Niles police get grant for traffic safety enforcement

The Niles Police Department, recipient of a \$38,000 grant from the Highway Traffic Safety Project, has started a year-long program to increase enforcement of traffic safety laws, such as seat belt and speed laws.

The grant money will be used to hire off-duty officers to provide additional patrols that will focus on increasing enforcement of such things as occupant restraint, speed laws and DUI and other impaired driving situations. The expenses of the program

will be picked up by the Illinois Department of Transportation, said Sgt. John Fryksdale, who is coordinating the program. None

Village to undergo improvements

by Lisa Ashkenaz Croke
 At Tuesday night's meeting, the Niles Village Board of Trustees approved bid awards for various village improvement projects.

Moradi Multi-Dimensions Consulting Engineers' \$15,000 proposal to prepare a topographical survey of village streets was accepted by the board. Trustee Robert Callero noted that Moradi's proposal was as much as \$2,000 - \$6,000 less than two other proposals under consideration for the project which will study

MG discovery park receives \$87,500 grant

by Rosemary Tirio
 An \$87,500 grant from the Illinois General Assembly will likely make the new Frank Hren Discovery Park to be built on nine acres behind the Golf Middle School a reality by next summer.

Named for community leader and former principal and athletic director at the school Frank Hren, the park will feature an arboretum, Greek-style outdoor theater, greenhouse, sensory garden, con-

Bredemann to build on vacant site at Dempster and Greenwood

Auto mall OK'd on Dempster Street

After 18 months of negotiations with Park Ridge and more than three years of internal planning, the Bredemann family automobile business has won approval for a new sales/service auto mall to be built on the vacant Dempster West site on Dempster Street and Greenwood Avenue.

The fourteen Park Ridge aldermen voted unanimously to approve the multi-million-dollar project that will combine the Bredemann Buick and Toyota dealerships in a state-of-the-art sales and service facility.

The city and the Bredemann organization will share in a Tax Increment Financing partnership that will pay for infrastructure improvements, land purchase costs and the already completed environmental cleanup of the site

where a Dominick's supermarket and a strip mall were once located. The site, located at the southwest corner of Dempster and

Greenwood, will see the start of construction in just a few weeks. An ordinance was approved at

Niles West athlete found dead at home

Julio Aponte, 18, a senior wrestler and football player at Niles West High School was found in a lifeless state on the floor of his bedroom in his Skokie home around 6:10 a.m. Sept. 22.

Police and paramedics responded to the scene in the 5500 block of Maine Street and transported the victim to Rush North Shore Medical Center where he was pronounced dead moments

after arrival. Officials, trying to determine the cause of death, said results of a toxicology report were expected in six to eight weeks. Skokie police were at a loss even to conjecture about what might have happened to the young man. There were no indications of foul play, police said.

An investigation into Aponte's

Diana Salon good grooming for the whole family

by Rosemary Tirio

Diana Gewargis, who opened her bright, spacious beauty salon at 8016 Waukegan Road in Niles four years ago, said her many clients seem comfortable in her shop, and to her, "they feel like family."

Speaking of family, Diana, along with Carmean, another stylist, and a manicurist, offers services for the entire family at the full-service salon.

Men can get expert haircuts, manicures and pedicures, and children are always welcome, Diana said. Walk-ins can also come to her salon any time, she added.

Diana worked at the JC Penney salon at Lincolnwood Town Center five years before opening her shop. Along with Carmean, another stylist who has been in the business over 20 years and has a very large following from the days when she owned the Royal Box Salon on Waukegan Road also in Niles, Diana can provide just about any beauty service anyone would need.

Acrylic and silk nails are a specialty of the shop manicurist who has five years' experience in the business. Another shop speciality is facial and body waxing done in the comfort and privacy of a separate room.

Diana also specializes in "up-do" hairstyles. Many brides and partygoers go to her for styles for their special occasions.

Color perms and precision cuts are also high on the list of services at Diana Salon. Diana and Carmean use Schwarzkopf, the leading name in professional color imported from Germany.

The excellent products Diana and Carmean use are also available for sale in the salon. Matrix, Vavoom, Biolage, Essentials, Logics are among the brands Diana sells which are not available in drug or department stores.

All services are done at very moderate prices starting at just \$14 for a basic hair cut. Parking, of course, is free.

Diana said, "My clients are comfortable here," and why shouldn't they be? Russian, Assyrian, Italian and Arabic are among the languages spoken in addition to English. Diana said, "I love to work with my clients. I love Niles, it's a great neighborhood. It's good, I'm happy!"

For that special occasion, for the latest new style or just for routine good grooming, you won't have to go far to get the best in beauty services at Diana's. Diana's promise to her clients: "We can make you look 10 years younger."

What could be better than that? For more information or to make an appointment, call Diana Salon at (847) 966-6133.

Jewish Genealogical Society of Illinois

The Jewish Genealogical Society of Illinois will present, on Sunday, October 17, at 2 p.m., the program "Personal Experience In Genealogical Research with Emphasis of the Netherlands" by Ron van der Horst.

The meeting will take place at the Library of the BJE Marshall Learning Center, Building A (the former New Trier West High School), 2nd Floor, 7 Happ Road, Northfield. Enter through Building D which faces Happ Road.

This program, as are all our programs, is open to the public at no charge. All are welcome. For more information, call Belle Holman at (847) 679-1995 or (312) 666-0100.

Niles couple celebrates 65th Anniversary

In above photo taken at a family wedding in June 1998: Top: Son, Robert and his wife, Dolores, and grandchildren Therese and Christopher Smolen. Bottom: Mary and Walter Smolen and daughter Patricia.

Walter and Mary Smolen of Niles will celebrate 65 years of marriage on October 20, 1999. They met at Motley Grammar School on Chicago's north side.

When they were about sixteen years old, Walter asked Mary out on a date and he treated her to the Crown Theater. Walter said "Movie tickets only cost five cents each in those days and a soda afterwards cost another five cents!!"

Their courtship continued on and off for about seven years but Walter knew a good woman when he saw one!!! They were married at Holy Innocents Church in Chicago on October

20, 1934. Walter worked for GE for twenty years and then at the VA hospital in Maywood for another thirty years. Meanwhile, Mary worked as a seamstress at O'Brien Brothers (Lorraine lingerie).

They are very proud of their two children, Patricia and Robert, their late daughter in law Dolores, and their grandchildren, Therese and Christopher.

Due to ill health, Mary Smolen moved into Bethany Terrace Nursing Centre in Morton Grove in November 1998 while Walter lives with his daughter, Patricia in Niles.

IceLand's general manager receives skating award

Niles Park District IceLand Ice Arena's General Manager, David Santee, was the recipient of the 1st Annual Dorothy Burkholder Award, at a dinner given by the Chicago Figure Skating Club. This award, given for lifetime achievement in the sport of Figure Skating, is named for Ms. Burkholder, who spent over 50 years as a competitive judge and past president of the Chicago Figure Skating Club. Santee, a 7 time World Team Member, was also a 2 time Olympian in 1976 and 1980. He was the youngest male ever to win the U.S. Junior Men's

title at the age of thirteen and was second to Scott Hamilton in the World Championships in 1981. David was an Honor Roll student at Maine South High School and attended Northwestern University. He was voted Outstanding Teenager of Illinois in 1975 and was one of the three finalists for outstanding Teenager of America in that same year. After retiring from competitive skating, Santee returned to the area where he has been a competitive coach, skating director, and now general manager of Niles Park District's IceLand.

Fire Prevention Week proclaimed

At the September Village Board Meeting, Mayor Nicholas B. Blase proclaimed the week of October 3-9, 1999, as Fire Prevention Week. Pictured above with Mayor Blase (right) are Trustee Bart Murphy and Fire Chief Harry Kibrowski.

Former MG librarian to receive award for lively book reviews

Among the 70 people across the state who will be honored with the first-ever Studs Terkel Humanities Service Award for "bringing the humanities to life" will be Barbara Todd, former public relations and programming coordinator at the Morton Grove Public Library.

When the Illinois Humanities Council announced the creation of the award honoring local people who have promoted literacy and culture, Morton Grove Mayor Dan Scanlon did not hesitate to nominate Todd.

Todd's unique book reviews are legendary in the area. During her 18-year career at the library, Todd communicated her love of literature not merely by telling audiences about the books but by "becoming" the characters and re-enacting the stories.

Todd rekindled her skills as a former drama teacher at Highland Park High School to create the reviews by deftly combining drama and interpretation that made an unforgettable impression on audiences.

Among Todd's memorable reviews have been her 1995 portrayal of Morton Grove's original settlers for the centennial celebration. She has also "become" Abraham Lincoln, Mary Todd Lincoln and Katharine Hepburn among the many reviews she has presented at the library over the years.

Bringing characters to life has been Todd's specialty, and, according to her definition, the whole point of book reviewing.

Todd's reviewing career began when she was asked by some members of her church congregation to review "On the Edge of Tomorrow" by Tom Dooley. She brought the author's experience in Laos out of the pages so realistically that her very special brand of reviewing was born then and there.

Following her 1992 retirement from the library, Todd cut back

on her book reviews, much to the disappointment of her appreciative audiences. However, she now says she is too busy with grandchildren and various volunteer and church activities as well as her service on the Morton Grove Library Board.

Todd, who will receive the award at 7:30 p.m. Oct. 11 at the Flickinger Municipal Center before the Village Board meeting, said she was very honored to be among the first recipients of the Terkel Award, named for the famed Chicago personality who has written many books about Chicago based on oral history and interviews with the "common man."

Frontage Rd. to be blocked in Howard/Niles Center project

An \$820,000 improvement plan for the intersection of Howard Street and Niles Center Road was unveiled at a public meeting at the Skokie Village Hall Sept. 30.

The project to improve the narrow, rough and dated intersection will include street resurfacing, the addition of left-turn lanes, an expanded turning radius and better drainage, according to Fred Schattner, Skokie traffic engineer.

A cul-de-sac will also be built on Frontage Road where it intersects with Howard just east of Niles Center Road, Schattner said.

Schattner described the intersection as deteriorating and the turning radius as inadequate. He said the level of service and safety at the intersection will be improved when the project is completed.

The lack of any left-turn lanes or traffic signal arrows at the intersection interrupts traffic flow. The new traffic signals to be installed at the intersection will have left-turn arrows.

Trolls, Mrs. Peppercorn and Beyond

Chicago Playworks opens season with *The Little Prince*

Chicago Playworks for Families and Young Audiences opens its 1999-2000 season with a musical adaptation of the beloved story *The Little Prince*. Based on a book by Antoine de Saint-Exupery with book and lyrics by Jeffrey Lunden, *The Little Prince* plays through December 4, at DePaul University's Merle Reskin Theatre, 60 E. Balbo Drive, Chicago.

The play is directed by Betsy

Hamilton with musical direction by Mark Elliott, scenic design by Collette Pollard, costume design by Lindy Russell, lighting design by Joe Kazmierski and sound design by David Nauntun. To purchase tickets, call the Box Office at (312) 922-1999.

This playful musical adaptation captures the classic story that has charmed generations of readers. An aviator is forced to land in the Sahara Desert, falls asleep

and is awakened by the odd voiced of the Little Prince, a visitor to Earth from Asteroid B-612. A troupe of performers presents the whimsical tale of fantasy, philosophy and childish gaiety that follows as the two discover what is really important in life. The production is recommended for age 5 and up.

Performances of *The Little Prince* are Tuesdays and Thursdays at 10 a.m. and Saturdays at 2 p.m., October 5-December 4. A special holiday week features additional performances at 10 a.m. on Wednesday, December 1 and Friday, December 3.

There will be no performances on Tuesday, October 12; Saturdays, October 23 and 30; Thursdays, November 11 and 18; Saturday, November 20; Tuesday, November 23; Thursday, November 25; and Saturday, November 27. Discount parking is available with coupons from the Box Office.

Ticket prices are \$7. Group rates are available for 15 or more people. Seniors (over 60), Corporate Partners, DePaul employees and alumni, and college students receive a discount.

An Ice Cream Social and post-show discussion with the cast follows the performance on Saturday, November 6 at the Hil-

ton Chicago and Towers. Tickets for this event are \$2.50 and are available through the Box Office: (312) 922-1999.

Performances on Tuesday, November 9 and Saturday, November 13 will be interpreted in American Sign Language by Sign On Stage. Interpreted performances are supported by a grant from Dr. Richard Meister and the Executive Office of Academic Affairs at DePaul University. For further information regarding interpreted performances, call the Box Office or TTY: (773) 325-7975.

Before the curtain goes up, The Theatre School invites patrons to dine at The Pavilion, the Mediterranean cafe on the lobby level of the Hilton Chicago and Towers, across the street from the theatre at 720 S. Michigan Ave. Lunch and dinners are \$21 for adults and \$12 for children 12 and under, plus gratuity, and may be ordered through the Box Office.

The Breakers at Golf Mill to host Octoberfest

The Breakers at Golf Mill, a senior living community in Niles, invites the public to an Octoberfest celebration on Sunday, October 10 from 1 to 4 p.m. Admission is free, reservations are required.

Festivities will include singing, dancing and relaxing to the music of accordion player Arkady Bodner, who will perform in The Breakers open-air atrium lobby. German food, including weinerschnitzel, brats, sauerkraut and apple strudel, as well as beer and soft drinks, will be served. Tours of model apartments, and an opportunity to see the extensive redecoration plans soon to be undertaken at The Breakers, will be offered.

The Breakers at Golf Mill, which celebrated its 10th anniversary in April, offers rental apartments with services and is home to more than 300 seniors.

What: Octoberfest celebration at The Breakers at Golf Mill Beach senior retirement community, featuring German music and food, and tours of the building.

Where: 8975 W. Golf Rd., Niles (847) 296-0333.

When: Sunday, October 10, 1999 from 1 to 4 p.m. Reservations are required. For more information, call 847-296-0333.

8th Annual Tale of the Tombstones

The Historical Society of Oak Park & River Forest will present The Tale of the Tombstones, their 8th Annual Walk through Forest Home Cemetery, 863 Des Plaines Ave., Forest Park, on Sunday, October 17 at 1 p.m. (Rain date is Oct. 24.) Small groups will leave at ten-minute intervals until 2:20 p.m.

Trained guides will lead participants on a tour through this historic cemetery to the final resting-place of many prominent citizens from the past whose costumed interpreters will tell the stories of these individuals at their gravesites. This year's tour will follow a new route and many characters will be introduced for the first time including mobster Adam Heyer, one of the victims of the St. Valentine Day Massacre and William Patterson, Black lawyer who led the unsuccessful campaign to stop the execution of Sacco and Vanzetti.

Tickets for the two-and-a-half hour walk are \$5 for members and \$8 for non-members. The Society's guide book to Forest Home: "Nature's Choicest Sport: A guide to Forest Home and German Waldheim cemetery" will be available for \$8. For more information call (708) 848-6755.

'Italian American Reconciliation' opens at Oakton in October

Enjoy a comic romp - Italian-style - when Oakton Community College presents Italian American Reconciliation in Studio One of the Performing Arts Center at Oakton's Des Plaines campus, 1600 E. Golf Road.

Written by John Patrick Shanley, Oscar-winning author of Moonstruck, this modern folk tale chronicles the antics of Huey Maximilian Bonfigliano as he attempts to regain his "manhood" by recapturing the affections of his shrewish ex-wife, Janice. The hilarious complications that ensue prove, once again, that the course of true love never runs smoothly.

Italian American Reconciliation is directed by Patti Interante, assistant professor of speech and theater at Oakton and director of its hit comedy, Greetings. Performances are scheduled at 8 p.m. on Friday, Oct. 8, 15 and 22; at 8 p.m. on Saturday, Oct. 9, 16 and 23; and at 2 p.m. on Sunday, Oct. 10, 17 and 24. Matinee performances are scheduled at 2 p.m. on Wednesday, Oct. 13 and 20.

Fright Fest opens October 9

As autumn waves her dreary hand and gloomy skies darken the landscape, Six Flags-Great America undergoes its annual transformation for its month-long Halloween extravaganza, Fright Fest. The Midwest's largest Halloween party opens October 9, 1999, featuring Looney Tunes SpookyTown, an expanded entertainment area for children. Also new for the event's ninth season are Serpent Safari, an educational exhibit of giant

snakes and reptiles; the return of the super-bizarre Horror Circus, and a new haunted house, Brutal Planet.

"Looney Tunes SpookyTown gives families a fun and 'fright-free' place to take their kids," says Park General Manager Jim Wintrose. "Overall, Fright Fest is a fantastic event for everyone in the family. People love to be scared, and theme parks are natural outlets for people to find safe thrills. Between our creepy

characters and scary rides, we can take care of that!"

During Fright Fest, Six Flags Great America takes on a new aura and "attitude" wrought by thousands of props, facades, decorations and special effects that change the 100-acre theme park into a spectacularly creepy autumn festival. Every aspect of the Park changes for Fright Fest, when hundreds of ghouls, monsters, street performers and zombies provide fright at every turn.

Special entertainment for both children and adults varies from educational to hilarious to mysterious. The usual collection of thrill rides and roller coasters combines with these extensive theatrical effects, special Hallo-ween-related shows and attractions, haunted houses and actors to create an all-encompassing Halloween experience for all ages.

Fright Fest will be heralded by the late-September arrival of

Tiny, a 40-foot inflated spider that perches on the latticework of the American Eagle roller coaster along Interstate 94.

Fright Fest Pricing/Hours

- Pricing: Adults \$39; Children (48" and under) \$19.50; Children 2 and under free; Prime Timers (60+) \$19.50.
- Friday evenings, October 15, 22 & 29: 5 to 11 p.m.; Saturdays, October 9, 16, 23 & 30: 10 a.m. to 9 p.m.; Sundays, October 10, 17, 24 & 31: 10 a.m. to 8 p.m.; Columbus Day, October 11: 10 a.m. to 6 p.m.

Guests are not permitted to wear full costume makeup or facial masks in the Park during Fright Fest. Guests wearing costumes will be admitted subject to management approval. Guests are strongly encouraged to use their discretion when allowing small children to participate in events that may be too frightful for them.

Six Flags Great America is located midway between Chicago and Milwaukee on I-94 at the Grand Avenue exit in Gurnee, Illinois. For more information about Six Flags Fright Fest, call (847) 249-INFO.

Energy assistance available for some Maine Township residents

Maine Township residents who face a hardship paying heating bills this coming winter may soon be eligible for financial help," advises Maine Township General Assistance Director Marsha Warnick.

Heating subsidies will be available to help low income working people and recipients of government aid. Apartment dwellers whose rent includes heat and who pay more than 30 percent of their income for rent also may be eligible.

"There are guidelines that need to be considered and documentation that must be provided," added Warnick. "The Federal government has established monthly income guidelines for eligibility based on the number of people within the family."

During the month of October, applicants are limited to residents over 65 years of age and those receiving Social Security Disabilities benefits. All other qualifying residents may apply beginning November 1 of this year.

"Maine Township is authorized to take the applicants for these subsidies, which are provided through a federal grant administered by the Community and Economic Association of Cook County," said Warnick.

For guideline information, or to schedule an appointment, call the Maine Township General Assistance office at (847) 297-2510, Extension 236.

'Cannes for Kids' to be held

Ms. Maggie Daley will chair the Chicago International Children's Film Festival (CICFF), when it comes of age October 14-24, 1999, celebrating its 16th year as the nation's largest festival of films for children. Receiving over 600 entries from 40 countries, the Festival has long regarded as the entry point for all major children's films into the U.S. The 1999 CICFF will be held at Facets Multimedia, 1517 W. Fullerton Avenue in Chicago, as well as at commercial theaters throughout Chicago.

For more information: Please contact the CICFF by phone at 773-281-9075, by fax at 773-929-0266, or by e-mail at <kidsfest@facets.org>.

day for one week- Saturday and Sunday, October 9 and 10, 1-5 p.m. each day and Monday through Friday, October 11 through 15, 10:30 a.m. through 3 p.m. Docents will be on hand to guide you through the displays. We urge you to make the time during this week to celebrate Niles history.

The Society is always in the process of adding to files on Niles organizations and businesses and we need your help. When you are cleaning out, redoing, or making room, do you find any information (printed or verbal) that you can share with us on Mill Run Theater, Bunker

Hill Country Club, Tam O'Shanter Golf Course and/or the Niles Women's Police Auxiliary? How about homeowners groups, Niles Drugs, Pankau Drugs? Minutes, flyers, giveaways, pictures, menus, programs, etc. will be appreciated.

The Niles Historical Museum is open every Wednesday and Friday 10:30 a.m. - 3 p.m.; other times by appointment. Call 847-390-0160 for more information. We look forward to seeing you.

Niles dentist receives AGD Fellowship award

Thomas Drozd, D.D.S., received the Academy of General Dentistry's (AGD) prestigious Fellowship award during convocation ceremonies at the Academy's 46th Annual Meeting, July 13, at the Hynes Convention Center, in Boston.

The Academy of General Dentistry is an international organization of 35,000 general dentists. Members are committed to continuing dental education, to give patients the best possible care.

Earning the Fellowship award means completing more than 500 hours of continuing education courses within 10 years, and also

passing a rigorous Fellowship examination.

Dr. Drozd was graduated from the Dental School at the Loyola University of Chicago, in Maywood, in 1983. He later taught at the school's Endodontics Dept. in 1985 and 1986. He has practiced in Niles since 1983.

In addition to the Academy of General Dentistry, Dr. Drozd is a member of the American Dental Association, Illinois State Dental Society and Chicago Dental Society.

Dr. Drozd lives in Park Ridge with his wife, Deanne.

The leaves are just starting to blush, Ole Man Weather is running hot and cold (with more hot to come, hopefully), lazy Sol is clocking in later and later in the morning while Halloween's frightening fixings have begun haunting all the nearby stores. And the Golden-Agers of St. John Brebeuf Church are again holding regular meetings, after taking a month long hiatus to avoid encountering the whirlwinds and whatchmacallits of the elevator installation at Flanagan Hall.

The club's annual picnic on August 31 was a huge success. Theresa Kapka and her busy-bee helpers worked very hard to make sure all members enjoyed a most wonderful day. The food was yummy, the games were most fun; all in all, it was a grrrrreat day!

Lorraine Paine, club vice president, has scheduled several outings for members. These include the Debbie Reynolds show at the Martinique on October 20 and Franz Bentler on November 3. Members are asked to sign up if interested in seeing these wonderful entertainers.

President Dorothy Warmann deserves accolades and many thanks for continuing her club work despite her personal family sorrows this year. Thanks so much, Dorothy, for doing an

excellent job.

Celebrating anniversaries for July, August and September are the following happy couples:

July: Bill and Eleanor Britz, Sam and Frances Bruno, William and Elaine Chase, Nick and Rose Costantino, Frank and Rozella Cloriana, Gardner and Sally Grubb, Stanley and Emily Klossowski, and Joe and Florence Nawisniak;

August: Matt and Florence Araszewski, and Tad and Emma Lesniak;

September: Albert and Angela Cassettari.

Best wishes to all! Another round of congratulations are in order for Bill and Dolores Gruzynski's granddaughter, Shannon Svacina, who graduated from DePaul University June 13, and their grandson, Bill Gruzynski, who graduated from the 8th grade in Elk Grove Village June 9. Cheers!

A final hearty hip-hip-hurrah to Chester and Veronica Bonk whose grandson graduated from grammar school as a salutatorian, a member of the honor roll (with honors in computer, science, Spanish and social studies) and a member of the student council, and whose granddaughter was inducted into the National Honor Society as a sophomore. Both attend schools in Oregon City, Oregon. The Bonks, in addition to the festivities, enjoyed sightseeing in the Pacific Northwest region during the summer.

As the leaves gently turn golden yellow, Golden-Agers will be delighting in the warm glow of the season and giving out gobs of goodies to the ghosts and goblins and other spookeroos who come trick-or-treating at their doors!

Senior Breakfast Club meeting

The Lutheran General Senior Breakfast Club will present a program from 8:30 to 10 a.m. Friday, October 15, on "Aging Eyes" featuring David Palmer, M.D. ophthalmologist, geriatric specialist, Lutheran General Hospital.

Club meetings, sponsored by Lutheran General Older Adult Services, are held once a month in the 10 East cafeteria of the hospital, and feature presentations by health care professionals, free continental breakfast and social time. Seating is limited and reservations are required. To sign up, call 1-800-3-ADVOCATE (1-800-323-8622).

Upcoming topics in the 1999 Senior Breakfast Club series include: "Caring for the Caregiver" on November 19; and the breakfast club's annual holiday celebration on December 17.

FLU & PNEUMONIA SHOTS

Flu and pneumonia shots are available this fall for residents age 60+. The cost is free for those whose primary insurance is Medicare Part B. Those enrolled in an HMO or who don't subscribe to Medicare Part B must pay \$10 for the flu shot, and \$15 for the pneumonia shot. Shots at the home are also available for those unable to leave the house.

Flu damages the mucous lining of the lungs, enhancing susceptibility to pneumonia which is dangerous for people with diabetes, anemia, and heart, lung or kidney disease. Flu shots provide immunity to the most commonly predicted flu strains for the coming winter. Seniors should get a flu shot each year. Pneumonia shots provide lifelong immunity to the most common forms of pneumonia. People who have already received this shot do not need another one. Anyone:

- 1) allergic to chicken, chicken feathers or eggs;
- 2) allergic to contact lens solution or thimerosal (mercurial antiseptic);
- 3) allergic to the antibiotic family called aminoglycosides (gentamycin, kanamycin or neomycin);
- 4) who has ever suffered from Guillian-Barre Syndrome; or
- 5) who has cold symptoms the day of their shot; will not be immunized.

Evanson Northwestern Healthcare Home Services will be administering the shots and there is a choice of a needle injection or a Biojector (needle-free) injection. Those interested in a shot must make a reservation by calling the Morton Grove Senior Hot Line at 470-5223 for a shot on:

- Saturday, October 9; 9 a.m. to noon
- Thursday, October 21; 2 to 5 p.m.
- Saturday, October 30; 9 a.m. to noon
- Thursday, November 4; 2 to 5 p.m.

MAINE EAST HIGH SCHOOL

Welcome to another season of concerts, plays, swim shows, and other entertainment offered to Maine Township High School "Gold Card" members. The "Gold Card Club" membership is the school district's way of saying "thank you for your support." Membership is open to all Maine Township residents age 62 and over. To obtain a membership card, call the district office at 696-3600. Membership allows for free or reduced entry fee to the following program at Maine East High School:

- Grease - Fall Play, Friday and Saturday, Oct. 8 and 9 at 7:30 p.m.
- Choral Concert, Tuesday, Oct. 19 at 7:30 p.m.
- Variety Show - Matinee, Thursday, Nov. 4 at 4 p.m.

BLOOD PRESSURE SCREENING

According to the American Heart Association, the diagnosis of high blood pressure is based on the average of two or more readings taken at each of two or more medical visits after an initial screening. The Heart Association's classifications for adults age 18 and older are:

- Ideal, less than 120/80; re-check in two years.
- Normal, less than 130/86; re-check in two years.
- High normal, 130-139/85-89; re-check in one year.
- Mild high blood pressure, 150-159/90-99; confirm within two months.
- Moderate high blood pressure, 160-179/100-109; evaluate within one month.
- Severe high blood pressure - more than 180/110; evaluate immediately.

Free blood pressure screenig is offered from 9 to 11 a.m. on Tuesday, Oct. 12 in the Morton Grove Village Hall Senior Center.

COMMISSION ON AGING

The Morton Grove Commission on Aging will hold its next monthly meeting at 1 p.m. on Tuesday, Oct. 12 in the Village Hall Senior Center. The commission provides an arena for discussion and planning of services and programs to benefit Morton Grove's senior citizen population. All interested residents are welcome to attend.

Explore the arts through OCC Emeritus Program

Sharpen your artistic sensibilities by enrolling in a course offered by Oakton Community College's Emeritus Program. Designed for older students, Emeritus provides social and educational opportunities at the Ray Hartstein Campus, 7701 North Lincoln Avenue, Skokie.

Two non-credit courses beginning in mid-October explore various artists' visions of spiritual life. *Spiritual Quest in Art* (ART B90-61, Touch-Tone 8005) will meet from 9:30-11 a.m. for three weeks on Thursdays, beginning Oct. 14. Using two slide projectors, Linda Rubin, M.F.A., will compare and contrast the visions expressed in various paintings. The fee for this course is \$40.

Also focusing on artistic vision is *Spirituality in Music* (MUS S36-61, Touch-Tone 5556), an exploration of some of the most awe-inspiring music in the world, including the works of Bach and Beethoven. This class meets from 10-11:30 a.m. for four weeks on Wednesdays, beginning Oct. 13. The course fee is \$50.

Other Emeritus courses beginning in October include *User Friendly: Here's the Basics*, a course about computer fundamentals; *World News*, a look into the critical questions facing different regions in the world; *So Many Stories... So Little Time*, a peer-led discussion of classic

North American short stories;

In-district residents age 60 and older pay half the fee. A registration fee of \$5 is required for students under 60 and those who live out-of-district. Persons who have registered for Oakton or ALL classes within the last five years and have a correct Social Security number on file may register using the Touch-Tone phone registration system by dialing (847) 635-1616. Touch-Tone registration requires payment using a major credit card (Visa, MasterCard or Discover). For more information, call (847) 635-1414.

Letters to the Editor

Lincolnwood Public Library

Opera lecture on *View from the Bridge*. Professor Richard Ashley will lecture on the new opera *View from the Bridge* by William Bolcom, which is based on the Arthur Miller play of the same name, at 2 p.m., Sunday, October 10, at the Lincolnwood Public Library. In the opera Eddie Cardone, a Brooklyn longshoreman whose marriage to Beatrice has gone stale, harbors dangerously loving feelings for his teenage niece, Catherine. Two illegal immigrant brothers, Beatrice's cousins, Marco and Rodolpho, are given shelter by Eddie. Rodolpho and Catherine fall in love and Eddie's subsequent jealousy leads to tragic consequences. The free program is one in the series of Skokie Valley Lyric Opera lectures at the library, 4000 W. Pratt Ave., phone 847-677-5277.

Library program on Vienna and Salzburg. Sanford Goldman will present a highly entertaining slide program on Vienna and Salzburg, on Friday, Oct. 15, at the Lincolnwood Public Library, 4000 W. Pratt Ave., coffee at 10 a.m., program at 10:30 a.m. The free program is part of the Library's monthly Travel

Through Time series. Vienna is the political, economic, intellectual and cultural hub of the Republic of Austria. You will see the wide boulevards, which were once the ramparts, encircling the city; St. Stephen's Church and scores of other historical and contemporary attractions -- the Schoenbrunn Palace, the Belvedere, the Donnerbrunn Fountain, the last synagogue to survive the Holocaust and the wonderfully modern Prater Amusement Park with the world famous Ferris Wheel and many others.

Continuing on to Salzburg: the city of Mozart, Salt Mines and the Sound of Music, arm chair travelers will encounter the Hohensalzburg fortress, the beautiful unrivaled Mirabell Gardens, the Hellbrunn Palace, and the tomb of Prince Archbishop Wolf Dietrich, who dreamed of making Salzburg the Rome of the North. Jerry Lewis thanks Niles residents

Dear Editor:
The people of Niles have done it again! They really pulled for us this year and helped make the 1999 Jerry Lewis MDA Telethon a winner with \$53.1 million in pledges and contributions!

By taking part in local MDA events, by calling in pledges to the Telethon broadcast on WGN-TV, Channel 9, by helping "my kids" in other ways, *Bugle* Publications readers have made a huge difference for families through-

out Illinois and across the nation. They've helped speed MDA-funded research at University of Illinois, University of Chicago, other area institutions and around the globe. Moreover, they've helped maintain the national network of clinics that resulted in MDA becoming the first organization honored by the American Medical Association with a Lifetime Achievement Award "for significant and lasting contributions to the health and welfare of

To The Editor:
In the September 9 issue of *The Bugle*, you wrote an article about Qualatex on Waukegan Road. You stated that they have been in business here for 75 years and always try to be good neighbors to the community.

Well, let's get a few things straight. The current owners of Qualatex have been in business here for less than a decade. They are anything but good neighbors. They have delivery trucks which think they own our alley, at which a sign is posted stating No Trucks Allowed. They have their garbage picked up at 5:30 a.m. waking many of our residents with their obnoxious beeps and banging. Not to mention the vibrations which shake the houses

of many of their neighbors. However, the worst offense they create, for the neighbors they are so good to, is the toxic fumes which they continually emit from their company. The fumes of cleaning solvents are constantly filling the air which we breathe. At times these fumes have become so strong, we are forced to retreat indoors regardless of the weather.

This is the truth about our good neighbor Qualatex. We do not feel that they are the good neighbor they claim to be. We do not feel that they are a welcome addition to our community. And we definitely don't feel that they are making any contributions to our wonderful neighborhood. This company belongs in an industrial area - not a residential one. And we would all like to see them go.

Belated Letter of Thanks for the paramedics

Dear Paramedics:
We who are residents of Niles are indeed fortunate to have a fine group of well-trained people, ready for any emergency.

After having lived in Niles for 45 years, we had a real emergency. When I needed help fast, the Paramedics responded in 6 minutes, along with the fire equipment.

This is how it happened:
On Thursday morning, July 29, I played nine holes of golf with the Woman's League at Tam. After a light lunch and short rest I walked to the kitchen to finish my cranberry juice. As I was about to reach for it, I fell backward with a big "thud," which forced my head to hit the kitchen floor hard enough to knock myself unconscious. My eyes were wide open and I was staring at the ceiling, but I was out! I did not see or hear the Paramedics or firemen when they came.

At first I appeared to be a heart attack, or a stroke, but all tests proved negative. After spending several hours in the E.R. in LGH, I came to in a hospital bed. After 2 days of tests, I was released.

I'm happy to say that except for 3 weeks of dizziness, I'm just about back to normal. The cause of my collapse was low potassium & low salt in my bloodstream. (I always thought that a banana a day and orange juice would protect me, but not in the hot weather we had.)

We (George & I) want to thank the paramedics for reviving me & bringing me back to the real world.

Words cannot express the deep gratitude we both feel for all of "Niles Finest" - who stand ready to serve all of us who need EMERGENCY help.

Thank you again!
We will never forget you people!

Sincerely,
Mr. & Mrs. George Koebler

The WSJB Channel 4 Television Studio gives St. John Brebeuf 8th grade students the opportunity to practice new broadcasting skills.

Student TV Crews meet after school to write news stories, plan interviews and tape broadcasts. Crew members learn to use remote cameras for stories outside the studio. Students also serve as producers, floor directors and on-air anchors for the weekly WSJB Channel 4 News.

Making decisions as to which stories will be aired can be difficult and student writers and producers are aware that all their viewers, Kindergarten through 8th grade, are eager to hear news and names from their own

Notre Dame/Resurrection multiple performances

On October 9 at 5 p.m., the Notre Dame/Resurrection High School Band will participate in the 1999 Wheaton North High School Marching Band Tournament. Under the direction of Julie Ski and drum majors LeAnne Christoffel (Resurrection High School) and Neal Michalik (Notre Dame), the band will play selections from Star Wars, Jurassic Park, Indiana Jones, Superman and Jaws.

The Notre Dame/Resurrection High School band will also appear at a number of community events throughout the school year. The band will march in the Niles Halloween Parade, which begins at 10:30 a.m. in Oak Park and concludes in Greeman park on October 31. To kick off Notre Dame High School's Walk-A-Thon, the band will also play for the pep Rally at Waveland

port for the studio and Mr. Steve Greif constructed the Channel 4 News set. Faculty moderators are Miss Carrie Fraher and Mrs. Penny Guerrieri.

Dominican

Visiting Day

The Dominican University Office of Admissions is hosting a Visiting Day for high school juniors and seniors on Monday, October 11th. The program begins at 9 a.m. in the Fine Arts Recital Hall at Dominican University, 7900 West Division Street.

Students will tour Dominican's 30-acre campus, meet faculty and students, attend classes and learn about admissions and financial aid. Representatives from the admissions and financial aid offices will be available to answer any questions regarding academic programs, scholarships, financial aid and life on campus.

Reservations are required. For more information or to register, call the Undergraduate Admissions office at (708) 524-6800. To register for visiting day online, please visit Dominican University's web site at: www.dom.edu/signmeup/.

Brooks S. Abramson

Marine Pfc. Brooks S. Abramson, son of Stan M. and Lynda M. Abramson of Skokie, recently completed basic training at Marine Corps Recruit Depot, San Diego. Abramson successfully completed 12 weeks of training designed to challenge new Marine recruits both physically and mentally. He is a 1998 graduate of Niles Township North High School.

Athletes inducted into new Wall of Fame

Notre Dame High School for Boys inducted 15 graduates into the school's Athletic Wall of Fame on Sunday, Oct. 3, as part of the rededication of the newly refurbished, 30-year-old "Wall."

The new members were honored publicly in Notre Dame Stadium at halftime of the Homecoming football game against Carmel on Friday, Oct. 1. The game was scheduled to start at 7:30 p.m. These athletes joined previous inductees, school administrators and members of the school community at a private rededication of "The Wall" and induction ceremony on Sunday.

The Notre Dame High School Wall of Fame is a display in the school's main hallway of framed photographs of the school's athletes who excelled in their sports at the college or professional levels. The 15 new inductees' portraits will join those of 83 graduates previously honored as members. School officials, parents and alumni recently completed a major redesign and refurbishment of "The Wall" for the ceremonies.

The 1999 Notre Dame Wall of Fame inductees are: Rich Aigner, Brad Balfour, Lee Brosnan, Dan DeFranza, Michael

Chapel of Four Chaplains Services at Legion

Under the direction of Sr. Vice Commander Phil Hutchins of the Morton Grove American Legion Post #134, a special service honoring the Four Chaplains will be held at the Post Memorial Home, 6140 Dempster, Morton Grove, at 1 p.m. on Sunday, Oct. 10th.

The public is invited, no Legion affiliation is necessary. The four chaplains linked arms and prayed after giving up

their life preserver, vests and other gear so others aboard the U.S.S. Dorchester during WW II would live (the submarine had been hit and was sinking). Each of a different religious denomination, the clergymen are honored each year for this courageous act by Legions throughout the nation.

Refreshments will be served following the program.

Passages Seminar Series continues

Registration is still open for the Passages Seminar Series, presented by the Emeritus Program of Oakton Community College. For a single registration fee of \$25, in-district residents age 60 and older may attend the remaining lectures that are scheduled from 1-2:30 p.m. each Tuesday at Oakton's Ray Harlstein Campus, 7701 North Lincoln Avenue, Skokie. Persons under 60 and those who live outside Oakton's district pay \$30 for the lectures.

Beginning with Tuesday, Oct. 12, nine lectures remain in the original series of 14, covering topics from the practical to the whimsical.

• *Introduction to the Feldenkrais Method* explores how an exercise system of small, gentle movements can increase flexibility, relaxation and ease of movement in everyday activities. Carmen Romero, a physical therapist and a certified Feldenkrais practitioner, will present the lecture.

• *Glass Curtain*, the lecture for Oct. 26, features a segment of the "By Herself" video series that focus on ties that bind a daughter and mother struggling with Alzheimer's Disease. Karol Vernon, adjunct instructor at Oakton College and Dominican University, will lead the post-video discussion.

• On Nov. 2 the wonderful, yet challenging, process of aging will be explored when Katherine Katsoyannis, M.D., board certified in geriatrics, presents *Understanding the Physical, Psychological, Social and Spiritual Challenges of Aging*.

• *From Page to Stage*, scheduled for Nov. 9, gives a behind-the-scenes of the "agony and ecstasy" of writing, composing and producing a musical comedy. Tracy Friend, who has been composing music for the past 25

years, presents this lecture. • A preview of winter 2000 Emeritus courses will be presented at *Taste of Emeritus* to be held on Nov. 16.

• An opportunity to hear and share memorable life experiences is planned for Nov. 23. Rich Mastrolonardo, an artist and retired faculty member of Maine South High School, will guide participants in a wonderful journey of memories called *Pearls of Life*.

• International businessman Scott Satterfield will explore the modern changes in the structure and responsibilities of the Far-Eastern family and how these changes may have initiated the most recent Asian financial crisis at the Nov. 30 lecture, *How the Family Fares in East Asia*.

• On Dec. 7, Beverly Friend, professor emeritus of English at Oakton, will present *The 1999 Nobel Prize for Literature*, a discussion of the different criteria used to decide the winner of this prestigious award.

• *Mrs. Brown... Queen Victoria's Passion*, scheduled on Dec. 14, features a screening of the popular movie *Mrs. Brown*, followed by a discussion about the close attachment of Britain's Queen Victoria to the Scottish Highlands homeman John Brown. E. Leading the post-movie discussion and giving an overview of the lives and times of Queen Victoria and Prince Albert will be Jill Hirt, Ph.D. in clinical psychology.

For more information about the Passages Seminar Series and other Emeritus events, call (847) 635-1411.

Replacing hot water heater may help to lower energy bills

Question: I understand that General Electric's new Smart-Water™ water heater will lower energy costs compared to standard models. Are water heaters difficult to install, or will I need to call a plumber?

Answer: Removing your old water heater and installing a new one can be accomplished by a do-it-yourselfer if the replacement unit is similar to the old one, according to Jack Duncan, a plumbing expert with The Home Depot.

You must turn off the power source (either gas or electric) and disconnect the water heater, including the exhaust duct if it is a gas unit. Working with the water supply lines is like working with any supply lines. To install the new unit, you simply reconnect the power source exactly as it was attached to the old unit, following the manufacturer's directions.

If you need to change from a gas water heater to an electric one, or vice versa, call a professional to do the work. Most building codes require a licensed installer to remove or install gas lines. After shutting off and disconnecting the power source and shutting off the incoming water valve, make straight cuts through the pipes below the level of the

shutoff valve. Drain the heater and remove it using an appliance dolly.

Attach a threaded fitting onto the end of each pipe so that you can connect the new water heater with supply lines. Reinstall the exhaust duct if the heater uses gas. Follow the manufacturer's directions for starting the new unit.

Century announces Woods of Ivanhoe

Century Development Group has announced plans to open The Woods of Ivanhoe, a master-planned community of custom single-family homes on a private golf course in central Lake County.

The community has available 50 luxury homesites. Century, a long-time developer of elegant single-family homes and townhomes, has recently negotiated the purchase of the exquisite, fully improved homesites, many of which are wooded and back up to the Ivanhoe Golf Club, from the T.I. Group Inc.

The Woods of Ivanhoe is on Route 176, approximately 1/2 mile west of Route 83. For additional information, call (847) 949-9660.

Carbon Monoxide warnings

Carbon monoxide is a colorless, odorless gas that interferes with the delivery of oxygen throughout the body. At high concentrations, it can cause unconsciousness and death. Lower concentrations can cause a range of symptoms from headaches, dizziness, weakness, nausea, confusion, and disorientation, to fatigue in healthy people and episodes of increased chest pain in people with chronic heart disease. The symptoms of carbon monoxide poisoning are sometimes confused with the flu or food poisoning. Remember to:

- Take special precautions when operating fuel burning, unvented space heaters.
- Install and use exhaust fans over gas cooking stoves and ranges and keep the burners properly adjusted.

Do-It-Yourselfers: Know what you're doing!

Fall is a great time to fix up the house, but can lead to injuries when rookies attempt to act like professionals. Experts advise occasional "do-it-yourselfers" against tackling complex, dangerous projects involving wiring, plumbing, or heating, even with some knowledge. Use good judgement and practice safety with some good common sense:

1. Dress like a professional with safety eyewear, dust masks, gloves, hearing, and head protectors.
2. Think small. Do not take on more than you can handle.
3. Plan the job before starting, watch for potential hazards and allow enough time to do the job without rushing or cutting corners.
4. Use the proper tools. Leave improvisation to the actors.

Top ten fall vacation ideas

5. Take frequent breaks to avoid fatigue.
 6. When lifting a heavy load, let your legs do the work, not your back.
 7. Never saw into walls without knowing the exact layout of electrical wires, plumbing, gas pipes, asbestos insulation and studs.
 8. Know operating instructions and use power equipment properly.
 9. Stay alert, especially if you are working with someone else. Communicate clearly.
 10. Use the proper ladder for the job. Keep it in good repair. Place it on a firm, level, non-slippery surface. Keep your body within the side rails.
- The Safe America Foundation reminds you that injury prevention depends on the practice of good safety habits. For year-round safety information call: 770-218-0071, go online at <http://www.safeamerica.org>, or e-mail: safeamerica@mindspring.com.
1. Festivals, festivals, festivals. Stomp the juice out of 40 pounds of grapes in two minutes at the Wollersheim Winery Grape Stomp Festival, Oct. 2-3. For a different experience, stuff a scarecrow, decorate a pumpkin or attend the craft fair at the second annual Wisconsin Dells Autumn Harvest Fest, Oct. 14-17.
 2. Thrilling Indoor Attractions. Step into the wild while visiting the nation's finest collection of rare and giant reptiles at Serpent Safari or take a trip out of this world while visiting the Mir Space Station at Tommy Bartlett's Robot World and Exploratory.
 3. Indoor slippery slides. Fifteen Wisconsin Dells resorts are home to indoor waterparks with amenities ranging from indoor wave pools to lazy rivers and gigantic water slides.
 4. Shopping in the River District. Whether seeking antiques, crafts, souvenirs or gifts, the Dells River District satisfies those in search of a unique vacation remembrance. While in town, don't forget to pick up some world-famous fudge.
 5. Lush fairways and wooded greens. Wisconsin Dells is the home of three championship golf courses. Take a swing at the newly redesigned Wilderness Woods Golf Course or take advantage of the wooded holes and open fairways at Christmas Mountain.
 6. Beautiful Fall Colors. Explore some of America's most captivating scenery while eating a romantic dinner aboard the Mid-Continent Railway, or listen to historical Wisconsin Dells stories aboard scenic fall tours.
 7. Autumn Concerts at the Crystal Grand Music Theater. In October, tap your feet or dance to the beat of two popular musical acts - Sawyer Brown and Debbie Reynolds. Or, if singing sensations George Jones or Peter Paul and Mary are a bit more appealing, plan to visit in November.
 8. Sleeping in and eating big at area B&B's. Wisconsin Dells is home to nine bed and breakfasts. Take pleasure in a candlelit breakfast at the Pinehaven Bed and Breakfast or receive a complementary full body massage or facial at the White Rose Bed and Breakfast.
 9. Outdoor fun. Delight in horseback riding and hiking, or camp at one of 3,014 campsites in the Wisconsin Dells area.
 10. For a Change of Pace. Wisconsin Dells takes on a whole new atmosphere once the mercury drops below 70 degrees. Whether you seek a romantic weekend getaway or a fun family escape, take advantage of the Dells' long list of accommodations, activities and events.
- For more information about fall activities in Wisconsin Dells, contact the Wisconsin Dells Visitor & Convention Bureau at 1 (800) 223-3557, and mention ext. R. Or, visit the Wisconsin Dells web site at 222.wisdells.com.

Suspicious activities

An unknown woman in her 40s and an unknown girl between 10 and 15 years of age entered a variety retail store in the 8400 block of Golf Road around 4 p.m. Oct. 1. The woman attempted to purchase \$42.22 worth of miscellaneous merchandise with a \$100 bill. When the clerk checked the bill with a pen designed to detect fraudulent bills it turned black indicating it was counterfeit.

When the clerk informed the suspect that she could not accept the counterfeit \$100 bill, the suspect produced a second \$100 bill which also turned black when

checked with the pen. The suspect then removed a \$50 bill from her purse, and the clerk observed more than 10 rolls of currency which appeared to be \$50 and \$100 denominations. The \$50 bill turned black when checked with the pen, and the offender said she had no smaller bills.

The offender then removed the \$50 and \$100 bills from the counter and left the store without the items she intended to purchase. The offender and the girl entered a light blue 1980s Ford Taurus or Tempo and left in an unknown direction.

Battery

A 51-year-old Buffalo Grove man reported that he and a 30-year-old Lincolnwood man were both driving southeastbound on Milwaukee Avenue south of Dempster Street where three lanes merge into two lanes. The offender was in the outer lane and had to slow to avoid merging into the victim's vehicle.

When the victim stopped at a red light at Main Street, the offender made an obscene gesture to him, which the victim returned. When the light turned green, the offender pulled out in front of the victim and slammed on the brakes. The offender ran to the victim's car and began to swear at the victim. The offender slapped the victim's face, spit at him and punched him in the face with a

closed fist before fleeing southeastbound on Milwaukee Avenue.

The victim requested a follow-up investigation and will sign complaints.

Theft

The manager of a supermarket at 801 Civic Center Plaza reported that two unknown men in their 30s, both standing 6 ft. 4 in. tall removed nine bottles of vodka from the shelf and exited the store. The offenders left the store and entered an Oldsmobile of unknown year in beater condition. The offenders exited the lot northbound. The complainant told police that a Chicago store of the same grocery chain reported having offenders of a similar description in the store.

The manager of a jewelry store in the Golf Mill shopping center discovered seven diamonds in miscellaneous jewelry were switched with false diamonds. The suspect, a former employee, left the store at the end of August. Prior to leaving, the suspect had work done at another jewelry store, which the employing store never ordinarily used for such repair work.

The complainant feels the other jewelry store was used by the suspect to switch the stones. The suspect worked for the Mt. Prospect store, and the Loss Preven-

tion Agent is attempting to discover if the switch of stones occurred at that location.

The complainant has attempted to contact the suspect several times, but no phone calls have been returned. The complainant discovered that when the suspect had the work done at the other jewelry store, no forms were filled out and the suspect paid cash for the work.

The manager feels the false diamonds may have been sold to customers, although she feels she has discovered all the fake diamonds in the store. The value of the stones removed and replaced by the fake diamonds is \$27,238.

Burglary

A 75-year-old Niles man reported that sometime between 10 p.m. Sept. 30 and 8 a.m. Oct. 1 unknown offender(s) gained entry to his garage in the 8700 block of Olcott by removing the glass in a north-facing window. Once inside, the offender(s) removed the entire front bumper, grill, headlights and both air bags from the victim's white 1997 Lincoln Continental.

The offender(s) disconnected several fuses in the engine in order to bypass the alarm and set off the air bags. Police are conducting a follow-up investigation.

Discouraging Gang Participation

Parents CAN discourage their children from joining a violent gang by being aware of specific behaviors they may exhibit.

While it is normal for some children to "want to belong" to a gang because of the good feelings that come from being part of a special group, help them deal with peer pressure by remembering these tips from the National Crime Prevention Council and The Safe America Foundation, Communication is the key:

1. Wearing specific colors or emblems or wearing certain kinds and colors of clothing in very specific ways.
2. Use of special hand signals.
3. Wearing or drawing gang symbols—on walls as graffiti or on books, paper or clothing.
4. Possessing unexplained, relatively large sums of money.
5. Declining grades and interest in school.
6. Staying out without a good reason.
7. "Hanging" with known or suspected gang members.
8. Carrying weapons.

The Safe America Foundation and The National Crime Prevention Council remind you that injury prevention depends on the practice of good safety habits. For year-round safety information call: 770-218-0071, go online at <http://www.safeamerica.org>, or e-mail: safeamerica@mindspring.com.

55 Alive safe-driving course offered

Lutheran General Hospital's Senior Advocate program and the American Association of Retired Persons (AARP) is offering 55 Alive, a two-session safe driving refresher course for experienced motorists 50 and older.

The eight-hour course is taught in two, four-hour sessions spanning two days. The sessions will be held from 9 a.m. to 1 p.m. Saturdays, October 16 and October 23, in Room 1043 West on the 10th floor of Lutheran General Hospital, Park Ridge. Participants must attend both dates to become eligible for a reduction in car insurance rates.

There is an \$8 fee for the program and refreshments are included. The class size is limited. To register, call HealthAdvisor at 1-800-3-ADVOCATE (1-800-323-8622).

The course helps drivers re-

fine existing skills and develop safe, defensive driving techniques. Topics covered include age-related physical changes (vision, hearing, reaction time) and ways to compensate for those changes, traffic safety rules of the road, new laws, hazardous driving situations, effects of medications on driving ability, and proper use and maintenance of vehicles.

Future 55 Alive sessions will be held at Lutheran General Hospital on October 16 and 23.

The 55 Alive program, which was developed by the AARP in 1979, is the first and most recognized comprehensive nationwide course created especially for older drivers. Upon successful completion of the course, graduates of 55 Alive may be eligible to receive a state-mandated multi-year discount on their auto insurance premiums.

Black-tie casino night to benefit people with disabilities

The Women's Board of United Cerebral Palsy of Chicago (UCP Chicago) is once again preparing for its black-tie GAMBOL to benefit UCP Chicago's Early Intervention program for children with disabilities. This year's event, the 32nd annual, will be held Friday, Oct. 15, 1999, at The Drake, 140 East Walton Street in downtown Chicago.

Guests will enjoy an elegant evening of casino gaming, dining, dancing, an open bar, silent and live auctions, and a cabaret.

Answers about your dental records

Every day, the Chicago Dental Society and the Illinois State Dental Society receive calls from patients asking about the legal responsibility of the dentist to give a patient or another dentist a copy of the patient's dental records.

"Most patients automatically assume that since the records are about them, they own them, but according to attorneys in the field, this is not correct," says Christos Pappas, DDS, manager of the CDS Department of Peer Review and Mediation. "The records are owned by the dentist because they document the services he or she has performed for the patient and must be kept for 10 years. However, the patient does have access to the records and can get copies."

The Illinois Dental Practice Act states that "dental records... or copies of those dental records, shall be made available upon request to the patient or the patient's guardian, provided that the reasonable cost of reproducing the records has been paid by the patient or the patient's guardian."

Can a dentist send the records directly to a dentist's office if requested to do so by the patient? "Yes, as long as the dentist has a release from the patient. The patient should state in writing the request to transfer and should include the proper address."

For more information about dental records, contact Dr. Pappas at (312) 836-7331.

What is Influenza?
Influenza (also called the "Flu") is a serious disease caused by a virus. Flu is usually spread by respiratory droplets from the nose or throat of an infected person, either by coughing or sneezing. The flu season in the US is from November to March or April each year.

Who gets Influenza?
People of any age can get the flu. Most people are sick for only a few days. Older people and those with chronic illnesses, like high blood pressure, asthma or diabetes may become very ill and need to stay in the hospital. Influenza causes thousands of deaths each year, mostly among the elderly.

What is the Flu Shot?
The viruses that cause the flu change often. Influenza vaccine or flu shots are produced each year based on the types of viruses in the environment. Almost all people who get flu shots have no serious problems from it. The viruses in the vaccine are killed, so you cannot get the flu from the vaccine. To many people, "the flu" is any illness with fever, cold symptoms or sometimes vomiting. Influenza vaccine is only effective against illnesses caused by influenza virus, and not against other causes of colds, fever and vomiting.

Who Should get the Flu Shot?
The elderly and those who have long term health problems should get a yearly flu shot. That includes those who suffer from: heart disease - lung disease - diabetes - anemia - asthma -

The "Safest Kid in America" student pledge

Being one of America's "safest kids" is a title all youth can earn. It just takes a commitment to learn how to be secure when traveling, playing or working. Make a pledge to follow these simple tips from the US Department of Transportation and the Safe America Foundation:

1. Commit to learning how to live and play safely. Ask adults for advice, read any safety regulation and adhere to safety advice offered whether it be from a flight attendant, parent or teacher.
2. Buckle your car safety belt

3. Wear a bike helmet every time you ride a bike.
4. Ride your bicycle to the far right, follow the rules of traffic, and avoid busy or crowded streets.
5. When walking, always obey pedestrian rules. Never jaywalk. At crosswalks, stop, look left, look right, and left again before crossing the street.
6. Stay 5 giant steps away from the street when you are waiting for a bus.
7. Wear a life jacket when you are on a boat or around water.

8. Wear light, bright colors and reflective markers so you can be seen in the dark.
9. Stop, Look and Listen before you cross railroad tracks, and never play on or near tracks.
10. Stand facing forward and hold the handrail when you are on an escalator.
11. Stay out of the back of pickup trucks.
12. Look out for younger siblings and help them when they are putting on safety gear.
13. Remind "forgetful" parents

to wear their own seatbelts, life jackets, or helmets whenever they are active.

October is Safe America Month. The Safe America Foundation is a non-profit organization dedicated to injury prevention and the practice of good safety habits through the distribution of safety products and innovative educational programs. For more information call: 770-218-0071, go online at <http://www.safeamerica.org>, or e-mail: safeamerica@mindspring.com.

Legion sends youth to Boys' State

A mythical city with forms of government learning experience is held each year by the Dept. of Illinois American Legion.

Local post, #134 of Morton Grove, traditionally sends a candidate to this week's session.

Known as Boys' State, hundreds of teen boys from throughout the state attend sponsored by their local Legions. The candidate representing Morton Grove Post #134 this past summer was Guido Tezzarossa (of Loyola Academy).

Learn at home with Oakton's online courses

The Alliance for Lifelong Learning (ALL), the continuing education program of Oakton Community College and district high schools, offers a variety of online courses for those who enjoy learning at their own pace at home. Register now for courses that begin on Oct. 13 and Nov. 10.

To join this new and exciting format in learning, students must have an e-mail address, Internet access and Microsoft Internet Explorer or Netscape Navigator web browsers. Registration must be completed at least seven days before the first class. Students are also required to attend an orientation session at the Web site <<http://www.ed2go.com/>> oakton.all. All online courses are six weeks in length, with two class lessons posted each week on Wednesdays and Fridays (a total of 12 lessons).

An extensive list of online courses are scheduled in the upcoming October and November sessions, including courses in accounting (*Quicken* and *Quickbooks*); business and finance (*A to Z Grantwriting and Small Business - Financial Management*); computers (*Business Communications Using E-Mail, Introduction to PC Troubleshooting and Creating Web Pages*); customer service (*Winning Customer Service Techniques*); and supervision and management (*Supervision and Conflict Resolution/Problem Solving*).

For more information about these classes and for a complete listing of ALL online courses, call (847) 982-9888, press #3.

Students who have registered for Oakton or ALL classes within the last five years and have a correct Social Security number on file may register by using the Touch-Tone system at (847) 635-1616 or by FAX at (847) 635-1448. Both methods require payment with a major credit card (Visa, MasterCard or Discover).

For more information about these classes and for a complete listing of ALL online courses, call (847) 982-9888, press #3.

Autumn Harvest Fest returns to the Dells

Wisconsin Dells is celebrating the season with the second annual Autumn Harvest Fest, Oct. 14-17. This four-day celebration offers Wisconsin Dells visitors dozens of activities including scarecrow stuffing and fudge-eating contests, a tailgate party and educational sessions.

Autumn Harvest Fest offers events and activities that appeal to all ages and interests, including several new activities. On Friday, Oct. 15, following a city-wide fish fry, guests can visit the frightening Ghouls and Fools Haunted House.

Also new to Autumn Harvest Fest this year is Wisconsin Dells On Tap, a special event representing twenty pubs and micro-breweries from around the state. Tickets, available in advance for a discount, allow visitors to sample all micro-brews from light pillagers to bitter ales and dance to live music. Micro-brew guests are encouraged to take advantage of the free shuttles running to and from area hotels.

Returning to the festival in 1999 is a huge Autumn Harvest Fest Bash, complemented with live music, a bonfire, hayrides, craft fair and contests such as pumpkin decorating and scarecrow stuffing. Special children's activities during the bash include clowns, face painting, kid fingerprinting and a straw dog for candy.

Experts from regional establishments will conduct educational sessions during the Autumn Harvest Fest Bash. Wine makers from Wollersheim Winery, Prairie du Sac, will discuss the art of wine making and inform attendees about the wines that best complement various entrees. A professional baker from the award-winning Cheese Factory Restaurant, Wisconsin Dells, will teach onlookers how to put the final touches on a fall dessert. Other sessions include pumpkin carving, cheese making and apple growing.

On Sunday, Oct. 17, Autumn Harvest Fest will conclude with

The Taste of the Dells, featuring a food from area vendors, a farmer's market, and a fudge-eating contest. A Packer Tailgate party will be held, and clowns will be on hand to entertain children.

Throughout the festival, visitors can view the spectacular fall foliage of South Central Wisconsin. The banks of the Wisconsin River can be seen via Dells Boat Tours and Original Wisconsin Ducks, while the area's wooded trails can be absorbed on an autumn hike or bike ride. On October 16 and 17, Mid-Continent Railway Museum will run Steam Train Rides aboard an authentic Chicago & Northwestern No. 1385, built in 1907.

Visitors who contact the Wisconsin Dells Visitor & Convention Bureau before October 1 will receive an Autumn Harvest Fest brochure with special in-area discounts. Valid throughout the festival, visitors can save at participating accommodations, attractions and retail establishments. Participating restaurants

are offering a free pumpkin-related food item with each entree purchased.

The Second Annual Autumn Harvest Fest is located throughout the Wisconsin Dells area, and is sponsored in part by the Wisconsin Department of Tourism.

For more information about Autumn Harvest Fest and a festival schedule with specific times and locations of events, contact the Wisconsin Dells Visitor & Convention Bureau at (800) 223-3557 and mention ext. R.

Passport to the World premieres in October

Engagement

Bathey - Wojtalik

Mrs. Bertha Bathey of Chicago announces the engagement of her daughter Laura Leticia to Jonathan Edward Wojtalik, son of Mr. and Mrs. Wayne Wojtalik of Niles. The bride is an Inside Sales Representative for Arrow Electronics Inc. She graduated from St. Benedict's High School in Chicago. Her mother is a Senior Quality Technician at Shure Brothers in Evanston. The groom, a graduate of the University of Illinois at Urbana, is employed by SAFCO Technologies, Inc. of Chicago as an Embedded Design Engineer. Jonathan attended Notre Dame High School for Boys in Niles. His father is an electrician for Dahl Electric and his mother is a Middle School educator at Rhodes School district 84.5 in River Grove. An October 10 wedding is planned at The Grove in Glenview. After a honeymoon in New Orleans, the newly married couple plan to reside in Park Ridge.

String Academy Open House and Orientation

The Maine East String Academy announces its annual Open House and Orientation for new students to be held Saturday, October 16, at Maine East High School. The goal of the Maine East String Academy is to provide the highest level of excellence in the teaching of the orchestral string instruments: violin, viola, cello, and string bass. The program, now in its third year, is available to pre-high school age students in the communities served by East Maine District 63 and Maine Township High School District 207. Each student is scheduled during after school hours or Saturdays for both an individual lesson and group class each week. Individual lessons are 30 minutes in length; group classes last 45 minutes. Lessons are held at Maine East High School in the Orchestra-room (Room 258) and music studios. The cost for instruction is \$18 per week and includes both the individual lesson and the group class. Both beginners as well as advanced students are welcome to enroll. The Open House and Orientation will be held in Room 258, the Orchestra room. Those who attend the Open House and Orientation will have the chance to meet the string faculty, learn about the program, and enroll in the String Academy. Interested students and their parents should arrive any time between 10 a.m. and 1 p.m. and plan to stay for at least thirty minutes. Information concerning the instrument rental program through Quinlan and Fabish Music Company will also be available. In addition, each teacher will meet with students and parents to arrange the weekly individual and group lesson schedules. For more information, please phone the Maine East Orchestra Director, Mr. Edward Eubank, at 692-8500.

Oakton Community College's Emeritus Program has revamped its popular foreign relations lectures. In the past, participants could attend individual lectures. The program has been reformatting as a package of nine lectures registration. Under its new name, *Passport to the World* (HUM 553), the program will meet weekly from 1-2:30 p.m. at Oakton's Ray Hartstein Campus, 7701 N. Lincoln Avenue, Skokie. On Thursday, Oct. 7, George Lungu, Ph.D. candidate in political science at the University of Illinois/Champaign-Urbana, presents the first lecture, *Europe - An Union*. Lungu will explore the present impact and future prospects of the world's newest economic giant. The remaining lectures in the series look at other regions of the world on the eve of the new millennium.

- Oct. 14: *The USA in the New World Order*, presented by Richard Stacewicz, Ph.D., associate professor of social sciences at Oakton. Stacewicz will outline American foreign policy since the end of the Cold War and discuss America's current status as the world's only superpower.
- Oct. 21: *Islam's New Foundations*, presented by Gregory Kozlowski, Ph.D., professor of history at DePaul University. Kozlowski will examine changes in the contemporary Islamic world and how these new developments affect countries such as Pakistan, Saudi Arabia and Turkey.
- Oct. 28: *Through a Glass Darkly: Chinese and American Views of One Another*, presented by Scott Satterfield, international businessman. Satterfield will explore the differences in government, culture, and popular attitudes of the American and the Chinese people, and how these differences affect mutual expectations.
- Nov. 4: *South of Our Border*, presented by Frank Safford, Ph.D., professor of history at Northwestern University. Safford will discuss historical and contemporary trends in Latin American economies, societies and political systems.
- Nov. 18: *Mother Africa*, presented by Clement Adibe, Ph.D., assistant professor of political science at DePaul University. Adibe will examine Africa in the context of late 20th century globalization.
- Dec. 2: *An Israeli Perspective on Peace in the Middle East*, presented by Murray Pomerantz, M.A. Pomerantz, an American-born Israeli, will share his personal view of Middle East peace, emphasizing some of his points with unique expressions of Israeli popular culture.
- Dec. 9: *Palestine's Aspirations*, presented by Ali Abunimah, M.A. Abunimah will present an overview and an analysis of the Palestinian and the Middle East Peace Process in the context of the Israeli elections and the end of the Oslo Peace accords.
- Dec. 16: *Eastern Europe on the Eve of the 21st Century*, presented by John Bushnell, Ph.D., professor of history at Northwestern University. Bushnell will explore what effect the traumatic history of 20th century Eastern Europe has had on the region's various ethnic groups. In-district students age 60 and older pay \$45 for the nine lectures in the *Passport to the World* program. The program fee is \$50 for those who live out-of-district or who are under age 60. For further information about this lecture series and other events sponsored by the Emeritus Program, call (847) 635-1414.

nine street sections (such as the area between Greenland and Cumberland). In addition, Meradi Multi Dimensions Consulting Engineers Inc., won a \$15,000 bid for a topographical survey designed to study streets throughout the village for the water distribution improvement project in an effort to improve water distribution throughout the village.

Other bid awards went to the Sharkey Construction Company which underbid the competition by almost \$20,000 for renovations of the Touhy Avenue pump station (Sharkey's final bid was \$75,661), and Communications Correct, providing \$24,338 in new portable radios for the Niles Police Department.

McDonough Associates won the \$287,300 engineering contract for the reconstruction of Harts and Gross Point Roads. However, some of that cost may be defrayed with federal and state subsidies.

Trustee James Mahoney told the board that the village will apply to the State of Illinois "for a 50% reduction in engineering costs."

An additional 7% of project funding may come from federal aid, said Public Services Director

the meeting by which the city agreed to purchase the Bredemann property near Meacham Avenue and Busse Highway in 18 to 24 months from now but no more than four months after the Bredemann vacate the property to move to the Dempster Street location.

Mayor Ron Wietecha thanked all those who had input during the project's developing stages, even those who opposed the TIF mainly on the grounds that it constitutes a sort of welfare to the wealthy. TIF projects were originally intended to encourage developers to undertake renewal projects in blighted, run-down or vacant commercial areas. The Bredemann project was viewed by some as too large a tax-

family medical history revealed that his mother had died of a heart attack at age 21. Aponte, however, had recently had a physical examination and showed no indications of any congenital heart condition.

Family members told officials that Aponte was very health conscious and maintained a strict diet. Even though the wrestling season will not start for a month yet, Aponte was exercising diligently to "make weight," family members told police.

Aponte complained of a headache on Sept. 20, but did not mention any ailments after that.

He had been out with friends the night before he was found dead, returning home at 8:30 p.m. and going to bed at 11 p.m. He did not complain of any ailments, ac-

Jun Noriega. The board also approved the purchase of \$5,000,000 in "General Obligation Bonds." According to Trustee Bart Murphy, the bonds will be used to finance the Watermain Improvement Program which seeks to update Niles' deteriorating water conduits.

In other news, local resident and air pollution activist Olga Weaver appeared before the board saying she was "extremely disappointed" at Mayor Blase's failure to appoint an Airport Advisory Committee to study airplane pollution effects on Niles residents.

Weaver mentioned that she initially tried to work with Trustee Tom Przybylo who expressed interest in the issue several months ago, "but it didn't work out," she said.

Niles is one of the few communities near O'Hare that doesn't have a noise monitor to track airplane noise pollution. As a result, Niles fails to appear on O'Hare's monthly pollution reports.

Weaver told the board that after researching the lack of equipment, she discovered Niles didn't receive a pollution monitor because "it never asked for one."

supported handout to the already prosperous Bredemann dynasty. Supporters, on the other hand, contend that the site, which had become quite an eyesore, would not have been redeveloped without the extra push of the TIF funding.

Nonetheless, Wietecha credited the project's critics with forcing the officials to remain focused and think through all the important issues.

Now Park Ridge will have to launch the second phase of the Bredemann redevelopment: deciding what to do with the vacated property on Meacham.

The new Bredemann development will open for business late in 2000 or early in 2001, officials said.

of the costs of overtime, vehicle or equipment expenses will be paid by the Village of Niles.

The program will be conducted throughout Niles during routine patrols rather than at special checkpoints at designated intersection. It will consist of five separate campaigns starting this month and ending in October 2000.

During the first week of each campaign the village cable station, notices attached to water bills and press releases issued by Fryksdale will inform citizens of the purpose and scope of the upcoming weeks.

During the next two weeks, officers will conduct an enforcement campaign during which they write DUI and speeding citations.

In addition, citations for failure to wear seatbelts will also be issued should occupants of a vehicle stopped for another violation are not wearing seatbelts, Fryksdale said.

The fourth week of each campaign will be used to analyze campaign effectiveness.

If successful, the program should produce a higher rate of seat belt and child safety seat use, an increased enforcement of occupant restraint, impaired driving and speed laws, and, most important, a reduction in the number of fatal accidents in the village.

Motor vehicle crashes are the leading cause of death for Americans between ages 5 and 24, according to Fryksdale. In 1998, there were 1,393 crash-related deaths in Illinois.

ate Monday for pickup during the week. Leaf pickup begins on the following dates:

- October 18th
- November 1st
- November 15th

Loose leaves should be raked into the curb by Monday of the pickup week and be free of foreign materials such as grass, branches, plants and rocks. Leaves will not be collected if they are placed in plastic bags or boxes- all leaves must be loose. Leaves placed for pickup on the appropriate Monday morning will be picked up during that week not necessarily that Monday. To provide the leaf collection equipment better access to the streets, residents are encouraged to park vehicles in garages or driveways. Residents choosing to bag their leaves may purchase yard waste stickers (\$1 each), and place the sticker on the paper yard waste bag or a 35 gallon garbage can used for disposal. The container should be placed at the curb for collection on the regularly scheduled garbage pickup day.

Please contact the Public Services Department at 588-7900 should you have any questions regarding this service.

Holy Family and library to sponsor fall health series

During the month of October Holy Family Medical Center and the Des Plaines Public Library will sponsor a free health lecture series. The sessions will offer individuals information and education to help them maintain their overall health and well-being.

On Wednesday, October 13, Andrew Lerrick, MD, a board certified Otolaryngologist and Head and Neck surgeon at Holy Family Medical Center, will discuss treatment options for headaches and migraines.

Classes are free and will be held three consecutive Wednesdays in October at the Des Plaines Public Library, 841 Graceland Ave., in Des Plaines from 7:30-8:30 p.m. Attend any or all the classes in the series. The Des Plaines Junior Woman's Club will be serving complimentary refreshments. For more information or to register for any of these classes, please call the Des Plaines Public Library at (847) 827-5551.

John Winkler, MD, a board certified Ophthalmologist at Holy Family Medical Center, will provide information on the

topics of macular degeneration and glaucoma. Dr. Winkler will also discuss the latest treatment options and technology on Wednesday, October 20.

On Wednesday, October 27, William Davison, MD, a Diplomate of the American Board of Psychiatry and Neurology, will discuss treatment options for headaches and migraines.

Classes are free and will be held three consecutive Wednesdays in October at the Des Plaines Public Library, 841 Graceland Ave., in Des Plaines from 7:30-8:30 p.m. Attend any or all the classes in the series. Certificate Programs

Stay competitive in today's market by acquiring new business skills. Oakton Community College's Division of Social Sciences and Business offers more than 25 certificate programs designed to make you more marketable.

Oakton's most popular certificate programs include Global Marketing; Management and Supervision; Advertising and Professional Selling; World Wide Web Maintenance or Programming; Marketing Communication; Interactive Marketing; Bed and Breakfast Operations; International Trade; and Financial Services. These programs develop skills in specialized areas and can be completed within two or three semesters.

Take advantage of this opportunity to advance your education and professionally. Many classes begin in September and October. For information about Oakton's certificate programs in business, call Sue Cisco, professor and chair of marketing, at (847) 635-1872.

'Passport to the World'

Oakton Community College's Emeritus Program has revamped its popular foreign relations lectures. In the past, participants could attend individual lectures. The program has been reformatting as a package of nine lectures requiring a single registration. Under its new name, Passport to the World (HUM 555), the program will meet weekly from 1-2:30 p.m. at Oakton's Ray Hartstein campus, 7701 N. Lincoln Avenue, Skokie.

On Thursday, October 7, George Lungu, Ph.D., candidate in political science at the University of Illinois/Champaign-Urbana, presents the first lecture, European Union. Lungu will explore the present impact and future prospects of the world's newest economic giant.

The remaining lectures in the series look at other regions of the world on the eve of the new millennium:

• October 14: The USA in the New World Order, presented by Richard Stacewicz, Ph.D., associate professor of social sciences at Oakton. Stacewicz will outline American foreign policy since the end of the Cold War and discuss America's current status as the world's only superpower.

• October 21: Islam's New Foundations, presented by Gregory Kozlowski, Ph.D., professor of history at DePaul University. Kozlowski will examine changes in the contemporary Islamic world and how these new developments affect countries such as Pakistan, Saudi Arabia and Turkey.

• October 28: Through a Glass Darkly: Chinese and American Views of One Another, presented by Scott Satterfield, international businessman. Satterfield will explore the differences in government, culture, and popular attitudes of the American and the

Chinese people, and how these differences affect mutual expectations.

• November 4: South of Our Border, presented by Frank Saford, Ph.D., professor of history at Northwestern University. Saford will discuss historical and contemporary trends in Latin American economies, societies and political systems.

• November 18: Mother Africa, presented by Clement Adibe, Ph.D., assistant professor of political science at DePaul University. Adibe will examine Africa in the context of late 20th century globalization.

• December 2: An Israeli Perspective on Peace in the Middle East, presented by Murray Pomerantz, M.A. Pomerantz, will share his personal view of Middle East peace, emphasizing some of his points with unique expressions of Israeli popular culture.

• December 9: Palestine's Aspirations, presented by Ali Abunimah, M.A. Abunimah will present an overview and an analysis of the Palestinian and the Middle East Peace Process.

In-district students age 60 and older pay \$45 for the nine lectures in the Passport to the World program. The program fee is \$150 for those who live out-of-district or who are under age 60. For further information about this lecture series and other events sponsored by the Emeritus Program, call (847) 635-1414.

Americans consume more sugar than they think

Americans eat an average of 20 teaspoons of sugar each day, or about 320 calories not counting sugars that appear naturally in foods such as fruits, legumes or milk, according to the U.S. Department of Agriculture.

Through some of the sugar comes from obvious sources - soda pop, frosted breakfast cereals, and rich desserts - much of the extra sugar consumed comes from unlikely sources, including barbecue sauces, soups, dressings, oatmeal, cranberry sauces, apple sauces, and yogurts.

"It's very important for consumers to read the labels of packages," says Dr. Kleszynski, DDS, a general dentist who practices in Oak Lawn and serves as president of the Chicago Dental Society. "Sugar comes in many names and forms on product ingredient lists - white, brown, raw or cane sugars; corn syrup or high fructose corn syrup; honey, molasses or sorghum. Whatever they go by though, any sugar that has been added to a product is nutritionally equivalent to plain old white table sugar. It has four calories per gram or 16 per tablespoon and virtually nothing else as far as nutrients."

The USDA advocates that the 20 teaspoons of extra sugar each American consumes daily be cut back. The agency suggests limiting added sugar to six teaspoons for someone who eats 1,600 calo-

ries a day, 12 teaspoons for those who eat 2,220 calories a day, and 18 teaspoons for 2,800 calories.

Of particular concern to dentists are medications that contain sugar. "Many parents are not aware that some medications such as cough syrups contain high levels of sugar to make them taste better," says Dr. Kleszynski.

"The sugars are listed on the label usually as sucrose, glucose or corn syrup. Sugar can be an issue for some children who take a lot of medications because they have an increased chance of cavities. The extra sugar also can be a con-

cern for diabetics." Patients prone to fungal and other types of oral infections and who take chewable tablets and lozenges also are at high risk for dental decay. "The irony is that patients will chew or suck on these medications and be treated for fungal infections, but open themselves to cavities," says Dr. Kleszynski.

He says that consumers need to do the appropriate research when choosing medications and asking plenty of questions of their physicians and pharmacists about prescription medications.
