Shermer Park sale put on hold

Park could have been former Jewish graveyard

BY ANDREW SCHNEIDER
editor@buglenewspapers.com

The proposed sale of Shermer Park by the Niles Park District has been put on hold while their attorney and attorneys for the Jewish Federation of Metropolitan Chicago work to ascertain whether the park could formerly have been the site of a Jewish cemetery and whether all the remains had been relocated.

Niles Park District Director Joe LoVerde said that the Jewish Federation had some documentation showing that the Park was once part of the neighboring Tov Cemetery and that remains were interred but documentation regarding their removal is uncertain. According to LoVerde, before it was developed, parcels of the site could have been Jewish cemeteries.

The village board put a stop to the addition and directed the staff to develop a separate zoning ordinance for the area that would direct further proposed additions. More than half of the homes in the subdivision are not in compliance with current village zoning regulations because the area was built before the village had a zoning ordinance in place.

The Feb. 1 meeting will be held at 7 p.m. in village hall at Oakton and Waukegan to continue.

New zoning ordinance for Bunker Hill on the move

A letter was sent last week to residents of the Bunker Hill subdivision in Niles to inform them of a meeting to review a proposed zoning overlay for the residential district on Tuesday, Feb. 1. The overlay ordinance would set a standard zoning for the area and allow for future renovation of residences. The issue came up late last year as a result of a proposed addition to a home in the subdivision that some neighbors opposed.

The Park Ridge residents, mostly those living on Prospect, turned up because they were concerned about the impact the new business would have, not only on their homes, but also on children walking to school at nearby Emerson Middle School.

Hallowiener agreed to move the oil business to stay there, "If the neighbors could have their wish I think they'd want boring restaurants, but I think it's a matter of adaption. The neighbors turned up because they were concerned about the impact the new business would have, not only on their homes, but also on children walking to school at nearby Emerson Middle School.

Park Ridge residents oppose restaurant at Niles meeting

About 40 Park Ridge residents turned up at last Monday’s Niles Zoning Board meeting to oppose a restaurant being planned for the northwest corner of Oakton and Prospect, a site currently occupied by an oil change business.

The proposed restaurant, Hallowiener, a Halloween-themed fast food restaurant, was originally planned for a seating capacity of 60 but they decreased the seating to accommodate a better parking ratio.

The Park Ridge residents, mostly those living on Prospect, and some residents of Niles turned up because they were concerned about the impact the new business would have, not only on their homes, but also on children walking to school at nearby Emerson Middle School.

In response, representatives of Hallowiener agreed to move their driveway north along Prospect further away from the intersection.

Not only residents were in attendance, however, but also Ald. Mike Tinaglia, responding to several calls from his constituents in Park Ridge’s neighboring first ward and Ald. Howard Frimark (4th). Both men are running for mayor.

"If the neighbors could have their wish I think they’d want the oil business to stay there," said Tinaglia. “They’ve been great neighbors.”

But, Tinaglia said, the Niles Zoning Board had done its job well and he could see no reason to deny their application. “It was completely within the Niles zoning ordinance,” he said. “I think the Niles Zoning Board handled it well.”

Barton to run for Park Ridge Park Board

Dick Barton officially announced his candidacy for the Park Ridge Park District Commissioner Monday, filling out 200 signatures and placing his name on the April 5 general election ballot. Barton has been a member of the Community Center, Glenview Advisory Council for two years and a member of Park Ridge for over 15 years.

"Believe the citizens of Park Ridge deserve more than they have been getting from the Park District," said Barton. "Surrounding communities such as Niles and Des Plaines have much better facilities which the residents at this time, but the village will be delivering some to them before the first meeting."

Des Plaines confirms Angell's job offer

Des Plaines City Manager David Nunez announced last Thursday that Tim Angell, currently Morton Grove's Economic Development Director, was officially offered the Des Plaines Deputy Director of Community Economic Development position within two weeks. Angell worked for Morton Grove for the last four years. Prior to his time in Morton Grove, Angell worked as the Economic Development Coordinator for the Village of Bartlett, a position he took in 1998 after serving as Senior Planner in Planning and Economic Research Division of the Cook County Department of Planning and Development.

Angell will fill a post left vacant after former Economic Development Director Bill Schneider was discharged following a sexual harassment lawsuit against him by Des Plaines. Morton Grove officials said that they hope to fill Angell's position within the first third of 2005.

Plan Commission gives nod to OTB

A 4-1 vote with two commissioner abstentions about the Morton Grove Plan Commission voted Monday night to approve an off-track betting (OTB) facility that has been proposed for the eastern Mount Prospect outlet located at the intersection of Lakicki and Ontario. Ross Parken, who was the only commissioner to vote against the proposal, cited health and moral concerns. The proposed OTB could bring in as much as $600,000 a year in tax revenue to the cash-starved village. Opponents of the proposal filed petitions Monday is an effort to have an advisory referendum put on the April 3 ballot.

OMG resident calls for debates

A member of the audience said that Till was acting more like a body, that the board of trustees was nothing to do with scheduling debates and that he should contact the local League of Women Voters. However, Village Clerk Marilyn Soisie said that there was no local chapter.

Maine Township announces
Veteran’s Assistance Program

Veterans living in Maine Township are now able to get assistance with the preparation and filing of forms and other paperwork for the Veteran's Administration (VA). Staff from the Township’s General Assistance Department has completed special training.

"As a veteran myself, I can appreciate how nice it will be to get some help with the amount of paperwork required by the VA," says Supervisor Bob Dudycz. "Our staff has undergone the extensive VA training so that we can start offering this service. We are especially proud of John Ubez and Diane Franzell for taking on these roles."

He added the VA has many wonderful programs for veterans and now with the township’s help more of them may be accessible to local residents who qualify.

There was no convenient center for VA requests so we happily undertook this task with no increase in staff or taxes, Dudycz said. He added, “Our vets need our support.”

Palliative Care Center Opens an Office in Norwood Park

New office will employ top personnel

Palliative Care Center & Hospice of the North Shore (PCCHNS), Chicago's largest nonprofit hospice and palliative care organization, will host an open house from 11 a.m. to 7 p.m. on Thursday, February 3 to introduce its new Norwood Park regional office and the team of physicians, nurses, therapists, chaplains and volunteers available to serve patients and families from these communities. The new office is located at 6333 North Northwest Highway in Chicago.

PCCHNS has served families in Norwood Park, Edison Park, Park Ridge, Des Plaines and Chicago south of Oak Street and other surrounding communities for many years. But recently, the demand for compassionate, medically advanced and supportive palliative and hospice care for chronically ill and dying patients in the area has increased substantially and led PCCHNS to establish an office dedicated to serving families in the area.

About the Norwood Park Office and Care Team

The Norwood Park office currently serves 50 patients each day in hospice and other programs. Park Ridge resident Suzanne Delaney is the Norwood Park office's regional director. She is a Registered Nurse certified in gerontology with a BS in Health Arts and is working toward her MS in Health Services Administration. Delaney oversees the region's interdisciplinary team that includes: chaplain Willy Abraham, who lives in Des Plaines; social workers Brian Berger and Leslie Beckett of Chicago; clinical coordinator Diane Kane of Chicago; three RNs, Carrie Grochowski and Maureen Cuttone both of Chicago, and Roberta Naegele of Niles; and four certified nurses aides, Evelyn Nzima, Beverly Davis, and Marlene Encarnacion of Chicago, and Vlasta Budisa of Niles; and Administrative Assistant Diane Pisarek of Schaumburg, Dr. Alan Rosen, a Highland Park resident, is the Medical Director.

Bereavement counselors from PCCHNS' Evanston headquarters are called into counsel families as needed, as are its Jewish Care Services staff, music- thanatologists and music therapists. Volunteers are also a crucial part of the interdisciplinary approach to hospice care. PCCHNS currently have several volunteers who live in the area, but hopes to recruit additional volunteers.

The office serves all of the following zip codes: 60016, 60017, 60018, 60029, 60053, 60068, 60106, 60131, 60164, 60171, 60176, 60630, 60631, 60634, 60638, 60639, 60641, 60646, 60656, 60666, 60706 and 60714.

Families with a loved one who is chronically ill or dying in these areas are invited to stop by for a tour and find out just how good we are!

Golf Mill Offers 'Club Noggin'

Parents, grandparents can have fun with kids

Golf Mill Shopping Center presents Club NOGGIN, an interactive educational experience for young children on Wednesday, January 26 at 11 a.m. Developed by NOGGIN, the educational TV channel and website for preschoolers, Club NOGGIN invites parents and caregivers to bring their young children (3-6 years) to the mall for a FREE, 55-minute session where kids can play educational games and participate in large and small group activities supervised by trained activity leaders.

"Golf Mill Shopping Center is proud to be one of the three General Growth malls in the Chicago area to offer Club NOGGIN and enhance educational opportunities for children," said Pat Pierce, Marketing Director of Golf Mill. "NOGGIN's educational content combined with our kids' club format provides a unique opportunity for children and their caregivers on a regular basis."

NOGGIN and Golf Mill have created a safe and educational format for the clubs that complement the network's curricular framework and on-air programming. Each club session will include interactive songs, video clips, games and hands-on activity stations. Each month, the club will feature a different NOGGIN character, helping to attract kids to the club again and again. The activity stations will offer kids a fun and engaging way to use their hands and minds. Parents will remain in the club area until the club session has been completed.

The partnership between GGP and NOGGIN reinforces the commitment by both companies to provide an unparalleled experience for customers. Parents and care-givers interested in joining Club NOGGIN need to call Golf Mill Shopping Center at (847) 699-9440 to reserve space for the January 26 program; the club is limited to 50 children per monthly program.

Chef Harry presents
Warming up to winter salads

Even though it's winter, enter salads still have a clear table. In fall, winter salads are often more filling than what we typically consider summer salads. Changing the garnish or season of a salad can be as simple as adding more nuts, smoked fish or hearty warm dressings. Chese, dried fruits, nuts and seeds, when added to a green salad, can turn a salad into a satisfying meal.

Today, we love our salads, store their low-cal, low-sodium means on a winter's day, but don't let winter put our salads in the deep freeze. They can still be the base for all the fresh ingredients to throw your own party.

CHINESE CHICKEN SALAD
1 pound ground chicken or lean ground pork
1 tablespoon fresh garlic, minced
1 teaspoon soy sauce
1 tablespoon sesame seeds
1/2 cup sliced green onions, chopped
2 tablespoons oil
1 tablespoon vinegar
2 tablespoons water

Mix all together and serve on top of crispy chow mein noodles, to taste.

NACHO SALAD
1 (15-ounce) can chili beans
1 (15-ounce) can black beans
1 (15-ounce) can kidney beans
Juice from 2 fresh limes
8 ounces tortilla chips

Combine the beans, limes, tortilla chips and serve on top.

PARMESAN
4 medium tomatoes, cored
1 red cup red wine
1 teaspoon salt
2 teaspoons stigar

Place slices large side up in oiled baking dish. Spoon with tomato sauce and brown sugar. Brown in preheated broiler for 6 to 8 minutes.

Serve hot with Parmesan cheese on top.

TIP OF THE WEEK

Green TIP

Gender specifics

To check the gender of a holly, look for these:

• Males have more leaves. The female is much smaller.
• Males have slightly thicker stems covered with pollen. The female stem is thin and smooth.
• Males have a more rounded flower ball. The female is more cone shaped.
• Males have more needles per inch. The female has fewer needles.

There are Persian, French and Chinese lilacs. The Persian lilac has a larger and more arching flower ball and flower, the French lilac has smaller and more conical flower ball and flower, and the Chinese lilac is a dwarf variety. The Persian lilac is the most popular due to its hardiness. The Chinese lilac is the least hardy.

Digital Hearing Aid Sale!

Hear the Miracle-Ear® difference from one of our customers...

"I can't tell you how thrilled I am with my Miracle-Ear® hearing instruments. Compared to my previous hearing aids, I can hear so much better now—my expectations have been more than met."

G.W., Miracle-Ear® hearing aid wearer

* Hearing aids do not restore natural hearing. Individual experiences vary depending on severity of hearing loss, accuracy of evaluation, proper fit and ability to adapt to amplification. Only your Miracle-Ear® representative can determine which model and options may be right for you.
* Hearing test and ear canal inspection are always free. Ear canal inspections are not available at all locations. These are not medical exams or diagnoses, nor are they intended to replace a physician’s care. If you suspect a medical problem, please seek treatment from your doctor.
* Amplifit assessment is always free. Not a medical exam. Available at participating stores.

$995 only

for a fully digital custom Miracle-Ear® hearing aid

Sale price valid on the Miracle-Ear ME108 Solution (1 aid). Good at participating locations. No other offers or discounts apply. Discount does not apply to prior sales. Offer Expires 02-26-05.

Digital technology has dramatically changed the way people experience better hearing. It also delivers the clearest, most accurate sound quality available in hearing aids:

FREE hearing services

- FREE ear canal inspections**— sometimes a hearing problem is nothing more than excess earwax.
- FREE hearing tests**— recommended annually for everyone over age 50, reveals where you need hearing assistance.
- FREE Amplifit assessment***— quite simply, the most effective way to evaluate your hearing ability. Using your everyday listening environments, you listen, watch and respond to a series of video and audio clips, helping to determine your individual hearing profile.
