Action Party says political mailing possibly fraud

Party spokesman calls on Caucus to disavow ‘hate’ letter

BY ANDREW SCHNEIDER

The Morton Grove Action Party held a press conference in front of the Post Office last Friday, suggesting that a piece of mail sent by a resident who opposes them may be fraud and calling on their opponents, the Caucus Party to repudiate it.

The mailing was sent by Patrick Kansoer, a long-time opponent of the expansion of the Muslim Education Center (MEC) at 8601 Merard. It consisted of two double-sided sheets of paper, one purporting to be from a member of the Muslim Community Center (MCC) supporting the Action Party and one from himself, supporting the Caucus Party.

The MCC letter was, according to the mailing, written by Samina Hussain. She is also a member of

From left, Dan Staackmann, Action Party candidate for mayor, Dan DiMaria, President, Maria Toth, candidate for trustee and Larry Gomberg, candidate for trustee look on as DiMaria gives a statement on what the party called a bigoted mailing. They called for their competition to disavow the mailing and its author, Pat Kansoer.

Staackmann’s commissions do not reveal conflict

Morton Grove Mayoral Candidate and Trustee Dan Staackmann released his 2003 and 2004 real estate commissions to The Bugle in advance of the election and there is no apparent conflict of interest, despite repeated innuendos in the public at large and at the regular meetings of the village board.

Staackmann has served since 2003 and over the two-year period, he has conducted only a handful of real estate transactions, according to the documents he provided. None of those transactions occurred in or around areas where the village is currently engaged in redevelopment through Tax Increment Finance (TIF) districts or otherwise.

Staackmann said that he wanted to move on from the issue and that he wasn’t running to make money. “I’m running because I honestly believe that Morton Grove has a bright future,” Staackmann said. “It’s not going to work if we’re tearing each other apart.”

To the Residents of the Village of Niles

Hi, my name is Ray Czarnik. On April 5, 2005, I am running for Trustee (2 year term) for the Village of Niles. I again am asking for your support, as it was just 2 years ago that you elected me to the position of Commissioner of the Niles Park District. This will be the first time in over 20 years that you the voters of Niles will have a choice in this upcoming election for Trustees. The Trustee have always gone unopposed until now. For the past two years as YOUR VOICE in the Park District, I have listened to many of your concerns and suggestions and I feel that the Village Board is where I could be most productive in helping focus the future of Niles. I would love the chance to work with Mayor stdout and to bring your voice where it will be heard and not ignored.

My wife Kathy and I have two children. We are residents of Niles for the past 15 years however I have spent my entire life involved in the Niles community either participating in the programs or volunteering in the many special events. I work with the Niles Police Department, as a reserve police officer. As a reserve officer, I have the opportunity to meet many people and I get a hands on approach to how this Village operates and what its needs are for the future.

Safety for all the people of Niles was a major topic two years ago as I campaigned for Park Commissioner I wanted to be YOUR VOICE in the Park District and it is now time as you elected me to that position. As your Park Commissioner I was instrumental in introducing the Thor-Guard Lighting detection system in the Park Districts and it passed approval from the Board and was installed in our Parks in November of 2004. This system not only warns the people in our parks, but all of Niles will know that when you hear those sirens lighting is closing in. This was a major step in providing safety for everyone in our Village.

I have worked in the automotive industry for 27 years. As President and General Manager of Napleton Dodge I have the experience to work budgets and more importantly work within budgets in all types of economies. Napleton has given me the experience to listen to the customers needs and to resolve issues in a professional manner never forgetting the customers is always right. I want to bring my professionalism to the Village of Niles as YOUR TRUSTEE.

I ask for your support on April 5, 2005. I want to be your voice in the very important future of this great community. Please make the right choice and vote for me, Ray Czarnik and LET YOUR VOICE CONTINUE TO BE HEARD.

Thank you
Ray Czarnik

Hussain: I didn’t write letter being circulated

Dear Editor,

The text we have isn’t even close to a response to a “hustler letter” being circulated in the neighborhood. If you want to know why, look at the text. The letter is full of lies about me and my meetings and decisions. The letter even states that I had opportunities to discuss or take action on the projects that were going on in the Village, but I chose not to act. I didn’t discuss or take action on these projects because they were not important to me. I didn’t discuss or take action on these projects because they were not important to me. I didn’t discuss or take action on these projects because they were not important to me. I didn’t discuss or take action on these projects because they were not important to me. I didn’t discuss or take action on these projects because they were not important to me.

I have been a Village Trustee for over 30 years, and during that time, I have always acted in the best interest of the Village. I have always acted in the best interest of the Village. I have always acted in the best interest of the Village. I have always acted in the best interest of the Village. I have always acted in the best interest of the Village.

I have always been concerned about the issues that are important to the Village, and I have always acted on those issues. I have always been concerned about the issues that are important to the Village, and I have always acted on those issues. I am proud of my record of service to the Village, and I am proud of my record of service to the Village. I am proud of my record of service to the Village, and I am proud of my record of service to the Village. I am proud of my record of service to the Village, and I am proud of my record of service to the Village.

I am committed to serving the Village with integrity and honesty, and I will continue to do so in the future. Joe LoVerde for Trustee of Niles

New Ideas... New Enthusiasm... New Direction...

I am not running for an OFFICE. I am running for a REASON:

• Increased Traffic Problems and Pedestrian Safety Issues
• Excessive Spending on Capital Projects
• Deterioration of Milwaukee Avenue
• Continued Revenue Loss in Village-Operated Niles Family Fitness Center
• Increased Taxes Imposed Each and Every Year

This current Board of Trustees has increased:

• our property taxes 4.9% each year for the last ten years
• sales tax
• utility taxes
• water rate each year for the last four years

The Present Trustees are running under the banner of Leaders for Financial Security, yet under their Leadership we have seen constant increases. The Village of Niles has an unreserved fund balance of over $21,700,000.00 which is available for spending at the Board of Trustee’s discretion. If Elected as YOUR TRUSTEE, my position would be to use the unreserved funds to reward our residents with tax relief, NOT tax increases.

My 25 years of business experience, community involvement, and eight years as your Park District Executive Director, make me truly qualified, willing, and able to serve you, with the commitment and respect you deserve.

You have a “CHOICE” to elect a candidate with:

• New Ideas... New Enthusiasm... New Direction...

Vote on April 5 for ONE TRUSTEE that will make a difference!
