selected to take part in a demonstration of how technology is used to help students learn. The demonstration, Tech 2000: Students for the Information Age, will be held on Wednesday, April 24 at the Illinois State Capitol Building in Springfield. Representing Cul-

ver will be Rachna Sheth and Ann Marie Komorowski, accompanied by District 71's Technology Coordinator Sharon Campbell-Zollman. The students will be invited Senator Walter Dudydz and Representative Ralph Capparelli to stop by to view their exhibit.

### UOA to hear founder at 21st anniversary meeting

Dr. Alfred Serritella, physician-founder of the United Ostomy's North Suburban Chicago Chapter, will be the featured speaker at the group's 21st anniversary meeting at 8 p.m. Wednesday, April 24, in the East Dining Room (10th floor) of Lutheran General Hospital, 1775 Dempster St., Park Ridge.

Dr. Serritella, a gastroenterologist, will discuss "Do antibiotics cure ulcers?"

His talk will explore the symptoms, evaluation, testing, treatment and medications for ulcers, which in most cases we now know are probably due to infection with bacteria, not by spicy food, stress, or an anxious personality as previously believed.

The chapter meets the fourth Wednesday of each month at Lutheran General. People with ostomies, family members and friends are welcome. For more information on the group or the meeting, phone (708) 692-3592.

### Des Plaines Camera Club holds April competition

The Des Plaines Camera Club will hold its Inter-Club Monthly Slide and Print Competition on Monday, April 22, immediately following a brief business meeting which begins at 7:30 p.m. Members may submit four color slides and/or prints. There are several categories for both color and monochrome (black and white) photographs. The submissions will be judged and critiqued by a panel of three judges from local camera clubs. Awards and Honorable Mentions will be announced for those scoring the highest points in each category. This will be the last Club competition for the 1995-96 season.

The Print-of-the-Month for March was captured by Jerry Hug for his award winning large monochrome print entitled "Upper Peninsula." Awards for small color prints were given to Norb Wrobel and Ben Herman with Honorable Mentions to Evelyn Mikes, Nancy Blouin and Ben Herman.

March's Slide-of-the-Month was awarded to Evelyn Mikes

for her slide entitled, "Chapel Arches." Awards were received by Lana Pedersen and Evelyn Mikes, with Honorable Mentions to Ernie Stolle and Evelyn Mikes.

The end-of-the-year Spring Awards Banquet is planned for Sunday, May 19 at Giuseppe's La Cantina in Des Plaines. After dinner, D.P.C.C. member George Doerner will take everyone to the blue Pacific and a photo tour of the Hawaiian Islands.

The Des Plaines Camera Club meets twice monthly on the second and fourth Monday of each month, September through May at the Des Plaines Public Library which is located at 841 Grace-land Ave. in Des Plaines. A Portrait Shoot/Workshop is planned for the May 13 meeting presented by Vice President Norb Wrobel, portrait specialist.

If you are interested in photography and would enjoy meeting people with the same interest, you are encouraged to attend and learn more about photography. Guests are always welcome. For additional information about the Club and its activities, call (708) 696-2899 or (708) 296-8282.

### Workout for Hope to benefit HIV/AIDS

Chicago is hosting Workout for Hope—America's largest and most dynamic health and fitness event—from 9 a.m. to noon, Saturday, April 20, at the Renaissance Convention Center. Registration will begin at 7:30 a.m. Leading the Chicago Workout will be Co-Chairs Beverly Beck and Maryellen Bowman. For event information and registration forms call (800) 779-5896.

### Walk with the MG Park District

Spring is a great time to start a walking program. Join the Morton Grove Park District Senior Walking Club at 8 a.m. on Thursdays for an hour of walking in the neighborhoods and other areas of interest. The program starts April 18 with a kick-off brunch and speaker. Mary Gausselein, Instructor in the Fitness and Wellness Department of Northwestern University, will give the group information about good walking techniques. On subsequent weeks, the group will walk for an hour and then enjoy coffee and juice at Prairie View Community Center. Sign up for the first ten weeks at a cost of \$10 for residents, and \$12 for non-residents. You will receive a "Club" shirt. For further information, call Catherine Dean at 965-1200.

### From the Left Hand

Continued from Page 1

one ranking for commuting. Instead it's ranked 34th.

In the crime category Niles is ranked 70th. This is the truly "dumb" figure. In our years in contact with local police forces there's a vast difference in the way police departments report crime. We've seen the guys who want to look good, gloss over the figures they report, implying too high crime rates reflect on their departments. Niles, with its many shopping centers, should have higher crime rates than towns which lack shopping. Comparing the top 15 suburbs, with minimum shopping centers, is just plain silly.

The education category is also questionable. Niles ranks 45th while the North Shore towns rank among the top 10 in Suburbia. There's no doubt New Trier and Northbrook and Hinsdale have top education institutions. New Trier could match the most sophisticated prep schools in our country. But Maine Township, Niles Township and Notre Dame High Schools don't rate a number 42 in this category. A few years back another key study ranked Maine South as the number one high school in Chicagoland, rated by one De Paul University professor. Niles Township High Schools were getting top Westinghouse Science awards for several years topping its north shore neighbors. And Notre Dame's sending 90% of its students to college is not exactly a chicken soup ranking.

Niles' overall property taxes were somewhat lower than the rich suburbs but still ranked 76th. If it wanted a

true measure, it should have taken the village taxes (since they're measuring villages) and compare what services each community receives from the local village revenue.

The amenities the Niles community has far outstrips other communities. The beautiful park district's "little Tam golf course, the ice rink, two swimming pools, free bus service, the senior citizen center and the personal social services offered its residents should have scored more points for our team. But the communities with the greater number of Mercedes and BMW's and \$500,000 homes were ranked "most livable."

There's a book, "A Mathematician Reads The Newspaper," which calls into question these different statistical studies newspapers publish. Being somewhat of a numbers fiend we're always wary of taking too seriously such ranking which the Sun-Times published.

Living "richer" does not mean "more livable." Old snooty Park Ridge, or the North Shore, are not as good, places to live as Niles. They may have larger lawns and an extra bedroom per home and a few more bottles of Johnnie Walker black, instead of red. But they ain't more livable and they cost more and they may have a few less blue collars on their clothes lines (on their clothes lines?)

The Sun-Times numbers are children's guessing-game numbers. The old Bugle's beating the drums for our team has a rhythm which is much closer to the truth.

### Two dead men ...

M. Brubaker, 23, of 8815 Grand, Niles.

The victims were discovered by a Niles Police officer who was at the location searching for Brubaker who had been reported missing to the Niles Police Department April 14 by his 56-year-old mother when she had not seen him since 10 p.m. April 12. Brubaker also did not show up at his job at Lutheran General Hospital at 7 a.m. April 13.

The two men were found lying on the living room floor, a handgun believed to be the one used in the incident, between them. Both suffered gunshot wounds to the head.

The initial investigation led police to believe the incident occurred late Friday night, April 12. There were no apparent signs of a struggle.

The handgun was recovered at

the scene. Preliminary investigation led investigators to believe that Durson's gunshot wound was self-inflicted.

Brubaker's sister told Niles police April 14 that her brother had been talking and acting strangely prior to his disappearance, leading the family to believe he was contemplating suicide.

Brubaker had been seeking medical attention for anxiety and depression at the Veterans Administration Hospital in North Chicago, according to Niles Police.

The Park Ridge Police Department and the Cook County Medical Examiner's office are conducting an investigation into the shooting, which appeared to be a murder-suicide, according to sources in the medical examiner's office.

### Joz and Public Works ...

would cost approximately \$10 million dollars which would translate to an additional \$50 of property taxes per home.

"A solution was finally reached when the proposed developer of the Niles College site at Touhy and Harlem Avenues agreed to donate seven (7) acres of land to the Village. The Village would then be in a position, through a financing program called TIF (Tax Increment Financing), to build a facility with no tax burden to its residents."

"The TIF works this way...The Niles College site produced no property taxes because it was the property of the Catholic Archdiocese. Once the property is developed privately for condominiums, all property taxes paid by the new residents will go towards the payment of the Public Works facility at a cost of approximately \$10 million dollars. This is a great deal for our residents because we can build the facility we need and yet not add a tax burden to our present Niles residents."

"At this point, the Niles Park District indicated its interest in the location of Harlem and Touhy and asked the Village if it would consider switching properties. That is, they would turn over 5.7 acres on Touhy Avenue, east of Milwaukee (Jozwiak Park),

### Park Board ...

lower under Section 2(C) (5) of the Illinois Open Meetings Act. Ten minutes later, the Board returned. Moss again addressed the crowd explaining that he would read the Motion the Board had prepared.

This motion began, "Motion to terminate negotiations with Pontarelli Builders and the Village of Niles pertaining to the transfer of Jozwiak Park to the Village of Niles and the Niles Park District and the transfer by the Village of Niles of 7.4 acres of property located at Harlem and Touhy Avenues."

It further stated that the Board had determined "it is not in the best interest of the Village of Niles and the Park District to swap or exchange properties" with Jozwiak Park and the park to be created by Pontarelli Builders.

Moss further explained that if the Board voted "yes" to the motion, it would mean that there will not be an exchange of the property because the Niles Park District determined, after careful and thorough review, that it would not be in the best interest of the park to have a swap and would leave Jozwiak Park as it is.

A "no" vote would mean that they would continue negotiations with Pontarelli. One by one the Commissioner's were polled and each voted "yes."

Following Commissioner Myrna Breitzman's vote, the crowd erupted with cheers and loud, enthusiastic applause. This interrupted the voting process and President Elaine Heinen had to request that her name be called

which, by the way, is adjacent to where our present Public Works garage facility (1.7 acres) is located. The village would then give seven (7) acres at the corner of Touhy and Harlem Avenues for a new, bigger, and better park facility, with good parking, which the park did not have at its Jozwiak site."

"The Park District has been working diligently with all interested parties, including the baseball league and others, to see if this could be accomplished."

"Unfortunately, we are advised now that the Park District cannot get necessary commitments for adequate baseball facilities to allow for this move to occur."

"The Niles Village Board recognizes the need for further parking improvements at Jozwiak Park, along with better health hygiene facilities. We, the Niles Village Board, in order to provide for and to encourage younger families with children to move into our community, will turn over to the Niles Park District for its use whatever part of the 1.7 acres that will not be needed when the Village builds its new facility at Touhy and Harlem Avenues. The Park District will be able to use this land for as long as it is used for park related activities."

and her "yes" vote counted with the others.

After the vote, Heinen urged the crowd to attend the Grand Opening ceremonies at Jozwiak Park on Saturday, April 13.

Acknowledging the support of the community, and the effort it took to secure 1,400 signatures supporting keeping Jozwiak Park, Heinen said "thank you from the Board of Commissioners, this Board has worked very, very hard, but we wanted to make our own decision."

Heinen later told The Bugle that she felt "very, very good" following this decision. Tim Royster echoed that sentiment saying he was "relieved it was over."

The Park Board's motion, and their subsequent unanimous vote, will be presented to the Village Board for their consideration.

next to a playground. Kids could have come by."

Fourteen of Lenius' friends, co-workers and neighbors testified that the defendant had a good work record, no previous criminal involvements, and was honorably discharged from the Navy.

Lenius' attorney Brian Telander said that Lenius had prepared a statement, but he was not permitted to read it in court before being sentenced. Romano also denied Telander's motion for a new trial for Lenius.

meant a \$175 bus fee for students living more than a mile and a half from the school. Instead, they will pay only \$150, an increase of \$25 or 20 percent over this year's fee.

Families with more than one child riding the bus will pay \$125 for each additional child, also a \$25 increase over last school year.

Officials expect transportation fees to generate about \$90,000 in revenue, an increase of \$15,000 over this school year.

Parking fees will remain \$40 a year, paid on a yearly basis. Students graduating after first semester or applying for a permit in second semester will pay only \$20.

The district expects to generate about \$22,000 next year through parking fees, according to board officials.

The driver's education fee will remain \$50, the maximum charge allowed by the state, and is expected to raise about \$36,000 in revenue.

Other fees, including the \$5 athletic pass, \$30 yearbook and \$2.50 literary magazine fees, will remain the same.
