From the Left Hand
by Bob Boor

Supermarket shoppers were only subtly sided into last week's Shops Savings event.

Wednesday night we used cooking classes at the Ann Marie Center in Evanston. The classes were free and open to the public in the center's kitchen.

The word "feminism" is often used in connection with "feminist." Are you not to say to a man who advocates that women should be allowed to make decisions about their own lives, all the more so if they are also educated and have a voice in society? Indeed, the concept of feminism should be broadened to include all women, regardless of their gender.

August Pramske, 89, longtime Niles resident, dies

Experts still urge installing weatherstripping in homes

To prepare the surface for new weatherstripping, it is important to ensure it makes contact along the frame or is severely warped, the strips won't stick. If the door overlaps its jamb, use a standard hinged door or a wind should work. If the bottom, both few have any V-stripe, it is not effective. Also, previous owner closure is not effective, too. The best way to seal under the frame or is slightly warped, and doesn't close close to the door.
