$1000 given
by MG
Foundation
for tsunami relief

The Morton Grove Foundation has decided to
donate $1,000 to the American Red Cross for their south
Asian tsunami victims' relief fund.

"This may be the worst disaster we ever see," said Foundation
President Terry Liston.

Though the Foundation is dedi-
cated to funding community organ-
izations through grants, board
members felt that it was important
to make the gesture to the devastat-
ed area on behalf of the community.

"The Morton Grove Foundation
is supposed to be philanthropic and
support charitable organizations in
the community," said Liston. "But
given the historic proportions of the
devastation and the fact that many
of our community have roots in
southeast Asia, we felt that it was
important to make this gesture.

According to Liston, 20 percent
of Morton Grove's population has
origin in the region where the
tsunami occurred.

Repairs may bring Niles Police Station Ramp up to code

A number of repairs were being made this week and
last week to the ramp at the Niles Police Station that officials
anticipated would make the building compliant with federal and state
accessibility codes.

Workers adjusted handrails, land-
ings and added saw cuts to the top of

MG Development Director Angell to leave for Des Plaines
Accepted conditional job offer, awaiting final background check

Tom Angell, economic devel-

opment director for the vil-

lage of Morton Grove gave
two weeks notice Monday in antici-
pation of moving to the position of
economic development director for
the city of Des Plaines. His last day
will be Friday, Jan. 21. He has been
with the village since 2000.

Officials from Des Plaines con-

firmed that they had recently made
a conditional job offer to an unnamed
individual pending the results of a
final background check. City
Manager Dave Niemeyer said that
they wanted to be very thorough in
the process after the debacle involv-

ing their last economic development
director, Bill Schneider, who had
served time for mail fraud. But
Niemeyer did say he expected a final
offer to be extended within a week.

Ralph Czerwinski, Morton Grove
village administrator, however, con-

firmed that Angell was departing for
a position in Des Plaines and that his
written notice was given to the vil-

lage administrator.

Nor-Wood Life Care NFP seeks volunteers.

When making your New Year's resolutions for 2005, why not put volunteering at the top of your list? The Nor-Wood Park Home (NWH) and the Norwood Park Station Network (NPSN), both divisions of Nor-Wood Life Care, 6016-20 Niles Ave. in Chicago, have a few hours to spare daily, weekly, or monthly, your assistance is needed to deliver food to older adults in their homes. We need volunteers to help pack, sort, and deliver food to the older adults. This volunteer effort is a great opportunity to help improve the quality of the lives of many residents by assisting them in their daily activities.

Volunteers are needed at Nor-Wood Park Home (NWH) and the Norwood Park Station Network (NPSN), both divisions of Nor-Wood Life Care, 6016-20 Niles Ave. in Chicago. If you have a few hours to spare daily, weekly, or monthly, your assistance is needed to deliver food to older adults in their homes. We need volunteers to help pack, sort, and deliver food to the older adults. It's time and taxing file online is easy and fast is easy

RE/MAX Northern Illinois sets new annual sales mark with big boost from November results

The Internet has changed the way Americans do everything. We shop online, study music, find local arrangements online and now even the tax return comes online. In fact, of the 2003 taxpayers who made some personal computers at least 35 million of them prepared their own tax returns and 5 million used this online service. This represents an 11 percent increase over the previous filing season. Experts expect the figure to rise even higher this filing season because of the
time-saving attributes.

Further, according to IRS Reports, 77 percent of Americans aged 18 to 30 who have broadband Internet connections filed their income taxes online last year, and 37 percent of them filed in January.

-BENEFITS-

- Convenience: With filing, you can do the bulk of your work and return online and submit your taxes. This is

Accuracy: Returns filed online have turned out to be more

accurate than paper-filed returns. The error rate is less than 1 percent for e-files compared to a 12 percent error rate on paper returns.

- Accountability: You'll never lose your tax return due to someone opening it.

Quick return: It is directly deposited into your bank account, you receive your refund quickly in a week or less.

- Privacy: Your information is not placed on a counter to pick out a neck-

- Speed: Returns filed online are processed faster and generally
time. Once your return is approved, the IRS sends an

for November rose 14 percent during this same period last year. The number of transactions completed during November rose 14 percent to 9,633 (98 percent) of those who filed online against 8,782 at the same period the prior year.
