BankOne to take over property tax payments

Property owners in Cook County will only be able to pay their property taxes at BankOne instead of LaSalle bank. Cook County Treasurer Maria Pappas announced the move this month as a cost-saving measure for taxpayers.

The contract with LaSalle ended on Jan. 15 and the new BankOne contract began the next day. Tax bills can no longer be paid at LaSalle. Pappas said that the conversion was a result of re-bidding of the collection contract, which BankOne secured by offering to perform the service for the County at a lower cost, saving the taxpayers an additional $900,000 over LaSalle.

The switch to BankOne will provide more than 240 locations across Chicagoland, nearly twice as many as before. The change takes effect with the first installment tax bills that will be mailed at the end of January and due Mar. 1. The option of paying at BankOne will be free and available to owners of all 1.7 million parcels of taxable real estate in Cook County.

“Our massive outreach to make this a smooth transition for property owners will continue,” Pappas said.

Attempt by Morton Grove Police to search residence turns fatal

Two suspects in Morton Grove home invasion die, one officer wounded

One Morton Grove Police officer was wounded and two men were dead after an attempt was made by the police to search a Chicago residence Friday. Police sought two men in connection with a home invasion that occurred in Morton Grove last Thursday.

During the home invasion, the victim, a Morton Grove resident, was pistol whipped and injured. On Friday, Morton Grove Police went to exercise a search warrant at 2907 W. Summerdale, Chicago in cooperation with Chicago Police and the Cook County States Attorney’s Office.

Employee Juan Acero has his work cut out for him as he pushes 10 shopping carts through the snow covered parking lot of the Dominick’s store Higgins and Cumberland Friday night Jan. 21, 2005.

Maine Township Administrator Passes
1957–2005

Margaret Bukowski was born in Chicago on March 22, 1937. She was a longtime resident of Maine Township and served as its administrator from May 1, 1991, until her death on April 9, 2005. During her tenure, she was dedicated to the well-being of the township and its residents, working closely with local businesses, schools, churches, and other community organizations.

Margaret was a kind-hearted, hardworking woman who will be sorely missed by those she worked with and her loved ones. She is survived by her daughter Alice and her brother Michael.

Margaret Bukowski, a valued member of the Maine Township community, will be deeply missed by her family, friends, and colleagues. She leaves a legacy of service and dedication that will continue to inspire those who knew her.

Park Ridge Police warn of Lottery scam

The Park Ridge Police Department has issued a warning about a lottery scam that is currently circulating in the area.

“The victim called the local lottery help line and was told to deposit the check into her bank and cash it,” Police Chief Bob Dudycz said. “The victim was then told to mail the proceeds to an address in Costa Rica. The check was later deemed to be a fraud and the money was returned to the victim.”

A scam involving the Illinois Lottery is currently ongoing, with scammers calling or emailing individuals posing as lottery officials. They ask for personal information, such as Social Security numbers, bank account numbers, and driver’s license numbers, to be obtained and sent to a fake lottery claim processing center.

The Illinois Lottery advises individuals not to provide any personal information over the phone or via email. They should only contact the Illinois Lottery by calling 1-800-522-LUCK or by visiting their website at illinoislotto.com.

If you believe you may be a victim of this scam, please contact the Park Ridge Police Department at 847-351-2020. They can provide guidance and assistance to help ensure your security.

POLICE BLOTTER

The following items were taken from official reports of the Morton Grove Police Department for the week ending January 21, 2005.

Flying is only part of his problem
(Collie and Dempster)

A 30-year-old Chicago man facing a list of charges including 17 counts of flying a drone, allegedly hit a car near Collie and Dempster just after midnight Jan. 17. The 51-year-old Chicago man police on a chase that ended with his car crashing into a home in Evanston.

According to police they received an emergency broadcast from an Emergency Service Dispatcher instructing the public to stay away from the intersection of Dempster and Collie. The driver fled the scene heading eastbound on Dempster.

Police chased the man into Evanston and terminated the chase until it ended with the man crashing his car into the home.

The man was charged with:
- Speeding over 50 m.p.h. over the limit, disobeying a traffic signal, failing to maintain control of the vehicle and failing to render aid.

Vandalism (7800 Nortz)

This 22-year-old Des Plaines man told police someone used his identity to purchase a Sprint phone and had the bill sent in an address in the 6200 block of S. Waukegan. The man told police he became aware of the theft after he started receiving bills from a collection agency. The agency claimed the man owed Sprint $520.49.

Traffic snarling the intersection of Lincoln and Dempster was re-routed north by police Monday as work to repair a broken utility pole was underway.

A driver hit two power transmission poles on Dempster near Birch Monday around 11 a.m., forcing Morton Grove Police to close the road from Washington to Lincoln until crews from Commonwealth Edison could repair the pole.

The man was driving a black Lexus sedan westbound on Dempster when, evidently, he struck one power transmission pole on the south side of the street just before the now-closed Locust's Greenhouse.

The car splintered the pole and bounced onto another pole, severing it.

Police cordoned off a 100-foot stretch of the road in each direction because of the danger of live power lines snapping and lashing those nearby.

Officials on scene said they were not sure exactly how it had happened, but that the man told police he had been reversing very fast.

The vehicle landed standing on its passenger side on Dempster.

Condit told Morton Grove police that it would take at least two hours to clear the area and that Dempster would have to remain closed at least that long.

Police said that the driver was relieved from the scene to a local hospital, but that he did not appear to have any life-threatening injuries because he was up and walking several minutes immediately following the accident.

Mayor Morton Grove

*Politics means bad government*

Dear Editor,

The last volunteer which I will ever write the Mayor Grove.

*Politics means bad government*

Mayor Grove's last minute prepared budget is not a budget for a police running for office, but in. and in case a good police running for office.

In a world ruled by morton Grove, this means bad government.

*Politics means bad government*

We should be working together to find solutions to our problems, not justifying our decisions on the basis of what we perceive to be our constituents' interests.

*Politics means bad government*

The Mayor's budget cuts will have a disproportionate impact on the most vulnerable members of our community. This is unacceptable.

*Politics means bad government*

In summary, while I may not agree with the current administration's policies, I believe they are better than those of Mayor Morton Grove, who is more interested in political expediency than the welfare of our community.

Sincerely,

[Your Name]

Jay ‘Elvis’ Reynolds rocks with the residents at Bethany Terrace Nursing Centre

Jay ‘ELVIS’ Reynolds entertain- ed the Bethany Terrace Nursing Centre in Morton Grove, on Sunday, January 15. He has been performing at Bethany Terrace for approxi- mately 4 years now and the residents love him. By looking at the smile on Ruby Littheim’s face in the photo with Jay ‘ELVIS’ Reynolds, you can tell that she makes the resi- dents ‘light up’.

Ruby Littheim has been a resi- dent at Bethany Terrace Nursing Centre since June of 2004. Ruby is 100 years old and still enjoys music, one of the loves of her life. Born on June 21, 1904, Ruby still likes to talk about the old days. Such as making Christmas stockings and besides the love of music, she enjoys playing bridge, cooking, making Christmas stockings and cards, and reading the newspaper. Jay ‘ELVIS’ Reynolds has been performing his entire life and the Elvis songs. Jay Reynolds is cur- rently booking over 200 shows a year. He enjoys singing the joy on the residents’ faces when he’s there.

If you would like to contact Jay ‘ELVIS’ Reynolds, please feel free to contact him at (708) 344-4321. If you would like to contact Bethany Terrace Nursing Centre, please call (847) 550-8100.

Curtail cat calls

WAYS TO ADDRESS

- Install a low-voltage collar that can be found at pet and hardware stores. These are often approved by animal care organizations because they work without harming the animals. The shock is very weak, and the animal should not feel a thing.
- At night, a loud noise or the sound of a whistle may scare them away. Place a can filled with pennies near the entrance of the house. Cats are attracted to shiny objects.
- Cats have a natural instinct to avoid open spaces. Place a piece of cardboard, a box, or a cardboard tube near the entrance of the house. Cats tend to avoid these areas.
- Cats also respond to the sound of water. Place a plastic bucket filled with water near the entrance of the house.

- Roofing repairs and installations. Homebrewers can have experience in roof repair and installation, and they may be able to do some of the work without the need for professional roofing contractors.
- Roofing maintenance. Homebrewers can maintain the roof by cleaning it regularly and ensuring that any issues are addressed promptly.

promote another does not help the situation. Besides, de-clawed cats still kill many birds. I know many people don't like things to be black and white, but people who like house cats will keep their kittens, for the protection of the cats and the community. If you are happy with your cat, then put it on a leash and walk it around yourself. There are treats with lemon it can eat, although you said, getting them removed is a difference.

There are small training devices that look like a TV remote control that can be used to train a cat to get to a crate or house each time the door is opened, but your neighbor is probably too old to use it. Probably the only thing that will work in a house is, in this case, a low voltage electric fence wire should work fine. Many pet and hardware stores have them. They are often approved by animal care officials because they work without harming the animals. The shock they receive is similar to a strong static shock you get from walking on a dry carpet. The wire will also keep out rabbits, dogs and other animals without harming them. I really don't think you should have to resort to using a bunch of short-tern sprays or other chemicals and I also don't think you should have to install an electric fence around your yard or house. But, I know that many people don't know how to handle house cats and you may be forced to take this action. E-mail questions to tell Bug at tell@greenerview.com.
