

From the Left Hand

by Bud Besser

The death of the Navy's highest-ranking official, Admiral "Mike" Boorda, by a self-inflicted gunshot wound to the chest, was believed due to his wearing two very small "V's" on a combat ribbon which signified valor in combat. While the Admiral rightfully wore the battle campaign-combat ribbon, his adding the V's led to the tragedy.

During World War II there was always controversy concerning the wearing and issuing of awards. Many of us thought 19-year-old enlisted men got short shrift in receiving such honors. One friend, who was a member of Rogers' Rangers, a part of the 102nd Infantry Division, would scout and make raids behind enemy lines, particularly at nighttime. The Raiders all received Bronze Stars for such action, some even receiving two such medals. But the friend complained while the enlisted men received "the Bronze," the officers were awarded the more prestigious Silver Star for making the same efforts. Since recommendations for such awards were funneled through the officers in the division many enlistees thought the officer-buddy-buddy system favored the higher ranking men receiving the higher awards.

The Village of Niles yard waste program

Yard waste, (e.g. grass clippings, leaves, plant clippings, brush) must be separated and placed at the curb on the same day as your garbage pickup. The Village recommends mulching your grass. Mulching the grass clippings on your lawn provides nitrogen for the grass, helps retain moisture, and cushions the lawn.

Residents who place their yard waste at the curb need to adhere to the following guidelines (the directions are also printed on the back of each sticker).

Residents are required to purchase stickers.

Breizzman heads new Park Officers

by Kathleen Quirsfeld
Myrna Breizzman was elected President of the Niles Park District Board of Commissioners at the Board's May meeting by a 3 to 2 vote. Breizzman succeeds Elaine Heinen who was elected Vice-President for the coming year.

The elections were held at the close of the Board's regular meeting on May 21. Appointments of new Board officials was postponed by Breizzman until the Board's June meeting.

Record numbers of people have registered for camp and IceLand programs this spring. Breizzman stated that there are many different kinds of camps being offered by the Park District which could account for this growth of interest.

Park pools are expected to open on Memorial Day weekend. Hours for pools beginning May 25, 26, 27, and June 1 and 2, will be 11 a.m. to 6 p.m. On June 3 to June 7, IceLand Pool will be open from 11 a.m. to 3 p.m. Oasis Pool will open from 4 to 8 p.m. Full-time hours begin on June 8.

Higher costs threaten Culver project

By Rosemary Tirio
An increase in costs for the proposed building addition at Culver Middle School may send school officials back to the drawing board when bids for the project are opened June 6.

News of possible higher costs put construction, which was originally scheduled to begin over a week ago, on hold.

School Board President John Lombardi said that if bids were over budget the board would have to meet with attorneys and "then go to the people of District 71."

The decision to build an addition at Culver, 6921 Oakton, rather than renovate Niles Elementary School South, 6935 W. Touhy Ave., was made two years ago based on projected cost effectiveness.

Niles West mourns girl's prom-night death

By Rosemary Tirio

After just three months, another of the Niles High Schools is in mourning over the tragic death of a student, Tania Sassoues, 18, of Morton Grove.

Sassoues died of unknown causes after attending the Niles West High School prom at Chicago's Knickerbocker Hotel the evening of May 16.

Last February it was the student body and staff of Niles North High School, 9800 Lawler Ave., Skokie, that had to deal with the murder of 18-year-old junior My Le Truong, who was shot to death the evening of Valentine's Day by a former boyfriend.

Now it is Niles West's turn to mourn the death of the popular senior honor student and Tehran native who emigrated to the U.S. with her family at age 4.

Another student, Sassoues' best friend, told Chicago police she found Sassoues unconscious in the bathtub of a room at the Comfort Inn, 601 Diversey, Chicago, which she, Sassoues

Dist. 219 okays upgrade budget of \$2.2 million

The District 219 Board approved more than \$2.2 million in building upgrades for the Niles West and Niles North High School buildings at their meeting April 29.

Extensive work will be done at both buildings during the coming summer. The planning for many of the projects began two years ago, according to District 219 Superintendent Vickie Markavitch.

The projects, which were bid out and awarded to the lowest bidders, will actually cost the district \$850,000 substantially less than was projected in the budget, officials said.

The roof at Niles North, 12 areas of which are in a serious state of disrepair according to DuWayne Carnes, building and grounds director, will be replaced and repaired at a cost of \$330,408, more than \$100,000 below the budgeted \$438,000.

The roof at Niles West High School will be replaced for \$414,243.

and two friends had rented for after-prom celebrating.

The group had traveled together to the prom in downtown Chicago in a limousine reserved by Sassoues, according to Tonia Sassoues, an older sister. The whole evening had been planned by Sassoues, her sister said.

The group was to have had breakfast together in the city Saturday morning before returning to their suburban homes. Instead, Sassoues was pronounced dead at 8:50 a.m. according to Chicago Police Sgt. Robert O'Leary.

No official cause of death was determined after an autopsy Sunday, and toxicology test results

will not be available for approximately six weeks, O'Leary said. However, Chicago police rule out foul play in the case and speculate that a previous medical condition may have caused Sassoues' death. O'Leary theorized that Sassoues may have suffered a seizure of some kind while showering.

"It's just a very, very sad story," O'Leary said.

Niles West High School, 5701 Oakton Street, Skokie, was notified over the weekend of Sassoues' death, according to District 219 spokesperson Jeff Berkwitz. A crisis team was as-

Provenzanos, Niles 'First Family', celebrate 65th

Michael and Joan Provenzano of Niles celebrated their 65th wedding anniversary with family and friends at St. John Brebeuf Church on Saturday, April 13.

The Provenzanos, who married while in their teens, are one of Niles' best known couples for their work with the SJB Golden Age Club and the 55 Plus Club from St. Isaac Jogues Church. In addition Mike's legendary bi-partisan political career has included working as a Chicago precinct captain, as well as a distinguished tenure with the City of Chicago, County of Cook and State of Illinois.

Congratulations Mike and Joan.

Ballard Receives Subacute License

The trend in healthcare today is for shorter hospital stays. As soon as the acute services have been rendered and the patient is stabilized, he or she is discharged from the hospital.

Because there often isn't enough time in the hospital for full recuperation, many of these patients still have a need for intensive medical care and are unable to return home independent. For this growing population, subacute care can provide the answer.

Subacute care is a new level of care that helps people to recover from an injury or illness, such as a stroke or a respiratory condition, and regain their independence.

In an effort to help guide the consumer in choosing a subacute provider, the State of Illinois has just begun to license and study subacute care. A limited number of licenses have been issued to participants in a study of subacute called the Illinois Subacute Demonstration Project.

To date only seven subacute providers have been licensed by the state of Illinois. Ballard is the only licensed subacute provider in north suburban Cook County.

To become licensed and participate in the Subacute Demonstration Project, Ballard had to show experience in treating medical and rehabilitation subacute patients over the past five years and meet specific staffing and specialty training requirements.

For more information on subacute services at Ballard, call or write: 9300 Ballard Rd., Des Plaines, IL 60016, (847) 294-2300.

Passages discusses the gray wolf in North America

Michelle Szulczynski, a student at Northeastern Illinois University, who is pursuing a degree in Wild Life Management and Interpretation, will deliver a lecture entitled, Wolves: Making a Comeback, at 1 p.m. on Tuesday, May 28. Passages, the weekly series sponsored by the Emeritus Program of Oakton Community College, presents the lectures in Room A151 at the Ray Hartstein Campus, 7701 N. Lincoln Ave., Skokie.

Szulczynski, a former Oakton student who now spends most of her time in Ely, MN, taking part in wild life conservation, will discuss the history of gray wolves in North America and how people view them.

The admission fee is \$1. For information on this and other programs sponsored by the Emeritus Program for older adults, call (847) 635-1414.

St. Matthew's celebrates Centennial

St. Matthew's Ev. Lutheran Church of Niles celebrates its Centennial on Sunday, May 26. The Centennial Service will be held at 10 a.m. followed by a festival dinner. Pastor David Rutschow, the President of the South-eastern Wisconsin District, will be the guest speaker. A slide presentation will trace the history of the area and congregation. An open house will be held afterward. Displays and artifacts which date back to the founding of the congregation will be on display. The centennial year is being observed under the theme: "Walking With The Lord - 100 Years." The church is located at 9081 Maryland Ave., Niles.

The congregation, dating back to Jan. 29, 1896, is one of the oldest in the area. It was organized by German Lutherans who had immigrated to the Niles area in the late 1800s. Services were held in the German language until 1933. The original church, which was dedicated on June 6, 1897, still stands on its original site on Milwaukee Ave. just south of Golf Mill Shopping Center. A modern church was built in 1963.

Since 1898 the congregation has operated a small, Lutheran school. The first classes were held in the church annex. Classes were taught by the first two pastors and the teaching was done in German. A permanent school was built in 1923, but was thoroughly renovated in 1979. Today St. Matthew's Lutheran School provides Christian education from preschool through 8th grade.

Sister Cities Program sends 3 students to Italy

Mr. Robert Grottoia, the sophomore's Italian teacher at Maine East, quotes: "The trip to Pisa and the experience of living with an Italian family should do wonders for their language ability, and when they get back, they can share their experiences with their classmates."

Morton Grove resident, Outstanding Volunteer
 The Northern Illinois Affiliate of the American Diabetes Association was pleased to recognize Mary Kreiter, M.D., of Morton Grove, as an outstanding volunteer at the organization's Annual Public Conference. Dr. Kreiter was nominated by her peers in honor of her significant achievements.

As the chairperson of the Camping and Recreational Activities Committee and an attending physician at Camp Triangle D and Camp Can-Do, Mary Kreiter, M.D., has ensured that the Northern Illinois Affiliate's camping programs provide responsible diabetes management, up-to-date diabetes care, and quality diabetes education. Dr. Kreiter's leadership has had an important impact on the lives of many children affected by diabetes.

Last day of school for District 207, June 7

According to action taken at the Maine Township High School District 207 Board of Education meeting May 6, the last day of student attendance for the 1995-96 school year will be June 7, 1996.

The school calendar had previously indicated that June 11 was the last day of student attendance. However, since June 10 and June 11 were not needed for emergency make-up purposes, they have been declared non-attendance days.

Senior homes painted free of charge

The 9th Annual Community Paint-A-Thon is set for Sept. 7; the rain date will be Sept. 14. The project is sponsored by several northwest suburban agencies, villages, companies and a community hospital. The paint is donated by the Valspar Corporation. Each homeowner chooses the paint color or they would like for their house and the painting is done by volunteers.

Those persons eligible for this project are financially-limited seniors or disabled individuals in the area that need the outside of their homes painted at no cost to them. The applicant must be the homeowner and not presently planning to sell the home. Monthly income, medical expenses and other special circumstances will be taken into consideration.

VISIT NEW NAVY PIER

Enjoy a great day at the newly renovated Navy Pier on Thursday, May 23. Begin at the IMAX Theater which is the first of its kind in the midwest. View the film, "The Wings of Courage," which depicts the early years of aviation. Following the show, there's lunch at Widow Newton's Tavern. Choices of entrees are herbed breast of chicken or penne pasta with grilled chicken. Then be treated to turtle ice cream for dessert. Later, explore the shops and sights, ride the carousel for \$2.50 and/or Ferris wheel for \$1.50. Finally, get a behind the scenes tour of the underground control room at Buckingham Fountain. Learn about its history and the operation of this architectural monument. The bus leaves the Prairie View Community Center at 9 a.m., and will return at approximately 4 p.m. The cost is \$35 for residents, and \$38.50 for non-residents.

SENIOR OPTIONS

Here is a free workshop from 7 to 9 p.m. on Thursday, May 23 at St. Lambert Parish, 8148 Karlov in Skokie. Seniors and family members will receive information on aging, an overview of community resources, and tips for choosing health care and housing options. "Senior Options" is co-sponsored by Catholic Charities, North Suburban Services. Call St. Lambert at 673-5090 for more information.

MALL TRIPS

The Morton Grove Senior Center operates five days a week, transporting seniors free of charge to destinations in Morton Grove. On the last Tuesday of each month it makes two trips to Golf Mill Mall at 9:30 and 10:30 a.m., with return trips at 1 and 2 p.m. To reserve a trip on Tuesday, May 28, call the Morton Grove Senior Hot Line at 470-5223.

55 ALIVE

55 ALIVE Mature Driving is an eight-hour two-day course for older motorists. It focuses on the physical changes that accompany aging and on ways drivers can compensate for these changes in improving their driving skills. The next course offered at the Flickinger Senior Center starts at 9 a.m. on both Tuesday, May 28 and Thursday, May 30. Call the Senior Hot Line at 470-5223 to sign up.

DIABETES SCREENING

Non-insulin-dependent diabetes is gradual in onset and usually occurs in adults over age 40. Some of the warning signs are: blurred or any change in vision, tingling or itchy skin, slow healing of cuts and bruises, and drowsiness. Free diabetes screenings are available from 9 to 10 a.m. on Tuesday, May 28 in the Flickinger Senior Center. People coming in for the screening should fast from the evening meal of the night before.

VEGETABLE MAGIC

Nutritionist and manager of the Morton Grove Nutrition Site, Gus Habighurst, will conduct a hands-on and delicious "Vegetable Magic" class. The class begins at 10:30 a.m. on Friday, May 31 in the Flickinger Senior Center, just prior to lunch. The Community Nutrition Network (Morton Grove Nutrition Site) serves hot, nutritious and inexpensive (suggested donation of \$1.50 to \$2.25) meals at 11:45 a.m. every Monday, Wednesday, and Friday. Make a reservation by calling the Morton Grove Senior Hot Line at 470-5223.

CHIMERS SPRING CONCERT

The Morton Grove Chimers will present a free concert at 2 p.m. on Monday, June 3 in the Flickinger Municipal Center. Enjoy classics like "Edelweiss," "I've Been Workin' On the Railroad," "Dixie," "Blackhawk Waltz" and more. The Chimers are a dedicated group of musically zealous seniors. Refreshments will be served following the recital. Come and enjoy an afternoon of good music and fun.

HOME AND YARD CHORES

Morton Grove's home and yard "Chore Program" links senior homeowners with youth and young adult workers. Seniors who need help maintaining their yards can have a neighborhood worker come by weekly to assist. There also are individuals who can perform minor odd jobs. Seniors must provide equipment and negotiate the fee to be paid to the worker. For more information, call the Flickinger Senior Center at 470-5246.

For more information about these senior services and recreation programs, call the Morton Grove Senior Hot Line at 470-5223, or the Prairie View Community Center at 965-7447. To receive the "Seniors in Morton Grove" newsletter, send \$2.50 to the Morton Grove Park District, 6834 Dempster Street, Morton Grove, IL 60053.

Leukemia Research Foundation bone marrow drive

The Lincolnwood-based Leukemia Research Foundation will sponsor a two-day bone marrow drive in Evanston June 7 and 8. The drive will be hosted by the McGaw YMCA and Alden Estates of Evanston.

The first day of the drive will take place at McGaw YMCA Friday, June 7, from 4-7 p.m., 1000 Grove St., Evanston. The second day will take place at Alden Estates of Evanston, Saturday, June 8, from 10 a.m. to 1 p.m., 2520 Gross Point Rd., Evanston. The drive is free and open to the public as a result of the Leukemia Research Foundation underwriting the costs.

Mike Siegel, long-time member of the McGaw YMCA, was diagnosed with leukemia in 1995.

In order to be tested, potential donors must be between the ages of 18-60 and in good health, and contribute only twenty minutes of their time and two tablespoons of blood. Once tested, a potential donor remains in the National Marrow Donor Registry until age 60.

The Leukemia Research Foundation, now celebrating its 50th anniversary directs the activities of more than 1,000 volunteers, comprising 15 local chapters, who have joined together to raise funds for leukemia patients and their families. The Foundation has raised more than \$15 million since its inception in 1946.

Leukemia is a malignant condition in which the overproduction of white blood cells eventually interferes with the function of vital organs and, if uncontrolled, may be fatal. Leukemia is the second most common cause of death among young people ages 1-24, next to AIDS.

Keeping the Beat walk/jog at Rush North Shore

Rush North Shore Medical Center's 13th annual "Keeping the Beat" walk/jog event for cardiac rehabilitation participants will be held at 8:30 a.m. Sunday, June 2, beginning in front of the medical center's main entrance, 9600 Gross Point Rd., Skokie.

Sponsored by the medical center's cardiac rehabilitation program, the event is open to all past and present participants in cardiac rehab programs throughout the metropolitan Chicago area. Spouses who are free of cardiac disease are also welcome to join the event. The \$12 entry fee includes a t-shirt, breakfast and door prizes, after the walk.

According to Morton A. Goldmann, M.D., medical director of Rush North Shore's cardiac rehabilitation program, the event gives recognition to heart patients who are committed to overcoming the limitations of heart disease and helps educate people about the role of exercise in rehabilitation.

For further information and to register for "Keeping the Beat," call the Cardiac Rehab Program at (847) 933-6175.

Cancer care at Resurrection...the strength of experience, the power of teamwork

Resurrection Health Care has been providing state-of-the-art oncology care for over 20 years.

In fact, our oncology team diagnoses and treats more cancers of the breast, colon, bladder and prostate than almost any other hospital in Illinois. That means we have one of the most experienced teams of oncology specialists anywhere.

What's more, our highly qualified oncology physicians work together on every case — each of our cancer patients has the full benefit of the shared expertise and experience of our entire oncology team. And because we participate in national cancer research, our physicians are always in touch with the latest thinking on all phases of cancer treatment.

When facing a disease like cancer, you want to know that you have the strongest possible support — Resurrection Health Care.

If you'd like a free copy of our cancer risk assessment, or more information about oncology care at Resurrection, please call 312-RES-INFO (737-4636).

Breast Cancer Prevention Trial session at LGH

An information session about a landmark breast cancer prevention research study will be held from 7 to 8:30 p.m. Thursday, May 30, in the Keller Auditorium of Lutheran General Hospital's Cancer Care Center, 1700 Luther Lane, Park Ridge.

The session has been scheduled by Lutheran General's division of hematology/oncology to provide women with information about a clinical trial designed to see whether taking the drug tamoxifen can prevent breast cancer in individuals who are at an increased risk of developing the disease.

To register for the information session or for more details about enrolling in the breast cancer study, call (847) 723-8252.

Tamoxifen is a drug, taken by mouth as a pill, that has been used for almost 20 years to treat patients with advanced breast cancer. Since 1985, it also has been recommended in the US for "adjuvant," or additional therapy following radiation or surgery for early stage breast cancer.

Two groups of women are eligible to participate in the study. Since breast cancer occurs more often in older persons, women who are 60 years of age or older are automatically eligible.

In addition, women between the ages of 35 and 59 can participate if they are at sufficiently increased risk for developing breast cancer. This risk is determined by a computer calculation based on the following factors:

- The number of first-degree relatives (mother, daughters or sisters) who have been diagnosed as having breast cancer.
- Whether a woman has any children; and the woman's age at the time of her first pregnancy.
- The number of times a woman has had breast lump biopsies, especially if the tissue was shown to have a condition known as atypical hyperplasia.

• The woman's age at her first menstrual period.

If the woman has been diagnosed as having the noninvasive breast cancer called lobular carcinoma *in situ*, a disease that greatly increases her chance of developing invasive breast cancer.

Women interested in the Breast Cancer Prevention Trial will receive an information packet about the study from Lutheran General along with a breast cancer risk assessment form. If the results of the evaluation indicate an increased breast cancer risk and other study criteria are met, the individual will be offered the opportunity to participate in the research study.

Breast Cancer Prevention Trial participants will be randomly se-

lected to receive either tamoxifen or a placebo (a sugar pill that looks like tamoxifen). In a process known as "double blinding," neither the woman nor the research team will know which pill she is receiving. Setting up a trial in this way allows researchers to clearly see what the true benefits and side effects of tamoxifen may be without the influence of other factors. All women in the trial will take two pills a day for five years, either a 20-milligram dose of tamoxifen, or the placebo pills.

Participants also are required to have blood tests, a mammogram, a pelvic exam, endometrial sampling (a test of cells from the lining of the uterus), and a physical exam before they are accepted into the study. All of these exams may be done by the participants' own doctors. Women 55 years of age and older will need to have an electrocardiogram in addition to other tests. The tests will be repeated at intervals during the study.

Since participants are at an increased risk for developing breast cancer, many of these tests already may be done in the course of their routine care, even if they are not part of the study.

The endometrial sampling is a specific requirement of the study and funding is available to cover its cost.

Annual DAR Garage Sale to benefit students and vets

The Twenty-First Star Chapter, National Society Daughters of the American Revolution will hold its annual Garage Sale on Friday and Saturday, June 7 and 8 at 401 N. Northwest Highway, Park Ridge, from 9 a.m. to 5 p.m.

Household items, toys, books, tools, and clothes were donated by Chapter members, making this fund raiser a multi-family garage sale.

The proceeds from the sale will be used by the Chapter in numerous philanthropic activities, which include the sponsoring of the American History Essay Contests in local grade schools and the Good Citizens Contests in the local high schools. Funds are also contributed to scholarships and to veteran patients.

Women in the northwest suburban area who are interested in membership in the National Society Daughters of the American Revolution and are able to prove direct descent from one who served in the American Revolution should contact Donna Labonar at (847) 692-4139.

Memorial-Day Parade in Park Ridge

Commander Harry Singer of the Park Ridge V.F.W. Post 3579 has announced that planning for the annual Park Ridge Memorial Day Parade is now rapidly drawing to a close. Parade Chairman John Prochaska of American Legion Post 247 indicated that some 60 community organizations have already responded to invitations to participate in the parade. A number of civic and legislative officials will participate in the parade, as will the Shriners from throughout metropolitan Chicago.

Musical units scheduled to participate include the Maine East and Maine South High School Bands, the 556th Air Force Reserve Band and the Mary, Seat of Wisdom School Band.

The parade will step off from South Park, Talcott and Cumberland, at 10 a.m. on Monday, May 27. The parade route will be north of Cumberland, northeast on Prairie St., east on Main St., then past the reviewing stand at City Hall. Immediately following the parade, a memorial service will be conducted at the American Legion's Veterans Monument in Hodges Park, across the street from the Park Ridge City Hall.

Des Plaines Historical Society Bus Trip

Established in 1860, Grace-land Cemetery has become a Chicago landmark. It has gothic turrets, Roman columns, marble statues and Egyptian pyramids designed by renowned architects. Many of Chicago's early prominent citizens such as Marshall Field, Potter Palmer, George Pullman, and Cyrus McCormick are resting in this famous cemetery. There is less than a mile of total walking over a two hour period of time. This tour is conducted rain or shine!

Lunch will be at Ann Sathers Restaurant which is a neighborhood restaurant from the 40's. Our luncheon will be served buffet style and will include cinnamon rolls, garlic dill rolls and assorted breads, house salad, baked chicken, Swedish meatballs, mashed potatoes, mixed vegetables, beverage and dessert.

After lunch we will drive to the new Navy Pier. This Chicago landmark since 1916 has been totally renovated and is a must see for everyone! You will be on your own for a few hours to enjoy all the many exciting retail shops, the 3-D IMAX Theater, Crystal Gardens, the 150 foot ferris wheel, a musical carousel, and Dock Street where entertainment ranges from jugglers, mimes and stilt walkers, comedians, singers and musicians.

The price for this trip is \$44 for members and \$47 for non-members. (We need a minimum of 30 participants.) Come along and join us for an educational and fun day on Saturday June 8 from 9:15 a.m. to 5 p.m.

For more information, please call the Museum at (847) 391-5399.

Burglary

The 34-year-old co-owner of a food store in the 8700 block of Golf Road reported that unknown offender(s) gained entry to the store by removing the locking mechanism from the front door sometime between 10 p.m. May 13 and 6:15 a.m. May 14.

The offender(s) removed three cash registers from the front checkout area and brought them to a back room where they pried them open and removed \$500 from each register. They kicked in the office door and ransacked the office removing \$1,000 in

coins and \$2,000 in bills. The total loss was \$4,500.

Theft

A 36-year-old resident of the YMCA in the 6300 block of Touhy Avenue was arrested around 8:10 p.m. April 27 and charged with forgery and possession of burglary tools.

The suspect first removed the wallets which a 36-year-old Chicago man and a 38-year-old Skokie man had left in separate lockers in the locker room area of the gym facility while the two were working out. When the men returned, they found the locks in place but the wallets missing from the lockers.

Police were later able to identify the suspect after he used the credit cards he'd taken from the two victims' wallets to purchase articles at a retail store in the 6100 block of Touhy.

A May 31 court date was scheduled.

A 36-year-old Gurnee laborer reported that when he returned to his locker in the YMCA in the 6300 block of Touhy Avenue he discovered that a different lock had been put on it. The manager cut off the lock and the victim discovered that two credit cards had been removed from his wallet, and another credit card belonging to another person had been left in its place.

The victim's clothing and jewelry had been left undisturbed in the locker so as not to alert the victim to the theft.

When the victim notified the credit card companies that his cards had been stolen, he learned that \$1,700 unauthorized charges had already been credited to his account from an unknown location.

Coin boxes from eight washers and eight dryers in laundry rooms in each of three condominium buildings in the 8800 block of Golf Road were forced open and emptied by unknown unauthorized person(s) sometime between 7:05 a.m. April 17 and 7:05 a.m. May 15.

The Chicago-based coin-operated laundry company estimated that a total of \$1,150 was taken.

Pallets were taken in two recent incidents. The 31-year-old manager of a manufacturing shop in the 7400 block of Natchez Avenue reported that 100 wooden

pallets valued at \$5 each were taken from the location by unknown suspect(s) sometime between 12:30 p.m. May 12 and 5 a.m. May 13.

The 30-year-old security manager of a food store in the 7900 block of Milwaukee Avenue reported that a Chicago man in his late 40s with a thin build and medium complexion placed 10 pallets on the rear of his 1977 black Dodge truck and fled westbound through the alley and onto Oakton Street where he continued driving eastbound.

Morton Grove police spotted the vehicle at Greenwood and Central Avenues. They arrested the offender on a traffic violation, but the victim would not sign a complaint and just wanted the pallets, which are valued at \$800 each, returned to the store.

A 36-year-old administrative assistant reported that unknown offender(s) removed her leopard skin purse containing \$80 and numerous credit and identification cards from the bedroom of her apartment in the 8800 block of Wisner Street sometime between 7:30 p.m. May 12 and 7:40 a.m. May 13.

The victim suspects her sister's ex-boyfriend in the theft because the only other people present for the Mother's Day dinner were family members.

Police advised the victim to contact her credit card company and to question her sister to get more information about the suspect.

An 18-year-old teller at the bank in the 8400 block of Dempster Street is suspected of taking \$12,001 from his teller drawer. The suspect last worked from

8:45 a.m. to 5:30 p.m. May 8. He was scheduled to work May 10 and 11, but did not come to work on either day.

A subsequent teller drawer audit revealed the discrepancy. An immediate follow-up investigation was requested.

A 49-year-old Chicago woman reported May 15 that her purse was taken by unknown persons April 7 between 4 p.m. and 5 p.m. while the victim was sitting in the restaurant at 308 Golf Mill.

The victim told police she had hung the purse on the back of her chair with her jacket hung over the purse. She said she does not know how the purse could be missing.

The purse contained the victim's checkbook, driver's license, Social Security card, and miscellaneous identification and credit cards.

A 76-year-old Des Plaines woman reported that an unknown offender removed her purse from the women's department fitting room where she was trying on clothing sometime between 1:50 p.m. and 3 p.m. May 19 in the department store at 220 Golf Mill.

The store security agent informed the victim that an elderly woman had found the purse in a second floor washroom and turned it in to the security agent.

Missing from the purse was the victim's credit cards, check cashing card, driving license, hearing aid and \$130 in cash.

The victim said she did not see anyone near the dressing room she was using. Employees in the women's department were interviewed by store security but did not report seeing anyone near the victim's fitting room.

Advice on driving in heavy rain

Driving in severe weather can be risky. Most drivers are aware that they should decrease speed, increase following distance and take extra caution. But driving in extreme weather, such as fog, heavy hail, gale winds, torrential rain, flash flooding and tornado activity, should be avoided altogether. According to the Illinois Department of Transportation, 192 fatal accidents in 1994 were attributed to severe atmospheric conditions.

Q. What should I do if I encounter severe weather while driving?

A. In most cases, pull off the road until the weather improves. However, the proper response also depends on the situation.

• In heavy fog, do not overdrive your headlights and do not drive with your high beams on. Watch for other drivers ahead of you that may be driving at a much slower speed.

• In a hail storm, not only is vision impaired, but the potential for a broken windshield or window also exists.

• Gale force winds greatly decrease a driver's control of a vehicle, leading to over-steering. In extreme winds, motorists should use extra caution when passing large trucks.

• Torrential rains can impair vi-

sion, make roads slippery and usually are accompanied by gale force winds. Remain calm, pull off the road, leave your lights on and wait out the rain.

• Never attempt to drive through an area that has flooded. Currents can be powerful enough

to carry away a vehicle and drowning is possible.

• If you see a tornado while driving, pull off the road and take cover under an overpass or in a ditch. Never try to outrun a tornado.

Windshield wipers and headlights

Visibility is reduced dramatically when driving in snow, rain and fog, making it very difficult to see clearly and for other motorists to see your vehicle. Therefore, Illinois' headlight law is especially important to traffic safety.

Q. What exactly does the headlight law say?

A. All drivers must turn on their headlights when snow, fog or rain make it necessary to turn on the windshield wipers. Tail-lights must be visible from a distance of at least 500 feet. Although this law has been in effect since January 1994, many motorists continue to drive without their headlights on during bad weather, endangering themselves and others.

Motorists also must turn on their headlights when insufficient

light or other atmospheric conditions restrict visibility to less than 1,000 feet.

Q. What is the penalty for driving without my headlights while operating my windshield wipers?

A. A \$75 fine for failure to obey the headlight law.

Q. Can I use my parking lights instead of my headlights?

A. No. It is against the law to drive with only parking lights on during inclement weather. Parking lights do not provide enough light to increase your visibility nor do they provide enough light for your vehicle to be seen by others.

Remember to Buckle Up!

Ryan's 'Safe Driver Renewal' plan goes to governor

Secretary of State George H. Ryan's proposal to let safe motorists renew their drivers licenses by mail or phone passed the House 112-0 and now awaits the governor's action.

Ryan's "Safe Driver Renewal" plan each year would let 1.1 million Illinoisans with clean driving records visit a drivers license facility in person only once every eight years. It also would let holders of state identification cards renew by mail or phone once every 10 years.

Under the plan, drivers choosing the new option would not have to take a vision test, as currently required. The legislation changes state law to extend the time between mandated vision tests from four to eight years.

Currently, fewer than one-half of 1 percent of all drivers fail the vision test when renewing their licenses.

Motorists choosing to renew by phone would use existing "Touch-Tone" technology by dialing a toll-free number, paying the \$10 renewal fee with a credit card, answering a few required questions and entering a renewal code number.

In about a week, those motorists would receive a sticker in the mail to place on the back of their

drivers license.

All motorists still would be required to obtain a new license from a facility within 10 days of a name change.

The new renewal option would be available only to motorists between ages 21 and 75 with no crashes or moving violations on their records. Any motorists ever arrested for drunk driving would be ineligible as would school bus drivers, truck drivers and others who hold commercial drivers licenses.

Recycle! Recycle! Recycle!

Don't let a first grader at Nelson School catch you throwing away an aluminum can with your garbage. Our motto is Recycle! Recycle! Recycle!

After learning about ways to save our earth the first graders were engaged in many related activities such as writing environmental poems, finding out where all our garbage goes, having a can recycling contest and making compost from grass and fruit and vegetable scraps.

In the future our earth will be a better place to live because first graders care.

Park View School to hold benefit concert

Music ranging from Bizet to "The Baby Elephant Walk" will be performed at the 3rd Annual Benefit Concert that will take place at Park View School on Friday, May 31 at 7:30 p.m. in the Multi-Purpose Room. The concert will raise funds to purchase a Wenger sound shell to be used at Park View for concerts and other events requiring sound projec-

tion. Tickets are \$5 for adults and \$3 for children and may be purchased at the door or in advance by calling (847) 965-6200.

The concert will feature light classical and popular music performed by Park View band students and local professionals.

For more information, contact Park View School at (847) 965-6200.

March and April Students of the Month

Each month, Culver Middle School staff select one student from each grade level who excels at various skills. In March, teachers were asked to name students who have exhibited the most academic improvement over the school year. The following students were selected: Gary Kachaturian in 5th grade, Evelyn Nicolopoulos in 6th grade, Ray Overby in 7th grade, and Jaelyn Johnson in 8th grade.

In April, teachers were asked to name the students whom they consider exceptionally creative. The following students were selected: Emily Scheler in 5th grade, Pauline Milonis in 6th grade, Krystyna Yang in 7th grade, and Anna Wyrwas in 8th grade.

Maine West gets new principal

John Flores has been named as the new principal at Maine West High School. Flores who currently serves as principal of Central High School in East Chicago, Indiana, will assume his post July 1, replacing James L. Coburn, who will retire June 30.

Flores began his career in East Chicago as a Spanish teacher at Washington High School in 1973. In 1976, he became dean at Roosevelt High School, becoming vice principal of Washington High School in 1980. In 1986, he moved to Central High School as vice principal becoming principal in 1990.

"Dr. John Flores is a perfect match with the criteria that were established by students, teachers, support staff, department chairs, parents, and community as we listened to their thoughts regarding the qualities they wanted in a new principal," said Superintendent Steve Snider. "He is an academic visionary who will continue Maine West's tradition of academic excellence well into the 21st century."

Recognized as one of twelve most prominent Hispanics in Lake County, Indiana, Flores implemented a high school urban teacher program in 1993 and a nationally recognized special education peer tutoring program in 1991. He led and organized a march against violence for East Chicago, Indiana, in Spring of 1994, and was awarded a \$72,000 grant for a satellite communication program this spring.

Flores was educated at Indiana State University where he received his bachelor's and master's degree in Spanish, his master's degree in educational administration, and his doctorate in educational administration.

What's seven feet tall and made of trash?

In the Sept. 15, 3rd grade edition of "Weekly Reader," Mrs. O'Birek's class read about the importance of recycling. As a result, they wanted to create their very own recycling project.

Each morning, the 3rd graders recite the pledge that reminds them that, as individuals, they can make a difference! Across the United States, this same pledge echoes in other schools.

"I promise to be part of the

solution, to help put an end to earth's pollution."

For several weeks, the children collected, cleaned and brought in recyclables such as plastics, paper, old broken toys and shoes, etc. to Room 7.

We owe a big thanks to Miss Cathy Collins for volunteering to share her artistic talent in creating a perfect look-a-like "Mickey" head and face for a final touch.

Summer School registration for Loyola

It's not too early to register for Loyola Academy coeducational Summer School for seventh through twelfth graders. The junior high program, for boys and girls who have completed the sixth grade and who desire to improve achievement skills, offers courses in Language Arts, Mathematics, Developmental Reading and Pre-Algebra.

The high school program, for young men and women, includes a standard selection of courses in English, Spanish, Mathematics, Social Studies, and Sciences, including advanced level courses. Electives include Keyboarding/Word Processing, Art Survey, Music Survey, PSAT/SAT Preparation, and Introduction to Theater.

Two periods of classes, meeting five mornings per week, will be offered. First period will be from 8-9:55 a.m.; while second period will be from 10:05 a.m. to noon. The Summer Session runs from Thursday, June 20

through Friday, August 2, with no classes on July 4 and 5.

Tuition and fees are as follows: Junior High (per course) is \$315; High School (1/2 credit) is \$315; High School (full credit) is \$630; Bus (round trip) is \$100; and Bus (one-way) is \$70. Tuition and fees are due prior to June 21, no refunds after June 28.

Early registration is suggested, but all registrations must be completed by Wednesday, June 19. Register by mail, phone, (847) 256-1100 or in person at the Summer School Office, Room 137.

For further information, contact James Dusablon, Loyola Summer School Director, at (847) 256-1100, ext. 303.

Letters To The Editor

MG Senior commends Bugle advertiser

Gentlemen:

We have a kitchen that required painting and a two foot ceiling re-plastering that the leaking roof damaged. We checked your Community Directory for one of your advertisers that does this service. We selected Jay's Home Repair since they give Free Estimates. Jay quoted a price of \$390 to re-plaster the two foot square ceiling, paint the ceiling, remove the wallpaper on 3/4 of the side walls, prime coat the 3/4 of the Kitchen side walls (1/4 of the kitchen is Tile) and Kitchen Cabinets and place a coat of our selected paint color. We asked Jay if he would give us a Senior Citizen Discount. He reduced the price to \$375. This was a Verbal Price and we said verbally, "You got the Job. Go ahead," with the repair and decoration.

Your advertiser, Jay's Home Repair did a fine job. We would recommend Jay to anyone requiring his Services. Your Ad gave Jay's Home Repair an order for \$375, plus a Plumbing Job for \$20.

On another note, we read your BUGLE, but neglected to read your Morton Grove Senior Citizens Column which stated that the Flickinger Senior Center, 6101 Capulina Ave. in Morton Grove gives a Luncheon for Senior Citizens. We have lived in Morton Grove Twenty-Nine Years and were not aware of this Luncheon. When we used the Morton Grove Van operated by Bert Weiss who took us to the First National Bank of Morton Grove, he stopped at the Senior Center and picked up eight Senior Citizens, took them to their Homes or Apartments without asking where they lived. He knew where they all lived. We

asked Bert what the Senior Citizens were doing at the Senior Center? Bert stated that Morton Grove gives a Luncheon on Monday, Wednesday and Friday at 11:45 a.m., for \$1.50 or \$2. We must make arrangements in advance by calling 470-5223. We now have a Lunch Date every Friday. Bert picks us up and takes us back home. I do not eat Breakfast or Supper. The Lunch is sufficient for Friday. You cannot get this Lunch anywhere in Illinois for \$1.50. One Boston Chicken Pot Pie cost us \$4.

Finally, at the Center you give a number of your Weekly Bugle papers Free of charge to your Senior Citizens. We want you to know that we appreciate your giving us the Bugle.

Yours truly
Joe Ventura

Not enough adjectives to describe Rodman

Dear Mr. Besser:

Just finished reading your "Left Hand" from The Bugle. You are so right in describing Dennis Rodman as a sleazebag. "Sleazebag" is too mild of a word for him. He is disgusting, obnoxious, slime, pervert and if only I could think of more obnoxious words to describe him, I would do so. But what upsets me the most are the children and teenagers who buy up all of the articles that the stores are selling about him.

Your article was really great, it is too bad it cannot be put in one of the Chicago newspapers.

Please excuse my mistakes in this letter. I am a Senior and my writing is getting a little shaky.

Cheaper for Nilesite to learn ice-skating in Skokie?

Dear Editor:

Thank you for your article about the ice show. We went Sunday and thoroughly enjoyed seeing the youngsters, the beautiful costumes and scenery. The little kids were adorable, especially the birds and flowers. The two solo girls from Niles could win beauty contests if they don't win a skating contest first! My neighbor says these two teen girls are really nice to the younger ones.

We were upset when the people were laughing while the snow girls were skating. Couldn't those boys stop hogging the spotlight for even a little bit. They even kept clowning around after

"Wheels for Life" Bike-A-Thon

St. Jude Children's Research Hospital "Wheels for Life" Bike-A-Thon will be held on Saturday, June 1. Registration is from 9 a.m. to 11 a.m. The Bike-A-Thon will take place at Linne Woods Bike Trail, 6300 Dempster St., Morton Grove (across from Maxwell's Restaurant).

One lucky rider will receive a free bicycle donated by The Morton Grove Lions Club. Riders returning \$75 will receive a sports bag, T-shirt and certificate. Riders returning \$35 will receive a T-shirt and certificate. Everyone turning in money will receive a certificate.

Thanks to the following sponsors: Simkins Funeral Home, Morton Grove Foundation, Berg, De Marco, Lewis, Sawatski, and Co., C.P.A.'s, and The Morton Grove Lions Club.

Donations are accepted. For information, questions and securing pledge sheets, call Jim Simkins, coordinator, at (847) 292-2547.

they were told to stop. Otherwise it was a very good show. My daughter wants to learn to ice skate but it would cost us more in Niles where we live, than

it would in Skokie. It seems like Niles residents should get some kind of break.

New president for Pullman Bank of Commerce & Industry

Ryan R. McKenzie has been named President of The Pullman Bank of Commerce & Industry. This announcement was made by David J. Shaw, President of the Pullman Group, Inc. Mr. McKenzie will also hold the position of Senior Vice President with the bank's holding company, Pullman Group, Inc. Mr. McKenzie most recently held the post of Senior Vice President and Chief Information Officer of American National Bank of Chicago. In his 16-year career at American National, Mr. McKenzie worked his way up through the ranks and performed a number of functions. Prior to being

American National's Chief Information Officer, Ryan was head of Specialized Banking and responsible for Correspondent, International and Community Reinvestment Banking. He has also been the head of American's Corporate Finance Department and held Divisional responsibilities in Commercial Banking.

In addition to the Pullman Bank of Commerce & Industry, the Pullman Group, Inc. includes Pullman Bank and Trust Company and Pullman Capital Corporation, a lease financing company. Combined assets are \$440 million.

Hot-line offers unbiased insurance information

Illinois residents with insurance questions or problems can use a free telephone hot-line to receive unbiased and timely assistance, according to Assistant Senate Majority Leader Walter Dudyecz (R-7th, Chicago).

Now in its sixth year, the Illinois Insurance Hot-line provides information about all types of insurance. The toll-free hot-line number is 1-800-444-3338.

This statewide consumer service is staffed from 9 a.m. to 4 p.m., Monday through Friday, by consultants who have professional experience in the insurance industry. No insurance is sold through the hot-line nor are any companies or agents endorsed.

Bill passes allowing new mother 2 day hospital stay

New mothers and their babies will be allowed a minimum of two days of hospital care under legislation passed by both the Senate and House of Representatives. House Bill 2557 requires certain health plans to provide a minimum of 48 hours of inpatient care following a natural delivery or 96 hours of inpatient care following a Caesarean section for a mother and newborn child.

Butler says medical professionals agree that one day is often not enough time for a new mother to fully recover and for her doctor to detect potential health problems such as jaundice in a newborn.

An earlier discharge would be allowed if the physician determines the mother and baby meet certain health standards. Mothers discharged early would be required to have a follow-up visit within the first 48 hours to verify the condition of the infant.

Business and Professional Development seminars

The Institute for Business and Professional Development at Oakton Community College is offering seminars in business development during its spring term at the Des Plaines Campus, 1600 E. Golf Rd., and at local sites within the district.

Effective MRO Buying meets from 8:30 a.m. to 5 p.m. on Tuesday, June 4. This seminar is designed for MRO buyers who want to effectively support their company's maintenance and service functions. Learn how to define types of MRO support, develop effective bidding and contracting programs as well as how blanket orders and systems contracts save time and money. The fee is \$225.

Microsoft Office Application Integration meets from 9 a.m. to 5 p.m. on Tuesday, June 4. The seminar focuses on how to increase productivity by using the integration features of Microsoft Office. Emphasis will be placed on linking and embedding. The fee is \$225.

WordPerfect for Windows 6.1 - Advanced meets from 9 a.m. to 5 p.m. on Thursday, June 6. This advanced level course is directed at improving efficiency in creating large documents such as in-house brochures and flyers, master documents, outlines, tables of contents and indexes. The fee is \$225.

For more information, contact seminar registration at (847) 635-1932.

Ameritech's Small Business Community Service Award

Following a successful launch of the program last year, Ameritech Small Business Services has announced it will sponsor the second annual Ameritech Small Business Community Service Award in 1996.

The award was established to recognize small businesses who have demonstrated a sincere commitment to improve the quality of life in their communities.

Ameritech will be partnering

with the Chicagoland Chamber of Commerce and Chambers in seven other cities to select this year's winners. The other cities are Detroit, Cleveland, Columbus, Indianapolis, Milwaukee, Flint and Grand Rapids.

Ameritech will make a \$5,000 contribution to a non-profit organization supported by the winning small business. In the fall, the selected small business will be presented with an award at a special ceremony. Last year's

winner was Travis Realty Company and the recipient of the \$5,000 donation was South Central Community Services, Inc.

The program will be launched during Small Business Week in June. Entry forms will be available at the Chamber. Nominations may be submitted by or on behalf of a small business, defined as a company generating \$40 million or less in annual revenue.

Nominations should include a brief description about how and why the business supports community service, the benefits that activity brings to the local community and the activities the business is participating in with a specific non-profit agency.

The non-profit organization nominated by the small business for the cash award must have a 501 (c) (3) status or equivalent.

Ameritech sets new shares plan

Ameritech has announced a new Direct Services Investment Plan that enables investors to purchase stock directly from the company, without going through a broker or paying high brokerage fees, starting in June.

Ameritech's new direct purchase plan enables investors to:

- Purchase their first shares of stock directly from Ameritech, at a significant savings compared with purchasing shares through a broker.

- Join the program by investing as little as \$100 a month through automatic monthly withdrawals from a checking or savings account, by making a minimum initial investment of \$1,000, or by moving \$1,000 in Ameritech shares into the plan.

- Purchase additional shares in increments as small as \$100.
- Deposit shares for safekeeping at no charge with Ameritech's transfer agent, First Chicago Trust.

- Choose the option of automatically reinvesting dividends.
- Give shares as a gift.
- Elect to use the plan to gain the tax benefits of investing in Individual Retirement Accounts (IRAs).

- Track investment performance through quarterly statements.

For a complete description of the Ameritech Direct Services Investment Plan and a prospectus, potential shareholders can contact Ameritech at 1-888-PLAN-ATT, starting June 2. Participants in Ameritech's current Dividend Reinvestment and Stock Purchase Plan will automatically become participants in the new Direct Services Investment Plan. Current shareholders can call Ameritech toll-free at 1 (800) 233-1342.

Many Retirees Face Financial Disaster! By Robert C. Copeland E.A.

Many retirees face a 100% chance of financial ruin. How? They must bear the cost of long-term nursing home care if they, or a loved one, require such care. The Government can, and will force you to use your CD's, house, Social Security pension checks, investments, IRA's and just about everything else of value to pay for long term care.

The greatest myth is that Medicare will pay for long term care, this is absolutely and totally WRONG. Medicare is a health insurance program, not a long term care program. The other myth is that Medicaid will pay for such care. This is true, but not until you have exhausted nearly ALL of your own assets to pay for such care. Medicaid steps in only after you are basically BROKE.

The national average cost for long term care is \$40,000 per year. How long will your assets last at that rate? Nobody wants to see their life savings evaporate before their eyes, but it is happening every day. Can you do anything to prevent this tragedy? Yes, but 99 out of every 100 people don't know what to do. (This includes many legal and financial professionals). As a result nothing is done. People start asking questions after it's too late.

You deserve the peace of mind and security that protecting your assets from Medicaid achieve. You can learn much of what you need to know by getting a FREE copy of a new report called "How To Preserve Your Assets From The Federal Government And The Medicaid Gang."

You can obtain your copy of the report by calling (312) 631-2220. This number can be called anytime as it is available 24 hours a day. Time is critical when dealing with this subject. Don't delay calling for your report.

S.I.J. 55 Plus Club

Our 19th Anniversary Party was super. The hors d'oeuvres, drinks, punch and dinner were delicious and plentiful. When we look back it doesn't seem like 19 years, it seems like yesterday, when nine of us met in the Lencioni's basement and discussed getting together a Senior Citizen Club. The founders of the Club were: Peter & Florence Lencioni, Jen Pranski, Joseph & Ann Cantanzaro, Louie & Alice Bassi, Robert & Helen Franklin and Fr. Francis Ceraniglia. Time has a way of passing and the only ones left from the group are Florence Lencioni, Jen Pranske, Ann Cantanzaro, Louie Bassi and Fr. Ceraniglia.

The Club has come a long way, with wonderful officers which have kept the Club going. We started with 9 members and at present have 234 members.

We are getting a little older, but we all still enjoy a good time, good friends and good parties. We hope the Club will continue to grow with each year and new officers.

We still have our original photographer Gil Kaitis who has been taking pictures of all our events for 19 years. A big thank you Gil. Also Mario Arquilla, Louie Bassi, John Blasucci, who have kept our feet dancing and our voices singing. A big thank you for your 19 years.

To all our past officers and to our present ones, President Rudy Seifert, Vice President Frank Romeo, Treasurer Florence Morgan, Secretary Bernice Tegeler, a big "Thank You" for jobs well done. To all others who have helped to make the S.I.J. 55 Club great - THANK YOU.

Our guest of honor at the Anniversary Party was Niles Park District President, Elaine Heinen and her husband John and Rev. George Koeune, Associate Pastor of St. Isaac Jogues Parish.

Partners needed for MDA Summer Camp

Volunteers are needed for the Muscular Dystrophy Association summer camp sessions on June 8-15 and June 15-22 in Lake Villa.

If you're sixteen or older and enjoy swimming, boating, horseback riding, archery and other outdoor sports, as well as a variety of evening activities, a week as an MDA Camp Partner will be a week you remember all year long.

Volunteers of all ages gather each year for 1 week to provide individuals with muscle disease a chance to share a fun-filled week in the sun. With the help of your arms and legs, a camper can do almost anything. Without it, he may miss the joys of camp.

The camping session begin on June 8 and June 15. For more information call the Muscular Dystrophy Association at (847) 290-0060.

From the Left Hand

Continued from Page 1

I had another friend who was wounded during the Battle of The Bulge in Belgium. The chaos caused by the German breakthrough resulted in his not only being wounded but resulted in his wandering around for several days in the below-freezing snow, separated from his Company. When he was reunited with his outfit he asked his name be scratched off the Purple Heart record because he didn't want his parents to be notified he was wounded.

Campaign ribbons and battle stars were often displayed on tunics of soldiers who didn't earn the recognition.

My outfit was stationed in Florida when we were notified we were going overseas. One of the guys in the company was a professional singer in civilian life. He said he was part of a quartet which sang back-up on the Bing Crosby "White Christmas" recording. He was brash and cocky and was a misfit who had no intention of following military rules. Two weeks before we left the U.S. he went AWOL and returned to his home in New York. The Military Police went to his home, picked him up and threw him into the brig. During our seven-day trip to England he was placed behind bars aboard ship. But when we arrived in Plymouth, England he was returned to active duty. Two weeks later we received our first passes to leave our camp area. I met him in the heart of Plymouth with two or three girls draped all over him. He was wearing two rows of ribbons complete with battle stars and other heroic displays. He was back in prison the day he came back to our base.

The arbitrary means for handing out awards were standard procedure. The company clerk behind the typewriter might have been the most important man in the Army. An erasure here and an extra typed line there and a soldier's record could be re-arranged like a piece of fiction.

The sad story of the Admiral's alleged suicide over his wearing a combat award he was not entitled to is not quite the same as the arbitrary means of issuing awards fifty years ago. In the Admiral's case, there was a tradition of honor at the highest level of our military. Denying higher awards to enlisted men in World War II because of their rank was part of the military political process. Refusing a Purple Heart to avoid causing worry at home diminishes its significance, even though the act was ennobling. Wearing battle ribbons which were undeserved was little more than a game to the ribbon-wearer. And getting an extra five points on your record so you could get home early was an act of pragmatism that most of us would have engaged in.

When we landed on the continent our outfit received two battle stars for the campaigns in northern Europe. There was no distinction between men who were actively in combat (10% of the men) and the back-up troops who were in the campaign areas. Every troop received the battle stars. Unlike Admiral Boarda, there was no designation on a campaign ribbon as to who served with valor.

When the war ended Uncle Sam heard the roar from the crowd demanding troop discharges as quickly as possible. He created a point system where each month in service garnered one point and each month overseas was worth an additional point. Battle stars were worth five points. By the end of 1945,

soldiers were being shipped home each month with a diminishing five point total. Forty-five points sent you home in November and 40 points sent you home in December. When I found out five points would get me home a month early I went to company headquarters and told a sergeant who typed our orders I was entitled to an additional battle star because our outfit had received additional stars which weren't recorded on my record. I was a replacement troop who did not arrive until after the first two campaigns had ended. The good-guy sergeant knew I wasn't entitled to the extra star. But knowing it would get me home a month earlier he willingly typed on my record I was entitled to the third star. My white lie was of no concern to anyone except me. An extra typed line on my record brought me stateside one month earlier.

Sassounes' attended the Sephardic Congregation synagogue in Evanston. She was fluent in Spanish and Farsi. Funeral services were held for Sassounes Monday at Weinstein Brothers, 111 Skokie Blvd., Wilmette. Burial was at Memorial Park, 9900 Gross Point Rd., Skokie.

Survivors, in addition to her sister Touran, include her parents Manoucher and Diana, another sister, Talia, and her grandfather, Khodadad Sassounes.

Grand National Bank presented the Niles Park District with a \$500 donation for its scholarship fund.

"We're glad to support the community," Clausen told the Board.

In a similar gesture, Commissioner Val Engleman also donated a check for \$400 to the scholarship fund in honor of his one year anniversary as a Park District Commissioner. He made a \$100 donation to the M-NASR (Maine-Niles Association of Special Recreation) Scholarship Fund.

Engleman said he was originally planning to just hand the money to the Park District Treasurer for the general treasury, but decided instead, to present it to the Board to be placed in the Scholarship Fund.

"Scholarships are very important to every organization," Engleman stated. He said by giving the money to the Board at its May meeting, he was hoping to draw notice to the scholarship fund to encourage more donations.

The Scholarship Fund provides funds for needy residents who could not otherwise participate in Park District programs.

Ruck Pate Architecture, Barrington, put a \$6.9 million price tag on the project that includes remodeling Culver and constructing a two-story 50,000-square-foot addition.

Renovation of both Culver and South was estimated at \$4 million.

Construction Resource Management of Buffalo Grove, the construction management company, for the project recently upped the ante considerably to \$9.1 million, which sent the School Board into special session last week.

Lombardi and Board member Cliff Drexler questioned the \$2.2 million discrepancy in quotes. Lombardi predicted that taxpayers would be angered by the cost increase and questioned both the sanity and competence of the officials involved.

Ruck Pate architects, however, stood by their original estimate of \$6.9 million.

Voters supported a 14-cent tax hike to fund the project. Lombardi said that if they had known the building would cost \$10 million, the school board would have asked the voters to fund the higher cost.

The board decided to defer any further action until 13 other bids are opened June 6. Only three bids have been opened thus far.

The board will have a better overall idea of project costs after the bid opening, Lombardi said.

chase a sticker and place it on the handle of a designated 32 gallon (standard size) garbage can—alleviating the need to buy a Kraft yard waste bag. Or residents may place the sticker on any yard waste bag. Plastic bags and boxes are not allowed.

*Residents can place an unlimited amount of yard waste at the curb on their regular garbage pickup date—provided a sticker is attached to each container or bag. The sticker will be removed by the garbage pickup crew after each pickup.

Residents may continue using the Village of Niles yard waste bags imprinted with the Village logo. Niles residents place these bags at the curb, a sticker is not required. When the bag supply is depleted, the "Village of Niles" bags will not be available.

The Village of Niles, 7601 N. Milwaukee, will sell the stickers for \$1 per sticker. The following Niles stores will provide the stickers for a comparable cost: Amlings Flowerland, 7025 Dempster St.; Dominick's Finer Foods, 8900 Greenwood;

\$313,800 to comply with life safety codes.

New parking lot lights will be installed at the Niles North building for \$36,242.

Paving at the driver's education range and the off-campus learning center will be repaired or replaced as needed for \$126,996.

The largest amount, \$768,472, will be spent on remodeling vocational education classrooms at Niles West and other classrooms and locker rooms at both schools.

The budget funds to be tapped for the projects are the building fund, the life safety fund and the district's TORT fund.

Other improvements scheduled for the summer include a new lighting system for the theater at Niles North, replacement of the Niles North auditorium stage rigging and purchase of physical education equipment.

The 1995 graduate of Niles West High School joined the Marine Corps in July 1995.

Memorial Day inaugurated by GAR founder, commander

by D. Ray Wilson

The person responsible for Memorial Day in America was Murphysboro, IL native John Alexander Logan, a Civil War hero.

He was born Feb. 9, 1826, son of Dr. and Mrs. John Logan. His first military service was during the Mexican War when he served with Company H, 1st Illinois Volunteers. Upon returning from military service, he studied law and received his degree in 1851.

He immediately threw himself into Illinois politics and served several terms in the state legislature. In 1858 was elected to the U. S. House of Representatives and had just been reelected to his second term in office when the Civil War erupted.

He joined the Army and in the first Battle of Bull Run (July 1861) fought in the ranks. Within the month he organized the 31st Illinois Infantry (Volunteers) of which he was made colonel. In 1862, he participated in all the Western campaigns under General Ulysses S. Grant and later distinguished himself at the siege of Vicksburg. Called "Black Jack" because of his dark complexion, eyes and hair, Logan also served with William T. Sherman on the March to the Sea through Georgia.

As a major general of volunteers he served as a corps commander and twice commanded the Army of Tennessee. He

Lyle Richmond

Navy Airman Lyle S. Richmond, son of Will H. Richmond of Skokie, was recently selected as Airman of the Month and received a Letter of Commendation while serving with Sea Control Squadron 22, Naval Air Station, Cecil Field, Fla. The 1993 graduate of Northwestern Military and Naval Academy of Lake Geneva, Wis., joined the Navy in August 1994.

fought in eight major campaigns and was wounded several times.

Congress cast a special medal of valor in 1863 and Logan received one of the six of its kind ever awarded, and the only one remaining today.

He was a founder, and three times national commander, of the Grand Army of the Republic (GAR), a Union veterans organization. In 1868, he inaugurated

Memorial Day for the purpose of decorating the graves of Civil War veterans and has since become a day on which all dead are commemorated.

Logan returned to Congress in 1867-71 and from 1871 to 1877 and from 1880 until his death in 1886 he was a U. S. Senator from Illinois. He was an outstanding supporter of legislation for veterans.

Passport to Adventure program

Take an adventure this summer at area museums and nature centers with the Passport to Adventure program sponsored by the North Eastern Illinois Historical Council and the Illinois Parks and Recreation Association. The program is designed to encourage children and their parents to visit museums and nature centers to explore the events, people, history and environment of their local communities. Participants, children ages 4-12, will experience the world around them through the exhibits and activities at each site. To participate, pick up a Passport to Adventure booklet anytime after Saturday, June 1, in the Children's Room of the Morton Grove Public Library. The booklet contains the description, location, phone number, and admission fees, if any, of Passport to Adventure museums and nature centers. Children who visit at least three sites by Saturday, August 17, will receive a certificate of participation. Children

who visit 5, 12, 24 or more museums and/or nature centers will be awarded a certificate and a bonus prize. The Passport to Adventure program in Morton Grove is being co-sponsored by the Morton Grove Historical Society, the Morton Grove Park District, and the Morton Grove Public Library. Prizes have been donated by the Niles/Morton Grove Rotary, Moto Photo at the Village Crossing, and our local McDonald's. For further information or questions about this program stop by the Children's Room at the Morton Grove Public Library or call Lynne Mickle, Curator, Morton Grove Historical Museum, 965-0203, Thursdays and Fridays.

Learn to skate like the pros

Laura Stamm, the guru of power skating, will conduct her International Power Skating Program at Glenview Ice Center, Glenview, June 21-23. The program is open to all levels of hockey players, ages 8 to adult. Power skating drills and exercises designed to increase speed and control on the ice will be featured. Any hockey player interested in improving their skating technique is encouraged to attend. Pre-registration is required and space is limited. This is the 1st year that a program is held in Glenview. Laura Stamm has over 20 years teaching experience, coaching tens of thousands of youth hockey players, and over 300 N.H.L. players having participated in her programs. Her power skating workshops, clinics and summer schools reach over 6,000 youth hockey players annually in six countries and 27 states. For more information or to register, call Laura Stamm Power Skating (800) 750-3496.

"In Pursuit of a Dream"

"In Pursuit of a Dream," a figure skating exhibition to raise money for competitive skaters, Erin Moorad and Richard Gillam, will be held Sunday, June 9 at 7:30 p.m. at the Glenview Ice Center, 1851 Landwehr Rd., Glenview. This event is sponsored by the "In Pursuit of a Dream" Committee. Tickets for the event are \$10 for adults and \$5 for children, 6 to 12 years old. Children 5 and under are free. Moorad, a Glenview native who grew up skating at the Glenview Ice Center, is currently training in Costa Mesa, Calif., under the direction of Olympic coach John Nicks. Moorad and Gillam hope to achieve a berth on the 1998 and 2002 Olympic teams. This benefit will help raise funds for their training expenses. The event will begin at 6 p.m. with a skating exhibition by Glenview Ice Center skaters and will be followed by the benefit featuring Moorad and Gillam as well as high level Glenview skaters. There is no admission fee to watch the 6 p.m. exhibition of Glenview skaters. Tickets for the benefit, which begins at 7:30 p.m., may be purchased at the main office of the Glenview State Bank, 800 Waukegan Rd., Glenview. Those who wish to contribute, but are unable to attend the exhibition may send checks payable to the Moorad/Gillam Olympic Training Fund, c/o "In Pursuit of a Dream."

State offices to close for Memorial Day

All Secretary of State Offices and facilities will be closed for Memorial Day, announced Secretary of State George H. Ryan. The only exception is the Ford City facility, which is open seven days a week in the Ford City Mall. The holiday is observed by all state agencies.

Driver Services facilities outside Cook County and the Chi-

cago West, Midlothian and Niles facilities in Cook County, which normally are open Tuesday through Saturday, will be closed Saturday, May 25, and will reopen Tuesday, May 28.

All offices that normally are open Monday through Friday will be closed Monday, May 27, and will resume business Tuesday, May 28.

Grand Opening of new animal shelter

The weekend of June 1 and 2 is going to be a gala celebration for Save-A-Pet, an animal shelter now located at 2019 Rand Road, Palatine. The no-kill shelter for homeless dogs and cats is opening a 10-acre site and new building at 31664 N. Fairfield Road in Glayslake. There will be music, refreshments, and entertainment, beginning at 11 a.m. until 5 p.m. each day. Everyone is welcome. Parking and admission are both free.

"At last the animals will be housed in a way that permits the best of care. Sanitation and maintenance will be better because of good building design," said Bonnie Berger-Neel of Wildwood, president of Save-A-Pet. "The dogs will have spacious indoor-outdoor runs. The cats will have superior ventilation in the Cat Room, a factor which should control air borne ailments. Isolation and Incoming Rooms will provide the best of care."

At the opening celebration visitors will see Alex Rothack-

er's famous dog act with "Pop-eye" and "Olive Oyl," trained dobermans who act like humans. B.C. Obedience Center will have Flyball and Obedience demonstrations. Pet Food companies will offer free samples. A Pet artist, a dog groomer, and craft people will also have tables.

Music will be provided on Saturday by Big Band Sound of Deerfield and on Sunday by Bonnie Stone and her guitar. Ribbon cutting is at 2 p.m. on Saturday, and Raffle Drawing at 3 p.m. on Sunday.

Guide to Finding a Good Nursing Home

by

Nancy Dowell
Social Security Manager in Des Plaines

Shopping for a nursing home for my Mother was a bewildering task. My family and I gathered many facts to help us in the decision-making process. Because we planned ahead, it eased the stress that accompanied choosing the best nursing home for my mom.

Another advantage was a booklet called Guide To Choosing A Nursing Home that we got from the Health Care Finance Administration which runs the Medicare program. It provided much of the information we used to make the selection.

One of our concerns was the cost. We found three basic ways in which nursing home costs may be financed--private insurance, Medicaid, and Medicare. When considering payment through Medicaid, it's important to contact the local State Medicaid Agency for eligibility and program information as early in the placement process as possible.

When shopping for a nursing home, remember to carry a nursing home checklist and observe:

- the daily lifestyle of the residents;
- the care residents receive from the staff;
- how the nursing home handles payment; and
- the environment.

You should also know that your State health department produces a yearly report, which you should review, on the performance of each nursing home that is certified for Medicare or Medicaid. The report should be posted at the nursing home and is also available through your State health department or from the local ombudsman program.

For more information on how to shop for the best nursing home and what questions to ask, call the Health Care Financing Administration's Medicare Hotline at 1-800-638-6833, and ask for the booklet, Guide To Choosing A Nursing Home. Also, call the Social Security Administration at 1-800-772-1213 for general Medicare information.

It's important to remember that choosing a nursing home will require you to use critical judgment at a variety of levels. Your final judgment should also include your intuitive "gut feeling." In addition, you should seek information from a broad base of sources and not rely on any one source in making your decision.

Shelter, Inc. seeks volunteers

Shelter, Inc. is actively seeking volunteers to serve as "taggers" at our annual Shelter-A-Child Tag Days event, to be held throughout the northwest suburbs on May 31, June 1, and June 2. All volunteers will be provided with bright red aprons and canisters and will solicit contributions in two to three hour shifts in front of stores. We need taggers to work from 9 a.m. to 6 p.m. on each of the three days, and from 6 to 8 a.m. at train stations on Friday, May 31. Taggers will not be stationed at street intersections.

The Tag Days event is sponsored by the Harris Banks. Because of their generosity, all proceeds from this event will benefit Shelter's programs for children.

Shelter, Inc. is a child welfare agency providing emergency and temporary care and housing for children and adolescents in the northwest suburbs, through foster homes and two professionally-staffed group homes.

You can make a difference to children in your community. Please give us a call at (847) 255-8060 and say you can help.
